XVI. And it is hereby further ordered, That the Superintendent of Quarantine, or some proper Person appointed by him, shall, as often as required, afford assistance, and provide Necessaries for the Persons in the Lazaret at Chetney Hill, and in the Floating Lazaret, or the Hospital Ship, and also for those on board the Ships and Vessels under Quarantine, taking Care to allow of no improper Communication with the Persons employed for that Purpose; which Persons shall always place their Boats to windward, and shall deliver, by Means of Metal Buckets, with Chains, the Articles supplied by them.

XVII. And it is hereby further ordered, That the Quarantine Guardians, who shall be placed on board Ships and Vessels not furnished with clean Bills of Health, shall be instructed to take especial Care that nothing whatever be delivered from on board such Ships or Vessels when under Quarantine, without an Order in Writing from the Superintendent or his Assistant; every such Order to be entered in a Book by one of the said Guardians, and the Original to be delivered back to the Superintendent or his Assistant, and nothing, however little susceptible it may be thought to be of Infection, shall be conveyed from one Ship or Vessel under Quarantine to another, nor any personal Intercourse be permitted from any such Ship or Vessel to another; and one of the Quarantine Guardians, when thereto required by the Superintendent of Quarantine or his Assistant, shall accompany the Lighters and Boats which shall be employed in passing to or from the Ship or Vessel on board of which such Guardians are placed, during the Passage of such Lighters and Boats to and from such Ship or Vessel, in order to prevent any Communication in the Transit of the Cargo from the Ship to the Floating Lazaret, or to the Lazaret at Chetney Hill, and shall take Care, after every Removal of Goods, that no Remnants of Cotton, or of any other Article enumerated in either of the said Two Classes hereinafter stated, remain in the Lighters or the Boats; but

XVIII. And it is hereby further ordered, That the said Guardians shall take Care that after the discharge of the Cargoes into the Lazaret, the Holds and between Decks of the Ships shall be completely swept and the Sweepings burnt.

XIX. And it is hereby further ordered, That the said Guardians shall diligently search the Lockers, Chests, and other Repositories of the Officers, Passengers, and Crews, and every Part of the Ships and Vessels, so that no Article so enumerated in either of the said Two Classes, nor any Matter or Thing, considered as susceptible of Infection, remain undelivered to the Lazaret, unless what shall be declared by the said Superintendent, or Medical Attendant, to be requisite for daily Use, and shall see that all the said Chests, Lockers, and other Repositories, and all the Clothes and Bedding in the Ship or Vessel, be daily opened and aired, in such Manner as shall be directed by the Superintendent of Quarantine, and shall also make the like diligent Search in Ships and Vessels laden with other Goods not enumerated in either of the said Classes, so as to be able the better to ascertain that nothing enumerated, or considered as susceptible, has been left on board.

XX. And it is hereby further ordered, That one of the said Guardians shall make a daily Report to the Superintendent of Quarantine, or his Assistant, and to the Medical Attendant, of the State of Health of every Person on board; and whether the Regulations of Quarantine have been properly complied with; and in Case any Impediment shall occur in the Execution of the Duties required of the said Guardians, they shall give Notice immediately to the Master or other Person, having Charge of the Ship or Vessel in the first Instance, and if thereupon such Impediment be not instantly removed, they shall then give Notice thereof to the Superintendent of Quarantine, or his Assistant, who shall take care to use effectual Means for the Removal of the same.

XXI. And it is hereby further ordered, That if any Person on board, shall fall sick, and any Medical Person shall be on board the Ship or Vessel, such Medical Person shall confer with the Medical Attendant alongside the Ship or Vessel, the Medical Attendant keeping to Windward, at a Distance of not less than Ten Feet; and in Case there shall be no Medical Person on board, and it shall be necessary for the Medical Attendant to inspect the Sick, the Visit shall be made at the Ship's Boat by the Medical Attendant in his own Boat, keeping to Windward, at the like Distance of not less than Ten Feet; and if any Patient, after being examined in the Manner before-mentioned, shall be found to require such Medical or Chirurgical Aid as cannot properly be administered, except in the Pest House, or Hospital Ship, he shall be removed either to such Pest House or Hospital Ship, as the Case may require.

XXII. And it is hereby further ordered, That Patients under Circumstances which shall induce Suspicion, that they may be infected with any pestilential Disorder, whether such Persons shall be in the Lazaret at Chetney Hill, or in the Floating Lazaret, or in any of the Ships or Vessels performing Quarantine, shall be sent to the Pest House, or to

one of the Huts on Shore, or to the Hospital Ship, according to the Discretion of the Superintendent of Quarantine, with the Advice of the Medical Attendant, and when it shall appear, that there is no longer any Reason to apprehend any Danger of Infection from such Patients, they shall be sent back to the Ship or Vessel from whence they were removed.

XXIII. And it is hereby further ordered, That in case any pestilential Disorder, shall actually discover itself on board any Ship or Vessel or among any of the Persons under Quarantine, whether in any Ship or Vessel performing Quarantine, or in the Lazaret at Chetney Hill, or in the Floating Lazaret, the Person or Persons affected with such Disorder, shall be removed with all possible Care and Dispatch under the special Direction of the Superintendent of Quarantine and Medical Attendant to the Pest House, or to one of the Huts on Shore, and a proper Attendant shall be assigned to such Patient or Patients by the Superintendent of Quarantine, with the Advice of the Medical Attendant, and such Patient or Patients shall be visited at a due Distance by the said Medical Attendant, and in case near Approach shall be required some Person shall be specially appointed by the Medical Attendant for that Purpose.

XXIV. And it is hereby further ordered, That the Passengers and Crew of any Ship or Vessel under Quarantine, may have the Assistance of any Medical Persons they may desire from the Shore, subject to the official Visits of the Medical Attendant, and to such Regulations and Restrictions as the Superintendent of Quarantine, with the Advice of such Medical Attendant, shall judge necessary; but all such Medical Persons as well as all others, if they communicate by contact with the Sick, shall perform the same Quarantine as the Sick Persons themselves.

XXV. And it is hereby further ordered, That after the Quarantine Guardians shall have been placed on board any Ship or Vessel the Pilot may quit such Ship or Vessel and be removed to an Apartment in the Lazaret at Chetney Hill, or in the Hospital Ship, provided he comes from a Ship or Vessel having no suspicious Sickness on board; but if otherwise, such Pilot shall be sent to the Pest House, or to one of the Huts on Shore, at the Discretion of the Superintendent of Quarantine, with the Advice of the Medical Attendant, and such Pilot shall, in both Cases, continue under Quarantine until the probationary Airing of the Goods, Wares, and Merchandizes, as hereinafter directed, shall be finished, and at the Expiration of such probationary Airing, such Pilot, if he continue free from Infection shall be fumigated and discharged from Quarantine; provided always, that during the Performance of such Quarantine, either on board the Hospital Ship, or at the Pest-House, or Huts on Shore, such Pilot shall not have Communication with any other Person, except under similar Restrictions to those herein directed with regard to other Persons under Quarantine.

XXVI. And it hereby further ordered, That until the Lazaret at Chetney Hill shall be erected, such of the Passengers and Crew of any Ship or Vessel arriving as abovementioned, not furnished with clean Bills of Health, as may be desirous of performing Quarantine in a separate Vessel, to be hired at their own Expence, shall, in case the Superintendent

of Quarantine, with the Advice of the Medical Attendant, shall see no Objection thereto, be permitted to quit the Ship or Vessel in which they shall have arrived before the Hatches are opened, and to go on board any other Ship or Vessel to perform Quarantine, (in which other Ship or Vessel a Quarantine Guardian shall be placed at the Expence of the Person or Persons so performing Quarantine,) and such Persons shall there perform a Quarantine of Thirty Days, and such of the Passengers and Crew as shall remain on board the Ship in which they shall have arrived, shall continue under Quarantine until the Ship shall be discharged therefrom.
