By the KING.

A PROCLAMATION;

For suppressing Riots and Tumults, and for protecting and encouraging the free Supply of the Markets.

GEORGE R.

WHEREAS it has been represented to Us that riotous Proceedings have taken Place in several Parts of Our Kingdom in consequence of the high Price of Provisions, and that in some Instances Corn and other Articles of Provision have been violently taken from the Owners, and in others the Prices of those Articles have been reduced by Threats and Intimidations; We, therefore, having taken the same into Our most serious Consideration, and being deeply sensible of the many mischievous Consequences which must inevitably ensue to the Peace of Our Kingdom, and to the Lives and Properties of Our loving Subjects, if such Proceedings should not be effectually checked; and also considering that the present high Price of Corn and other Provisions complained of, instead of being reduced must necessarily be increased by the Continuance of such Outrages; and that with a View to effecting any permanent Reduction in the Price of Provisions, and ensuring the continued and regular Supply of the accustomed Markets, on which the Subsistence of every Class of Our loving Subjects must necessarily depend, it is essential that the most ample Security be afforded to all Farmers and other lawful Dealers in Corn, and other Articles of Provision: We have therefore thought fit, by and with the Advice of Our Privy Council, to issue this Our Royal Proclamation, hereby giving Notice of our determined Resolution effectually to exert Our Royal Authority for suppressing and punishing every Attempt tending to

impede the regular Supplies of the Market, or to interrupt or disturb the free Sale of the Articles brought to the same, by Acts of Violence, or by Intimidation, or by injuring or molesting the Persons or Properties of any such Dealers in Corn or other Articles of Provision; and strictly commanding and requiring all the Lieutenants of Our Counties, and all Our Justices of the Peace, Sheriffs, and Under Sheriffs, and all Our Civil Officers whatsoever, that they do take the most effectual Means for suppressing all Riots and Tumults; and to that End do effectually put in Execution an Act of Parliament made in the First Year of the Reign of Our late Royal Ancestor of Glorious Memory, King George the First, intituled "An Act for preventing Tumults and Riotous Assemblies, and for the more speedy and effectual punishing the Rioters;" and all other Laws and Statutes made against Riots, Routs, and unlawful Assemblies; and do also use their utmost Endeavours for discovering, seizing, and apprehending the Persons who may be concerned in any such riotous and dangerous Practices, to the End that they may be brought to Justice; and that the said Lieutenants of Our Counties, Justices of the Peace, and all other Our Civil Officers to whom it may appertain, do give the necessary Directions that sufficient Watch and Ward be duly kept at such Times and Places as they shall judge necessary for the preventing and suppressing the like Disorders: And we do hereby further strictly charge and command all Our Officers Civil and Military, and all other Our loving Subjects, that they be aiding and assisting in the Execution of Our Commands herein, and in the seizing, apprehending, and taking all Persons who have offended, or shall offend in Manner aforesaid; and we do hereby further charge and com-

inand, that the said Offenders be prosecuted according to Law, We being resolved to suppress such Riots and Tumults by the due Punishment of all such Offenders. And we do hereby command the said Lieutenants of Our Counties, the respective Justices of the Peace, and other Magistrates aforesaid, that they do, from Time to Time, transmit an exact Account of what they shall do, pursuant to this Our Royal Proclamation, to One of Our Principal Secretaries of State.

Given at Our Court at Weymouth the Eighteenth Day of September One thousand eight hundred, in the Fortieth Year of Our Reign.

GOD save the KING.

AT the Court at *Weymouth*, the 18th of September 1800,

P R E S E N T,

The KING's Most Excellent Majesty in Council.

HIS Majesty in Council was this Day pleased to order, that the Parliament, which stands prorogued to Tuesday the Seventh Day of October next, should be further prorogued to Tuesday the Eleventh Day of November following.

Admiralty-Office, September 20, 1800.

Copy of a Letter from the Earl of St. Vincent, K. B. Admiral of the White, &c. to Evan Nepean, Esq; dated on board His Majesty's Ship Ville de Paris, at Sea, the 14th Instant.

S I R,

I Herewith transmit a Letter which I have received from Captain Fayerman, of His Majesty's Ship *Beaulieu*, giving an Account of his having captured the Dragon French Letter of Marque, from Guadaloupe bound to Bourdeaux.

I am, Sir, &c.

ST. VINCENT.

MY LORD, *Beaulieu*, at Sea, Aug. 27, 1800.

I Have the Honor to inform your Lordship, that I captured, in His Majesty's Ship under my Command this Morning, (His Majesty's Sloop *Sylph* in Company,) the Dragon, a very fast sailing Copper-bottomed Sloop Letter of Marque, from Guadaloupe to Bourdeaux, laden with Sugar, Coffee, and Cotton, out Thirty-two Days, and am now hastening to go in Chace of a Ship and a Schooner.

I have the Honor to be, &c. &c. &c.

F. FAYERMAN.

The Earl of St. Vincent, K. B.

Admiralty-Office, September 19, 1800.

Copy of a Letter from Vice-Admiral Lord Keith, K. B. Commander in Chief of His Majesty's Ships and Vessels in the Mediterranean, to Evan Nepean, Esq; dated on board the Minotaur, in Leghorn Roads, 3d August 1800.

S I R,

THE inclosed Letter received by me from Captain Ballard, of His Majesty's Ship *Pearl*, will inform their Lordships of a gallant and success-

ful Attack made by the Boats of that Ship on Two Spanish Xebecs and Six Small Vessels under their Protection.

I have the Honor to be, &c. &c. &c.

KEITH.

MY LORD, *Pearl*, off *Mahon*, July 23, 1800.

THE 20th Instant, being off Cape Couronne, in His Majesty's Ship under my Command, the Boats with their gallant Crews, under the Direction of Lieutenant Crawley, captured Two Spanish Xebecs, one mounting Eight Guns, and Six Settees, mostly armed and deeply laden. Five of them anchored with me here this Day, and the other Three I was obliged to scuttle, owing unfortunately to a Gale of Wind coming on, by which, I am sorry to say, James Parker, Seaman, was drowned, and the most valuable Boat I had (the *Yawl*) sunk.

I have the Honor to be, &c. &c. &c.

S. J. BALLARD.

Admiralty-Office, September 20, 1800.

Copy of a Letter from Captain Price, of His Majesty's Sloop Badger, to Evan Nepean, Esq; dated at St. Marcou, September 16, 1800.

S I R,

I Beg Leave to represent to you for the Information of their Lordships, the Account of a very gallant Action performed Yesterday by Two of the Boats belonging to His Majesty's Gun Vessel, within Four Miles of the West Island, under the Command of Lieutenant M'Cullen, of the Marines.

About Two P. M. of the 15th, I observed a long Lugger between Illegney and us, and thought I could cut her off from La Hogue; I directed Lieutenant M'Cullen, with Twenty-four picked Men in my Ten-Oared Galley and Six-Oared Cutter, to endeavour to board her, and directed Lieutenant Stevens (by Signal) to slip and cover the Boats with His Majesty's Gun Brig *Sparkler*, then for all Boats manned and armed to support the leading Boats.

The Service was so well performed, that the *Sparkler* took the Fire of Two Batteries of Two Twenty-four Pounders and Two Twelve-Pounders, which prevented its being directed against the Boats: The Lugger perceiving the Boats determined, lowered her Sails, rowed on Shore, cut away all her Masts and Rigging, and got on Shore; our Cutter immediately boarded her under the Fire of several Hundred Musketry, and towed her off. She proves to be *La Victoire* Privateer (Row Boat), Captain Barrier, belonging to Boulogne, mounting Four Swivels, rows Twenty-six Oars, quite New, from Appearance had at least Forty Men on board; she is Sixty Feet long, Nine Feet Beam, and the completest Boat for the Service of the Islands that possibly could be constructed.

In performing this, I beg you will mention the gallant Manner Lieutenant Stevens ran the Gun-Brig into Two Fathom Water; kept up a continual Fire for One Hour under the Batteries, which diverted their Fire from the Boats; Lieutenant M'Cullen of the Marines, who so determinedly led the Boats; and the good Conduct of the Twenty-four Men who so well performed the Service; and from the continual Fire of Musketry, I am happy to find so small a Loss as my Gunner's Mate,

Joseph Silk) wounded by a Musket Ball in the Shoulder. The Sparkler has received no other Damage than a few Shot through her Sails, and some of her Rigging cut.

I am, &c. CHARLES P. PRICE.
