Downing-Street, October 11, 1800.

A DISPATCH, of which the following is a Copy, has been this Day received by the Right Honorable Henry Dundas, one of His Majesty's Principal Secretaries of State, from Major-General Pigot, commanding His Majesty's Troops in the Island of Malta.

SIR, *Malta, September 6, 1800.*

Conceiving that it may be of the utmost Consequence that His Majesty's Ministers should be acquainted, as soon as possible, with the Surrender of the important Fortrefs of La Valette, I have defired Mr. Paget to dispatch a Messenger to England with a Copy of my Letter to General Sir Ralph Abercromby on the Subject, and the Articles of Capitulation, which are herewith sent you.

We Yesterday took Possession of some of the Works, and our Ships entered the Harbour, and I am in Hopes the Whole will be evacuated by the Enemy to-morrow, except the Island of Manuel, where, agreeable to the Capitulation, such are to remain as cannot be immediately sent to France for want of Ships to take them.

I have the Honor to be, &c. &c. &c.

H. PIGOT, Major-General.

*To the Right Honorable Henry Dundas,
&c. &c. &c.*

SIR, *Malta, September 5, 1800.*

I Have great Satisfaction in acquainting you with the Surrender of the Fortrefs of La Valette, with all its Dependencies, after sustaining a Blockade of Two Years. The Capitulation has been signed this Day.

I had every Reason to suppose that this most formidable Fortrefs was likely soon to fall, from the Circumstance of the Two French Frigates, La Justice and La Diane, going out of the Harbour a few Nights ago; One of which, La Diane, by the Vigilance of the blockading Squadron, was soon captured, and there are still some Hopes that the other may have shared the same Fate.

Judging of how much Consequence it may be that you should have the earliest Intimation of this important Capture, I have delayed, till another Opportu-

nity, sending Returns of the Stores, &c. found in the Place, which could not yet be made up.

During the short Time you were here, you must have been sensible of the great Exertions which Brigadier-General Graham must have made with the limited Force he had, previous to my Arrival with a Reinforcement: he has ever since continued these Exertions; and I consider that the Surrender of the Place has been accelerated by the Decision of his Conduct, in preventing any more Inhabitants from coming out of the Fortrefs a short Time before I came here. He was sent to negotiate the Terms of Capitulation with General Vaubois, and I am much indebted to him for his Assistance in that Business.

I am happy to say, that I have experienced every Support from Brigadier-General Moncrieff, and the Officers of the British and Allied Troops, whose Conduct in every Respect has been most exemplary. The Service of the Engineer Department, under Captain Gordon, has been carried on with great Zeal and Perseverance.

I think it right to mention to you, that Lieutenant Vivion of the Royal Artillery, the Assistant Quarter-Master-General, has been of considerable Service. He was landed here with his Party from the Strombolo Bomb at the Commencement of the Blockade; and for a long Time did Duty with these few Men without any other British or Regular Troops of any Description.

I have great Pleasure in acknowledging the constant and ready Assistance and Co-operation I have received from Captain Ball of His Majesty's Ship the Alexander, who has been employed on Shore during the greater Part of the Blockade:—His Name and Services are already well known to His Majesty's Ministers; and I am sure I need not say more than that those he has performed here do Credit to his former Character.

I herewith transmit you the Terms of the Capitulation.

I have derived great Assistance from my Aide-de-Camp Captain Dalrymple, who has for some Time been doing Duty as Assistant Adjutant-General.

I have the Honor to be, &c.

(Signed) H. PIGOT, Major-General.

*General Sir R. Abercromby, K. B.
&c. &c. &c.*

ARTICLES of CAPITULATION *between the General of Division Vaubois, Commander in Chief of the Islands of Malta and Gozo, and Rear-Admiral Villeneuve, commanding the Marine at Malta, on one Part; and Major-General Pigot, commanding the Troops of His Britannic Majesty and his Allies, and Captain Martin, commanding the British Squadron, and that of the Allies, before Malta, on the other Part.*

Art. I. The Garrison of Malta, its Forts and Dependencies, will march out to be embarked and conveyed to Marseilles, on such Day and Hour as may be appointed, with all the Honors of War: viz. Drums beating, Colours flying, preceded by Two Four-Pounders, with lighted Matches, with their Tumbrels; the Artillery to serve them, and Tumbrels for the Infantry.

The Officers of the Marine, as well Civil as Military; the Sailors and all Persons belonging to that Department, will in the same Manner be conducted to Toulon.

Answer.—The Garrison shall receive the Honors of War demanded; but as it is impossible the Whole should be immediately embarked, the following Arrangements will take Place:

As soon as the Capitulation is signed, the Forts of Ricazoli and Tignie will be delivered up to, the British Troops; and the British Ships may enter the Harbour.

The Porte Nationale shall be occupied by a Guard, composed of French and English in equal Numbers, until the Vessels shall be ready to receive the first Embarkation; when the whole Garrison shall march out with the Honors of War, to the Marino, where they will lay down their Arms. Those who cannot be of the First Embarkation will occupy the Island of Fort Manuel, having an armed Guard, to prevent any Thing that may happen towards the Country.—The Garrison are to be considered as Prisoners of War, and are not to serve against His Britannic Majesty or his Allies, until exchanged; for which their respective Officers will give their Parole of Honor.

All the Artillery, Ammunition, and public Magazines, of whatever Description, shall be delivered to Officers appointed to receive them; as well as Inventories and public Papers:

Art. II. The General of Brigade Chauer, Commandant of the Place and Forts; the General of Brigade Dheunezel, commanding the Artillery and the Engineers; the Officers, Non-commissioned Officers, and Land Troops; the Officers, Soldiers, and Crews; and all other Persons employed in the Marine:

Citizen Pierre Alphonso Guyn, Commissary General of Commercial Affairs for the French Republic in Syria and Palestine, accidentally now at Malta with his Family; those holding Civil and Military Employments; the Ordonnateurs and Commissaries of War and Marine; the Officers of the Civil Administration; and other Members of the Constituted Authority,—shall retain their Arms, personal Effects, and Property of every Description.

Answer.—Granted; with the Exception of the Arms laid down by the Soldiers, agreeable to the First Article: the Non-commissioned Officers shall be allowed to retain their Swords.

Art. III. All Persons having carried Arms in the Service of the Republic during the Siege, of whatever Nation, shall be considered as Part of the Garrison.

Answer.—Granted.

Art. IV. The Division will be embarked at the Expence of His Britannic Majesty; every Officer, Soldier, or Person in public Employment shall receive Rations in Proportion to their Rank, according to the French Regulations.

The Officers and Members of the Civil Administration who go to France, shall enjoy the same Advantages, they and their Families being rated agreeable to that Military Rank which corresponds to the Dignity of their Situations.

Answer.—Granted, as far as is conformable to the Usage of the British Navy, which allows the same Ration to every Individual, of whatever Rank or Condition he may be.

Art. V.—The necessary Number of Carts and Boats to transport and embark the Personal Effects of the Generals, their Aides-de-Camp, the Ordonnateurs and Commissaries, the Chiefs of Corps, and Officers of Citizen Guyn; of the Officers of the Civil and Military Administrations, by Land and Sea, as well as the Papers of the Councils and Administration of Corps; those of the Commissaries of War by Sea and Land; of the Paymasters of the Division, and the other Officers of the Civil and Military Administrations: these Effects and Papers are not to be subjected to any Search, under a Guarantee given by the French Generals that they do not contain any Public or Private Property.

Answer.—Granted.

Art. VI.—The Ships belonging to the Republic that are fit to go to Sea, shall depart at the same Time with the Division, to go to a Port in France, after being furnished with the necessary Provisions.

Answer.—Refused.

Art. VII. The sick capable of being moved, shall be embarked with their Effects, and the Surgeons necessary to their being taken care of during the Voyage, at the same Time with the Division, being furnished with Provisions, Surgical Instruments, and Medicine Chests; those who cannot be moved will be treated as their Situation requires.

The General in Chief leaving at Malta a Physician and Surgeon, who will take care of them, they shall be furnished with Quarters gratis if they should be moved from the Hospital, and sent to France as soon as their Situation admits of it, with every Thing that belongs to them, in the same Manner as the Garrison. The Generals in Chief by Land and Sea, in evacuating Malta, entrusts them to the Generosity and Humanity of the English Generals.

Answer.—Granted.

Art. VIII. No Individuals of whatever Nation, Inhabitants of the Island of Malta or otherwise, shall be in any Manner molested for their political Opinions, or for what they have done, or what has happened during the Time that Malta has been in the Hands of the French Government. This Article applies principally, and in its full Extent, to those who have taken Arms, or held Employments either Civil, Administrative, or Military; they are not to

be called to Account or proceeded against for having done so, nor for what they may have done in the Course of their Employment.

Answer.—This Article is not properly Part of a Military Capitulation; but the Inhabitants who wish to remain, or those who shall be permitted to remain, may be assured that they shall be treated with Justice and Humanity, and shall enjoy the full Protection of the Laws.

Art. IX. The French in Malta, and the Maltese of every Description, who wish to go to France, shall have Permission to do so with their Property. Those who have moveable or immoveable Effects, that cannot be immediately sold, and who intend going to France, shall have Six Months from the Date of this Capitulation to sell their Property: Their Property shall be respected: They may act for themselves if they remain, or by regular Attornies if they sail with the Division. When their Business shall be finished, within the Time stipulated, they shall be furnished with Passports to go to France, carrying with them on board Ship the Moveables which they may chuse to keep, as well as their Capitals in Specie, or Bills of Exchange, as may be most convenient.

Answer.—Granted; referring to the Answer of the last Article.

Art. X. As soon as the Capitulation shall be signed, the English General shall leave it in the Power of the General commanding the French Troops, whenever he chuses that they should depart, to send a Felucca with the necessary Crew, and an Officer charged to carry the Capitulations to the French Government, for which the necessary Safe-Conduct will be given.

Answer.—Granted.

Art. XI. The Articles of the Capitulation being signed, the Gate called Port de Bombes will be delivered to the English General; it will be occupied by an equal Guard of English and French, who will have it in Charge not to suffer any of the Soldiers of the Besieging Army, or any of the Inhabitants whatever of the Island, to enter until the French Troops shall be embarked and out of Sight of the Harbour. By Degrees, as the Embarkation takes place, the English Troops will occupy the Posts which will give them the Command of the Place: The English General must be sensible that this Precaution is indispensable, that there may be no Subject of Dispute, and that the Capitulation may be religiously observed.

Answer.—Granted; according to the Provisions contained in the Answer to the First Article: every Precaution will be taken that the armed Maltese shall not approach the Posts occupied by the French Troops.

Art. XII. All Alienations, or Sales of moveable or immoveable Property whatever, by the French Government while in Possession of Malta, and all Transactions between Individuals, shall be held inviolable.

Answer.—Granted; as far as they shall be just and lawful.

Art. XIII. The Agents of the Powers, Allies to the French, who shall be in Valetta at the Reduction of the Place, shall not be molested in their

Persons or Property, but shall be guaranteed by this Capitulation.

Answer.—Granted.

Art. XIV. Ships of War, or Trading Vessels coming from France under the National Flag, and presenting themselves at the Harbour to enter, shall not be considered as Prizes, nor shall their Crews be made Prisoners, for the first Twenty Days after the Date of the present Capitulation, but shall be sent back to France with Convoy.

Answer.—Refused.

Art. XV. The General in Chief and the other Generals shall be embarked with their Aides-de-Camp and the Officers attached to them, as well as the Ordonnateurs and their Suits respectively, who shall not be separated.

Answer.—Granted.

Art. XVI. The Prisoners taken during the Siege, including the Crews of the Ship Le Guillaume Tell, and the Frigate La Diane, shall be restored, and treated as the Garrison; also the Crew of the Frigate La Justice, if she should be taken on her Voyage to any of the Ports of the Republic.

Answer.—The Crew of Le Guillaume Tell are already exchanged, and that of La Diane shall be transported to Minorca, to be exchanged forthwith.

Art. XVII. Every Person in the Service of the Republic shall be exempt from any Act of Reprisal whatever, or under whatever Pretext.

Answer.—Granted.

Art. XVIII. If any Doubt shall arise upon the Terms of this Capitulation, it shall be interpreted in Favour of the Garrison.

Answer.—Granted, according to Justice.

*Copy of a Letter from Vice-Admiral Lord Keith,
Commander in Chief of His Majesty's Ships and
Vessels in the Mediterranean, to Evan Nepean, Esq;
dated Foudroyant, Gibraltar-Bay, September 15,
1800.*

SIR,

MY Letter of the 11th Instant will have acquainted their Lordships of my having formed the Resolution of attempting an Enterprize against Two Armed Vessels, reported to be receiving Stores in the Roads of Barcelona for the Relief of Malta. I have now the Satisfaction of informing you, that this Service has been very judiciously arranged by Captain Louis of the Minotaur, and most gallantly and successfully executed by Captain Hillyer of the Niger, and Lieutenant Schomberg of the Minotaur, in the Boats of these Ships, as will appear by the Report made to me thereon by Captain Louis, a Copy of which is herewith enclosed. I have no Doubt that their Lordships will justly appreciate the Merits

of the Officers by whom this gallant and enterprising Service has been performed.

I have the Honor to be, &c. KEITH.

MY LORD,

Minotaur, Sept. 6, 1800.

Knowing how anxious and desirous your Lordship was, as well as the Service to my Country, by cutting out or destroying the Two Corvettes, lying in Barcelona Road, mentioned in your Lordship's Orders to Captain Oliver; and, in order to check the Two Ships sailing upon this intended secret Expedition, induced me to persevere in the following Attempt:

On the Evening of the 3d Instant, after having delivered Captain Hillyer of the Niger his Orders to join your Lordship, a Breeze sprung up from the Westward, with every Appearance of a close Night. I again called him on board, with the Signal at the same Time to prepare Boats. Captain Hillyer and Lieutenant Schomberg volunteered the Service, assisted by Lieutenants Warrant, Lowry, Lieutenant Healy of the Niger, Mr. Reid, Master, and Lieutenant Jewell of the Marines. The Boats left the Minotaur about Eight o'Clock in the Evening. The Firing began from all Quarters near Nine: about Ten o'Clock I had the pleasing Satisfaction to see Two Ships dropping out of the Road under a heavy Fire from the Ships, Four strong Batteries, Ten Gun-Boats, Two Schooners, with Two Forty-two Pounders each—the Fort of Mount Joui the same Time throwing Shells.—The Minotaur and Niger were well placed in good Season to cover the Party. The Service was performed throughout with an enterprising Spirit, good Conduct, and in a gallant Style. The Loss, which I shall inform your Lordship, of Killed and Wounded fell principally upon Two Boats, not great, when compared to the Situation the Number of Boats and so many Men were placed in for a considerable Time. The Ships about Eleven o'Clock were perfectly clear from the Fire of the Enemy's Batteries and Gun-Boats, the Men of War checking the Movements of the latter: the Ships captured, named Conception alias Esmiralda, and La Paz, about Four Hundred Tons, each mounting Twenty-two Brass Guns, Twelve and Nine-Pounders, laden with Provisions and Stores, &c. &c. &c. supposed for Batavia, and on Dutch Account: they were to have taken Three Hundred Troops of the Regiment of Batavian Swifs on board from the Island of Majorca. I found several Dutch Officers on board the Esmiralda. The Officers and several of the Men of La Paz, during the Action, quitted her in Boats. La Paz is a very fine Ship, quite new, never at Sea before, sails remarkably well, and I make no Doubt your Lordship will find her in all Respects calculated for His Majesty's Service; the Esmiralda is also a very fine Ship. I beg Leave strongly to recommend to your Lordship's Notice Captain Hillyer and Lieutenant Schomberg; their Services upon this Occasion deserve the first Attention and highest Praise; at the same Time I cannot pass without Notice the general good Conduct of every Officer and Man serving under my Command.

I herewith send the List of Killed and Wounded.

I have the Honor to be, &c. &c.

THOMAS LOUIS.

*Vice-Admiral Lord Keith, Commander
in Chief, &c. &c. &c.*

List of Killed and Wounded.

Minotaur.—Mr. Reid, Master, slightly wounded.
Niger.—2 Seamen, killed; 4 Seamen and 1 Marine,
(since dead,) wounded.

Killed and Wounded on board the Enemy's Ships.
La Paz — 1 Seaman killed; 4 Seamen, wounded.
