Office for Sick and Wounded Seamen,
 July 16, 1801.

Whereas many Persons who have been put on the
 List of the Surgeons of the Royal Navy since the
 Commencement of the present War, have, after serving
 Five Years to entitle them to Half-Pay, retired from
 Service under various Pretexes, thereby making the Ser-
 vice subservient to their private Views, The Commis-
 sioners for Sick and Wounded Seamen do hereby give
 Notice to all Persons of the above Description, that if
 they do not, within Two Months from the Date hereof,

give into their Office their Names and Place of Abode,
 and signify their Readiness to serve in such Situations as
 the Commissioners may judge it expedient to appoint them
 to, or produce satisfactory Proof of their Inability to
 serve, they will be considered as having declined the Ser-
 vice, and struck off the List accordingly.
