Admiralty Office, August 25, 1801.

Copy of a Letter from Lord Viscount Nelson, K. B. Vice-Admiral of the Blue, &c. to Evan Nepean, Esq. dated Downs, the 23d Instant.

SIR,

Herewith I transmit you a Letter which I have received from Captain Rose, giving me an Account of the Boats of the several Vessels under his Orders having burnt a Quantity of Pitch, Tar, and Turpentine, destroyed Three Gun Boats, taken Two Launches, and a Flat Boat about Forty-five Feet long, and Eighteen or Twenty Feet Wide, mounted with One Brass Eight Inch Howitzer; this Boat sunk after of the Hound. The Business on the Part of our Boats was conducted with much Spirit; and much Praise is due to Lieutenant Agassiz, of the Hound, and Lieutenant L. Vefcont, of the Jamaica, for their brave Example on this Occasion.

I have the Honor to be, &c.

NELSON and BRONTE.

The Jamaica, at Sea,
August 21, 1801.

MY LORD,

I beg Leave to acquaint you, that Yesterday Evening, at Eight o'Clock, being at Anchor off Estaples, I observed a large Fire to the S. S. E., and at the same Time a very heavy Cannonade. I immediately got under Weigh with the Vessels under my Orders, and ran down to it. About Ten I spoke Captain Sanadine, of the Hound, who informed me that the Fire proceeded from a Cargo of Pitch and Tar, belonging to a Vessel wrecked on the Coast some Time ago, which the Boats of the Hound and Mallard had set Fire to; and that Six Flat Boats had come out of Saint Vallery that Afternoon, which he forced on Shore, and then lay hauled upon the Beach.

Accordingly this Morning sent the Boats of the Jamaica, Gannet, and Hound, together with those of the Gun-Brigs, and endeavour to cut them out, under the Direction of Lieutenant James Agassiz, of the Hound; at the same Time standing in with the different Vessels, in order to cover the Boats from the Fire of the Military and Five Field Pieces, posted behind the Sand Hills on Shore.

I am happy to acquaint your Lordship that they succeeded in bringing off Three; the others had been previously scuttled, so as to render it impossible to remove them; however the Boats damaged them as much as the Time would admit of.

I cannot sufficiently praise the Gallantry and Zeal of Lieutenant Agassiz, of the Hound, and Lieute-
