St. James's, June 2, 1802.

THE following Addresses have been presented to the King; which Addresses His Majesty was pleased to receive very graciously:

To the KING's Most Excellent Majesty.

Most Gracious Sovereign,

WE, the Mayor, Aldermen, and Chief Citizens of the City of Bath, in Common-Council assembled, most humbly present your Majesty our unfeigned Congratulations on the happy Restoration of Peace to your United Dominions, and the several Estates of Europe.

When compelled to the Defence of our dearest Interests by the destructive Rage of impious Ambition, we acknowledge the experienced Efficacy of your Majesty's Counsels (under Divine Providence) in maintaining our Safety from the manifold Dangers of domestic Conspiracy and foreign Invasion.

Through the gracious Dispensations vouchsafed to this Kingdom, we have not been destined, with other contending Powers, to the fatal Extremities of War, but remain to rejoice in the envied Possession of an unrivalled Constitution, the Purity of our Holy Religion, and the Advancement of National Glory, obtained by unparalleled Achievements.

Long may your Majesty abide in continual Peace and Tranquillity, the zealous Guardian of our distinguished Blessings; and may your devoted and affectionate People give Testimony of their peculiar Happiness by due Observance of their social Duties, by steadfast Fidelity and grateful Obedience.

Given under our Common Seal of the said City this Eighteenth Day of May, in the Forty-second Year of your Majesty's Reign.

[Presented by Sir William Watson, Mayor, Earl Camden, Recorder, Lord John Thynne, and Mr. Palmer, Members for the said City.]

To the KING's Most Excellent Majesty.

The humble Address of the Mayor, Citizens, and Inhabitants of the City of Gloucester.

May it please your Majesty,

WE, your Majesty's most dutiful and loyal Subjects, the Mayor, Citizens, and Inhabitants of the City of Gloucester, humbly beg Leave to ap-

proach your Majesty with the most grateful Acknowledgments for your Majesty's paternal Goodness in restoring to the British Empire the Blessings of Peace.

While we admire the Wisdom of our Ancestors; and the Perfection of that Constitution, which gives to your Majesty the Prerogative to determine on the Events of Peace and War, we exult in expressing the most lively Satisfaction in your Majesty's judicious Use of it on this happy and important Occasion.

Amidst the general Wreck of Empires we have seen this favoured Land rise superior to the Storm, our Commerce increased, our Naval and Military Glory blazing forth with additional Lustre, and the Integrity of your Majesty's Dominions fully maintained.

In contemplating these important Effects, which, under Providence, we owe to the Wisdom and Energy of your Majesty's Councils, and to the Fortitude which has been displayed by all Ranks of your Majesty's Subjects, we doubt not that your Majesty's sacred Person, and our unrivalled Constitution, will ever be defended with the same Spirit and Perseverance which has brought this arduous Conflict to so happy a Conclusion.

Taught by Experience the fatal Effects of defying Laws and contemning Sanctuaries, we are persuaded that, by a dutiful Submission to the one, and by an uniform Reverence for the other, we shall ensure to ourselves the most effectual Means of enjoying and perpetuating the Blessings of Peace.

That your Majesty may long live the Guardian and Protector of a free and united People is our ardent Wish and our fervent Prayer.

[Presented by Henry Howard, Esq; M. P. for the said City.]

To the KING's Most Excellent Majesty.

The humble Address of the Mayor, Bailiffs, and Commonalty of the City of Coventry.

Most Gracious Sovereign,

WE, your Majesty's most dutiful and loyal Subjects, the Mayor, Bailiffs, and Commonalty of the City of Coventry, beg Leave to approach your Majesty's Throne to express our sincere and heartfelt Gratitude on the Termination of the Horrors
