By the KING.

A PROCLAMATION,

For granting the Distribution of Prizes during the present Hostilities.

GEORGE R.

WHEREAS, by Our Order in Council, dated the Sixteenth Day of May last, We have ordered that General Reprisals be granted against the Ships, Goods, and Subjects of France; and by Our Order in Council, dated the Sixteenth Day of June last, We have ordered that General Reprisals be granted against the Ships, Goods, and Subjects of the Batavian Republic; so that as well Our Fleets and Ships, as also all other Ships and Vessels that shall be commissioned by Letters of Marque, or General Reprisals, or otherwise, by Our Commissioners for executing Our Office of Lord High Admiral of Great Britain, shall and may lawfully seize all Ships, Vessels, and Goods belonging to France or the Batavian Republic, or any Persons being Subjects of France or the Batavian Republic, or inhabiting within any of the Territories of France or of the Batavian Republic, and bring the same to Judgment in any of Our Courts of Admiralty within Our Dominions, duly authorised and required to take Cognizance thereof: We being desirous to give due Encouragement to all Our faithful Subjects who shall lawfully seize the same, and having declared in Council, by Our Order of the Sixteenth Day of June last, Our Intentions concerning the Distribution of all Manner of Captures, Seizures, Prizes, and Reprisals of all Ships and Goods during the present Hostilities, do now make known to all Our loving Subjects, and all others whom it may concern, by this Our Proclamation, by and with the Advice and Consent of Our Privy Council, that Our Will and Pleasure is, that the neat Produce of all Prizes taken, the Right whereof is inherent in Us and Our Crown, be given to the Takers, (save and except the Pro-

duce of such Prizes as are or shall be taken by Ships or Vessels belonging to, or hired by, or in the Service, of Our Commissioners of Customs or Excise, the Disposition of which We reserve to Our further Pleasure, and also save and except as herein-after-mentioned,) but subject to the Payment of all such or the like Customs and Duties as the same are now or would have been liable to if the same were or might have been imported as Merchandise; and that the same may be so given in the Proportion and Manner hereinafter set forth; that is to say,

That all Prizes taken by Ships and Vessels having Commissions of Letters of Marque and Reprisals, (save and except such Prizes as are or shall be taken by the Ships or Vessels belonging to, or hired by, or in the Service of, Our Commissioners aforesaid,) may be sold and disposed of by the Merchants, Owners, Fitters, and others to whom such Letters of Marque and Reprisals are granted, for their own Use and Benefit after final Adjudication, and not before.

And We do hereby further order and direct, that the neat Produce of all Prizes which are or shall be taken by any of Our Ships or Vessels of War, (save and except when they shall be acting on any conjunct Expedition with Our Army, in which Case We reserve to Ourselves the Division and Distribution of all Prize and Booty taken; and also save and except as hereinafter-mentioned,) shall be for the entire Benefit and Encouragement of Our Flag-Officers, Captains, Commanders, and other Commissioned Officers in Our Pay, and of the Seamen, Marines, and Soldiers on board our said Ships and Vessels at the Time of the Capture; and that such Prizes may be lawfully sold and disposed of by them and their Agents after the same shall have been to Us finally adjudged lawful Prize, and not otherwise.

The Distribution shall be made as follows: The Whole of the neat Produce being first divided into Eight equal Parts;

The Captain or Captains of any of Our said Ships or Vessels of War, who shall be actually on board at the taking of any Prize, shall have Three Eighth Parts; but in case any such Prize shall be taken by any of Our Ships or Vessels of War under the Command of a Flag or Flags, the Flag Officer or Officers being actually on board, or directing and assisting in the Capture, shall have One of the Three Eighth Parts; the said One Eighth Part to be paid to such Flag or Flag Officers in such Proportions, and subject to such Regulations as are hereinafter mentioned.

The Captains of Marines and Land-Forces, Sea Lieutenants, and Master on board, shall have One Eighth Part, to be equally divided amongst them: but that every Physician appointed, or hereafter to be appointed to a Fleet or Squadron of Our Ships of War, shall, in the Distribution of Prizes which shall hereafter be taken by the Ships in which he shall serve, or in which such Ships' Company shall be entitled to share, be classed with the Sea Lieutenants with respect to the said One Eighth Part, and be allowed to share equally with them: provided such Physician be actually on board at the Time of taking such Prizes:

The Lieutenants and Quarter-Masters of Marines, and Lieutenants, Ensigns, and Quarter-Masters of Land Forces, Secretaries of Admirals or of Commodores, with Captains under them, Second-Masters of Line of Battle Ships, Boatswains, Gunners, Purfers, Carpenters, Masters' Mates, Chirurgeons, Pilots, and Chaplains on board, shall have One Eighth Part, to be equally divided amongst them:

The Midshipmen, Captains' Clerks, Master Sail-makers, Carpenters' Mates, Boatswains' Mates, Gunners' Mates, Masters at Arms, Corporals, Yeomen of the Sheets, Coxswains, Quarter-Masters, Quarter-Masters' Mates, Chirurgeons' Mates, Yeomen of the Powder-Room, Serjeants of Marines and Land Forces on board, shall have One Eighth Part, to be equally divided amongst them:

The Trumpeters, Quarter-Gunners, Carpenters' Crew, Stewards, Cook, Armourers, Stewards' Mates, Cooks' Mates, Gunsmiths, Coopers, Swabbers, Ordinary Trumpeters, Barbers, Able Seamen, Ordinary Seamen, and Marines and other Soldiers, and all other Persons doing Duty and assisting on board, shall have Two Eighth Parts to be equally divided amongst them.

And We do hereby further order, That in the case of Cutters, Schooners, and other armed Vessels commanded by Lieutenants, the Share of such Lieutenants shall be Three Eighth Parts of the Prize, unless such Lieutenants shall be under the Command of a Flag Officer or Officers, in which case the Flag Officer or Officers shall have One of the said Three Eighths, to be divided among such Flag Officer or Officers, in the same Manner herein-

before directed, in the Case of Captains serving under Flag Officers.

Secondly, We direct, That the Share of the Master or other Person acting as Second in Command and the Pilot, (if there happens to be one on board,) shall be One Eighth Part, to be divided into Three Equal Parts, of which Two Thirds shall go to the Master, or other Person acting as Second in Command, and the remaining One Third to the Pilot; but, if there is no Pilot, then such Eighth Part to go wholly to the Master or Person acting as Second in Command:

That the Share of the Chirurgeon, or Surgeon's Mate (where there is no Chirurgeon), Midshipmen, Clerk, and Steward, shall be One Eighth:

That the Share of the Boatswain's, Gunner's, and Carpenter's Mates, Yeoman of the Sheets, Sail-Maker, Quarter-Master, and Quarter-Master's Mate, shall be One Eighth:

And the Share of the Seamen, Marines, and other Persons on board, assisting in the Capture, shall be Two Eighth Parts.

But it is Our Intention, nevertheless, that the above Distribution shall only extend to such Captures as shall be made by any Cutter, Schooner, or Armed Vessel, without any of Our Ships or Vessels of War being present, or within Sight of, and adding to the Encouragement of the Captors, and Terror of the Enemy; but in case any of Our Ships or Vessels of War shall be present or in Sight, that then the Officers, Pilots, Petty Officers, and Men on board such Cutters and Schooners, or armed Vessels, shall share in the same Proportion as is allowed to Persons of the like Rank and Denomination on board of Our Ships and Vessels of War; and such Cutters, Schooners, or Armed Vessels, shall not, in respect to such Captures, convey any Interest or Share in the Flag Eighth to the Flag Officer or Officers, under whose Orders such Cutters, Schooners, and Armed Vessels, may happen to be.

And whereas it is judged expedient, during the present Hostilities, to hire into Our Service Armed Vessels, to be employed as Cruizers against the Enemy, which Vessels are the Property of, and their Masters and Crews are paid by, the Merchants of whom they are hired, although several of them are commanded by Our Commissioned Officers in Our Pay; it is Our further Will and Pleasure, that the neat Produce of all Prizes taken by such Hired Armed Vessels (except as hereinafter mentioned) shall be for the Benefit of Our Commissioned Officers in Our Pay, and of the Masters and Crews on board the said Hired Armed Vessels at the Time of the Capture, and that such Prizes may be lawfully sold and disposed of by them and their Agents, after the same shall have been to Us finally adjudged lawful Prize, and not otherwise; the Distribution thereof shall be as follows:

The Whole of the neat Produce being divided into Eight equal Parts;

Our Officer commanding any Hired Armed Vessel, who shall be actually on board at the taking of any Prize, shall have Three Eighths; but in case such Hired Armed Vessel shall be under the Command of a Flag or Flags, the Flag Officer or Officers being actually on board, or directing and assisting in the Capture, shall have One of the said Three Eighth Parts, the said One Eighth Part to be paid to such Flag or Flag Officers in such Proportions, and subject to such Regulations as are herein aftermentioned:

In case there be acting on board such Hired Armed Vessel, besides Our Officer commanding the same, one or more of Our commissioned Sea Lieutenants in Our Pay, such Lieutenant or Lieutenants shall take One Eighth

One Eighth shall belong to the Master and Mate, of which the Master shall take Two Thirds, and the Mate One Third; but in case there shall be acting on board such Hired Armed Vessel one or more Midshipmen, or other Person in Our Pay, of those who are classed with Midshipmen in the former Part of this Our Proclamation, in that case, the Master shall take One Half of the Eighth, and the other Half shall be equally divided between the Mate, Midshipmen, and such other Persons in Our Pay:

Three Eighths shall belong to, and be divided among the other Officers and the Rest of the Crew.

And in the Case of Prizes taken by any Hired Armed Vessel not commanded by any of Our Commissioned Officers, One Eighth shall belong to the Flag Officers, to be divided as aforesaid; in case such Hired Armed Vessel shall be under the Command of a Flag:

Two Eighths shall belong to the Master and Mate, of which the Master shall take Two Thirds, and the Mate One Third:

Three Eighths shall belong to and be divided among the other Officers and the rest of the Crew in Manner aforesaid:

The Surplus, the Distribution of which is not herein directed, shall remain at Our Disposal, and if not disposed of within a Year, after final Adjudication, the same shall belong and be paid to Greenwich Hospital.

And in the Case of Prizes taken jointly by any of Our Ships of War and any Hired Armed Vessel, Our Commissioned Officer or Officers on board such Hired Armed Vessel shall share with Our Commissioned Officer or Officers of the same Rank on board Our Ship or Ships of War being Joint Captors, the Master of such Hired Armed Vessel shall share with the Warrant Officers; the Mate of such Hired Armed Vessel, with the Petty Officers, and the Seamen of such Hired Armed Vessel with the Seamen on board Our said Ship or Ships of War, save and except, that in case

such Hired Armed Vessel shall be commanded by one of Our Commissioned Officers having the Rank of Master and Commander, and there shall be none of Our Lieutenants on board, or in case such Hired Armed Vessel shall be commanded by the Master, in both those Cases the Master of such Hired Armed Vessel shall share with the Lieutenants of Our Ships of War, and the Mate with the Warrant Officers.

And in case any Difficulty shall arise in respect to the said Distribution, not herein sufficiently provided for, the same shall be referred to Our Lords Commissioners of the Admiralty, whose Direction thereupon shall be final, and have the same Force and Effect as if herein inserted.

Provided that if any Officer being on board any of Our Ships of War, at the Time of taking any Prize, shall have more Commissions or Offices than one, such Officer shall be entitled only to the Share or Shares of the Prizes which, according to the above-mentioned Distribution, shall belong to his superior Commission or Office.

Provided also, that in all Prizes taken by any of Our Squadrons, Ships, or Vessels, while acting in Conjunction with any Squadron, Ship or Vessel of any other Power that may be in Alliance with Us, a Share of such Prizes shall be set apart and be at Our further Disposal, equal to that Share which the Flag and other Officers and Crews of such Squadron, Ships, or Vessels would have been entitled to if they had belonged to Us.

And We do hereby strictly enjoin all Commanders of Our Ships and Vessels of War taking any Prize, to transmit as soon as may be, or cause to be transmitted to the Commissioners of Our Navy, a true List of the Names of all the Officers, Seamen, Marines, Soldiers, and others, who were actually on board Our Ships and Vessels of War under their Command at the Time of the Capture, which List shall contain the Quality of the Service of each Person on board, together with the Description of the Men, taken from the Description Books of the capturing Ship or Ships, and their several Ratings, and be subscribed by the Captain or Commanding Officer, and Three or more of the Chief Officers on board: And We do hereby require and direct the Commissioners of Our Navy, or any Three or more of them, to examine, or cause to be examined, such Lists by the Muster Books of such Ships and Vessels of War and Lists annexed thereto, to see that such Lists do agree with the said Muster Books and annexed Lists, as to the Names, Qualities, or Ratings of the Officers, Seamen, Marines, Soldiers, and others belonging to such Ships and Vessels of War; and, upon Request, forthwith to grant a Certificate of the Truth of any List transmitted to them, to the Agents nominated and appointed by the Captors to take care and dispose of such Prize; and also, upon Application to them, (the said Commissioners,) they shall give, or cause to be given to

the said Agents, all such Lists from the Muster Books of any such Ships of War and annexed Lists, as the said Agents shall find requisite for their Direction in paying the Produce of such Prizes, and otherwise shall be aiding and assisting to the said Agents in all such Matters as shall be necessary.

We do hereby further will and direct that the following Regulations shall be observed concerning the One Eighth Part hereinbefore mentioned to be granted to the Flag or Flag Officers who shall actually be on board at the taking of any Prize, or shall be directing or assisting therein:

First, That a Captain of a Ship shall be deemed to be under the Command of a Flag when he shall actually have received some Order directly from, or be acting in Execution of some Order issued by, a Flag Officer; and shall be deemed to continue under the Command of such Flag so long as the Flag Officer by whom the Order was issued, or any other Flag Officer acting upon the same Station, shall continue upon such Station; or until such Captain shall have received some Order directly from, or be acting in Execution of some Order issued by, some other Flag Officer, or the Lords Commissioners of the Admiralty.

Secondly, That a Flag Officer Commander in Chief, when there is but One Flag Officer upon Service, shall have to his own Use the said One Eighth Part of the Prizes taken by Ships and Vessels under his Command.

Thirdly, That a Flag Officer, sent to command on any Station, shall have no Right to any Share of Prizes taken by Ships or Vessels employed there before he arrives within the Limits of such Station, and actually takes upon him the Command, by communicating Orders to the Flag Officer previously in Command; save only that he shall be entitled to a Share of Prizes taken by those particular Ships to which he shall actually have given some Order, and taken under his Command, within the Limits of such Station.

Fourthly, That a Commander in Chief, or other Flag Officer, appointed or belonging to any Station, and passing through or into any other Station, shall not be entitled to share in any Prize taken out of the Limits of the Station to which he is appointed or belongs, by any Ship or Vessel under the Command of a Flag Officer of any other Station, or under Admiralty Orders, unless such Commander in Chief, or Flag Officer, is expressly authorized by the Lords Commissioners of the Admiralty to take upon him the Command in that Station in which the Prize is taken, and shall actually have taken upon him such Command, in Manner aforesaid.

Fifthly, That when an inferior Flag Officer is sent to reinforce a superior Flag Officer on any Station, the superior Flag Officer shall have no Right to any Share of Prizes taken by the inferior Flag Officer before the inferior Flag Officer shall

arrive within the Limits of the Station, and, moreover, shall actually receive some Order directly from him, or be acting in Execution of some Order issued by him.

Sixthly, That a Chief Flag Officer quitting a Station either to return Home, or to assume another Command, or otherwise, except upon some particular urgent Service, with the Intention of returning to the Station as soon as such Service is performed, shall have no Share of Prizes taken by the Ships or Vessels left behind, after he shall have passed the Limits of the Station, or after he shall have surrendered the Command to another Flag Officer appointed by the Admiralty to be Commander in Chief upon such Station.

Seventhly, That an inferior Flag Officer quitting a Station, except when detached by Orders from his Commander in Chief out of the Limits thereof upon a special Service, with Orders to return to such Station as soon as such Service is performed, shall have no Share in Prizes taken by the Ships and Vessels remaining on the Station, after he shall have passed the Limits thereof; and in like Manner the Flag Officers remaining on the Station shall have no Share of the Prizes taken by such inferior Flag Officer, or by the Ships and Vessels under his immediate Command, after he shall have quitted the Limits of the Station, except when detached as aforesaid.

Eighthly, That when Vessels, under the command of a Flag, which belong to separate Stations, shall happen to be Joint Captors, the Captain of each Ship shall pay One Third of the Share to which he is entitled to the Flag Officers of the Station to which he belongs; but the Captains of Vessels under Admiralty Orders, being Joint Captors with other Vessels under a Flag, shall retain the Whole of their Share.

Ninthly, That if a Flag Officer is sent to command in the Out-Ports of this Kingdom, he shall have no Share of the Prizes taken by Ships or Vessels which have sailed, or shall sail, from that Port by Order from the Admiralty.

Tenthly, That when more Flag Officers than One serve together, the Eighth Part of the Prizes taken by any Ships or Vessels of the Fleet, or Squadron, shall be divided in the following Proportions, viz. If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Eighth, and the Other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided among the other Flag Officers.

Eleventhly, That Commodores, with Captains under them, shall be esteemed as Flag Officers with respect to the Eighth Part of Prizes taken, whether commanding in Chief, or serving under Command.

Twelfthly, That the first Captain to the Admiral, and Commander in Chief of Our Fleet, and also the first Captain to Our Flag Officer appointed, or hereafter to be appointed, to command a Fleet, or Squadron of Ten Ships of the Line of Battle or upwards, shall be deemed and taken to be a Flag Officer, and shall be entitled to a Part or Share of Prizes, as the Junior Flag Officer of such Fleet or Squadron.

Given at Our Court at St. James's, the Seventh Day of July One thousand eight hundred and three, in the Forty-third Year of Our Reign.

GOD save the KING.

St. James's, July 6, 1803.

THE following Addresses having been presented to the King; which Addresses His Majesty was pleased to receive very graciously:

To the KING's Most Excellent Majesty,

Most Gracious Sovereign,

WE, your Majesty's most dutiful and loyal Subjects, the Mayor, Burgesses, and Commonalty of the City of Bristol, in Common Council assembled,

feel ourselves called upon, at this important Crisis, to offer to your Majesty the fullest Assurances of the most affectionate Loyalty and Attachment to your Royal Person, Family, and Government.

At a Time when the Views of Aggrandizement, and Schemes for the Subjugation of other Powers, with the Extinction of Civil Liberty, manifested by the present Government of France, and its repeated Insults and Menaces, directed against your Majesty and the British Empire, have compelled your Majesty to appeal to Arms, to vindicate the Dignity of your Crown, and the Laws and Liberties of your Subjects, we trust that the Zeal, Public Spirit, and Exertions of a brave and loyal People, will, under Divine Providence, enable your Majesty to employ the Power and Resources of this United Kingdom, in opposing the Designs of the Enemy.

Conscious of the transcendent Excellence of the British Constitution, sensible that its Preservation, with all that is valuable to us, depends on vigorous Measures, and relying on your Majesty's Paternal Care and Attention, we confidently assure your Majesty that your faithful Citizens of Bristol will contribute cheerfully to the necessary Expences of the War, and, in Concert with our fellow Subjects, will stand forth with determined Resolution in Defence of your Majesty's Rights, and those of our Country, against every Kind of Insult and Act of Hostility.

[Presented by the Right Honorable Charles Bragge, and Evan Baillie, Esq. Representatives in Parliament for the said City.]

To the KING's Most Excellent Majesty,

The Humble Address of the Master Wardens and Commonality of the Merchant Venturers of the City of Bristol.

PERMIT us, most gracious Sovereign, to make a Tender, at the Foot of your Throne, of our inviolable Loyalty and Attachment to your Majesty's Person and Government, and to assure your Majesty that we will cheerfully devote ourselves to promote whatever Operations may, in your Majesty's Wisdom, be devised for the Success of a War into which we are impelled by the boundless Ambition of a restless and imperious Foe.

Firm in the Justice of our Cause, and in the Assurance of the united Spirit and Exertions of your Majesty's Subjects of every Rank and Description, we despise the Threats of our Enemies, and behold their Preparations without Alarm.

May the Nations of Europe, animated by your Majesty's illustrious Example, awake from their State of Torpor and Inaction; and, by opposing a determined and effectual Resistance to the unjust Pretensions of a domineering Government, assert their Independence, and vindicate their injured Rights. Thus shall the Deliverance of Europe, from a most intolerable and ignominious Yoke, confer upon your Majesty another Claim to the Love and Gratitude of Mankind.

[Presented by the Right Honorable Charles Bragge, Representative in Parliament for the said City.]

Most Gracious Sovereign,

WE, your Majesty's faithful and loyal Subjects, the Aldermen, Recorder, Coroner, Assistant Justices, Capital Burgesses, and Burgesses of the

Common Council of the ancient Borough of Bury Saint Edmunds, in the County of Suffolk, feel it our bounden Duty in the present critical Situation of public Affairs, to offer to your Majesty an unfeigned Testimony of our Attachment and Allegiance to your royal Person and Government.

Sincerely as we regret the Impossibility of preserving those Blessings which our Hopes and Wishes naturally anticipated on the Restoration of Peace, we acknowledge the urgent Necessity which now calls upon us to resist the Ambition, and repel the Aggressions of France, to avenge the Indignities offered by her Rulers to the august Character of our beloved Sovereign, and to meet the insolent Defiance which they have proclaimed against this Country in the Face of Europe.

We are fully aware that the present Contest must require, from every Description of your Majesty's Subjects, Sacrifices and Privations of the most important Nature; but when we reflect on the accumulated Aggressions which have led to the Renewal of Hostilities, we are convinced that those Sacrifices will be made without Reluctance, and those Privations endured without a Murmur.

Happy in that mutual Confidence which results from the exemplary Beneficence of the Sovereign, and the grateful Affection of the People, the Nation which feels the Blessings of your Majesty's Reign, fears not the threatened Invasion of the Enemy.

That Confidence, as it has long been the peculiar Happiness of this favoured Country, will also be our surest Protection in the Hour of Danger: the Justice of our Cause will consecrate our Arms in the Sight of Heaven; and every Consideration of public Duty, every Feeling of national Honor, will inspire us with Resolution to maintain the Dignity of our Sovereign, and defend the Interests of the British Empire, with the combined Resources and collective Energy of the whole State.

Given under our Common-Seal for the said Borough, the Fourth Day of July, in the Year of our Lord One thousand eight hundred and three.

[Presented by the Right Honorable Lord Hervey, One of the Representatives in Parliament for the said Borough, accompanied by the Recorder of Saint Edmund's Bury.]

To the KING's Most Excellent Majesty,

The humble Address of the Mayor, Sheriffs, and Aldermen of the City of Norwich.

Most Gracious Sovereign,

WE, your Majesty's dutiful Subjects, the Mayor, Sheriffs, and Aldermen of the City of Norwich, are anxious to express our Gratitude for your Majesty's dignified Forbearance in the Expectation of finally receiving from the Government of France due Satisfaction and Redress for multiplied Aggressions and arrogant Pretensions, equally infringing upon the Dignity of the Crown, and the Rights of the People.

We contemplate with Abhorrence and Indignation the insatiate Ambition and insidious Endeavours of the Consular Power to interfere with your Majesty's Judicial Courts, to distress the National Commerce and Manufactures, and to violate the Liberty of the British Press.

We are solicitous at this Crisis to convince the World, that the Interests of our gracious Sovereign and his faithful People are inseparable, and that the Resources of the United Kingdom will be exerted with Energy and Unanimity in Defence of our King, our Country, our Independence, and invaluable Constitution.

Through the Divine Protection, we trust, that the Wisdom of your Majesty's Councils, the Skill and Intrepidity of your Navy and Army, combined with the Loyalty and Spirit of your faithful Subjects will speedily enable your Majesty to terminate the War with Glory, and to re-establish the Blessings of Peace.

Done at a full Court of Mayoralty held at the Guildhall of the said City, the Twentieth Day of June, in the Forty-third Year of your Majesty's Reign, and in the Year of our Lord One thousand eight hundred and three.

By the Court, *De Hague.*

[Presented by the Mayor of Norwich, Sir Roger Kerriſon, and Lieutenant-Colonel Pateſon, of the Norwich Volunteers.]

To the KING's Most Excellent Majesty.

Most Gracious Sovereign,

WE, your Majesty's most loyal and affectionate Subjects, the Commander in Chief, the Bailiff, the Jurats, and Officers of the Royal Court, and the Dean and Clergy of your Majesty's Island of Guernsey assembled, beg leave, for themselves and the other Inhabitants of your Majesty's said island, to approach your Majesty's sacred Person, to join the national Emulation in reprobating the base, unjust, and deceitful Proceedings of the French Government in its daring and wanton Breach of a most solemn Treaty of Peace, which your Majesty was so anxious to observe, and act up to, for the Tranquillity of Europe, and the Ease of your Majesty's Subjects, could it have been done consistently with the Dignity of your Majesty's Crown, and the Security of the Nation.

Conscious of the Necessity to repel the ambitious Views of that restless Government, and frustrate its avowed Intentions to overthrow that happy Constitution, which, under your Majesty, consolidates the Happiness of the Nation, all your faithful Subjects must see, and gratefully acknowledge, the wise and vigorous Measures taken by your Majesty, and unite in concurring therein.

With hearts full of Affection and Loyalty to your Majesty, and Attachment to your Royal Family, we humbly beg leave to assure your Majesty, that we shall equal any of your Majesty's Subjects in our Zeal and Courage to defend and preserve ourselves under your Majesty's auspicious Government.

Copy of a Letter from the Honorable Captain Paget, of His Majesty's Ship the Endymion, to Sir Evan Nepean, dated at Sea the 25th June 1803.

SIR,

I HAVE the Honor to transmit a Copy of my Letter to the Honorable Admiral Cornwallis for their Lordships' Information.

I have the Honor to be, &c.

CHARLES PAGET.

SIR, *Endymion, at Sea, June 25, 1803.*

I HAVE the Honor to inform you, that this Morning, in Lat. 47 Deg. 10 Min. North, and Long. 20 Deg. West. the Endymion fell in with and captured, after a Chase of Eight Hours, La Bacchante French Corvette, of Eighteen Twelve-Pounders, commanded by Lieutenant de Vaisseau Perimel, and having on board Two Hundred Men. La Bacchante is a remarkably fine Ship, of large Dimensions, quite New, and sails very fast. She was on her Return to Brett, having been sent from thence Three Months ago with Dispatches for St. Domingo. The Captain persisted so long in his Endeavours to escape, that the Endymion's Chase Guns killed her Second Captain and Seven Men, and wounded Nine others. I am happy to add her Fire did us no Harm.

I am, &c.

CHARLES PAGET.

*Honorable Admiral Cornwallis,
&c. &c. &c.*

And that all Out Pensioners (as well Lettermen as others) belonging to the said Hospital, who live at a greater Distance than Twenty-five Miles from London, and those in Scotland and Ireland, are hereby required and commanded, after the 25th of December next, and after every succeeding 25th of June and 25th of December, until further Orders, to apply to One of His Majesty's Justices of the Peace in the Neighbourhood where they reside, and make the following Affidavit, which the said Magistrate for the County, City, Borough, or Riding before whom the Pensioner appears, will sign and date, viz.

" came before me, One of His Majesty's Justices of the Peace for the County of _____, and made Oath, that he was admitted an Out Pensioner of Chelsea Hospital on the _____ Day of _____ 17 (or 18,) from the _____ Regiment of _____, commanded by _____; was then aged _____ Years, served in the _____ Army _____ Years, was discharged for _____, and that he is no otherwise provided for by the Public but as a Pensioner of the said Hospital, and now lives in the Parish of _____, in the County of _____."

And His Majesty has been pleased to command, on this Occasion, that all the Lettermen, Serjeants, Trumpeters, and Drummers, on the Out Pension of Chelsea, or Kilmainham Hospitals, residing within the above District, whether discharged from the Regular Cavalry or Infantry, or from the Militia, or Fencibles, (such Men as by the Hospital Books, are now more than Sixty Years of Age, or who have lost a Limb, or their Eye-sight, or are Cripples, or who received a Certificate of their total Unfitness for further Service, from any of the Officers employed at the General Examination of Out Pensioners, in the Month of December 1802, excepted,) do, at the Times of their Appearance, as above mentioned, put themselves under the Orders of the Officers, who have been appointed to take them in Charge, and to cause them to be examined, as to their Fitness for Duty, either in the Army of Reserve, or on such other Service, as His Majesty may think proper to employ them upon, for the Defence of the Realm.

His Majesty is graciously pleased to declare, that all the said Lettermen, Serjeants, Trumpeters, and Drummers shall be considered as entitled to the Pension for the Six Months commencing from Midsummer last, notwithstanding those found fit for Service will commence Pay according to the Ranks which they held when discharged, from the respective

Days of their Appearance, in pursuance of this Order.

His Majesty is further pleased to declare, that every Man found fit for Duty shall also be entitled, on his joining the Corps to which he shall be appointed, to receive a Bounty of One Pound Five Shillings, or so much thereof as shall remain, after supplying him with proper Necessaries.

And it is hereby notified, that all Out Pensioners in London, or within Twenty-five Miles thereof, discharged in the Rank as aforesaid, (except as above excepted,) who shall not appear at the Times herein appointed, will be considered as otherwise provided for by Government, or as dead, and they will accordingly be struck off the Books of the Out Pension of the said respective Hospitals, of Chelsea or Kilmainham, without any Prospect of being restored thereto.
