## A PROCLAMATION,

*For granting the Distribution of Prizes during the present Hostilities.*

GEORGE R.

**W**HEREAS, by Our Order in Council, dated the Sixteenth Day of May last, We have ordered that General Reprisals be granted against the Ships, Goods, and Subjects of France; and by Our Order in Council, dated the Sixteenth Day of June last, We have ordered that General Reprisals be granted against the Ships, Goods, and Subjects of the Batavian Republic; so that as well Our Fleets and Ships, as also all other Ships and Vessels that shall be commissioned by Letters of Marque, or General Reprisals, or otherwise, by Our Commissioners for executing Our Office of Lord High Admiral of Great Britain, shall and may lawfully seize all Ships, Vessels, and Goods belonging to France or the Batavian Republic, or any Persons being Subjects of France or the Batavian Republic, or inhabiting within any of the Territories of France or of the Batavian Republic, and bring the same to Judgment in any of Our Courts of Admiralty within Our Dominions, duly authorized and required to take Cognizance thereof: We being desirous to give due Encouragement to all Our faithful Subjects who shall lawfully seize the same, and having declared in Council, by Our Order of the Sixteenth Day of June last, Our Intentions concerning the Distribution of all Manner of Captures, Seizures, Prizes, and Reprisals of all Ships and Goods during the present Hostilities, do now make known to all Our loving Subjects, and all others whom it may concern, by this Our Proclamation, by and with the Advice and Consent of Our Privy Council, that Our Will and Pleasure is, that the neat Produce of all Prizes taken, the Right whereof is inherent in Us and Our Crown, be given to the Takers, (save and except the Produce of such Prizes as are or shall be taken by Ships or Vessels belonging to, or hired by, or in the Service, of Our Commissioners of Customs or Excise, the Disposition of which We reserve to Our further Pleasure, and also save and except as hereinafter-mentioned,) but subject to the Payment of

all such or the like Customs and Duties as the same are now or would have been liable to if the same were or might have been imported as Merchandise; and that the same may be so given in the Proportion and Manner hereinafter set forth; that is to say,

That all Prizes taken by Ships and Vessels having Commissions of Letters of Marque and Reprisals, (save and except such Prizes as are or shall be taken by the Ships or Vessels belonging to, or hired by, or in the Service of, Our Commissioners aforesaid,) may be sold and disposed of by the Merchants, Owners, Fitters, and others to whom such Letters of Marque and Reprisals are granted, for their own Use and Benefit after final Adjudication, and not before.

And We do hereby further order and direct, that the neat Produce of all Prizes which are or shall be taken by any of Our Ships or Vessels of War, (save and except when they shall be acting on any conjunct Expedition with Our Army, in which Case We reserve to Ourselves the Division and Distribution of all Prize and Booty taken; and also save and except as hereinafter-mentioned,) shall be for the entire Benefit and Encouragement of Our Flag-Officers, Captains, Commanders, and other Commissioned Officers in Our Pay, and of the Seamen, Marines, and Soldiers on board our said Ships and Vessels at the Time of the Capture; and that such Prizes may be lawfully sold and disposed of by them and their Agents after the same shall have been to Us finally adjudged lawful Prize, and not otherwise.

The Distribution shall be made as follows: The Whole of the neat Produce being first divided into Eight equal Parts:

The Captain or Captains of any of Our said Ships or Vessels of War, who shall be actually on board at the taking of any Prize, shall have Three Eighth Parts; but in case any such Prize shall be taken by any of Our Ships or Vessels of War under the Command of a Flag or Flags, the Flag Officer or Officers being actually on board, or directing and assisting in the Capture, shall have One of the Three Eighth Parts; the said One Eighth Part to be paid to such Flag or Flag Officers in such Proportions, and subject to such Regulations as are hereinafter-mentioned.

The Captains of Marines and Land-Forces, Sea Lieutenants, and Master on board, shall have One Eighth Part, to be equally divided amongst them: but that every Physician appointed, or hereafter to be appointed to a Fleet or Squadron of Our Ships of War, shall, in the Distribution of Prizes which shall hereafter be taken by the Ships in which he shall serve, or in which such Ships' Company shall be entitled to share, be classed with the Sea Lieutenants with respect to the said One Eighth Part, and be allowed to share equally with them: provided such Physician be actually on board at the Time of taking such Prizes:

The Lieutenants and Quarter-Masters of Marines, and Lieutenants, Ensigns, and Quarter-Masters of Land Forces, Secretaries of Admirals or of Commodores, with Captains under them, Second-Lieutenants of Line of Battle Ships, Boatswains, Gunners, Purfers, Carpenters, Masters' Mates, Chirurgeons, Pilots, and Chaplains on board, shall have One Eighth Part, to be equally divided amongst them:

The Midshipmen, Captains' Clerks, Master Sail-makers, Carpenters' Mates, Boatswains' Mates, Gunners' Mates, Masters at Arms, Corporals, Yeomen of the Sheets, Coxswains, Quarter-Masters, Quarter-Masters' Mates, Chirurgeons' Mates, Yeomen of the Powder-Room, Serjeants of Marines and Land Forces on board, shall have One Eighth Part, to be equally divided amongst them:

The Trumpeters, Quarter-Gunners, Carpenters' Crew, Stewards, Cook, Armourers, Stewards' Mates, Cooks' Mates, Gunsmiths, Coopers, Swabbers, Ordinary Trumpeters, Barbers, Able Seamen, Ordinary Seamen, and Marines and other Soldiers, and all other Persons doing Duty and assisting on board, shall have Two Eighth Parts to be equally divided amongst them.

And We do hereby further order, That in the case of Cutters, Schooners, and other armed Vessels commanded by Lieutenants, the Share of such Lieutenants shall be Three Eighth Parts of the Prize, unless such Lieutenants shall be under the Command of a Flag Officer or Officers, in which Case the Flag Officer or Officers shall have One of the said Three Eighths, to be divided among such Flag Officer or Officers, in the same Manner hereinbefore directed, in the Case of Captains serving under Flag Officers.

Secondly, We direct, That the Share of the Master or other Person acting as Second in Command, and the Pilot, (if there happens to be one on board,) shall be One Eighth Part, to be divided into Three Equal Parts, of which Two Thirds shall go to the Master, or other Person acting as Second in Command, and the remaining One Third to the Pilot; but, if there is no Pilot, then such Eighth Part to go wholly to the Master or Person acting as Second in Command:

That the Share of the Chirurgeon, or Surgeon's Mate (where there is no Chirurgeon), Midshipmen, Clerk, and Steward, shall be One Eighth:

That the Share of the Boatswain's, Gunner's, and Carpenter's Mates, Yeoman of the Sheets, Sail-Maker, Quarter-Master, and Quarter-Master's Mate, shall be One Eighth:

And the Share of the Seamen, Marines, and other

Persons on board, assisting in the Capture, shall be Two Eighth Parts.

But it is Our Intention, nevertheless, that the above Distribution shall only extend to such Captures as shall be made by any Cutter, Schooner, or Armed Vessel, without any of Our Ships or Vessels of War being present, or within Sight of, and adding to the Encouragement of the Captors, and Terror of the Enemy; but in case any of Our Ships or Vessels of War shall be present or in Sight, that then the Officers, Pilots, Petty Officers, and Men on board such Cutters and Schooners, or armed Vessels, shall share in the same Proportion as is allowed to Persons of the like Rank and Denomination on board of Our Ships and Vessels of War; and such Cutters, Schooners, or Armed Vessels, shall not, in respect to such Captures, convey any Interest or Share in the Flag Eighth to the Flag Officer or Officers, under whose Orders such Cutters, Schooners, and Armed Vessels, may happen to be.

And whereas it is judged expedient, during the present Hostilities, to hire into Our Service Armed Vessels, to be employed as Cruizers against the Enemy, which Vessels are the Property of, and their Masters and Crews are paid by, the Merchants of whom they are hired, although several of them are commanded by Our Commissioned Officers in Our Pay; it is Our further Will and Pleasure, that the neat Produce of all Prizes taken by such Hired Armed Vessels (except as hereinafter mentioned) shall be for the Benefit of Our Commissioned Officers in Our Pay, and of the Masters and Crews on board the said Hired Armed Vessels at the Time of the Capture, and that such Prizes may be lawfully sold and disposed of by them and their Agents, after the same shall have been to Us finally adjudged lawful Prize, and not otherwise; the Distribution thereof shall be as follows:

The Whole of the neat Produce being divided into Eight equal Parts;

Our Officer commanding any Hired Armed Vessel, who shall be actually on board at the taking of any Prize, shall have Three Eighths; but in case such Hired Armed Vessel shall be under the Command of a Flag or Flags, the Flag Officer or Officers being actually on board, or directing and assisting in the Capture, shall have One of the said Three Eighth Parts, the said One Eighth Part to be paid to such Flag or Flag Officers in such Proportions, and subject to such Regulations as are herein after mentioned:

In case there be acting on board such Hired Armed Vessel, besides Our Officer commanding the same, one or more of Our commissioned Sea Lieutenants in Our Pay, such Lieutenant or Lieutenants shall take One Eighth

One Eighth shall belong to the Master and Mate, of which the Master shall take Two Thirds, and the Mate One Third; but in case there shall be acting on board such Hired Armed Vessel one or more Midshipmen, or other Person in Our Pay, of those who are classed with Midshipmen in the former Part of this Our Proclamation, in that case, the Master shall take One Half of the Eighth, and the other Half shall be equally divided between the Mate, Midshipmen, and such other Persons in Our Pay:

Three Eighths shall belong to, and be divided

among the other Officers and the Rest of the Crew.

And in the Case of Prizes taken by any Hired Armed Vessel not commanded by any of Our Commissioned Officers; One Eighth shall belong to the Flag Officers, to be divided as aforesaid, in case such Hired Armed Vessel shall be under the Command of a Flag :

Two Eighths shall belong to the Master and Mate, of which the Master shall take Two Thirds, and the Mate One Third :

Three Eighths shall belong to and be divided among the other Officers and the rest of the Crew in Manner aforesaid :

The Surplus, the Distribution of which is not herein directed, shall remain at Our Disposal, and if not disposed of within a Year, after final Adjudication, the same shall belong and be paid to Greenwich Hospital.

And in the Case of Prizes taken jointly by any of Our Ships of War and any Hired Armed Vessel, Our Commissioned Officer or Officers on board such Hired Armed Vessel shall share with Our Commissioned Officer or Officers of the same Rank on board Our Ship or Ships of War being Joint Captors, the Master of such Hired Armed Vessel shall share with the Warrant Officers; the Mate of such Hired Armed Vessel, with the Petty Officers, and the Seamen of such Hired Armed Vessel with the Seamen on board Our said Ship or Ships of War, save and except, that in case such Hired Armed Vessel shall be commanded by one of Our Commissioned Officers having the Rank of Master and Commander, and there shall be none of Our Lieutenants on board, or in case such Hired Armed Vessel shall be commanded by the Master, in both those Cases the Master of such Hired Armed Vessel shall share with the Lieutenants of Our Ships of War, and the Mate with the Warrant Officers.

And in case any Difficulty shall arise in respect to the said Distribution, not herein sufficiently provided for, the same shall be referred to Our Lords Commissioners of the Admiralty, whose Direction thereupon shall be final, and have the same Force and Effect as if herein inserted.

Provided that if any Officer being on board any of Our Ships of War, at the Time of taking any Prize, shall have more Commissions or Offices than one, such Officer shall be entitled only to the Share or Shares of the Prizes which, according to the above-mentioned Distribution, shall belong to his superior Commission or Office.

Provided also, that in all Prizes taken by any of Our Squadrons, Ships, or Vessels, while acting in Conjunction with any Squadron, Ship, or Vessel of any other Power that may be in Alliance with Us, a Share of such Prizes shall be set apart and be at Our further Disposal, equal to that Share which the Flag and other Officers and Crews of such Squadron, Ships, or Vessels would have been entitled to if they had belonged to Us.

And We do hereby strictly enjoin all Commanders of Our Ships and Vessels of War taking any Prize, to transmit as soon as may be, or cause to be transmitted to the Commissioners of Our Navy, a true List of the Names of all the Officers, Seamen, Marines, Soldiers, and others, who were actually on board Our Ships and Vessels of War under their

Command at the Time of the Capture, which List shall contain the Quality of the Service of each Person on board, together with the Description of the Men, taken from the Description Books of the capturing Ship or Ships, and their several Ratings, and be subscribed by the Captain or Commanding Officer, and Three or more of the Chief Officers on board : And We do hereby require and direct the Commissioners of Our Navy, or any Three or more of them, to examine, or cause to be examined, such Lists by the Muster Books of such Ships and Vessels of War and Lists annexed thereto, to see that such Lists do agree with the said Muster Books and annexed Lists, as to the Names, Qualities, or Ratings of the Officers, Seamen, Marines, Soldiers, and others belonging to such Ships and Vessels of War ; and, upon Request, forthwith to grant a Certificate of the Truth of any List transmitted to them, to the Agents nominated and appointed by the Captors to take care and dispose of such Prize ; and also, upon Application to them, (the said Commissioners,) they shall give, or cause to be given to the said Agents, all such Lists from the Muster Books of any such Ships of War and annexed Lists, as the said Agents shall find requisite for their Direction in paying the Produce of such Prizes, and otherwise shall be aiding and assisting to the said Agents in all such Matters as shall be necessary.

We do hereby further will and direct that the following Regulations shall be observed concerning the One Eighth Part hereinbefore-mentioned to be granted to the Flag or Flag Officers who shall actually be on board at the taking of any Prize, or shall be directing or assisting therein :

First, That a Captain of a Ship shall be deemed to be under the Command of a Flag when he shall actually have received some Order directly from, or be acting in Execution of some Order issued by, a Flag Officer ; and shall be deemed to continue under the Command of such Flag so long as the Flag Officer by whom the Order was issued, or any other Flag Officer acting upon the same Station, shall continue upon such Station ; or until such Captain shall have received some Order directly from, or be acting in Execution of some Order issued by, some other Flag Officer, or the Lords Commissioners of the Admiralty.

Secondly, That a Flag Officer Commander in Chief, when there is but One Flag Officer upon Service, shall have to his own Use the said One Eighth Part of the Prizes taken by Ships and Vessels under his Command.

Thirdly, That a Flag Officer, sent to command on any Station, shall have no Right to any Share of Prizes taken by Ships or Vessels employed there before he arrives within the Limits of such Station, and actually takes upon him the Command, by communicating Orders to the Flag Officer previously in Command : save only that he shall be entitled to a Share of Prizes taken by those particular Ships to which he shall actually have given some Order, and taken under his Command, within the Limits of such Station.

Fourthly, That a Commander in Chief, or other Flag Officer, appointed or belonging to any Station, and passing through or into any other Station, shall not be entitled to share in any Prize taken out of the Limits of the Station to which he is appointed or belongs, by any Ship or Vessel under the Com-

mand of a Flag Officer of any other Station, or under Admiralty Orders, unless such Commander in Chief, or Flag Officer, is expressly authorized by the Lords Commissioners of the Admiralty to take upon him the Command in that Station in which the Prize is taken, and shall actually have taken upon him such Command, in Manner aforesaid.

Fifthly, That when an inferior Flag Officer is sent to reinforce a superior Flag Officer on any Station, the superior Flag Officer shall have no Right to any Share of Prizes taken by the inferior Flag Officer before the inferior Flag Officer shall arrive within the Limits of the Station, and, moreover, shall actually receive some Order directly from him, or be acting in Execution of some Order issued by him.

Sixthly, That a Chief Flag Officer quitting a Station either to return Home, or to assume another Command, or otherwise, except upon some particular urgent Service, with the Intention of returning to the Station as soon as such Service is performed, shall have no Share of Prizes taken by the Ships or Vessels left behind, after he shall have passed the Limits of the Station, or after he shall have surrendered the Command to another Flag Officer appointed by the Admiralty to be Commander in Chief upon such Station.

Seventhly, That an inferior Flag Officer quitting a Station, except when detached by Orders from his Commander in Chief out of the Limits thereof upon a special Service, with Orders to return to such Station as soon as such Service is performed, shall have no Share in Prizes taken by the Ships and Vessels remaining on the Station, after he shall have passed the Limits thereof; and in like Manner the Flag Officers remaining on the Station shall have no Share of the Prizes taken by such inferior Flag Officer, or by the Ships and Vessels under his immediate Command, after he shall have quitted the Limits of the Station, except when detached as aforesaid.

Eighthly, That when Vessels, under the command of a Flag, which belong to separate Stations, shall happen to be Joint Captors, the Captain of each Ship shall pay One Third of the Share to which he is entitled to the Flag Officers of the Station to which he belongs; but the Captains of Vessels under Admiralty Orders, being Joint Captors with other Vessels under a Flag, shall retain the Whole of their Share.

Ninthly, That if a Flag Officer is sent to command in the Out-Ports of this Kingdom, he shall have no Share of the Prizes taken by Ships or Vessels which have sailed, or shall sail, from that Port by Order from the Admiralty.

Tenthly, That when more Flag Officers than One serve together, the Eighth Part of the Prizes taken by any Ships or Vessels of the Fleet, or Squadron, shall be divided in the following Proportions, viz. If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Eighth, and the Other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided among the other Flag Officers.

Eleventhly, That Commodores, with Captains under them, shall be esteemed as Flag Officers with respect to the Eighth Part of Prizes taken,

whether commanding in Chief, or serving under Command.

Twelfthly, That the first Captain to the Admiral, and Commander in Chief of Our Fleet, and also the first Captain to Our Flag Officer appointed, or hereafter to be appointed, to command a Fleet, or Squadron of Ten Ships of the Line of battle or upwards, shall be deemed and taken to be a Flag Officer, and shall be entitled to a Part or Share of Prizes, as the Junior Flag Officer of such Fleet or Squadron.

Given at Our Court at St. James's, the Seventh Day of July One thousand eight hundred and three, in the Forty third Year of Our Reign.

GOD save the KING.

#### PROCLAMATION FOR PARDONING DESERTERS FROM THE MILITIA.

*War Office, June 4, 1803.*

WHEREAS it has been represented to THE KING that there are at this Time many Men, who, having been sworn and enrolled in HIS MAJESTY'S MILITIA FORCES, have made Default, by not appearing and joining their respective Regiments, Battalions, Corps, or Independent Companies when ordered to be embodied, or by deserting or absenting themselves therefrom, and who might be induced to return to their Duty by an Offer of HIS MAJESTY'S GRACIOUS PARDON, and that such an Instance of His Royal Clemency would have a due Influence upon their future Behaviour; HIS MAJESTY has accordingly been graciously pleased to grant HIS FREE PARDON to all MILITIA-MEN having so made Default by not appearing, or by Desertion, or Absence from Duty, who shall return to and join their respective Regiments, Battalions, Corps, or Independent Companies, on or before the 14th Day of July next, or who shall deliver themselves up at the Head Quarters of any other Regiment, Battalion, Corps, or Independent Company of Militia, or to any Detachment of HIS MAJESTY'S other Forces, or to any Military Post, on or before the said 14th Day of July next, and be from thence marched to their proper Regiments, Battalions, Corps, or Independent Companies.

Any Soldier who may desert from the Militia after these HIS MAJESTY'S gracious Intentions are made public, shall not be included in the above Pardon, but shall be proceeded against with the utmost Severity; as shall also all the said Defaulters, Deserters, and Absentees who shall not have joined their proper Regiments, Battalions, Corps, or Independent Companies of Militia, or delivered themselves up to some other Regiment, Battalion, Corps, or Independent Company of Militia, or to some Detachment of His Majesty's other Forces, or to some Military Post, by the said 14th Day of July next.

And all Justices of the Peace, Magistrates, Constables, and Peace Officers, and all other Persons whatsoever, are hereby enjoined and required, in pursuance of the Act just passed, "for more speedily completing the Militia of Great Britain;" to apprehend, seize, take, and detain such Defaulters, Deserters, and Absentees, for the Purpose of

they were first discharged, and recommended, and received at Chelsea Hospital.

And as the General Payments in Great Britain and Ireland, at the End of the ensuing Six Months, are generally regulated by the Places of Residence mentioned by the Pensioners, who are mustered at Chelsea in Person, and in the Body of the Affidavits of those who live at a Distance, it is hereby ordered and directed, that no Person who shall change the Place of his Abode given in at his Muster, or specified in his Affidavit aforesaid, and who may apply for his Pension (excepting to the Officers of Excise nearest such Place of Abode), shall receive the same, unless it appears by the Certificate of respectable Persons, that such Removal was through unavoidable Necessity, which he or they could not foresee or prevent.

It is also hereby notified, that none will be entered upon the Pay Lists of the said Hospital, or be entitled to receive any Benefit therefrom, who shall not act agreeably to these Orders and Directions.

And His Majesty has been pleased to command, on this Occasion, that all the Lettermen, Serjeants, Trumpeters, and Drummers, on the Out Pension of Chelsea, or Kilmainham Hospitals, residing within the above District, whether discharged from the Regular Cavalry or Infantry, or from the Militia, or Fencibles, (such Men as by the Hospital Books, are now more than Sixty Years of Age, or who have lost a Limb, or their Eye-sight, or are Cripples, or who received a Certificate of their total Unfitness for further Service, from any of the Officers employed at the General Examination of Out Pensioners, in the Month of December 1802, excepted,) do, at the Times of their Appearance, as above mentioned, put themselves under the Orders of the Officers, who have been appointed to take them in Charge, and to cause them to be examined, as to their Fitness for Duty, either in the Army of Reserve, or on such other Service, as His Majesty may think proper to employ them upon, for the Defence of the Realm.

His Majesty is graciously pleased to declare, that all the said Lettermen, Serjeants, Trumpeters, and Drummers shall be considered as entitled to the Pension for the Six Months commencing from Midsummer last, notwithstanding those found fit for Service will commence Pay according to the Ranks which they held when discharged, from the respective Days of their Appearance, in pursuance of this Order.

His Majesty is further pleased to declare, that every Man found fit for Duty shall also be entitled, on his joining the Corps to which he shall be appointed, to receive a Bounty of One Pound Five Shillings, or so much thereof as shall remain, after supplying him with proper Necessaries.

And it is hereby notified, that all Out Pensioners in London, or within Twenty-five Miles thereof, discharged in the Ranks aforesaid, (except as above excepted,) who shall not appear at the Times herein appointed, will be considered as otherwise provided for by Government, or as dead, and they will accordingly be struck off the Books of the Out Pension of the said respective Hospitals, of Chelsea or Kilmainham, without any Prospect of being restored thereto.

Admiralty-Office, July 12, 1803.

Copy of a Letter from the Honorable William Cornwallis, Admiral of the Fleet, &c. &c. to Sir Evan Nepean, Bart. dated off Ushant, 7th July, 1803.

SIR,

I REQUEST you will be pleased to lay before the Lords Commissioners of the Admiralty the inclosed Copy of a Letter to Rear-Admiral Collingwood, from Captain Wallis of His Majesty's Ship Naiad, giving an Account of his having, with the Boats of that Ship, under the Command of Lieutenant William Deane, taken out from an An-

chorage, within the Rocks at the Saints, a French National Schooner; which Service appears to have been performed very much to the Credit of those who were intrusted with the Execution of it.

I am, &c. W. CORNWALLIS.

*His Majesty's Ship Naiad, in the Bay of Brest, 5th July 1803.*

FROM the Information I received, that a French National Schooner was lying in the Saints, and which I had the Honor to communicate to you Yesterday, I made a Disposition of the Boats of His Majesty's Ships under my Command to bring her out last Night, and placed them under the Direction of Mr. William Deane, First Lieutenant; he was assisted by Mr. John Louis Third Lieutenant, Lieutenant Irwin of the Marines, Messrs. Gordon, Glenny, and Stewart, Midshipmen, all Volunteers on the Occasion; and, notwithstanding all the Difficulties they had to encounter, by the Rapidity of the Tide, and the Number of Rocks and Shoals they had to pass, they brought her off to me this Morning without the smallest Accident happening to either the Boats or Men.

She proves to be La Providence, of near 200 Tons Burthen, only Two Guns mounted, and had Twenty-two Men, commanded by Citizen Martres Preville, Lieutenant de Vaisseau, who, on the Approach of our Boats, got on Shore with his Officers and Crew, except one Man and Two Boys. She was bound to Brest from the Foundry near Nantes, and is laden with Heavy Cannon of Thirty-six, Twenty-four, and Eighteen French Pounders, and some choice Timber for their Navy.

Lieutenant Deane's Conduct on this Occasion merits my warmest Approbation, and he speaks greatly in Praise of the Officers and Men placed under his Command.

I have the Honor to be, &c.

JAMES WALLIS.

Rear-Admiral Collingwood,

&c. &c. &c.

*St. James's, July 6, 1803.*

THE following Addresses having been presented to the King; which Addresses His Majesty was pleased to receive very graciously:

To the KING's Most Excellent Majesty,

The humble Address of the Lord Provost, Magistrates, and Council of the City of Edinburgh, for themselves, and in Behalf of the Community of the said City.

WE beg Leave, at this important Crisis, to lay before your Majesty the Assurances of our continued Affection and Loyalty. We, in common with the Rest of your faithful People, have beheld with proper and indignant Feelings that Spirit of Encroachment against the Powers of the Continent, and that rancorous and determined Hatred against this Country, which have marked the Proceedings of the French Government in all its Relations, and in all its Acts, since the Conclusion of the Peace.

We are satisfied that, between Peace and War, at the present Moment, your Majesty had no Choice; and, as we are sensible that your Majesty has drawn your Sword in Defence of the Liberty and Independence of your People, your Majesty may be

assured that your faithful Subjects of this City will devote their Lives and Fortunes in Support of the Honor and Dignity of the Crown.

The long and unexampled Happiness which Providence has bestowed on these Nations, makes the Defence of our glorious Constitution, a religious, as well as a civil Duty; and we beg leave to assure your Majesty, that, animated by Gratitude to Almighty God, and by Attachment to your Person, we shall not consider any Sacrifices as too great, which your Majesty and Parliament may require for the Prosecution of the War.

The Resources of this great Empire are yet unimpaired, your People are unanimous, and we rely on your Majesty's Paternal Care for their Safety, to direct the whole Resources and Spirit of the Nation to defeat the Attacks, and chastise the Insolence of the Enemy.

In contributing our full Proportion of Men and Money to your Majesty's Service, we beg your Majesty to believe that we give cheerfully and heartily, well knowing that all that is dear to us is involved in the Defence of a Sovereign, whose mild, but dignified Reign, has excited the Envy and Hatred of an Enemy who wishes to overthrow what his bad Passions do not allow him to imitate.

We again beg your Majesty to rely on the Zeal and Loyalty of the Inhabitants of this Capital, and on our most decided Exertions to forward your Majesty's Service, both by our Example as Men, and our Authority as Magistrates.

Signed in Name of, and in Presence of the Council, and by their Appointment,  
6th July 1803. *Neil Macvicar, Provost.*

[Transmitted by the Lord Advocate to the Right Honorable Lord Pelham, and presented by his Lordship to the King.]

To the KING.

*Most Gracious Sovereign,*

**WE**, your Majesty's most dutiful and loyal Subjects, the Highland Society of Scotland, incorporated by Royal Charter, assembled in a special general Meeting, beg leave humbly to approach your Majesty's Throne, with renewed Assurances of Affection for your Majesty's Person, and of Attachment to your Family and Government.

We trust that your Majesty will believe that we warmly participate in the just Indignation which has been expressed by both Houses of Parliament at the recent Proceedings of the French Government. Those Proceedings are so much in contradiction to the Spirit of Peace, and mark such a determined and malignant Hostility to the British Empire, as we are persuaded can only originate in the Envy of the Condition of this Country, the benign and paternal Sway of whose Sovereign, and the Freedom and Happiness of whose Subjects expose equally the Tyranny of the Government of France, and the degraded State of its People. Our Representatives, Sire, have pledged our Lives and Fortunes to support your Majesty; that Engagement we cordially ratify, and entreat your Majesty to believe, that we shall consider the most energetic and vigorous Efforts which your Majesty may adopt, not as Burdens which are imposed upon us, but as a fresh Proof of the Wisdom of your Parliament, and your Majesty's Paternal Care for the Safety of your People. We

120 15600.

E

know your Majesty's Aversion to encrease the Burdens and Privations of your Subjects, but we humbly entreat that no such Consideration may prevent your Majesty from calling forth the whole Resources of this great Empire. We are sensible that your Majesty has called on your People to arm against the most imminent Danger, which, for a long Time has threatened this Nation; a Danger which we deprecate in Proportion to the superior Blessings which under your Majesty's mild Administration, Providence has hitherto permitted us to enjoy. We know and feel that our own Happiness, and that of our Children, depend on preserving the Constitution in its full Vigour, and your Majesty's Throne in undiminished Splendour. We therefore repeat our Assurances to support your Majesty in the Hour of Peril, and our most earnest Prayer that you will be pleased to dispose of every Aid and Service in our Power in defending the Honor of your Majesty's Crown, and the Rights and Safety of your People.

Signed by order of the Meeting. *Melville.*  
Edinburgh, Highland Society Hall,  
4th July 1803.
