Copy of a Letter from the Right Honorable Lord Keith, K. B. Admiral of the Blue, &c. to Sir Evan Nepean, Bart. dated off Breaconshire, the 7th Instant.

S I R,

I ENCLOSE, for the Information of the Lords Commissioners of the Admiralty, Copies of a Letter which I have received from Captain Honyman, of His Majesty's Ship the *Leda*, and of One addressed to that Officer by Lieutenant Shippard, commanding His Majesty's Hired Armed Cutter the *Admiral Mitchell*, reporting that an Enemy's Convoy passing from the Westward towards Boulogne, under the Protection of a Gun-Brig of considerable Force, had been attacked by Lieutenant Sheppard, in the small Vessel under his Command, close in with the Enemy's Batteries at Portet; and that the Gun-Brig, and One of her Convoy, had been driven on Shore upon the Rocks. The gallant and determined Conduct evinced on this Occasion by Lieutenant Shippard and his little Crew, which has called forth such pointed Commendation from the Officer under whose Eye he was immediately acting, merits my warmest Approbation, and I have no Doubt that their Lordships will distinguish it with theirs.

I have the Honor to be, &c.

KEITH.

*Leda, off Boulogne,*

My Lord,

I HAVE the Honor to acquaint you, that this Morning at Nine o'Clock, Six of the Enemy's
