ERRATUM in the Gazette of the 17th Instant.

1st Battalion of Herefordshire Volunteer Infantry.
For Reverend John Wall to be Surgeon,
Read Reverend John Wall to be Chaplain.

Whitehall, November 20, 1803.

Whereas it has been humbly represented to the King, that, between the Hours of One and Two o' Clock in the Morning of Sunday the 10th Ultimo, Three Men were discovered in the Act of setting Fire to the Warehouse of Mr. W. Wallis, of Birmingham, Merchant, by throwing lighted combustible Matter into the said Premises, which must have been entirely consumed thereby, if the atrocious Attempt had not been providentially discovered in Time to render the Exertions of the neighbouring Inhabitants effectual in extinguishing the Flames, before they had made any considerable Progress:—That the Three Persons aforesaid appeared to be young, and of middle Stature; Two of them dressed in dark coloured Clothes, and the other in a light coloured Coat; and that when they made their Escape they left a Ladder behind them, marked with the Name of "Mayne;"

His Majesty, for the better apprehending and bringing to Justice the Persons concerned in the Felony above-mentioned, is hereby pleased to promise His most gracious Pardon to any One of them (except the Person who actually deposited the combustible Matter in the Premises aforesaid) who shall discover One or more of his Accomplices therein, so that he or they may be apprehended and convicted thereof.

C. YORKE.

And, as a farther Encouragement, a Reward of TWO HUNDRED POUNDS is hereby offered to any Person or Persons making such Discovery as aforesaid, (except as is before excepted,) to be paid upon Conviction of any One or more of the Offenders, by the said Mr. W. Wallis.

Whitehall, November 23, 1803.

Whereas it hath been humbly represented to the King, that Attempts have been made by some evil-disposed Person or Persons unknown, to set Fire to the Powder Magazine of the Lichfield Volunteers, by placing Gunpowder in a Stable adjoining thereto;
