**T**HE following Dispatches have been received at the East India House from the Governor in Council at Bombay:

*Extract of a Letter from the Governor in Council at Bombay, to the Court of Directors, dated 3d September 1803.*

**M**AJOR-GENERAL WELLESLEY having commenced his Operations against the Forts of Ahmednagar, on the 8th of August, we had the Satisfaction to learn that the above-mentioned Forts fell into the Major-General's Hands on the 11th following. The Achievement of this Enterprise was attended with the Loss of several brave Officers and Men, as will appear by the List of the former inserted in the Margin \*; but the Acquisition of it is of great Importance, as it is considered to be one of the strongest Positions in that Country: On this Ground, therefore, General Wellesley has for the present taken Possession of the Fort and Districts dependent thereon, and placed them under the Management of Captain Graham, of the Madras Establishment, with Orders to collect the Revenues, and to render the Resources of that Acquisition as subservient as possible to the Objects of the Campaign. In advising of this Result, we beg Leave to offer to your Honorable Court our Congratulations on the distinguished and rapid Success which attended the British Arms under the Direction of the Honorable Major-General Wellesley, in the Reduction of Ahmednagar; trusting also, that we shall shortly be enabled to report an equally favourable Result with respect to the Fort of Broach, the Measures for reducing of which are now in Progress.

*Extract of a Letter from the Governor in Council at Bombay to the Court of Directors, dated 4th September 1803.*

**S**INCE closing our general Address, under Date of the 3d Instant, we have received from Lieuten-

Lieutenant Plenderleath, 1st Battalion of 3d Regiment, Madras.

WOUNDED.

Lieutenant Neilson, of 74th Regiment.

Lieutenant Larkins, of 78th Ditto.

ant Colonel Woodington, the Officer commanding at Broach, the Dispatch of which a Copy is enclosed, advising of the Reduction of that Fort by Assault on the 29th Ultimo, an Achievement which has been accomplished with a Rapidity, Energy, and Success reflecting the highest Credit on that respectable Officer, and on the Officers and Men under his Command.

(ENCLOSURE)

*To the Honorable Jonathan Duncan, Esq. President and Governor, &c. &c. &c. in Council.*

HONORABLE SIR,

**I** HAVE the Honor to enclose, for your Information, a Letter I have this Day addressed to the Honorable Major-General Wellesley, on the Capture of Broach

I have the Honor to be, with the greatest Respect,  
Honorab! Sir,

Your most obedient

And faithful Servant,

(Signed) H. WOODINGTON, Lieut. Col.  
*Broach, 29th August 1803.*

*To Major-General Wellesley, Commander in Chief, &c. &c. &c.*

SIR,

**I** HAVE the Honor to acquaint you, that at three o'Clock; P.M. I stormed the Fort of Broach, and carried it with little Loss, although the Arabs made considerable Resistance, particularly on our entering the Breach. The Arabs have suffered very considerably; and we have taken a great many Stand of Colours. A more steep Ascent to the Breach, and of such Length, is seldom seen. I cannot express myself in sufficient Terms on the Gallantry of the Officers and Men I have the Honor to Command. I shall have the Honor to address you more fully To-morrow. I write this for your early Information, immediately after we have got Possession of the Place, which will, I hope, be an Excuse for Haste.

I have the Honor to be, Sir,

Your most obedient Servant,

(Signed) H. WOODINGTON, Lieut. Col.

*Extract of a Letter from the Governor in Council at Bombay to the Secret Committee of the Court of Directors, dated 3d October 1803.*

WE have now the Honor to forward an Official Report from Lieutenant Colonel Woodington, under Date the 21st Ultimo, of the Progress of the Siege, and subsequent Capitulation of the Garrison of Powanghur, preceded by a Letter from Colonel Murray to the Commanding Officer of the Forces at this Presidency, on that Subject, of the same Date.

Since that Period our President has received from the Honorable Major General Wellesley, a Dispatch of the 25th Ult. as per Copy enclosed. From the Report contained in it, your Honorable Committee will observe, that the General attacked the combined Forces of Dowlut Row Scindia and the Berar Rajah, on the 23d September, in the Vicinity of the Adjanty Pass, with the Division of the Army under his own immediate Command, and that the very obstinate Action that ensued terminated in the complete Defeat of the Confederates, with the Loss to them of 90 Pieces of Cannon, which the Honorable General Wellesley has captured. We have not received an Official Report of Casualties during the Engagement, but the General states our Loss of Officers and Men to have been great. As far as private Information has enabled us, we have endeavoured to supply this Deficiency, in the enclosed List of Killed and Wounded on that Occasion. It is considered to be incomplete, in not containing the Names of all the Officers who suffered; but, in other Respects, it is supposed to be correct.

From the most Recent private Account from the Honorable Major-General Wellesley, it appears that Scindia and the Rajah of Berar had descended the Adjanty Ghaut, and that the British Forces were immediately to proceed in Pursuit of them, beyond the Nizam's Frontier.

(ENCLOSURE, No. I.)

*To the Honorable Jonathan Duncan, Esq; President and Governor in Council.*

HONORABLE SIR,

THE enclosed is a Copy of a Letter from Colonel Murray, giving Cover to one from Lieutenant-Colonel Woodington, respecting the Capitulation of Powanghur.

I have the Honor to be, &c. &c. &c.

No. 1.

SIR, *Head-Quarters, Baroda, Sept. 21, 1803.*

I HAVE the Honor to enclose a Letter which I received this Morning from Lieutenant-Colonel Woodington. It is necessary to inform you that the Delay of this important Communication arises from the Miscarriage of the Colonel's Letter, although sent in Duplicate.

Colonel Woodington highly praises the Zeal and Activity of the Troops under his Command, and, to judge by their Success, the Praise is well merited.

Colonel Woodington has in a most particular Manner requested that I should lay the meritorious Services of Serjeant Moore, of His Majesty's 86th Regiment, before you. He led the forlorn Hope at the Assault of Broach, and behaved with the ut-

most Gallantry on that Occasion. Major Cuyler speaks highly in Favor of his general Character.

I have the Honor to be, &c. &c. &c.

J. MURRAY, Colonel.

*To Major-General Nicolls.*

(True Copy.)

J. C. HARRIS, Acting Mil. Secretary.

*To Colonel Murray, commanding the Forces in the Guzerat.*

SIR,

IN consequence of your Communication to me last Night that you had not received my official Communication on the Surrender of Powanghur by Capitulation, I have the Honor to address you again on the Subject.

After a Breach had been effected in the Wall of the inner Fort, as also that another was almost practicable in a Tower at the Angle of the outer Fort, the Garrison offered to capitulate on the Morning of the 17th, on Condition of being protected in their Persons and private Property.

To these Terms I agreed, on Condition of immediately taking Possession of the Breach in the inner Wall, with a Company of Sepoys. They, however, tacked other Stipulations to the Capitulation, viz. that I should agree to pay them the Arrears due from Scindia, and that Two of the Commanders of the Gwicarwar Cavalry with me (amounting to about Three Hundred Horse) should sign the Agreement. To those latter Articles I would on no Account agree; and it was not until Four P. M. when the found, from our continuing to batter, that I would admit of no Delay, that they agreed to the original Terms, which were immediately carried into full Effect by their Evacuation of the Fort and Mountain, of which we took Possession.

If this had not taken place, I had made the necessary Arrangements for storming both Breaches on the Morning of the 18th; and I conceive that the Garrison were intimidated from a Knowledge that if they opposed us on our entering the Breaches, their Communication with the upper Fort would be cut off, and they had no other Way to escape than the Road which led down by our Battery.

Could they have obtained Possession of the Upper Fort, or Balla Killa, at the Top of the Mountain, I am inclined to think it utterly impregnable.

I have left Captain Cliffe, of the Engineers, to take a Plan and View of the Forts and Works on the Mountain, which, I doubt not, from his known Abilities, will be ably executed.

It is with the greatest Pleasure that I embrace this Opportunity of submitting, for your Notice, the Merits, Zeal, and great Exertions of all Ranks on this Service.

I have the Honor to be, &c. &c. &c.

HENRY WOODINGTON,  
Lieut. Col. &c.

SIR,

I ATTACKED the united Armies of Dowlut Rao Sindia and the Rajah of Berar with my Division on the 23d, and the Result of the Action

which ensued was, that they were completely defeated with the Loss of Ninety Pieces of Cannon which I have taken. I have suffered a great Loss of Officers and Men.

I enclose a Copy of my Letter to the Governor General, in which I have given him a detailed Account of the Events which led to, and occurred in, the Action.

ARTHUR WELLESLEY

*Camp, Sept: 25, 1803.*

*To His Excellency the Governor General, &c. &c. &c.*

MY LORD,

I WAS joined by Major Hill with the last of the Convoys expected from the River Kistna, on the 18th, and on the 20th was enabled to move forward towards the Enemy, who had been joined in the Course of the last Seven or Eight Days by the Infantry under Colonel Pohlman, by that belonging to Begum Sumreo, and by another Brigade, the Name of whose Commander I have not ascertained. The Enemy's Army was collected about Bakerdun, and between that Place and Jafferabad.

I was near Colonel Stevenson's Corps on the 21st, and had a Conference with that Officer, in which we concerted a Plan to attack the Enemy's Army, with the Divisions under our Command, on the 24th in the Morning; and we marched on the 22d, Colonel Stevenson by the Western Route and I by the Eastern Route, round the Hills between Beed Naporah and Jalnah.

On the 23d I arrived at Naulaiah, and there received a Report that Sindia and the Rajah of Berar had moved off in the Morning with their Cavalry, and that the Infantry were about to follow, but were still in Camp, at the Distance of about six Miles from the Ground on which I intended to encamp. It was obvious that the Attack was no longer to be delayed, and having provided for the Security of my Baggage and Stores at Naulaiah, I marched on to attack the Enemy.

I found the whole combined Army of Sindia and the Rajah of Berar encamped on the Bank of the Kistna River, nearly on the Ground which I had been informed that they occupied. Their Right, which consisted entirely of Cavalry, was about Bakerdun, and extended to their Corps of Infantry, which were encamped in the Neighbourhood of Affye. Although I came first in Front of their Right, I determined to attack their Left, as the Defeat of their Corps of Infantry was most likely to be effectual; accordingly, I marched round to their left Flank, covering the March of the Column of Infantry by the British Cavalry in the Rear, and by the Mahratta and Mysore Cavalry on the Right Flank.

We passed the River Kistna at a Ford beyond the Enemy's left Flank, and I formed the Infantry immediately in two Lines, with the British Cavalry as a Reserve, in a Third, in an open Space between that River and a Nullah running parallel to it. The Mahratta and Mysore Cavalry occupied the Ground beyond the Kistna on our left Flank, and kept in check a large Body of the Enemy's Cavalry, which had followed our March from the Right of their own Position.

The Enemy had altered the Position of their Infantry previous to our Attack. It was no longer as at first, along the Kistna, but extended from that River across to the Village of Affye, upon the Nullah which was upon our Right. We attacked them immediately, and the Troops advanced under a very hot Fire from Cannon, the Execution of which was terrible.

The Picquets of the Infantry and the 74th Regiment, which were on the Right of the first and second Lines, suffered particularly from the Fire of the Guns on the Left of the Enemy's Position, near Affye. The Enemy's Cavalry also made an Attempt to charge the 74th Regiment, at the Moment when they were most exposed to this Fire; but they were cut up by the British Cavalry, which moved on at that Moment.

At Length the Enemy's Line gave Way in all Directions; and the British Cavalry cut in among their broken Infantry, but some of their Corps went off in good Order; and a Fire was kept up on our Troops from many of the Guns from which the Enemy had been first driven, by Individuals who had been passed by the Line, under the Supposition that they were dead.

Lieutenant-Colonel Maxwell, with the British Cavalry, charged a large Body of Infantry, which had retired, and was formed again, in which Operation he was killed; and some Time elapsed before he could put an End to the straggling Fire which was kept up by Individuals from the Guns from which the Enemy were driven. The Enemy's Cavalry also, which had been hovering round us throughout the Action, was still near us. At length, when the last formed Body of Infantry gave way, the Whole went off, and left in our Hands Ninety Pieces of Cannon. This Victory, which was certainly complete, has, however, cost us dear, your Excellency will perceive by the enclosed Return, that our Loss in Officers and Men has been very great, and in that of Lieutenant-Colonel Maxwell and other Officers, whose Names are therein included, greatly to be regretted.

I cannot write in too strong Terms of the Conduct of the Troops. They advanced in the best Order, and with the greatest Steadiness, under a most destructive Fire, against a Body of Infantry far superior in Numbers who appeared determined to contend with them to the last, and who were driven from their Guns only by the Bayonet; and, notwithstanding the Numbers of the Enemy's Cavalry, and the repeated Demonstrations they made of an Intention to charge, they were kept at a Distance by the Infantry.

I am particularly indebted to Lieutenant-Colonel Harness and Lieutenant-Colonel Wallace, for the Manner in which they conducted their Brigades, and to all the Officers of the Staff for the Assistance I received from them.

The Officers commanding Brigades, nearly all those of the Staff, and the mounted Officers of the Infantry, had their Horses shot under them.

I have also to draw your Excellency's Notice to the Conduct of the Cavalry Commanded by Lieutenant-Colonel Maxwell, particularly that of the 19th Dragoons.

The Enemy are gone off towards the Adjutant's Chant, and I propose to follow them as soon as I

can place my captured Guns, and the Wounded, in Security.

I have the Honor to be, &c.

A DISPATCH, of which the following is an Extract, has been received this Day by His Excellency the Most Noble the Governor-General from His Excellency the Commander in Chief:

*To His Excellency the Most Noble Marquis Wellesley, Governor-General, &c. &c.*

MY LORD,

I HAVE the Honor to inform your Lordship, that I attacked M. Peron's Force this Morning, which was strongly posted with their Right extending to the Fort of Ally Ghur, and their entire Front protected by a deep Morass, which obliged me to change my original Plan of Attack, and detour considerably to the Right to turn their Left Flank, which I completely effected, dislodging a Body of Troops which were posted in a Village in the Enemy's Front.

On moving forward with the Cavalry in Two Lines, supported by the Line of Infantry and Guns, the Enemy immediately retired after a very few Shot from the Cavalry Guns, which did some Execution.

Several Attempts were made to charge some considerable Bodies of Cavalry, who made an Appearance of standing, but the Rapidity of their Retreat prevented the Possibility of effecting it so completely as I could have wished, but I have Reason to believe that, in consequence of the Operations of this Day, many of his Confederates have left him.

My Loss in Men and Horses is very inconsiderable, and no Officer.

I have the Pleasure to assure your Lordship, that the Zeal, Activity, and Steadiness displayed by both

Officers and Men, afforded me entire Satisfaction, and deserve my warmest Praise.

My Staff afforded me every Assistance, and I feel myself under great Obligations to them.

From every Information I can obtain, immediately upon our advancing, M. Peron, with his Body Guard, retired towards Agra, and has left Colonel Pedron in Charge of the Fort.

I am at present encamped to the Southward of the Fort, and the Town of Coel is occupied by one of my Bâttalions.

I have the Honor to be,

My Lord,

Your Lordship's most faithful  
and humble Servant,

A DISPATCH, of which the following is an Extract, has been received this Day by His Excellency the Most Noble the Governor-General from His Excellency the Commander in Chief.

MY LORD,

IT is with infinite Satisfaction I inform your Lordship, that the Inhabitants of this Part of the Country are coming in fast, and manifest a Wish of being protected by the British Government; and that, in consequence of my having caused it to be made known to the Head Men of the Villages in this Neighbourhood, that it is not my Intention to molest either the Persons or Properties of such of the Inhabitants as shall claim my Protection, I have the Pleasure to say, that the People who had deserted the Town of Coel, on our Approach Yesterday are returning fast to their Houses, and the Town is nearly re-peopled. Indeed they have every Reason to be satisfied, as the Instant this Position was gained, a Battalion was posted in Coel, to prevent Plunder; by which Means very little Loss was sustained by the Inhabitants.

I learn from all Quarters that most of the Enemy's Cavalry, who opposed us Yesterday, have returned to their Homes, declaring their Inability to oppose the English.

From every Account I can receive, the Number of Cavalry opposed to us amounted to Fifteen or Twenty Thousand.

The Country in our Rear is in a State of perfect Tranquillity, nor has it been molested by a single Horseman. I have sent into the Fort a Summons in English and French, which will, I trust, have the desired Effect.

I have the Honor to be,

My Lord,

Your Lordship's most faithful  
and humble Servant,

CHIPPENHAM RIGHT OF ELECTION  
PETITION.

*Lune, 26<sup>e</sup> Die Martij 1804.*

JAMES HYATT, Robert Wharry, and Joseph Gale, having this Day presented their Petition to the House of Commons, setting forth,

That the Petitioners are Inhabitants of the Borough of Chippenham, in the County of Wilts, paying, or liable to pay Scot and Lot there; and that on the 5th and 6th Days of July 1802, an Election of Burgesses to serve in Parliament for the Borough of Chippenham was duly had; and that at the said Election, James Dawkins, Esquire, Charles Brooke, Esquire, and John Maitland, Esquire, were Candidates to serve in Parliament for the said Borough; that the Returning Officer of the said Borough afterwards upon the said Election, returned that James Dawkins, Esquire, and Charles Brooke, Esquire, were duly elected to serve in Parliament for the said Borough; and that against the Return of the said Charles Brooke, Esquire, Two Petitions were afterwards duly presented to the House, one on the Part of John Maitland, Esquire, and the other on the Part of certain Electors for the said Borough, complaining of the said Return; that thereupon a Select Committee of the House was afterwards duly struck, and sworn well and truly to try the Matters of the said Petitions, which said Select Committee, on the 11th Day of March 1803, duly met for the Purpose of trying and determining the same; and that it appeared to the said Select Committee, on the Hearing and Trial of the said Petitions, that the Merits of the said Petitions did depend upon the Right of Election, and therefore the said Committee did require the Counsel for the several Parties to deliver to the Clerk of the said Committee, Statements in Writing, of the Right of Election for which they respectively contended; and that in consequence thereof, the Counsel for the Petitioner, John Maitland, Esquire, and also for the other Petitioners before mentioned, delivered in a Statement, stating the Right of Election for Burgesses to serve in Parliament for the said Borough to be in the Bailiff, Burgesses, and Freemen, being Householders of and resident in the ancient Burgage Houses within the Borough of Chippenham; and that the Counsel for the Sitting Member, Mr. Brooke, delivered in a Statement, stating the Right of Election for Burgesses to serve in Parliament for the said Borough to be in the Bailiff and Burgesses at large (that is to say, being Inhabitants,) within the Borough, paying or liable to pay the Poor Rates; and that afterwards on the 14th Day of March, in the Year aforesaid, the said Select Committee did determine that the Right of Election for Burgesses to serve in Parliament was in the Bailiff, Burgesses, and Freemen, being Householders, and resident in the ancient Burgage Houses within the Borough of Chippenham, which said Resolution was afterwards, on the 28th Day of March 1803, duly reported to the House, and by the House ordered to be entered in the Journals thereof; and that the Petitioners, with all due Deference to the said Determination of the said Select Committee, conceive that the Right of Election, as set forth in the said Statement delivered in by the Counsel for the said John Maitland, Esquire, and for the several other Petitioners before mentioned, and as determined by the said Select Committee as aforesaid, is not the Right of Election for the Borough of Chippenham, and therefore praying, that the House will admit them as Parties to oppose that Right of Election that has been deemed valid in the Judgment of the said Select Committee as aforesaid, and

that the House will appoint as early a Day as possible to take the Premises into Consideration, and grant them such other Relief as to the House shall seem meet:

I do hereby give Notice, that the House has appointed Tuesday the 8th Day of May next, at Three of the Clock in the Afternoon, to take the said Petition into Consideration.
