Whitehall, April 9, 1804.

THE London Extraordinary Gazette of Yesterday contained a Letter, dated December 3, 1803, from the Governor in Council at Bombay to the Secret Committee of the Court of Directors of the United Company of Merchants of England trading to the East Indies.

Within the above-mentioned Letter were the following Enclosures :

(ENCLOSURE, No. I.)

To His Excellency the Most Noble Marquis Wellesley, Governor-General, &c. &c. &c.

MY LORD,

FINDING it impossible to make Approaches against this Place, as long as the Seven Battalions of the Enemy, who remained here, were in Possession of the Town of Agra, of an Encampment with a large Number of Guns on the Glacis, and of the Ravines with which the South and South-West Face of the Fort is surrounded, I determined to dislodge the Enemy from the Town, and occupy the Ravines this Morning, which will answer as Trenches, and afford complete Cover for carrying on our Works.

With this View I ordered Brigadier-General Clarke, who was encamped with his Brigade in the Rear of the Town, to take Possession of it at the same Time that Three Battalions advanced to occupy the Ravines.

The Attacks have succeeded, and the Town as well as the Ravines are now occupied by our Troops.

Lieutenant-Colonel M'Culloch, Major Haldane, and Captain Worsey led the Battalion that advanced on the Ravines. Every Praise is due to those Officers, who performed every Thing required of them with the greatest Alacrity and Steadiness.

I am sorry to say that a Number of Men have been killed and wounded, as well as Officers, owing to their high Spirit and Anxiety to possess themselves of the Enemy's Guns; they quitted the Ravines and gained the Glacis, driving the Enemy from their Position; in effecting which, from being close under the Fort, they were exposed to a very heavy Fire.

My Thanks are due to the Honorable Major-General St. John, for his spirited Conduct in advancing at the Head of the 2d Battalion of the 2d Native Infantry, which I found it necessary to order up to support the Attack.

Brigadier-General Clarke, in his Attack on the Town, met with considerable Resistance, which, by the gallant Conduct of the Officers and Men under his Command, was at length surmounted. I feel myself under particular Obligations to Lieutenant-Colonel White, who commanded Five Companies of the 16th Regiment Native Infantry, for his judicious and gallant Conduct on this Day.

I feel myself under the greatest Obligations to Lieutenant-Colonel Gerrard, Adjutant General, who undertook to point out to Lieutenant-Colonel M'Culloch the Road he was to pursue, and I am sorry to report, that in the Performance of this Duty he received a very severe Contusion, but I trust it will not be attended with any serious Consequences.

Major Thomas, of the 14th Native Infantry, is, I am sorry to add, very severely wounded. His Exertions throughout this Day were most meritorious.

Lieutenant Hay of the Artillery, who went with a Detachment of that Corps to bring off the Enemy's Guns, merits my Approbation for his successful Exertions in this Service.

To Mr. Lucau's Information and Exertions on this Occasion, as well as on every other, I feel myself much indebted.

I have the Honor to be, &c.

MY LORD,

I HAVE the Satisfaction to inform your Lordship, that the Battalions, who were opposed to us in the Affair of the 10th Instant, came over last Night, and are now encamped near us.

Their Number is about Two Thousand Five Hundred.

I have Reason to believe that their Compliance with my Terms was chiefly owing to the severe Loss and complete Defeat they experienced in the Affair of the 10th Instant. By their own Accounts, the

Loss they sustained was upwards of Six Hundred killed.

To His Excellency the Most Noble Marquis Wellesley,
Governor-General, &c. &c. &c.

MY LORD,

I HAVE the Honor to inform your Lordship, that about Noon Yesterday I received Note, No. 1, addressed to the Officer commanding in the Trenches; in consequence of which I ordered all Firing to cease till Four in the Evening, and in my Answer, No. 2, desired a confidential Person might be sent to my Camp.

About Two o'Clock, Colonel Sutherland, whom they liberated from Confinement for that Purpose, arrived in my Camp with Letters, No. 3, and No. 4.

As it appeared their Wish that I should send an Officer into the Fort, I requested Captain Salkeld to accompany Colonel Sutherland thither with my Replies, No. 5, and No. 6, to explain to the Garrison the Terms on which they would be allowed to surrender.

Captain Salkeld saw all the Native Chiefs, and found that they were not decided in their Opinions on the Subject. They started several Difficulties, and whilst he was endeavouring to remove these, the Firing from the Fort recommenced, without any evident Cause, which induced him to return to Camp.

Being desirous, from Motives of Humanity, to induce them to listen to my Terms, a Messenger entrusted with a Letter from me was again sent this Morning. They have refused, however, all Inter-course, from which I am inclined to think that their only Object, Yesterday, was to gain Time.

My grand Batteries will open on the Morning of the 16th, and I have Reason to think that soon afterwards a practicable Breach will be effected.

I have the Honor to be, &c.

No. 3.

To His Excellency General Lake, Commander in Chief,
&c. &c. &c.

SIR,

WE have the Honor to inform your Excellency, that notwithstanding the past violent and unwarrantable Proceedings of the People of the Fort, they have at last become a little more reasonable, from our repeatedly telling them that any further Resistance on their Part would avail them nothing, but, on the contrary, would exasperate your Excellency and the Troops under your Command so as to exterminate the Whole of them, if a Storm took Place. Their Commandants have consequently come to us this Forenoon in a Body, and requested of us to forward to your Excellency the accompanying Proposal for the Surrender of the Fort, to which their respective Names are affixed.

Should any unforeseen Deviation from their Proposal take Place, as we are still their Prisoners, we Hope your Excellency will not impute to us the Blame.

Their Proposal is to deliver up the Fort, Guns, Stores, &c. to your Excellency, at any Time after the Receipt of this you may think proper; Protection to themselves and private Property, after delivering up the Sircar's Arms and Property; and be allowed to remain in the City, or to go wherever their Families may be.

We have the Honor to be, &c.

GENTLEMEN,

YOUR Letter has been received.—On the Terms I allow the Garrison to march out, with Protection to themselves and private Property.—After delivering up the Sircar's Arms, Treasure, or any other public Property, those who belong to the City may

No. 6.

HIS Excellency General Lake engages that all the Officers and Sepoys, who are within the Fort of Akberabad, shall be allowed to proceed in the most honorable Manner, with their Clothes, whichever they may choose.—No Interruption whatever will be given to those Officers and Sepoy, their Families and Children. But all Arms and Military Weapons, Muskets, and Guns, Carriages and Carriages, and Treasure which may be within the Fort, shall belong to the Company.

The Officers, &c. shall not be allowed to carry out of the Fort any Money or Effects of the above Description.

The Officers, &c. are required to specify in Writing the Hour at which they may determine with the Bearer of this Engagement, to surrender the Fort, in order that the British Troops may enter the Fort.

(ENCLOSURE, No. IV.)

To His Excellency the Most Noble Marquis Wellesley,
Governor-General, &c. &c. &c.

MY LORD,

I HAVE the Pleasure to inform your Lordship, that the important Fortress of Agra, termed by the Natives The Key of Hindostan, capitulated last Night, and the Garrison, consisting of between Five and Six Thousand Men, marched out at Noon this Day, when the Place was immediately occupied by our Troops under the Command of Brigadier-General Macdonald.

The only Terms required by the Garrison, were Protection to their Persons and private Property, which was agreed to on my Part.

I attribute the early Surrender of this Place to the great Impression our Breaching Batteries, which opened Yesterday Morning within Three Hundred and Fifty Yards, made on the Walls, and which would have caused a practicable Breach in a few Hours more battering.

To Colonel Horsford of the Artillery, and Captain Wood of the Corps of Engineers, as well as to every other Officer in those two Corps, I feel myself under great Obligations for their unremitting Exertions on this Occasion, and to which I principally attribute my early Success against this Place.

I have the Pleasure to say, our Loss since the Construction of the Batteries has been very trifling. Three European Artillery Men, and Three Goolundauze killed, are the only Casualties.

A Return of the Ordnance, Stores, &c. found in the Fort, I shall have the Honor to forward for your Lordship's Information To-morrow.

I have the Honor to be, &c.

To Captain Armstrong, Acting Military Secretary to His Excellency the Most Noble the Governor-General

SIR,

I REQUEST you will be pleased to state to His Excellency the Most Noble the Governor-General, that the Barabatty Fort has this Instant been taken by Assault.

Lieutenant Colonel Clayton, of the 20th Bengal Regiment, who commanded the Attack, not having yet made his Report to me, I am not enabled to forward to you for His Excellency's Information, the regular Details of this Success, but I understand his Conduct, and that of the Troops under his Orders, to have been most honorable and brilliant.

The Fortress is of considerable Strength, and was vigorously defended; added to which, every possible Obstruction was prepared by the Enemy.

Our Loss on this Occasion, I trust, has not been very considerable; but I shall have the Honor of forwarding to you, for His Excellency's Information, Returns of the Whole To-morrow.

I have the Honor to be, &c.

Cuttack, the 14th October, 1803, One P. M.

(ENCLOSURE, No. VI.)

To Captain Armstrong, Acting Military Secretary to His Excellency the Most Noble the Governor-General.

SIR,

I HAD the Honor of briefly stating to you Yesterday, for the Information of His Excellency the Most Noble the Governor-General, that the Fort of Barabatty had been taken by Assault, by a Part of the Troops under my Command, directed to perform this Service under the Orders of Lieutenant-Colonel Clayton of the 20th Bengal Regiment. I now have the Honor to acquaint you, for His Excellency's Information, with the further Details of this Operation.

On the Night of the 12th, a Spot was fixed on for a Twelve-Pounder Battery, distant about Five Hundred Yards from the outer Gate of the Fort. This Battery was completed on the Night of the 13th, and the Twelve-Pounder placed in it, together with Two Howitzers, and two Six Pounders, the whole of which opened their Fire on the Morning of the 14th. By Eleven o'Clock in the Forenoon most of the Defences on the South Face of the Fort, against which our Fire was directed, were taken off, the Enemy's Guns silenced, and every Appearance promised Success, upon which I directed Lieutenant-Colonel Clayton to advance with one Six-Pounder, and a Party of Artillery Men, Two Hundred Europeans from His Majesty's 22d, and the Madras European Regiment, and Four Hundred Sepoys from the 20th Bengal, and the 9th and 19th Regiments of Madras Native Infantry. The Party had to pass over a narrow Bridge, and under a very heavy but ill directed Fire of Musquetry from the Fort, to which they were exposed for Forty Minutes. They at

length succeeded in blowing open the Wicket (the remaining Part of the Gate having been fortified with thick Masses of Stone). Having once accomplished this, the Party entered singly, and although they met with considerable Resistance whilst entering the Fort, and passing Two other Gates, the British Troops were soon completely victorious.

I cannot too highly praise the Conduct of Lieutenant-Colonel Clayton, and that of the Officers and Troops under his Command: the whole Party manifested a Degree of persevering Steadiness and Bravery that does them infinite Honor.

The Fort of Barabatty is of considerable Strength, and, with the Exception only of the Bridge over which our Party passed, is inaccessible, as it is surrounded by a Ditch from Thirty-five to One Hundred and Thirty-five Feet Broad, and Twenty Feet Depth of Water in it.

I am happy to acquaint you that our Loss has not been considerable, but I have to report with regret, that Captain Kenny of the 19th Regiment of Madras Infantry, Captain Hurlstone of His Majesty's 22d Regiment, and Lieutenant Faithful of the Bengal Artillery, are wounded, though not dangerously: their Conduct was highly meritorious, as well as that of every other Officer on the storming Party.

Returns of the Killed and Wounded are enclosed.

I cannot omit expressing in the strongest Manner the high Sense I entertain of the Services of Captain Blunt, Field Engineer, who has been throughout our Campaign indefatigably active; and of Captain Hetzler, of the Bengal Artillery, whose well directed Fire from the Battery was of eminent Service.

The Loss of the Enemy within the Fort was very considerable, and many were drowned in the Ditch when endeavouring to escape.

I should not omit mentioning, that a Stand of Colours of the Enemy was taken by the Detachment of His Majesty's 22d Regiment, a Second Stand of Colours by the 20th Bengal Regiment, a Third by the 9th Madras Native Regiment, and a Fourth by the 19th Madras Native Regiment; and for the Disposal of which I hope to be honored with his Excellency's Commands.

The zealous and efficient Services of Major of Brigade Thompson demand my warmest Acknowledgments, and I must further beg leave to report to you, for His Excellency's Information, that the general Conduct of the whole Force under my Command has been such as to merit the most favorable Representation of their Services to His Excellency's Notice.

I have the Honor to be, &c.

GENERAL ORDERS, by His Excellency the Most Noble the Governor-General in Council.

Fort William, October 22, 1803.

THE Governor-General in Council notifies to the Army his high Approbation of the meritorious Services of the Officers and Troops employed under the able Conduct of Lieutenant-Colonel George Harcourt, in the Expedition prepared under the special Orders of His Excellency in Council, for the Occupation of the valuable Province of Cuttack.

His Excellency in Council observed with great Satisfaction the Judgment, Skill, and Firmness manifested by Lieutenant-Colonel Harcourt, in directing the Movement of the Division of the Troops, which entered the Province of Cuttack from Ganjam.

The Difficulties opposed to the Progress of the Troops by the peculiar Nature of the Country, by the Period of the Season, and by the Resistance of the Enemy, were surmounted by Lieutenant-Colonel Harcourt, and by the brave Officers and Troops under his Command, with the same Spirit of Gallantry and Perseverance which has secured the Success of every Operation of the British Army in every Part of India during this glorious Campaign.

The Governor-General in Council highly approves the judicious Arrangements prepared by Lieutenant-Colonel Harcourt for the Siege and Assault of the Fort of Barabatty at Cuttack, and the spirited Exertion by which that important Service was executed with Success and Honor on the 14th instant.

His Excellency in Council directs Lieutenant-Colonel Harcourt to signify his distinguished Approbation of the Merits of Lieutenant-Colonel Clayton of the Bengal 20th Regiment Native Infantry, who commanded the Attack, and of the Steadiness and Bravery of all the Officers and Troops employed in the Assault of the Fort.

It affords considerable Satisfaction to the Governor-General in Council to remark, that this impor-

tant Service has been effected with so little Loss and His Excellency trusts that Captain Hurlstone of His Majesty's 22d Regiment, Captain Kenny of the 19th Regiment of Madras Native Infantry, and Lieutenant Faithful of the Bengal Artillery, will speedily be restored to the public Service, in which their Courage and Resolution have already been distinguished.

The Governor-General in Council expresses his Sense of the Activity, Zeal, and useful Services of Captain Blunt, Field Engineer in Cuttack, and also of the Conduct of Captain Hetzler of the Bengal Artillery.

The Colours taken in the Assault of the Fort of Cuttack by the Detachments of His Majesty's 22d Regiment, the 20th Bengal Native Regiment, and the 9th and 19th Madras Native Regiments, are to be publicly displayed in the Fort of Cuttack, and afterwards lodged in the principal Building in the Fort, with an Inscription signifying the Names of the Corps by which the Standards were respectively taken from the Enemy.

His Excellency in Council expresses the Satisfaction with which he has noticed the zealous and efficient Services of Major of Brigade Thompson.

During the Advance of the Force under the immediate Direction of Lieutenant-Colonel Harcourt from Ganjam, the Conduct of the Officers and Troops employed at Balasore under the Command of Captain Morgan of the 7th Bengal Native Regiment, and of that which marched from Jellafore under the Command of Lieutenant Colonel Ferguson of the same Regiment, merits the public Approbation of His Excellency in Council.

The Governor-General in Council particularly approves the firm and skilful Conduct of Captain Morgan, in directing the Disembarkation of the Troops at Balasore, and in the judicious Occupation and Maintenance of that Position. His Excellency in Council also expresses his just Sense of the meritorious and useful Assistance rendered by Captain P. Grant of the 16th Regiment of Bengal Native Infantry, in the Execution of every Branch of the Service at Balasore, and in aiding the Progress of Lieutenant-Colonel Ferguson's Detachment.

Great Advantage has been derived to the Success of our Arms in Cuttack from the Respect which has been uniformly observed by Lieutenant-Colonel Harcourt, and by all the Officers and Troops under his immediate Command, as well as by the Detachments co-operating from Balasore and Jellafore, towards the religious Establishments in Cuttack, and from the exemplary Humanity with which the Lives and private Property of the Inhabitants, and the Sanctity of the Temples and Institutions of the Brahmins have been protected from Violation.

The Governor-General notices with peculiar Pleasure the Merits of Lieutenant-Colonel Harcourt, and of the Officers and Troops serving in Cuttack in this respect, as tending to maintain the Honor of the British Character, and to conciliate the Confidence and Attachment of the Inhabitants of that valuable Province.

By Command of His Excellency the Most Noble the Governor-General in Council,

L. HOOK, Secretary to the Govt. Mil. Dept.

(ENCLOSURE, No. VII.)

To the Honorable Jonathan Duncan, Esq. President
and Governor, &c. &c. &c. in Council

HONORABLE SIR,

I HAVE the Honor to transmit, for your Information, Copy of my Letter of this Day's Date, with Inclosures to the Honorable Major General Arthur Wellesley.

We have taken at least Twenty Stands of Colours from the Arabs and Scindians. I have only been able to collect Ten, at present, which, together with the Colours of the Fort, I shall have the Pleasure to send to the Presidency by the earliest Opportunity.

I have the Honor to be, &c.

H. WOODINGTON, Lieut. Col. &c.

Baroach, Aug. 30, 1803.

P. S. Since writing the above, I have Three more Stands of Arab Colours brought to me, besides which I have, at Major Cuyler's particular Request, permitted the 85th Regiment to keep two, making in all Fifteen.

To the Honorable Major General Arthur Wellesley,
Commander in Chief of the British Forces on the
Western-side of India.

SIR,

I WROTE you Yesterday Evening, after we had stormed and taken Possession of the Fort of Baroach. I have now the Honor of acquainting you more fully on the Subject.

The Breach was reported practicable by the Engineer at Eleven A. M. when I determined to storm, but delayed it until Three o'Clock, not only that I might benefit by the Assistance of the Fury and an armed Boat, which I expected would arrive in Time to take their Stations opposite the Fort, but as I thought that a very likely Hour to find the Enemy off their Guard.

The Vessel and armed Boat, however, did not arrive in Time to afford any Assistance.

The inclosed Orders for the Storm will inform you of the Disposition I made, as will the accompanying Profile and Elevation of the Western Front of the Fort.

The Enemy made a desperate Attack in opposing our Entrance into the Breach, but by the Valour and Spirit of the Troops were speedily repulsed, and my Orders were carried into full Execution. After Captain Richardson had obtained Possession of the first Gate, Major Cuyler pushed on so rapidly that he overtook the Arabs before the greatest Part, both Horse and Foot, could get out of the Gate, and put to Death about Two Hundred of them. Many Horses were also killed.

I beg leave to submit to your Notice the ready Co operation of Major Cuyler throughout every Part of the Service, his Gallantry and Conduct in the Command of the Storm, as also of Captain Richardson who led.

The whole of the Officers and Men employed on this Service have conducted themselves so much to my Satisfaction, that I cannot express myself too strongly in their Commendation.

I am now employed in establishing some Order in the Fort, in getting the Eighteen Pounders, and every Thing we do not want to move with into it,

also in burying the Enemy's dead, amounting to about Two Hundred and Fifty.

I have great Pleasure in informing you that our Loss is small. Captain Maclaurin, of His Majesty's 86th, the only Officer wounded, and not badly. A Return of the Killed and Wounded in the Storm, as also a general Return of the Killed and Wounded during the Siege, I enclose.

I have the Honor to be, &c.

(ENCLOSURE, No. VIII.)

GENERAL ORDERS, by His Excellency the Most Noble the Governor-General in Council.

Fort William, October 14, 1803.

THE Governor-General in Council derives general Satisfaction from the Intelligence which he has received of the Reduction of the Fort and City of Baroach, on the 29th of August, and of the Ability, Promptitude, and Gallantry with which that important Service was accomplished by the brave Officers and Troops, under the Command of Lieutenant Colonel Woodington, of the Establishment of Bombay.

His Excellency in Council highly approves the Conduct of Lieutenant-Colonel Woodington, in his judicious and spirited Exertions for the early Reduction of the Place; in directing the Operations of the Siege; in his seasonable Determination to assault the Fort; and in the Disposition which he made of the Troops under his Command, with a View to secure the rapid Success of that gallant Attack.

The Governor-General in Council signifies his particular Approbation of the Valour and Judgment manifested by Major Cuyler, of His Majesty's 86th Regiment, throughout the Service at Baroach, and in commanding the Storm of the Fort, and by Captain Richardson, of the same Corps, in leading the Assault. His Excellency in Council also observes, with particular Satisfaction the Conduct of Captain Cliffe, of the Engineers of Bombay.

To all the Officers and Troops, European and Native, employed on this honorable Occasion, His Excellency in Council signifies his high Commendation.

The Governor-General in Council laments the Loss of Captain W. Semple, of His Majesty's 86th Regiment, killed on the 25th of August, and of the few brave Men who fell before Baroach. It is a great Satisfaction however to observe, that an Acquisition so important should have been secured with the Loss of only one Officer, and of so few Soldiers.

In bearing a due Testimony to the Merits of the Officers and Troops employed in the Reduction of Baroach on the 29th of August, the Governor-General in Council remarks, that on the same Day, distinguished by the Commencement of the victorious Career of the Army of Bengal, under the personal Command of His Excellency General Lake, upon the Frontier of Oude, the Army of Bombay at the Western Extremity of the Peninsula of India, effected a Service of the most arduous Nature, with a similar Spirit of Alacrity and Courage.

In the Course of an extensive and complicated System of Military Operations, the glorious Success of our Arms since the Commencement of this War has been uniform in every Part of India: The able and gallant Officers and Troops of His Majesty's Service, and of the several Establishments of the

Three Presidencies, have been actuated by equal Sentiments of public Spirit and Honor, and have co-operated with equal Ardour and Success, in an united Effort to accomplish the just Objects of the Allies. The Governor General in Council confides in the Justice of our Cause, in the unanimous Zeal of the Three Presidencies, and in the continued Co-operation of their respective Resources and Power, that the Views of the confederate Chieftains will be speedily frustrated by the complete Restoration of Peace and Tranquillity to the Provinces of Hindoostan and the Decan, which have been disturbed by the Ambition and Violence of the Enemy.

The Governor-General in Council directs, that Copies of this Order be transmitted to the Right Honorable the Governor in Council at Fort St. George, and to the Honorable the Governor in Council at Bombay, to be published to the Army of those Presidencies respectively.

By Command of His Excellency the most Noble the Governor-General in Council,

(ENCLOSURE, No. IX.)

Fort William, November 1, 1802.

DISPATCHES have been received this Day from the Honorable Major General Wellesley, under Date the 6th of October 1803, containing Intelligence, that, on the 5th of October, Major General Wellesley had received a Letter from the Enemy's Camp, signed by Ballajee Khoonjur, One of the Ministers of Dowlut Row Scindiah, requesting that Major General Wellesley would dispatch a British Officer, together with an Officer of the Subahdar of the Dekan, to the Enemy's Camp, for the Purpose of negotiating Terms of Peace between the Allies, and the confederate Marhattah Chieftains.

Major-General Wellesley had not complied with this Request, but had signified his Disposition to receive at the British Camp, with every Mark of Honor and Respect, any Person duly empowered by the direct Authority of Dowlut Row Scindiah, or of the Rajah of Berar, to propose Terms of Peace to the Allied Powers.

GENERAL ORDERS, by His Excellency the Most Noble the Governor General in Council.

Fort William, October 30, 1803.

THE Governor General in Council has this Day received from Major General the Honorable Arthur Wellesley, the Official Report of the signal and splendid Victory obtained by the Troops under the personal Command of that distinguished Officer, on the 23d September, at Assye, in the Dekkan, over the Combined Armies of Dowlut Rao Scindiah and the Rajah of Berar.

At the Close of a Campaign of the most brilliant Success in every Quarter of India, this transcendent Victory demands a Testimony of public Honor, equal to any which the Justice of the British Government in India has ever conferred on the Conduct of our Officers and Troops, in the most distinguished Period of our military History.

The Governor General, in Council, highly approves the skilful Plan formed by Major General Wellesley on the 21st of September, for precluding the Escape of the Enemy, and for reducing their Combined Army to the Necessity of hazarding a general Action.

His Excellency, in Council, also signifies his most cordial Approbation of the Magnanimity, Promptitude, and Judgment with which Major-General Wellesley determined upon the instantaneous Attack of the Enemy on the 23d of September.

During the severe Action which ensued, the Conduct of Major-General Wellesley united a Degree of Ability, of Prudence, and of dauntless Spirit, seldom equalled, and never surpassed.

The Governor-General in Council signifies his warmest Applause of the exemplary Order and Steadiness with which the Troops advanced under a most destructive Fire, against a Body of the Enemy's Infantry, considerably superior in Number, and determined to oppose a vigorous Resistance to our Attack. The numerous Infantry of the Enemy were driven from their powerful Artillery at the Point of the Bayonet, with an Alacrity and Resolution truly worthy of British Soldiers, and the Firmness and Discipline manifested by our brave Infantry, in repelling the great Body of the Enemy's Cavalry, merit the highest Commendation.

The Governor-General in Council has remarked with great Satisfaction the gallant and skilful Conduct of the Cavalry, commanded by Lieutenant-Colonel Maxwell, and particularly of His Majesty's 19th Regiment of Light Dragoons, a Corps distinguished in India by a long and uninterrupted Course of arduous Service and of progressive Honor.

His Excellency in Council directs Major-General Wellesley to signify to all the Officers and Troops employed on this glorious Occasion, and especially to Lieutenant-Colonel Harness and to Lieutenant-Colonel Wallace, who commanded Brigades, and to the Officers of the Staff, the high Sense entertained by the Governor General in Council of their eminent and honorable Services.

The important Benefits resulting from the Triumph of our Arms in the Battle of Assye are not inferior to the Splendor of the Action. The immediate Consequences derived from the Exertions of that Day, have been the complete Defeat of the Combined Army of the confederate Chieftains; an irreparable Blow to the Strength and Efficiency of their military Resources, especially of their Artillery, in the Dekkan; the Expulsion of an hostile and predatory Army from the Territory of our Ally the Subahdar of the Dekkan; and a seasonable and effectual Check to the Ambition, Pride, and Audacity of the Enemy.

The prosperous Result of these Advantages must be accelerated by the auspicious Progress of our Arms in other Provinces of India, and it may reasonably be expected that the decisive Victories gained at Delhi and Assye, on the 11th and 23d of September, will speedily compel the Enemy to restore Peace to Hindoostan and to the Dekkan.

The Achievements of our Commanders, Officers, and Troops, during this Campaign, and especially in the signal Victories of Delhi and of Assye, must inspire a general Sentiment of just Confidence in the Vigour of our Military Resources, and in the Stability of our Dominions and Power. Our uniform

Success in frustrating every Advantage of superior Numbers, of powerful Artillery, and even of obstinate Resistance, opposed by the Enemy, constitutes a satisfactory Proof of the established Superiority of British Discipline, Experience, and Valour; and demonstrates, that the glorious Progress of our Arms is not the accidental Result of a temporary or transient Advantage, but the natural and certain Effect of a permanent Cause.

From these Reflections Consolation is to be derived for the Loss of those lamented and honored Officers and Soldiers, who, animated by the gallant Spirit of their General, and emulating the noble Example of his Zeal and Courage, sacrificed their Lives to the Honor and Interests of their Country.

The Governor-General in Council greatly regrets the Loss of Lieutenant-Colonel Maxwell of His Majesty's 19th Dragoons, who fell at the Head of the British Cavalry, bravely charging a large Body of the Enemy's Infantry. With the utmost Concern his Excellency in Council records the Names of the valuable and excellent Officers who have fallen with Glory at the Battle of Assye, in attchieving the complete Defeat of the Enemy, and in establishing the Triumphs of the British Arms in the Dekkan. Lieutenant Colonel Maxwell; Captains R. Boyle, H. Mackey, D. Aytone, A. Dyce, R. Macleod, and T. Maxwell; Captain-Lieutenants Steele and Fowler; Lieutenants Bonomi, Griffith, J. Campbell, J. M. Campbell, J. Grant, R. Nelson, L. Campbell, M. Morris, and J. Douglas; Lieutenants Brown, Mavor, Perrie; and Volunteer Tew.

In Testimony of the high Honor acquired by the Army under the personal Command of Major General Wellesley at the Battle of Assye, the Governor-General in Council is pleased to order, that honorary Colours, with a Device properly suited to commemorate that signal and splendid Victory, be presented to the Corps of Cavalry and Infantry employed on that glorious Occasion. The Names of the brave Officers and Men who fell at the Battle of Assye will be commemorated, together with the Circumstances of the Action, upon the public Monument to be erected at Fort William, to the Memory of those who have fallen in the public Service during the present Campaign.

The honorary Colours granted by these Orders to His Majesty's 19th Regiment of Dragoons, and to the 74th and 78th Regiments of Foot, are to be used by those Corps while they shall continue in India, or until His Majesty's most gracious Pleasure be signified through his Excellency the Commander in Chief.

His Excellency the Most Noble the Governor-General, Captain General and Commander in Chief of all the Land Forces serving in the East Indies, is pleased to direct; that these Orders be publicly read to the Troops under Arms, at every Station of the Land Forces in the East Indies, and that the European Officers of the Native Corps do cause the same to be duly explained to the Native Officers and Troops.

By Command of his Excellency the Most Noble the Governor-General in Council,

Major-General Nicolls.

SIR,

I HAVE the Honor to enclose a Letter which I received this Morning from Lieutenant-Colonel Woodington. It is necessary to inform you, that the Delay of this important Communication arises from the Miscarriage of the Colonel's Letter, although sent in Duplicate.

Colonel Woodington highly praises the Zeal and Activity of the Troops under his Command, and to judge by their Success, the Praise is well merited.

Colonel Woodington has in a most particular Manner requested, that I should lay the meritorious Services of Serjeant Moore, of His Majesty's 86th Regiment, before you. He led the Forlorn Hope at the Assault of Broach, and behaved with the utmost Gallantry on that Occasion. Major Cuyler speaks highly in Favor of his general Character.

I have the Honor to be, &c.

Head Quarters, Barada, Sept. 21, 1803.

No. 2.

To Colonel Murray, commanding the Forces in the Guzerat.

SIR,

IN Consequence of your Communication to me last Night, that you had not received my official Communication on the Surrender of Powaughur by Capitulation, I have the Honor to address you again on the Subject.

After a Breach had been effected in the Wall of the inner Fort, as also that another was almost practicable in a Tower at the Angle of the outer Fort, the Garrison offered to capitulate on the Morning of the 17th, on Condition of being protected in their Persons and private Property. To these Terms I agreed, on Condition of immediately taking Possession of the Breach in the inner Wall with a Company of Sepoys: they however tacked other Stipulations to the Capitulation, viz. that I should agree to pay them the Arrears due from Scindiah, and that Two of the Commanders of the Guicawar Cavalry with me (amounting to about

300 Horse) should sign the Agreement. To these latter Articles I would on no Account agree, and it was not until Four P. M. when they found, from our continuing to batter, that I would admit of no Delay, that they agreed to the original Terms, which were immediately carried into full Effect, by their Evacuation of the Fort and Mountain, of which we took Possession.

If this had not taken Place I had made the necessary Arrangements for Storming both Breaches on the Morning of the 18th, and I conceive that the Garrison were intimidated from a Knowledge that, if they opposed us on our entering the Breaches, their Communication with the upper Fort would be cut off, and they had no other Way to Escape than the Road which led down by our Battery.

Could they have obtained Possession of the upper Fort, or Balla Killa, at the Top of the Mountain, I am inclined to think it utterly impregnable.

I have left Captain Cliffe of the Engineers to take a Plan and View of the Forts and Works on the Mountain, which I doubt not, from his known Abilities, will be ably executed.

It is with the greatest Pleasure, that I embrace this Opportunity of submitting for your Notice, the Merits, Zeal, and great Exertions of all Ranks on this Service.

I have the Honor to be, &c.

Copy of a Letter from the Right Honorable Lord Keith, K. B. Admiral of the Blue, &c. to William Marsden, Esq; dated on board His Majesty's Ship Monarch, off Ramsgate, the 9th Instant.

SIR,

I HEREWITH transmit, for their Lordships' Information, a Copy of a Letter which I have this Morning received from Rear-Admiral Thornbrough, inclosing one to him from Captain Hardinge, of His Majesty's Sloop the Scorpion, in which he reports the successful Issue of a most gallant and spirited Attack which was made by Captains Hardinge and Pelly with the Boats of the Scorpion and Beaver on the Dutch National Brig Atalante, at Anchor within the Vlie Roads, on the 31st of last Month.

Although the Brilliancy of this Service can receive no additional Lustre from any Commendation that it is in my Power to bestow, I obey the Dictates of both Duty and Inclination in recommending the distinguished Services of Captains Hardinge and Pelly, and of the Officers and Men employed under them on this Occasion, to the Consideration of their Lordships, who will not fail to observe the Delicacy with which Captain Hardinge refrains in his Narrative from any Mention whatever of himself, nor to recollect that Captain Pelly was promoted to the Rank of a Commander in consequence of his being most severely wounded in the Performance of his Duty before Boulogne.

I am, &c.

KEITH.

Defence, 4th April 1804, K ykdon East 8 Leagues.

MY LORD,

I HAVE the Honor to inform your Lordship, that I detached the Scorpion Sloop on the 25th Ultimo to cruize off the Vlie Passage, in order to watch the Motions of the Enemy in that Quarter, having previously received Information that Two Dutch National Brigs were at Anchor in the Vlie Road. I have now the Satisfaction of stating to your Lordship, that I was Yesterday Afternoon joined by the Scorpion and Beaver Sloops, bringing with them the Atalanta Dutch National Brig, One of the Vessels above alluded to, and the Commodore of a small Squadron placed there, for the Protection of that Passage and Road, which they carried in the most gallant and spirited Manner, although she was fully prepared for the Contest, having Boarding Netting triced up, and defended in the most obstinate Manner; so determined was the Captain that he refused Quarter when most generously offered him, and fell in the Defence of his Brig; she carries sixteen long Twelve-Pounders, is the largest and finest Vessel of her Class I ever saw, is only Three Years old, and, in my Opinion, will make a most complete Sloop of War.

I have the Honor of enclosing to your Lordship a Copy of Captain Hardinge's Letter to me upon the Subject, and must beg Leave to remark, that both Captains Hardinge and Pelly were personally engaged in the Enterprize, which I trust will recommend them to your Lordship's Protection.

I have the Honor to be, &c.

EDW. THORNBROUGH.

The Right Hon. Lord Keith, K. B.

His Majesty's Sloop Scorpion off the Vlie, 3d April 1804.

SIR,

HAVING reconnoitered the Position of the two Men of War Brigs in the Vlie, I resolved to attempt the Outermolt on the first favourable Opportunity.

When accidentally falling in with His Majesty's Sloop Beaver in her Way to her Station, on the 31st Ultimo, Captain Pelly very handsomely volunteered the Assistance of himself and his Boats.

The Attack was made the same Night; the Intrepidity of British Seamen overcame every Obstacle, (she being in all Respects prepared with Boarding-Netting, &c.) and after a sharp Contest we were in full Possession of her. She proves to be the Dutch National Brig Atalante, Captain Carp, mounting Sixteen long Twelve Pounders, and had on board Seventy-six Men.

She is one of the largest Brigs in the Dutch Navy, is a remarkable fine Vessel, and in my Opinion admirably calculated for His Majesty's Service.

I am happy to add, it has not been attended with the Loss of one Man on our Part, and only five wounded. I beg Leave to say how much I am indebted to the Zeal and Gallantry of Captain Pelly, Lieutenants Bluett, White, and Shields, with Messrs. Williams and Fair, Masters, and the rest of the Petty Officers and Men, for their cool, steady, and determined Conduct throughout the Whole, as from a Shift of Wind we were unable to bring her out for Three Days. I herewith return Lists of the Killed and Wounded. I have the Honor to be, &c.

Copy of a Letter from Rear-Admiral Thornbrough, to William Marsden, Esq; dated on board His Majesty's Ship Defence, off the Texel, the 9th Instant.

SIR,

YOU will be pleased to acquaint their Lordships that I detained, and have since liberated, the Purser, Pilot, and the Captain's Servant, of the Dutch National Brig, Atalanta, captured by the Scorpion and Beaver Sloops; and that I charged the latter with the Effects of his Master to be delivered to Admiral Killkert, for the Benefit of his Relations; I availed myself of the Opportunity of writing to the Admiral, a Copy of which Letter I herewith inclose for their Lordships' Perusal, and which I trust will meet their Approbation.

I am, &c. EDW. THORNBROUGH.

His Majesty's Ship Defence, off the Texel, April 4, 1804.

SIR,

THE Chance of War having put into our Possession the Atalante, Dutch National Brig, and being desirous of paying every Attention to the Memory of Captain Carp, her Commander, who gallantly fell at his Post, in the Defence of the Ship entrusted to his Care, I have sent his Servant to you with his Effects, in order that they may be delivered to his Relatives.

The English not considering Persons serving on board Ships of War in civil Capacities, as liable to be made Prisoners, I have liberated and sent on Shore the Purser and Pilot, that were taken on board the Atalante, and have charged the former with the Delivery of this Letter to you. I feel great Concern at having been under the Necessity of sending the Surgeon and wounded Men belonging to the Brig, to England; the Dictates of Humanity would have induced me to send them to the Helder, could I have been assured that my Flag of Truce would have been respected, and the Officers permitted to return, which has ever been the Custom with civilized Powers at War, until the last Summer, when an English Officer, going to Helvoet under a Flag of Truce, was detained and sent Prisoner into France: Enclosed I have sent an Inventory of Captain Carp's Effects.

I have the Honor to be, &c.
