Admiralty-Office, December 15, 1804.

Copy of a Letter from the Right Honorable Lord Keith, Admiral of the Blue, &c. &c. &c to William Marsden, Esq; dated on board the Monarch, off Ramsgate, 11th December 1804.

SIR.

DIVISIONS of the Enemy's Flotilla passing from the Eastward towards Boulogne, having frequently when pursued by His Majesty's Ships and Vessels taken Shelter in the Harbour of Calais, their Entry into which has been particularly covered and protected by the advanced Pile Battery of Fort Rouge, I considered it an Object of some Importance to effect the Destruction of that Work, and lately directed Captain Sir Home Popham, of the Antelope, amongst other Objects, to hold in View a favourable Opportunity for making this Attempt.

I now transmit, for their Lordships' Information, a Letter, and the Euclosures to which it refers, which I have received from that Officer, reporting the Result of an Assault which he directed to be made upon it early on the Morning of the 9th Instant, and from which there is Reason to conclude that the Fort has sultained material Damage; but that from the unfortunate Circumstance of its not having been possible, under the existing State of Weather and Tide, to carry up Two of the Explosion-Vessels to the Point of Attack, the Injury has been far less extensive than might have been otherwise expected.

The Conduct of Lieutenant Hew Steuart, of the Monarch, on this recent Occasion, will not fail, I am fure, to excite their Lordships' Admiration and Praise. I have great Pleasure in conveying to their Lordships Captain Sir Home Popham's Teltimony to his distinguished Merit, and to the zealous and active Assistance which he received from Captain Brownings, Lieutenant Lake, and Mr. Bartholomew.

I have the Honor to be, &c. KEITH.

My LORD, Antelope, Downs, Dec. 10, 1804.

I AVAIL myself of the first Moment of my Return to the Downs to acquaint you, that towards Noon on Saturday the 8th, the Wind promised to come to the S. E., and knowing it to be your Lordship's Intention to attack the Encmy at every assailable Point, I sent the Dart, on the Close of the

Evening to an affigned Station between Sengate and Fort Lapin, accompanied by the Susannah Explosion Vessel and Two Carcasses, with a View of making an Assault against Fort Rouge.

Lieutenant Steuart, of the Monarch, commanded the Explosion-Vessel; Mr. Bartholomew, Acting Lieutenant of the Antelope, had the Charge of the first Carcass intended to be applied, and Captain Browning requested to take the other.

Your Lordship is aware how difficult it is to ascertain the precise Injury done to the Enemy in an Enterprise of this Nature, which, in most Cases, must be undertaken in the Night; but, that you may be posseled of the best Information in that Respect, I sent the Fox Cutter, whose Master is an active intelligent Man, and well acquainted with Fort Rouge, to reconnoitre the Place as close as possible without Risk, and I annex his Report to Lieutenant Steurart's, as the clearest Account that can be given of the able and officer-like Manner in which the Susannah was placed, and the evident Consequences of such an Application, even under Circumstances of considerable Disadvantage.

I very much regret that Mr. Bartholomew could not fetch the Port; for I am positive he would have lashed the Carcass to the Piles: he, however, very prudently returned with it to the Dart; and although something prevented the second Carcass from going off, which evidently had been striking against the Piles, from the Indention at one End, yet he recovered and brought it also on board.

I am most perfectly satisfied with the Zeal and Activity which Captain Brownrigg manifested on this Occasion; the Dart was admirably placed, and every Assistance associated from her that could insure the Success of this Service, which must now be considered as confined to the Esforts of the Susannah; and I take this Opportunity of most particularly recommending Lieutenant Steuart to your Lordship's Notice; which, I hope, will also be extended to Mr. Bartholomew, notwithstanding he could not fetch the Battery; and your Lordship must be alive to the enterprizing Conduct of these Two Officers on a former Occasion.

I cannot conclude my Report without assuring your Lordship, that Lieutenant Lake, of the Locust Gun-Brig, who was appointed to cover the Boats, behaved in a most exemplary Manner, by keeping

fo close in as to draw all the Fire upon his own Vessel; and I have great satisfaction in stating, that not an Officer or Man was hurt in this Operation.

I have the Honor to be, &c. HOME POPHAM. (Signed)

Right Honorable Lord Keith, K. B. ರೀ. ರೇ. ರೇ.

His Majesty's Ship Dart, Dec. 10, 1804. IN pursuance of your Instructions, and according to the Arrangement you made for the Attempt on Fort Rouge only, I left this Ship at Two A. M. and proceeded in Shore with the Explosion Vessel in my Charge, until the Water shoaled to Two and a Half Fathoms, when I tacked, and flood off to as to enable me to fetch the Battery, which I did about Half-past Two, and placing her Bowsprit between the Piles, left her in that Situation. In a few Minutes I observed her swing with her Broadside to the Battery, in consequence of the Bowsprit being carried away, and as an Anchor was dropped the Instant the struck the Piles, I had not the smallest Doubt of her remaining there until the Explosion took place, which was in a few Minutes; I could not fetch the covering Brig, and as it had every Appearance of coming on to blow from the S. E. in which Quarter it was when I left the Dart, I hope you will excuse my running in the Galley to the Downs.

I have, &c.
d) HEW STEWART. (Signed) Sir Home Popham, K. M. Antelope.

SIR, Fox Cutter, off Calais, Dec. 9, 1804. CCORDING to your Order I proceeded off Fort Rouge, and examined it very firicity. As I proceeded towards the Shore I saw a great Quantity of Plank and Timber floating, and would have picked up some, but was afraid I should lose the Tide, as I wished to examine it at low Water. In flanding in I could discern a great Number of People all round the S. W. End of the Fort, and from the West Head all the Way to the Sand-Hills. I did not discover any Alteration on the East Side of the Fort; but when I got to the Westward of the Fort, I could plainly discover the most Part of at to be damaged, and the Breast-Work knocked down, and I have every Reason to believe it was very much injured, by fuch a Number of People being affembled there, and feeming at Work upon it.

I am, &c. (Signed) W. BLAKE.

Sir Home Popham, K. M.
