them out to be forwarded; and no Person except the said Superintendent of Quarantine, or his Assistant, or one of the Guardians on board the Ship or Vessel, shall be permitted to deliver such Letters from such fumigating Box; and the said Persons so hereby authorized to deliver the same, shall take Care, where several Letters or Papers are enclosed together, to slit open the Covers in Manner practised in the Lazarets of the Mediterranean.

And all Letters to such Persons so under Quarantine, shall be delivered to the Superintendent or his Assistant, and shall be distributed by him, or according to his Directions; and no Communication or Conference shall be had by Persons not under Quarantine with Persons so under Quarantine, except by Permission, or in the Presence of the Superintendent or his Assistant, and under such Regulations and Restrictions as shall be directed by the said Superintendent; nor, in Cases where such Persons shall perform Quarantine on board any Ship or Vessel, unless from the Boat of the Superintendent or his Assistant, one of whom shall always, and in all Cases, be present during such Communication and Conference; and such Communication and Conference shall be had at the Distance observed by the Superintendent or his Assistant in their usual Communication with Ships and Persons under Quarantine.

XVII. And it is hereby further ordered, That a Night Watch shall be regularly kept, and a sufficient Number of Guard Boats and Officers shall be appointed, for the Purpose of preventing all clandestine Communication between Persons in the Lazaret and those in the Hospital or Pest-House at Chetney-Hill, or other Place that may be there provided for the Reception of Persons afflicted with any infectious Disease, or between Persons in the Floating Lazaret, either at Standgate Creek or elsewhere, and Persons in any Hospital-Ship, or any Place that may be provided for the Reception of Persons afflicted with any infectious Disease as aforesaid; or between Persons in such Floating Lazaret, Hospital-Ship, or Place so provided as aforesaid, and those in Ships and Vessels under Quarantine; or between Persons in Ships and Vessels under Quarantine, and those in any other Ship, Vessel, or Boat, or on Shore; and such Guard Boats shall row Guard all Night; and Centinels, with loaded Muskets, and small Pieces of Ordnance, loaded with Grape or Cannister-Shot, shall be constantly stationed on the most commanding Parts of the Lazaret at Chetney-Hill, or of the Floating Lazaret at Standgate Creek, or elsewhere; and no Houses or other Buildings shall be erected at or near the Beach near Chetney-Hill, other than those belonging to the said Lazaret; and that all Boats belonging to any Floating Lazaret, when not on necessary Duty, shall be always either on board the same, or fastened thereto by Chains, with strong Padlocks, the Keys of which shall be lodged in the Custody of a Person to be appointed for that Purpose by the Superintendent; and all the Boats belonging to Ships or Vessels under Quarantine, either at Standgate Creek or at the Out Ports, shall be taken from them, and no Use made of such Boats, except for the Purpose of carrying Goods to the Lazaret, or upon Occasions of Necessity, such Necessity to be determined by the Superintendent of Quarantine; and such Boats shall not be delivered up to the Commanders or Mas-

ters of such Ships or Vessels until the Expiration of the Quarantine to be respectively performed by them.

XVIII. And it is hereby further ordered, That the Superintendent of Quarantine, or his Assistant, or some proper Person appointed by the Superintendent, shall, as often as required, afford Assistance, and provide Necessaries for the Persons in the Lazaret at Chetney-Hill, or in any Floating Lazaret or Hospital-Ship, and also for those on board the Ships and Vessels under Quarantine, taking Care to allow of no improper Communication with the Persons employed for that Purpose; which Persons shall always place their Boats to Windward, and shall deliver, by Means of Buckets, the Articles supplied by them.

XIX. And it is hereby further ordered, That the Quarantine Guardians, who shall be placed on board Ships and Vessels not furnished with clean Bills of Health, shall be instructed to take especial Care that nothing whatever be delivered from on board such Ships or Vessels when under Quarantine, without an Order, in Writing, from the Superintendent or his Assistant; every such Order to be entered in a Book by one of the said Guardians, and the Original to be delivered back to the Superintendent or his Assistant; and nothing, however little susceptible it may be thought to be of Infection, shall be conveyed from one Ship or Vessel under Quarantine to another, nor any personal Interourse be permitted from any such Ship or Vessel to another; and one of the Quarantine Guardians, when thereto required by the Superintendent of Quarantine, or his Assistant, shall accompany the Lighters and Boats which shall be employed in passing to or from the Ship or Vessel on board of which such Guardians are placed, during the Passage of such Lighters and Boats to and from such Ship or Vessel, in order to prevent any Communication in the Transit of the Cargo from the Ship to any Floating Lazaret, or to the Lazaret at Chetney-Hill, and shall take Care, after every Removal of Goods, that no Remnants of Cotton, or of any other Article enumerated in either of the said Two Classes herein-after stated, remain in the Lighters or the Boats, but shall, before leaving off Work, collect and deliver such Remnants into the Lazaret with the last Package, which they shall then carry from the said Ship or Vessel.

XX. And it is hereby further ordered, That the said Guardians shall take Care that after the Discharge of the Cargoes into the Lazaret, the Holds and between Decks of the Ships shall be completely swept, and the Sweepings burnt.

XXI. And it is hereby further ordered, That the said Guardians shall diligently search the Lockers, Chests, and other Repositories of the Officers, Passengers, and Crews, and every Part of the Ships and Vessels, so that no Article so enumerated in either of the said two Classes, nor any Matter or Thing considered as susceptible of Infection, remain undelivered to the Lazaret, unless what shall be declared by the said Superintendent or Medical Attendant to be requisite for daily Use, and shall see that all the said Chests, Lockers, and other Repositories, and all the Clothes and Bedding in the Ship or Vessel be daily opened and aired in such Manner as shall be directed by the Superintendent of Quarantine, and shall also make the like diligent Search

in Ships and Vessels laden with other Goods not enumerated in either of the said Classes, so as to be able the better to ascertain that nothing enumerated or considered as susceptible, has been left on board.

XXII. And it is hereby further ordered, That one of the said Guardians shall make a daily Report to the Superintendent of Quarantine, or his Assistant, and to the Medical Attendant, of the State of Health of every Person on board, and whether the Regulations of Quarantine have been properly complied with; and in case any Impediment shall occur in the Execution of the Duties required of the said Guardians, they shall give Notice immediately to the Commander, Master, or other Person, having Charge of the Ship or Vessel in the first Instance, and if thereupon such Impediment be not instantly removed, they shall then give Notice thereof to the Superintendent of Quarantine, or his Assistant, who shall take Care to use effectual Means for the Removal of the same.

XXIII. And it is hereby further ordered, That if any Person on board shall fall sick, and any Medical Person shall be on board the Ship or Vessel, such Medical Person shall confer with the Medical Attendant alongside the Ship or Vessel, the Medical Attendant keeping to Windward, at a Distance of not less than Ten Feet; and in case there shall be no Medical Person on board, and it shall be necessary for the Medical Attendant to inspect the Sick, the Visit shall be made at the Ship's Boat by the Medical Attendant in his own Boat, keeping to Windward, at the like Distance of not less than Ten Feet; and if any Patient, after being examined in the Manner before-mentioned, shall be found to require such Medical or Chirurgical Aid as cannot properly be administered, except in the Pest House, or Hospital Ship, he shall be removed either to such Pest House or Hospital Ship, as the Case may require.

XXIV. And it is hereby further ordered, That Patients under Circumstances which shall induce Suspicion, that they may be infected with any pestilential Disorder, whether such Persons shall be in the Lazaret at Chetney-Hill, or in a Floating Lazaret, or in any of the Ships or Vessels performing Quarantine, shall be sent to the Pest-House, or other Place which may be provided for the Reception of Persons afflicted with any infectious Disease, or to the Hospital Ship, according to the Discretion of the Superintendent of Quarantine, with the Advice of the Medical Attendant, and when it shall be proved that the Disease is not the Plague, nor infectious, the Patient shall be removed to a more commodious Apartment in the Lazaret, there to complete the Remainder of his Quarantine.

XXV. And it is hereby further ordered, That in case any pestilential Disorder shall actually discover itself on board any Ship or Vessel, or among any of the Persons under Quarantine, whether in any Ship or Vessel performing Quarantine, or in the Lazaret at Chetney-Hill, or in a Floating Lazaret, the Person or Persons affected with such Disorder, shall be removed with all possible Care and Dispatch under the special Direction of the Superintendent of Quarantine and Medical Attendant to the Pest House, or other Place which may be provided for the Reception of Persons afflicted with any infectious Disease, and a Proper Attendant shall be assigned to such Patient or Patients by the Superintendent of Quarantine, with the Advice of the Medical Assi-

ant, and such Patient or Patients shall be visited at a due Distance by the said Medical Attendant, and in case near Approach shall be required, some Person shall be specially appointed by the Medical Attendant for that Purpose.

XXVI. And it is hereby further ordered, That the Passengers and Crew of any Ship or Vessel under Quarantine may have the Assistance of any Medical Persons they may desire from the Shore, subject to the official Visits of the Medical Attendant, and to such Regulations and Restrictions as the Superintendent of Quarantine, with the Advice of such Medical Attendant, shall judge necessary; but all such Medical Persons, as well as all others, if they communicate by Contact with the Sick, shall perform the same Quarantine as the sick Persons themselves.

XXVII. And it is hereby further ordered, That after the Quarantine Guardians shall have been placed on board any Ship or Vessel, the Pilot may quit such Ship or Vessel, and be removed to an Apartment in the Lazaret at Chetney-Hill, or in the Hospital Ship, provided he comes from a Ship or Vessel having no suspicious Sickness on board; but if otherwise, such Pilot shall be sent to the Pest House, or other place which may be provided for the Reception of Persons afflicted with any infectious Disease, at the Discretion of the Superintendent of Quarantine, with the Advice of the Medical Attendant, and such Pilot shall in both Cases continue under Quarantine until the Probationary Airing of the Goods, Wares, and Merchandizes, as hereinafter directed, shall be finished; and at the Expiration of such Probationary Airing, such Pilot, if he continue free from Infection, shall be fumigated and discharged from Quarantine: Provided always, that during the Performance of such Quarantine, either on board the Hospital Ship, or at the Pest House, or other Place which may be provided for the Reception of Persons afflicted with any infectious Disease, such Pilot shall not have Communication with any other Person, except under similar Restrictions to those herein directed with regard to other Persons under Quarantine.

XXVIII. And it is hereby further ordered, That until the Lazaret at Chetney-Hill shall be erected, such of the Passengers and Crew of any Ship or Vessel arriving as above mentioned, not furnished with clean Bills of Health, as may be desirous of performing Quarantine in a separate Vessel, to be hired at their own Expence, shall, in case the Superintendent of Quarantine, with the Advice of the Medical Attendant, shall see no Objection thereto, be permitted to quit the Ship or Vessel in which they shall have arrived before the Hatches are opened, and to go on board any other Ship or Vessel to perform Quarantine, (in which other Ship or Vessel a Quarantine Guardian shall be placed at the Expence of the Person or Persons so performing Quarantine,) and such Persons shall there perform a Quarantine of Thirty Days, and such of the Passengers and Crew as shall remain on board the Ship in which they shall have arrived, shall continue under Quarantine until the Ship shall be discharged therefrom.

XXIX. Provided always, that in case any Pestilential Accident shall occur among the Ship's Crew or Passengers during the Probationary Airing of the Goods, at whatever Stage of the Quarantine such

Accident may happen, the Quarantine of all the Officers, Passengers, and Crew, and of the Pilot, (if there shall be a Pilot at that Time liable to Quarantine in respect of his having been on board such Ship or Vessel,) as well as of the Goods, Wares, and Merchandizes, shall recommence; and the Sick Persons shall be sent to the Hospital Ship, or to the Pest House, or other Place which may be provided for the Reception of Persons afflicted with any infectious Disease; the external Guard shall be immediately doubled, and Notice of such Accident shall be given with all possible Dispatch to the Lords of His Majesty's Privy Council, that they may give such Orders thereupon as may appear to them to be necessary.

XXX. And it is hereby further ordered, That all Persons who shall have to perform Quarantine in the Lazaret at Chetney-Hill shall perform such Quarantine for the same Time, and under the same Regulations as those who are permitted to perform Quarantine in separate Vessels as hereinbefore directed.

XXXII. And it is hereby further ordered, That immediately after the Pilot, and such of the Passengers and Crew of the Ships and Vessels so arriving without clean Bills of Health as may be permitted or directed to perform Quarantine in any of the Modes hereinbefore mentioned, shall have quitted the Ship or Vessel in which they shall have arrived, the Hatches of such Ship or Vessel shall be opened, and the Probationary Airing of the Cargo shall commence, which Probationary Airing shall be in the following Manner, viz.

Such a Number of Bales of the enumerated Goods, Wares, and Merchandizes of the First Class, hereinafter stated, as can be ranged upon Deck, shall be taken from the Hold, and, the Seams at one or both Ends being ripped open, the Contents shall be handled as much as possible by the Sailors, in the Presence of one of the Guardians, and under this Process of handling and turning such Bales shall remain exposed to the Air for Six Days, and on the subsequent Day shall be put into a Condition to be, and shall accordingly be delivered to the Lighter appointed to transport them to the Floating Lazaret, or to the Lazaret at Chetney-Hill: and as soon as the Deck is cleared of the first Parcel of Goods, a second Parcel shall be hoisted up and treated in like Manner for the Space of Three Days, and on the subsequent Day shall in like Manner be put into such Condition, and shall be so delivered as aforesaid; after which a third Parcel shall be hoisted up and treated in the same Manner also for the Space of three Days, and on the subsequent Day shall in like Manner be put into such Condition, and shall be so delivered; but in case of any suspicious Circumstances arising, the Probationary Airings shall be ex-

SIR,

THE accompanying Recital of the Destruction of a French Felucca Privateer, by His Majesty's Sloop *Peterell*, I send for the Information of the Lords Commissioners of the Admiralty.

And I am, &c.

J. T. DUCKWORTH.

His Majesty's Ship *Peterell*, off Cape Antonio, S. R., 24th January 1805.

I HAVE the Honor to acquaint you, that on the Twenty-third Instant, in passing Cape Cerientes, we discovered a French Felucca in Sand Bay, who weighed immediately on seeing us; on finding we were coming up with her, they ran her on Shore, upon which I anchored the Ship, and sent the Boats to burn her, which I had the Satisfaction of seeing completely effected before we got under weigh. She mounted one Four Pounder, a Swivel, and had a Number of small Arms, and Twenty-seven Men, who made their escape on Shore, except one Man. She had lately captured an American Brig, that was carried into the Havannah, and sold.

I have the Honor to be, &c.

Copy of a Letter from Commodore Sir Samuel Hood, K. B. Commander in Chief of His Majesty's Ships and Vessels at the Leeward Islands, to William Marsden, Esq; dated in Carlisle Bay, Barbadoes, February 16, 1805.

SIR,

I HAVE the Honor to transmit to you the Copy of a Letter from Captain Bettelworth, Commander of His Majesty's Sloop *Curieux*, detailing an Account of the Capture of the *Madame Ernouf* Privateer, after a very sharp Action; in which the Captain of the Privateer displayed an extraordinary Degree of Obstinacy, and by it lost the Lives of many Men. The Coolness and Bravery of Captain Bettelworth, his Officers and Men, early manifested its Superiority. Indeed I want Words to express the Gallantry and Spirit of this Officer, who so lately received Three Wounds in capturing the Sloop he now commands; has again a severe Wound by a Musket Ball in the Head; and, I trust, will merit the Notice of the Lords Commissioners of the Admiralty, as an emulative and promising Officer, that has gained every Step by his Zeal and Courage.

I am, &c.

SAM. HOOD.

SIR, *Curieux*, at Sea, February 8, 1805.

I HAVE to inform you, that this Morning, at Break of Day, Barbadoes bearing West about Twenty Leagues, I perceived a large Brig on our Lee Bow, who immediately bore up and made all Sail away, and after a Chace of Twelve Hours,

during which Time she tried every Point of Sailing to escape us; we arrived within point-blank Shot of her, when she took in her Studding Sails, and brought to on the Starboard Tack, hoisted French Colours, and commenced a very brisk and heavy Fire of great Guns and small Arms; on our arriving within Pistol Shot, and ranging upon her Weather Quarter, we discharged our Guns, and the Action continued with great Obstinacy on both Sides for about Forty Minutes, when the Enemy getting on our Weather Quarter, I conceived, from their having in great Measure left their Guns, and giving Three Cheers, that they intended to board us; she was then steering for our Leeward Quarter, when we put our Helm to Starboard, and caught his Jib-Boom between our after Fore-shroud and Fore-mast. In this Situation she remained until her Decks were completely cleared, when, at the Moment we were going to take Possession, the Vessels parted, and her Foretop-mast went overboard; she continued a short Time firing Musketry, and then hauled down her Colours, and proved to be *La Dame Ernouf*, of Sixteen long French Sixes, and One hundred and twenty Men, out Twenty Days from Guadaloupe, and had taken One Merchant Ship (since retaken by His Majesty's Sloop *Nimrod*); sails very fast, coppered, and remarkably well found; but although she carries the same Number of Guns, and of the same Calibre as the *Curieux*, she is not near so large.

I can attribute her fighting so long and obstinately to nothing but the Captain being part Owner, her having run, since the Commencement of the War, with so much Success, and her being so well manned.

His Majesty's Brig had five Killed, and three Wounded, besides myself; of the former, I have to regret the Loss of a valuable Officer, Mr. Madocks, the Purser, who (on account of Mr. Bos's, First Lieutenant, having been left behind, on Leave, from the Hurry of our sailing) volunteered his Services, and was killed gallantly fighting at the Head of the small Arm Men. I cannot help stating as a Tribute to the Memory of so worthy a young Man, that to the Service, he is the Loss of a very good Officer, and to every Body that knew him, a valuable Friend and Companion.

Lieutenant Bos's having been left behind, deprived me of the Services of an able and gallant Officer, but Lieutenant Donaldson so well supplied his Place, not only by Exertion at the Guns, but putting the Orders that were given in Execution, although the only Officer I had on board, but Mr. Caddy Master's Mate, and Mr. Templeton Boatwain, that I did not, by their great Assistance, feel the Want of an Individual.

The Enemy had Thirty Killed, and Forty-one Wounded; and in Justice to his Gallantry, I must say, he never struck whilst there was a Man on his Decks.

I have the Honor to be, &c.

G. E. B. BETTESWORTH.

Commodore Sir Samuel Hood, K. B.

SIR,

I BEG Leave to inclose you, for the Information of the Lords Commissioners of the Admiralty, Copy of a Letter from Captain Cribb, Commander of His Majesty's Sloop Kingsfisher, giving an Account of the Capture of the Deux Amis French Privateer, in Company with His Majesty's Armed Schooner Grenada.

Grenada, E.N.E. 11 Leagues, His Majesty's Sloop King's Fisher, Dec. 29, 1804.

A CHANCE of Six Hours S.W. to this Situation, enabled the Sloop I command to capture Les Deux Amis French Schooner Privateer; pierced for Eight Guns, only Two on-board as captured, the Remainder thrown overboard; her Crew Thirty-nine Men, commanded by Francis Dutrique, Ten Days from Guadaloupe, her First and unsuccessful Cruise. I should be doing great Injustice to His Majesty's Schooner Grenada, were I not to give her the Credit, on chasing the Enemy to my View, and

when her Commander saw that I had every Chance of Success, he judiciously chaced, and recaptured the Sloop Hero. I am, &c.
