XVII. And it is hereby further ordered, That a Night Watch shall be regularly kept, and a sufficient Number of Guard Boats and Officers shall be appointed, for the Purpose of preventing all clandestine Communication between Persons in the Lazaret and those in the Hospital or Pest-House at Chetney-Hill, or other Place that may be there provided for the Reception of Persons afflicted with any infectious Disease, or between Persons in the Floating Lazaret, either at Standgate Creek or elsewhere, and Persons in any Hospital-Ship, or any Place that

XIX. And it is hereby further ordered, That the Quarantine Guardians, who shall be placed on board Ships and Vessels not furnished with clean Bills of Health, shall be instructed to take especial Care that nothing whatever be delivered from on board such Ships or Vessels when under Quarantine, without an Order, in Writing, from the Superintendent or his Assistant; every such Order to be entered in a Book by one of the said Guardians, and the Original to be delivered back to the Superintendent or his Assistant; and nothing, however little susceptible it may be thought to be of Infection, shall be conveyed from one Ship or Vessel under Quarantine to another, nor any personal Intercourse be permitted from any such Ship or Vessel to another; and one of the Quarantine Guardians, when thereto required by the Superintendent of Quarantine, or his Assistant, shall accompany the Lighters and Boats which shall be employed in passing to or from the Ship or Vessel on board of which such Guardians are placed, during the Passage of such Lighters and Boats to and from such Ship or Vessel, in order to prevent any Communication in the

XXI. And it is hereby further ordered, That the said Guardians shall diligently search the Lockers, Chests, and other Repositories of the Officers, Passengers, and Crews, and every Part of the Ships and Vessels, so that no Article so enumerated in either of the said two Classes, nor any Matter or Thing considered as susceptible of Infection, remain undelivered to the Lazaret, unless what shall be declared by the said Superintendent or Medical Attendant to be requisite for daily Use, and shall see that all the said Chests, Lockers, and other Repositories, and all the Clothes and Bedding in the Ship or Vessel be daily opened and aired in such Manner as shall be directed by the Superintendent of Quarantine, and shall also make the like diligent Search in Ships and Vessels laden with other Goods not enumerated in either of the said Classes, so as to be able the better to ascertain that nothing enumerated or considered as susceptible, has been left on board.

XXII. And it is hereby further ordered, That one of the said Guardians shall make a daily Report to the Superintendent of Quarantine, or his Assistant, and to the Medical Attendant, of the State of Health of every Person on board, and whether the Regulations of Quarantine have been properly complied with; and in case any Impediment shall occur in the Execution of the Duties required of the said Guardians, they shall give Notice immediately to the Commander, Master, or other Person, having Charge of the Ship or Vessel in the first Instance, and if thereupon such Impediment be not instantly removed, they shall then give Notice thereof to the Superintendent of Quarantine, or his Assistant, who shall take Care to use effectual Means for the Removal of the same.

XXIII. And it is hereby further ordered, That if any Person on board shall fall sick, and any Medical Person shall be on board the Ship or Vessel, such Medical Person shall confer with the Medical Attendant alongside the Ship or Vessel, the Medical Attendant keeping to Windward, at a Distance of not less than Ten Feet; and in case there shall be no Medical Person on board, and it shall be necessary for the Medical Attendant to inspect the Sick, the Visit shall be made at the Ship's Boat by the Medical Attendant in his own Boat, keeping to Windward, at the like Distance of not less than Ten Feet; and if any Patient, after being examined in the Manner before-mentioned, shall be found to require such Medical or Chirurgical Aid as cannot properly be administered, except in the Pest House, or Hospital Ship, he shall be removed either to such Pest House or Hospital Ship, as the Case may require.

XXIV. And it is hereby further ordered, That

Patients under Circumstances which shall induce Suspicion, that they may be infected with any pestilential Disorder, whether such Persons shall be in the Lazaret at Chetney-Hill, or in a Floating Lazaret, or in any of the Ships or Vessels performing Quarantine, shall be sent to the Pest-House, or other Place which may be provided for the Reception of Persons afflicted with any infectious Disease, or to the Hospital Ship, according to the Discretion of the Superintendent of Quarantine, with the Advice of the Medical Attendant, and when it shall be proved that the Disease is not the Plague, nor infectious, the Patient shall be removed to a more commodious Apartment in the Lazaret, there to complete the Remainder of his Quarantine.

XXV. And it is hereby further ordered, That in case any pestilential Disorder shall actually discover itself on board any Ship or Vessel, or among any of the Persons under Quarantine, whether in any Ship or Vessel performing Quarantine, or in the Lazaret at Chetney-Hill, or in a Floating Lazaret, the Person or Persons affected with such Disorder, shall be removed with all possible Care and Dispatch under the special Direction of the Superintendent of Quarantine and Medical Attendant to the Pest House, or other Place which may be provided for the Reception of Persons afflicted with any infectious Disease, and a Proper Attendant shall be assigned to such Patient or Patients by the Superintendent of Quarantine, with the Advice of the Medical Assistant, and such Patient or Patients shall be visited at a due Distance by the said Medical Attendant, and in case near Approach shall be required, some Person shall be specially appointed by the Medical Attendant for that Purpose.

XXVI. And it is hereby further ordered, That the Passengers and Crew of any Ship or Vessel under Quarantine may have the Assistance of any Medical Persons they may desire from the Shore, subject to the official Visits of the Medical Attendant, and to such Regulations and Restrictions as the Superintendent of Quarantine, with the Advice of such Medical Attendant, shall judge necessary; but all such Medical Persons, as well as all others, if they communicate by Contact with the Sick, shall perform the same Quarantine as the sick Persons themselves.

XXVII. And it is hereby further ordered, That after the Quarantine Guardians shall have been placed on board any Ship or Vessel, the Pilot may quit such Ship or Vessel, and be removed to an Apartment in the Lazaret at Chetney-Hill, or in the Hospital Ship, provided he comes from a Ship or Vessel having no suspicious Sickness on board; but if otherwise, such Pilot shall be sent to the Pest House, or other place which may be provided for the Reception of Persons afflicted with any infectious Disease, at the Discretion of the Superintendent of Quarantine, with the Advice of the Medical Attendant, and such Pilot shall in both Cases continue under Quarantine until the Probationary Airing of the Goods, Ware, and Merchandizes, as hereinafter directed, shall be finished; and at the Expiration of such Probationary Airing, such Pilot, if he continue free from Infection, shall be fumigated and discharged from Quarantine: Provided always, that during the Performance of such Quarantine, either on board the Hospital Ship, or at the Pest House, or other Place which may be provided for the Recep-

And it is hereby further ordered, That until the Lazaret at Chetney-Hill shall be erected, such of the Passengers and Crew of any Ship or Vessel arriving as above mentioned, not furnished with clean Bills of Health, as may be desirous of performing Quarantine in a separate Vessel, to be hired at their own Expence, shall, in case the Superintendent of Quarantine, with the Advice of the Medical Attendant, shall see no Objection thereto, be permitted to quit the Ship or Vessel in which they shall have arrived before the Hatches are opened, and to go on board any other Ship or Vessel to perform Quarantine, (in which other Ship or Vessel a Quarantine Guardian shall be placed at the Expence of the Person or Persons so performing Quarantine,) and such Persons shall there perform a Quarantine of Thirty Days, and such of the Passengers and Crew as shall remain on board the Ship in which they shall have arrived, shall continue under Quarantine until the Ship shall be discharged therefrom.

XXIX. Provided always, that in case any Pestilential Accident shall occur among the Ship's Crew or Passengers during the Probationary Airing of the Goods, at whatever Stage of the Quarantine such Accident may happen, the Quarantine of all the Officers, Passengers, and Crew, and of the Pilot, (if there shall be a Pilot at that Time liable to Quarantine in respect of his having been on board such Ship or Vessel,) as well as of the Goods, Wares, and Merchandizes, shall recommence; and the Sick Persons shall be sent to the Hospital Ship, or to the Pest House, or other Place which may be provided for the Reception of Persons afflicted with any infectious Disease; the external Guard shall be immediately doubled, and Notice of such Accident shall be given with all possible Dispatch to the Lords of His Majesty's Privy Council, that they may give such Orders thereupon as may appear to them to be necessary.

XLII. And it is hereby further ordered, That with respect to all Ships and Vessels whatsoever, having on board any of the Articles enumerated in the First Class before stated, and intending to import the same into any Port or Place in Great Britain, or the Islands of Guernsey, Jersey, Alderney, Sark or Man,

from any Port or Place in Europe without the Streights, or on the Continent of America, at which there is not a regular Establishment for the Performance of Quarantine, declared sufficient by His Majesty in Council as aforesaid, the Master or other Person having Charge of every such Ship or Vessel is hereby required to bring with him a Declaration made by the Owner, Proprietor, Shipper, or Consignee of such Ship or Vessel, or of the Goods, Wares, and Merchandizes enumerated as aforesaid, on board the same respectively, upon Oath before some Magistrate of the Port or Place from whence such Master or other Person having the Charge or Command of such Ship or Vessel shall have brought the said Goods, Wares, and Merchandizes, and attested by such Magistrate, and also by the British Consul or Vice-Consul, or in case there shall be no British Consul or Vice-Consul there, then by Two known British Merchants; in which Declaration it shall be stated either negatively, that the said enumerated Goods, Wares, and Merchandizes are not of the Growth, Produce, or Manufacture of Turkey, or of any Place in Africa within the Streights of Gibraltar, or in the West Barbary on the Atlantic Ocean; or affirmatively, of what place they are the Growth, Produce, or Manufacture; and if they are of the Growth, Produce, or Manufacture of any of the Countries last mentioned, then it shall be stated in such Declaration whether the said Ship or Vessel is or is not the same in which the enumerated Goods, Wares, and Merchandizes so imported were brought from Turkey, or from any of the Countries last mentioned; and in case the Ship or Vessel is the same, the Master or other Person having the Charge or Command of such Ship or Vessel is hereby required to bring with him the Bill or Bills of Health granted at the Port where any such Goods were originally taken on board, or Copies thereof attested by a Notary Public; and if the Ship or Vessel having on board such Goods, Wares, and Merchandizes, shall be other than that in which they were imported into any Port or Place in Europe without the Streights, or on the Continent of America, at which there is not a regular Establishment for the Performance of Quarantine, declared sufficient by His Majesty in Council as aforesaid, the Master or other Person having the Charge of such Ship or Vessel is hereby required to bring with him a Declaration made and attested in like Manner as the Declaration before mentioned, in which it shall be stated whether the said enumerated Goods, Wares, and Merchandizes were imported into the Ports of the Countries last mentioned in a Ship or Vessel, with or without a clean Bill of Health; and such Master or other Person having the Charge of any such Ship or Vessel, if the same shall be bound to the Port of London, or to the River of Thames or Medway, shall forthwith produce such Declaration or Declarations (as the Case may be) to the Superintendent of Quarantine, or his Assistant at Standgate Creek; or if the same shall be bound to any of the Outports or Islands aforesaid, to the Superintendent of Quarantine, or his Assistant, or to the Principal or other Officer of the Customs authorized to act in that Behalf at such Outport or Place; and if it shall appear that none of the said enumerated Goods, Wares, or Merchandizes on board such Ship or Vessel are of the Growth, Produce, or Manufacture of Turkey, or of any Place in Africa within the Streights of Gibraltar, or in the West Barbary on

the Atlantic Ocean, such Ship or Vessel importing the same shall not be obliged to perform Quarantine, but shall, on Production of such Declaration to the Superintendent or his Assistant, or to the Principal or other Officer of the Customs as aforesaid, be admitted to an Entry in the usual and legal Manner; but if it shall appear that such enumerated Goods, Wares, or Merchandizes, or any Part thereof, are of the Growth, Produce, or Manufacture of any of the Countries last mentioned, or if no such Declaration shall be produced by the Master or other Person having the Charge of such Ship or Vessel as aforesaid, then the Superintendent of Quarantine, or his Assistant, or the Principal or other Officer of the Customs authorised to act in that Behalf as aforesaid at the Port or Place at which such Ship or Vessel shall arrive, as the Case may be, shall take Care that every such Ship or Vessel, as well as the Officers, Crew, Passengers, and the entire Cargo on board the same, shall perform Quarantine, according to the Nature of the Case, at such and the same Places as are hereinbefore appointed for the Performance of Quarantine, for the same Time, and in the same Manner as Ships and Vessels, their Officers, Crews, Passengers, and Cargoes coming from or through the Mediterranean, or from the West Barbary on the Atlantic Ocean, with clean Bills of Health, are hereinbefore respectively required to perform Quarantine.

XLIII. And it is hereby further ordered, That all Ships and Vessels arriving in the Ports of Great Britain, or the Islands of Guernsey, Jersey, Alderney, Sark, or Man, having come from or through the Mediterranean, or from the West Barbary on the Atlantic Ocean, which, with their Officers, Crews, Passengers, and Cargoes, shall have previously performed Quarantine in the Lazaret of Malta, Ancona, Venice, Messina, Leghorn, Genoa, or Marseilles, shall, upon their Arrival, be put under Quarantine in some of the Ports or Places hereinbefore appointed for the Performance of Quarantine, until the Commander, Master, or other Person having the Charge of such Ship or Vessel, shall have produced to the Superintendent of Quarantine, or his Assistant, or to the Principal or other Officer of the Customs, authorized to act in that Behalf, the proper Documents to prove that such Ship or Vessel, and the Officers, Crew, Passengers, and Cargo on board the same have duly performed Quarantine in one of the Lazarets last mentioned; and upon so producing such Documents the said Ship or Vessel shall not be obliged to perform Quarantine, but shall be forthwith admitted to report, and all Goods, Wares, and Merchandizes on board thereof, not hereinbefore enumerated in the First Class before stated, shall be admitted to an Entry; but all Goods, Wares, and Merchandizes on board any such Ship and Vessel, which are enumerated in the First Class before stated, shall in such Case perform a further Quarantine of Fifteen Days, at some one of the Ports or Places hereinbefore appointed for that Purpose, in such Manner as has been heretofore practised.

XLIV. And it is hereby further ordered, That all Masters, or other Persons having the Charge of any Ships or Vessels clearing outwards from any Port or Place in Great Britain, or the Islands aforesaid, for any Port or Place in the Mediterranean, or in the West Barbary on the Atlantic Ocean, or for any Port or Place respecting which there shall, at the

Time of such clearing out, be any Order of His Majesty in Council in force, subjecting Ships and Vessels coming from thence to Quarantine, shall receive from the Principal Officers of the Customs at such Port or Place, a printed Paper containing an Abstract of such Quarantine Regulations as shall be thought necessary to be most generally notified and observed by such Masters, their Officers, Crews, and Passengers on board; and every such Master, or other Person having Charge of any such Ship or Vessel, shall cause the said printed Paper to be affixed on some convenient and conspicuous Part of his said Ship or Vessel, and there to remain so affixed until the Return of the said Ship or Vessel to some Port or Place in Great Britain, or the Islands aforesaid, provided the said Ship or Vessel shall return to Great Britain, or the Islands aforesaid, within Twelve Months.

XLV. And it is hereby further ordered, That every Commander, Master, or other Person having the Charge or Command of any Ship or Vessel about to sail from any Port or Place in Great Britain, or the Islands aforesaid, for any Port or Place in the Mediterranean, or in the West Barbary on the Atlantic Ocean, or for any Port or Place respecting which there shall, at the Time of such clearing out, be any Order of His Majesty in Council in force, subjecting Ships and Vessels coming from thence to Quarantine, shall, before his Departure, provide and take on board one or more of the Quarantine Signal Flags and Lanthorns directed by the hereinbefore recited Act of Parliament, and likewise a proper Quantity of Materials and Instruments for Fumigation and Immersion, and shall keep the same on board, to be used in the Manner hereinbefore directed, upon the Return of such Ship or Vessel to any Port or Place in Great Britain.

XLVI. And it is hereby further ordered, That the Commanders of any of His Majesty's Ships of War, who shall meet any Ship or Vessel liable to perform Quarantine, coming to any of the Ports of Great Britain, or of the Islands of Guernsey, Jersey, Alderney, Sark, or Man, shall take due Care to prevent the Landing of any Goods, Wares, Merchandizes, or Persons from on board the same, until they shall be put under the Direction of the Superintendent of Quarantine, or his Assistant, at Standgate Creek, or under the Direction of the Superintendent, or his Assistant, or the Principal or other Officer of His Majesty's Customs, authorized to act in that Behalf as aforesaid, at any of the Out Ports or Places hereinbefore mentioned.

XLVII. And it is hereby further ordered, That the Commissioners and other Officers of His Majesty's Customs do use their utmost Diligence and Care that all Regulations for the Performance of Quarantine before directed be duly observed.

XLVIII. And it is hereby further ordered, That the Commanders of His Majesty's Ships of War, as likewise the Commanders of His Majesty's Forts and Garrisons lying near the Sea Coasts, and all Justices of the Peace, Mayors, Sheriffs, Bailiffs, Chief Magistrates, Constables, Headboroughs, Tything Men, and all other Officers, and Ministers of Justice, shall be aiding and assisting to the said Superintendants of Quarantine and their Assistants, and to the Principal and other Officers of His Majesty's Customs, and to all others that shall be concerned in stopping such Ships as aforesaid, and in bringing

them to the Places appointed for the Performance of Quarantine, as well as in enforcing due Performance thereof.

XLIX. And it is hereby further ordered, That this Order, and the Regulations herein contained, shall take Effect and be in Force from the Tenth Day of May next ensuing the Date hereof, until which Time the Orders and Regulations now subsisting touching Quarantine shall continue in force; but which subsisting Orders and Regulations, and the Authority of the same, shall, from and after the said Tenth Day of May, wholly cease and determine. Provided always, That the Regulation with respect to the Production of Declarations for Articles enumerated in the First Class, brought from any Port or Place in Europe, without the Streights, shall commence and take Effect on the First Day of July One thousand eight hundred and five; and for the like Articles, brought from any Port or Place on the Continent of America, on the First Day of October One thousand eight hundred and five, and not before; until which respective Times such Proof shall be required and admitted as to the Growth, Produce, and Manufacture of such Articles, as shall be thought expedient, and shall be directed by the Lords and others of His Majesty's Privy Council, or any Three or more of them.

L. And the Lords Commissioners of His Majesty's Treasury, the Commissioners for executing the Office of Lord High Admiral of Great Britain, the Lord Warden of the Cinque Ports, the Master General, and the Rest of the Principal Officers of the Ordnance, His Majesty's Secretary at War, and the Governors and Commanders in Chief for the Time being of the said Isles of Guernsey, Jersey, Alderney, Sark, and Man, are to give the necessary Directions herein as to them may respectively appertain.

P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the present Session of Parliament, intituled "An Act for making further Provision for the more effectual Performance of Quarantine;" it is (amongst other Things) enacted, That from and after the Fifth Day of April, One thousand eight hundred and five, all Ships and Vessels, as well His Majesty's Ships of War as all others coming from, or having touched at any Place from whence His Majesty, His Heirs or Successors, by and with the Advice of His or Their Privy Counsel, shall have adjudged and declared it probable that the Plague or any other infectious Disease or Dilemper highly dangerous to the Health of His Majesty's Subjects may be brought, and all Ships, Vessels, and Boats receiving any Person, Goods, Wares, and Merchandize, Packets, Packages, Baggage, Wearing Apparel, Books, Letters, or any other Articles whatever from or out of any Ships or Vessels so coming from, or having touched at such infected Place as aforesaid, whether such Persons, Goods, Wares, and Merchandize, Packets, Packages, Baggage, Wearing Apparel, Books, Letters, or any other Articles shall have come or been brought in such Ships or Vessels, or such Persons

shall have gone, or Articles have been put on board the same either before or after the Arrival of such Ships or Vessels at any Port or Place in Great Britain, on the Islands of Guernsey, Jersey, Alderney, Sark, or Man, and whether such Ships or Vessels were or were not bound to any Port or Place in Great Britain, or the Islands aforesaid, and that all Persons, Goods, Wares, and Merchandize, Packets, Packages, Baggage, Wearing Apparel, Books, Letters, or any Articles whatever on board any such Ships or Vessels so coming from, or having touched at such infected Place as aforesaid, or on board of any such Receiving Ships, Vessels, or Boats as aforesaid, shall be, and be considered to be liable to Quarantine within the Meaning of the said Act, and of any Order or Orders which shall be made by His Majesty, His Heirs or Successors, by and with the Advice of His or Their Privy Council; concerning Quarantine, and the Prevention of Infection, from the Time of the Departure of such Ships or Vessels from such infected Place as aforesaid, or from the Time when such Persons, Goods, Wares, Merchandize, Packets, Packages, Baggage, Wearing Apparel, Books, Letters, or other Articles shall have been received on board respectively, and that such Ships, Vessels, and Boats as aforesaid, and all Persons, (as well Pilots as others,) Goods, Wares, and Merchandize, and other Articles as aforesaid, whether coming or brought in such Ships, Vessels, or Boats from such infected Place as aforesaid, or going, or being put on board the same, either before or after the Arrival of such Ships, Vessels, or Boats, at any Port or Place in Great Britain, or the Islands aforesaid, and all Persons, Goods, Wares, and Merchandize, and other Articles as aforesaid, on board any such Receiving Ship, Vessel, or Boat as aforesaid, shall, upon their Arrival at any such Port or Place, be obliged to perform Quarantine in such Place or Places, for such Time, and in such Manner as shall from Time to Time be directed by His Majesty, His Heirs or Successors, by His, or Their Order or Orders in Council notified by Proclamation, or published in the London Gazette, and that until such Ships, Vessels, and Boats, Persons, Goods, Wares, and Merchandize, and other Articles as aforesaid, shall have respectively performed, and shall be duly discharged from such Quarantine, no such Person, Goods, Wares, or Merchandize, or other Articles as aforesaid, or any of them, shall, either before or after the Arrival of such Ships, Vessels, or Boats at any Port or Place in Great Britain, or the Islands aforesaid, come, or to be brought on Shore, or go, or be put on board any other Ship, Vessel, or Boat, in order to come, or be brought on Shore, in any such Port or Place, although such Ships or Vessels, so coming from such infected Place as aforesaid, may not be bound to any Port or Place in Great Britain, or the Islands aforesaid, unless in such Manner, and in such Cases, and by such Licence, as shall be directed or permitted by such Order or Orders made by His Majesty, His Heirs or Successors, in Council as aforesaid; and that all such Ships, Vessels, and Boats, whether coming from such infected Place as aforesaid, or being otherwise liable to Quarantine as aforesaid; and all Persons (as well Pilots as others), Goods, Wares, and Merchandize, and other Articles as aforesaid, whether coming or brought in such Ships, Vessels, or Boats, or going or being put on board the

same, either before or after the Arrival of such Ships, Vessels, or Boats at any Port or Place in Great Britain, or the Islands aforesaid, and although such Ships, Vessels, or Boats shall not be bound to any Port or Place in Great Britain, or the Islands aforesaid; and that all Commanders, Masters, or other Persons having the Charge or Command of any such Ships, Vessels, or Boats, whether coming from any infected Place, or being otherwise liable to Quarantine as aforesaid, shall be subject to all the Provisions, Rules, Regulations, and Restrictions contained in the said Act, or in any Order or Orders which shall be made by His Majesty, His Heirs and Successors, in Council as aforesaid, concerning Quarantine and the Prevention of Infection, and to all the Pains, Penalties, Forfeitures, and Punishments contained in the said Act for any Breach or Disobedience thereof, or of any Order or Orders of His Majesty in Council, made under the Authority thereof.

And whereas His Majesty was pleased, by His Order in Council, bearing Date this same Fifth Day of April One thousand eight hundred and five, to direct that all Ships and Vessels, as well His Majesty's Ships of War as all others, (not having the Plague, or such other infectious Disease or Distemper as aforesaid, actually on board,) coming from or through the Mediterranean, or from the West Barbary on the Atlantic Ocean, with clean Bills of Health; and all Ships, Vessels, and Boats receiving any Person or Persons, Goods, Wares, or Merchandize, Packets, Packages, Baggage, Wearing Apparel, Books, Letters, or any other Articles whatever, from or out of any such Ship or Vessel, before such Ship or Vessel should be duly discharged from Quarantine, whether such Person or Persons, Goods, Wares, or Merchandize, or other Articles as aforesaid, shall have come or been brought in such Ship or Vessel, or such Person or Persons shall have gone, or Articles have been put on board the same, either before or after the Arrival of such Ship or Vessel, and whether such Ship or Vessel was or was not bound to any Port or Place in Great Britain, or the Islands aforesaid, should, together with all Persons (as well Pilots as others), Goods, Wares, and Merchandize, and other Articles as aforesaid, on board thereof, perform such Quarantine, for such Time, in such Manner, and at such Places, as are therein directed:

And whereas His Majesty was further pleased, by the said Order in Council, to direct, That all Merchant Ships and Vessels, and all other Ships and Vessels, not having the Plague, or such other infectious Disease or Distemper as aforesaid actually on board, (except any Ship of War, Transport, or other Ship in the actual Service of Government, under the Command of a Commissioned Officer of His Majesty's Navy,) coming from, or through the Mediterranean, or from the West Barbary on the Atlantic Ocean, which should not be furnished with clean Bills of Health, should perform Quarantine in Standgate Creek, and no where else; and that in case any such Merchant, or other Ship or Vessel, as aforesaid, coming from any of the Places before described, and not being furnished with a clean Bill of Health, should come, or attempt to enter into any of the Out Ports of Great Britain, or any of the Islands aforesaid, the Principal and other Officers of the Customs at such Port, or in such Islands, or the Governor or Chief Magistrate thereof, should cause

such Ship or Vessel to depart from thence immediately, and proceed to Standgate Creek to perform Quarantine, and that all Ships of War, Transports, and other Ships in the actual Service of Government, under the Command of Commissioned Officers of His Majesty's Navy coming from any of the said Places, and not being furnished with clean Bills of Health, should perform Quarantine at the Motherbank, in a separate and distinct Place to be appointed and marked out with Yellow Buoys for that Purpose, in the Centre of which Space a Floating Lazaret, moored with Chains, is to be stationed; with a Yellow Flag constantly flying at the Mast Head; and that all Ships, Vessels, and Boats; receiving any Person, Goods, Wares, or Merchandize, Packets, Packages, Baggage, Wearing Apparel, Books, Letters, or any other Articles whatever, from or out of any Ships or Vessels so coming from any of the said Places without clean Bills of Health as aforesaid, should perform the like Quarantine at Standgate Creek, or at the Mother Bank, respectively, in the same Manner as if such Receiving Ships, Vessels, or Boats had come from any of the said Places without clean Bills of Health.

And whereas His Majesty, under the Authority of the said hereinbefore recited Act, by and with the Advice of His Privy Council, doth adjudge and declare it probable that the Plague, or some other infectious Disease, or Distemper highly dangerous to the Health of His Subjects, may be brought into Great Britain, or the Islands of Guernsey, Jersey, Alderney, Sark, or Man, by Ships and Vessels coming from the Ports and Places hereinafter mentioned, His Majesty, by and with the Advice of His Privy Council, judges it necessary to order, and it is hereby ordered, That the Quarantine laid by His Majesty's Order in Council, bearing Date this same Fifth Day of April One thousand eight hundred and five, upon all Ships and Vessels coming from or through the Mediterranean, or from the West Barbary on the Atlantic Ocean, with or without clean Bills of Health, be extended as hereinafter directed, and that all Officers appointed for the Service of Quarantine do use their utmost Care and Diligence to cause the several Rules and Regulations established by the said hereinbefore recited Act, by the said Order in Council, dated this Fifth Day of April One thousand eight hundred and five, and by this present Order, for the due Performance of Quarantine, to be punctually observed and carried into Execution.

And His Majesty, by and with the Advice aforesaid, doth further order, and it is hereby ordered, That all Ships and Vessels, as well His Majesty's Ships of War as all others, (not having the Plague, or such other infectious Disease or Distemper as aforesaid actually on board,) coming from the Port of Cadiz, or from any other Port of Spain without the Straights of Gibraltar, lying to the Southward of Cape St. Vincent, with or without clean Bills of Health, and all Ships, Vessels, and Boats receiving any Person or Persons, Goods, Wares, or Merchandize, Packets, Packages, Baggage, Wearing Apparel, Books, Letters, or any other Articles whatever, from or out of any such Ship or Vessel, before such Ship or Vessel shall have performed, and shall be duly discharged from Quarantine, whether such Person or Persons, Goods, Wares, or Merchandize, or other Articles as aforesaid, shall have come or been brought in such Ship or Vessel, or such Person

or Persons shall have gone, or Articles have been put on board the same, either before or after the Arrival of such Ship or Vessel, and whether such Ship or Vessel was, or was not bound to any Port or Place in Great Britain, or the Islands aforesaid, together with all Persons, (as well Pilots as others,) Goods, Wares, and Merchandize, and other Articles as aforesaid, on board thereof, do and shall perform Quarantine for such Time, in such Manner, and at such Places respectively as are directed by His Majesty's said Order in Council, dated this Fifth Day of April, One thousand eight hundred and five: and that all Commanders, Masters, and other Persons having Charge of any such Ships and Vessels, and the Officers, Crews, Passengers, and other Persons on board thereof, and also all Commanders and Masters of any such Receiving Ships, Vessels, and Boats as aforesaid, and the Officers, Crews, Passengers, and other Persons on board the same, and all other Persons who may or shall have any Interchange or Communication with them, or any of them, do likewise strictly conform themselves, in all Respects, to the Rules, Regulations, and Restrictions required by the said hereinbefore recited Act, and by the said Order in Council, dated this Fifth Day of April, One thousand eight hundred and five, and by this present Order, to be observed by the Commanders, Masters, Officers, Crews, Passengers, and other Persons on board Ships and Vessels liable to Quarantine, and by all other Persons who shall or may have any Interchange or Communication with them, or any of them:

And it is hereby further ordered, That this Order, and the Regulations therein contained, shall take effect, and be in force, from the Tenth Day of May next ensuing the Date hereof, until which Time, the Orders and Regulations now subsisting touching Quarantine shall continue in force; but which subsisting Orders and Regulations, and the Authority of the same, shall from and after the said Tenth Day of May, wholly cease and determine: And the Right Honorable the Lords Commissioners of His Majesty's Treasury, the Commissioners for executing the Office of Lord High Admiral of Great Britain, the Lord Warden of the Cinque Ports, the Master-General, and the rest of the Principal Officers of the Ordnance, His Majesty's Secretary at War, and the Governors or Commanders in Chief, for the Time being, of the Islands of Guernsey, Jersey, Alderney, Sark, and Man, are to give the necessary Directions herein, as to them may respectively appertain.

*S I R,*

I HEREWITH transmit to you, for their Lordships' Information, Copy of a Letter, dated the 25th Ultimo, from Captain Prowse, of the *Sirius*, (addressed to the Honorable Admiral Cornwallis,)

which I received this Morning, inclosing a Letter of the same Date, which he had received from Lieutenant James Rose, of the Growler Gun-Brig, (Copy of which is also enclosed,) giving an Account of his having captured Two of the Enemy's Gun-Brigs, between the Bec du Raz and the Penmarks. I have the Honor to be, &c.

*His Majesty's Ship Sirius, off the Penmarks, March 25, 1805.*

SIR,

ENCLOSED is a Letter from Lieutenant Rose, commanding His Majesty's Gun-Brig Growler, of his having captured Two French Gun-Boats, of the Third Class, close in with the Penmarks; One, No. 443, being so bad a Vessel, I did not think her Trust-worthy to cross the Channel, and ordered the long Brads Nine-Pounder, Two small Carronades, &c. to be taken out, and to destroy her.

I am, &c.

W. PROWSE.

*Honorable William Cornwallis.*

*His Majesty's Gun-Brig Growler, off the Penmarks, March 25, 1805.*

SIR,

I BEG Leave to inform you, that this Morning, between Eleven and Twelve, as I was standing in Shore, between the Passage du Raz and the Penmarks, I observed Fifteen Sail of the Enemy's Gun-Boats standing in Shore; I made Sail in Chase of the Headmost, but not finding it practicable to cut her off, I bore up and made Sail for the Leewardmost, and succeeded in capturing Two of them; they proved to be No. 443, with Fifteen Men, and No. 450, with Twelve Men on board; the remaining Thirteen having anchored under the Penmarks preventing me from capturing any more.

I have the Honor to be, &c.

JAMES ROSE.

*His Majesty's Sloop Scorpion, Tarmouth Roads, April 13, 1805.*

SIR,

BY Captain Rye's Letter, of His Majesty's Hired Armed Brig the Providence, their Lordships are already apprised, I believe, of the Capture of a Dutch Schooner, under National Colours, on the 11th Instant, off Schelling; she had quitted Delfzyel on the preceding Day; was chased on the ensuing Morning for a considerable Time by the Providence, as well as by His Majesty's Armed Sloop the Thomas, and was finally taken Possession of by this Sloop.

The Vessel proved to be the Honneur, of Twelve Guns, having One Thousand Stand of Arms on

board, a complete Set of Cloathing for that Number of Men, and a considerable Quantity of Warlike Stores; she has besides Two Field-Pieces, Twelve-Pounders, and Two Mortars, besides Tents, &c. for Troops: Jean Saint Faust, so noted for his successful Depredations on the British Commerce in these Seas, is a Passenger on board of her.

I have the Honor to be, &c.

SIR,

I ENCLOSE a Letter from Captain Burlton, of the Adamant, transmitting one from Captain Bayley, of the Inflexible, respecting the Capture of L'Alert French Privateer, on the 12th Instant, and the Recapture of the Brig Mary of Lynn. The latter arrived here this Morning.

SIR,

*Adamant, at Sea, April 13, 1805.*

IN consequence of Information I received of an Enemy's Lugger Privateer being to the S. W. of the Inflexible and Adamant, I directed a Course to be steered in hopes of meeting with her, and have the Honor to inform you we succeeded in capturing the said Lugger, named L'Alert, (as you will perceive by Captain Bayley's Letter,) we also recaptured the Brig Mary of Lynn, and it is probable we may be able to stop the Schooner.

I have the Honor to be, &c.

GEORGE BURLTON.

*His Majesty's Ship Inflexible, at Sea, April 12, 1805.*

SIR,

I HAVE the Pleasure to inform you, that the Boats of His Majesty's Ship I command this Day captured, after a Chase of between Three and Four Hours, L'Alert French Lugger Privateer, of Four small Carriage Guns, and small Arms, Egide Colbert, Commander, having Thirty-two Men, Ten of whom he had put on board an English Schooner and Brig, named in the Margin\*, captured close off the Spurn on the 8th Instant.

The Capture of this Vessel is very fortunate, as she sails remarkably well, and has done much Damage to our Trade.

I am, &c.

T. BAYLEY.

*George Burlton, Esq; Captain of His Majesty's Ship Adamant.*

N. B. I have the Pleasure to inform you, that we this Morning recaptured the Brig named in the Margin.

A DISPATCH, of which the following is a Copy, was this Day received, by an Overland Conveyance, at the East India House, from the Governor and Council at Bombay:

*To the Secret Committee of the Honorable Court of Directors for the Affairs of the United Company of Merchants of England trading to the East Indies, London.*

HONORABLE SIRs,

1. **I**N Addition to the Information communicated in our last Overland Dispatch, on the Subject of the Events of the War with Jeswunt Row Holkar, we take this Occasion to report, that we have since been advised of an Attack made by a Division of Holkar's Infantry and Artillery on the City of Delhi, on the 8th Ult. Lieutenant-Colonel Burn, the Officer in Command of the British Troops at that Station, reporting that, during the Whole of that Day, the Enemy continued a very heavy Cannonade; and that on the 9th they advanced and erected a Four Gun Battery, very near to the South East Bastion of the City Wall, where their Shot had great Effect. To check their Progress in that Quarter a Sortie was determined on. The Party employed consisting of about Three Hundred and Fifty Men, under the Command of Lieutenant Rose, of which Number Fifty, with a Six-Pounder, composed the Reserve, under Lieutenant Dickson. The Whole are stated to have been speedily and well conducted to the Enemy's Battery, and to have soon got Possession of their Guns, and spiked them; the Party then returning under a heavy Discharge of Shot and Grape, Lieutenant Rose, who led the Detachment, and the Whole of the Officers, are reported to have executed that Duty to the entire Satisfaction of Lieutenant-Colonel Burn, who also mentions in favourable Terms Captain Carnagie and Lieutenant Woodville, of Captain Harriott's Battalion, and Lieutenants Evans, Heathcote, and Lockett, of the 2d Battalion 14th Regiment, besides some others, whose Names he adverts to as having been reported to the Commander in Chief in a former Dispatch, which has not reached us.

2. On the 14th the Enemy attempted an Assault on the Town of Delhi, but were repulsed with considerable Loss. The Details of the Assault have not been received up to the Date of our latest Advices from Calcutta, but in a Dispatch from the Commander in Chief to His Excellency the Governor General, he thus adverts to the Spirit and Gallantry of the Troops at Delhi: "The meritorious Conduct of our Troops, on both of the above-mentioned Occasions, reflects on their Courage and Perseverance the highest Credit. My Letter from, Lieutenant-Colonel Auchterlony, the acting Resident, speaks in the highest Terms of the Conduct of the Troops under his Orders. I beg to assure your Excellency that the Arrangements made by that Officer merit my warmest Praise and Approbation; on which I shall have the Honor more fully to report hereafter."

3. Official Advices had been received at Fort William, in a Letter from the Commander in Chief, dated Sierie, the 16th of October, stating that the Troops of Jeswunt Row Holkar had made a precipitate Retreat on the Morning of the 15th, from their Position near the Town of Delhi.

4. Since taking Possession of Chandora, Dhoorp, and Galna the Force employed in the Deccan, under the Command of Lieutenant-Colonel Wallace, has been advancing towards the River Taptie. According to the latest Accounts from that Offi-

cer, a Party of the Peshwa's Troops, detached from Galna had obtained Possession of the Town of Nunderbar, and of the greater Part of that District, without meeting with any Opposition. As soon as the Peshwa's Officers should be in Possession of the Tract west of his Position on the River Panja, and south of the Taptie, Lieutenant-Colonel Wallace intended to move to Borenair. Holkar's Retainer's in Candesh appear now to be reduced to Two or Three inconsiderable Chiefs, with but few Followers.

We have the Honor to be, &c. &c. &c.
