SIR,

THIS Morning Lieutenant Bland, of Marines, commanding the Seine's Barge, captured the Spanish Schooner Conception of Two Guns long Six-Pounders and Ten Men. She had many Passengers on board, who assisted in making some Resistance, but they could not withstand the gallant Attack of the Barge. The Passengers escaped in a small Boat. The Conception is from Santa Maxta Martha, laden with Logwood; a new Schooner, and sails very fast: the Prisoners (Nine in Number) appear sickly, and I shall land them immediately to prevent the Introduction of Disease into the Seine, which I trust will meet your Approbation.

I have the Honor to be, &c.
