Interest on this Class is to be calculated from the Date of such Debts respectively, at the Rate specified in the Bonds or Obligations, not exceeding Twelve per Cent. per Annum, to the 12th Day of February 1785; and from the said 12th Day of February 1785, to the 15th Day of May 1804, Simple Interest at Six per Cent. per Annum is to be computed on the original Principal.
