Copy of a Letter from Vice-Admiral Dacres, Commander in Chief of His Majesty's Ships and Vessels at Jamaica, to William Marsden, Esq; dated at Port Royal, December 1, 1806.

S I R,

ON the Pique's Return from her Cruize, I received from Captain Ross Two Letters, of which the inclosed are Copies, and transmit them to you, for the Information of the Lords Commissioners of the Admiralty.

I am, &c.

J. R. DACRES.

His Majesty's Ship Pique, *Mona Passage,*
November 2, 1806.

S I R,

I HAVE the Honour to inform you, that the Barge and two other Boats of His Majesty's Ship under my Command, were sent Yesterday to intercept a Schooner coming round Cape Roxo (Porto Rico), but owing to a very heavy Squall, with Rain, coming off Shore, they lost Sight of her in the Night; but have great Satisfaction in adding, that Lieutenant Bell, who commanded the Party, assisted by Lieutenant Baillie, of the Royal Marines, pushed in for Cabaret Bay, where they completely succeeded in destroying a Battery on Shore, of Three Guns, spiking them up, breaking the carriages, and bringing out a very fine Spanish Copper-bottomed Brig, pierced for Twelve Guns.

I have the Honour to be, &c.

(Signed) C. B. H. ROSS.

To J. R. Dacres, Esq. &c. &c. &c.

His Majesty's Ship Pique, *Mona Passage,*
November 5, 1806.

S I R,

I HAVE the Honour to inform you, that on the 2d Instant, Lieutenant Baker, in the Launch of His Majesty's Ship under my Command, chased and drove on Shore, after some smart skirmishing upon the Reef of Cape Roxo, a French Feluche-rigged Privateer, of Two Guns, Four Swivels, and Twenty-six Men, where she was totally lost.

I have the Pleasure further to inform you, that on his returning to join the Ship, he succeeded in capturing (after a very long Chace) another very fast failing French Privateer, of One Gun, and Twenty Men.

I have, &c.

(Signed) C. B. H. ROSS.

J. R. Dacres, Esq. Vice-Admiral of the White, &c. &c. &c.
