AT the Court at the *Queen's Palace*, the 11th of November 1807,

P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS certain Orders, establishing an unprecedented System of Warfare against this Kingdom, and aimed especially at the Destruction of its Commerce and Resources, were, some Time since, issued by the Government of France, by which "The British Islands were declared to be in a State of Blockade," thereby subjecting to Capture and Condemnation all Vessels, with their Cargoes, which should continue to trade with His Majesty's Dominions:

And whereas by the same Orders, "all trading in English Merchandize is prohibited, and every Article of Merchandize belonging to England, or coming from her Colonies, or of her Manufacture, is declared lawful Prize:"

And whereas the Nations in Alliance with France, and under her Controul, were required to give, and have given, and do give, Effect to such Orders:

And whereas His Majesty's Order of the 7th of January last has not answered the desired Purpose, either of compelling the Enemy to recall those Orders, or of inducing Neutral Nations to interpose, with Effect, to obtain their Revocation, but, on the contrary, the same have been recently enforced with increased Rigour:

And whereas His Majesty, under these Circumstances, finds Himself compelled to take further Measures for asserting and vindicating His just Rights, and for supporting that Maritime Power which the Exertions and Valour of His People have, under the Blessing of Providence, enabled Him to establish and maintain; and the Maintenance of which is not more essential to the Safety and Prosperity of His Majesty's Dominions, than it is to the Protection of such States as still retain their Independence, and to the general Intercourse and Happiness of Mankind:

His Majesty is therefore pleased, by and with the Advice of His Privy Council, to order, and it is hereby ordered, that all the Ports and Places of France and her Allies, or of any other Country at War with His Majesty, and all other Ports or Places in Europe, from which, although not at

War with His Majesty, the British Flag is excluded, and all Ports or Places in the Colonies belonging to His Majesty's Enemies, shall, from henceforth, be subject to the same Restrictions in point of Trade and Navigation, with the Exceptions hereinafter mentioned, as if the same were actually blockaded by His Majesty's Naval Forces, in the most strict and rigorous Manner:—And it is hereby further ordered and declared, that all Trade in Articles which are of the Produce or Manufacture of the said Countries or Colonies, shall be deemed and considered to be unlawful; and that every Vessel trading from or to the said Countries or Colonies, together with all Goods and Merchandize on board, and all Articles of the Produce or Manufacture of the said Countries or Colonies, shall be captured, and condemned as Prize to the Captors.

But although His Majesty would be fully justified, by the Circumstances and Considerations above recited, in establishing such System of Restrictions with respect to all the Countries and Colonies of His Enemies, without Exception or Qualification; yet His Majesty, being nevertheless desirous not to subject Neutrals to any greater Inconvenience than is absolutely inseparable from the carrying into effect His Majesty's just Determination to counteract the Designs of His Enemies, and to retort upon His Enemies themselves the Consequences of their own Violence and Injustice; and being yet willing to hope that it may be possible (consistently with that Object) still to allow to Neutrals the Opportunity of furnishing themselves with Colonial Produce for their own Consumption and Supply; and even to leave open, for the present, such Trade with His Majesty's Enemies as shall be carried on directly with the Ports of His Majesty's Dominions, or of His Allies, in the Manner hereinafter mentioned:

His Majesty is therefore pleased further to order, and it is hereby ordered, That nothing herein contained shall extend to subject to Capture or Condemnation any Vessel, or the Cargo of any Vessel, belonging to any Country not declared by this Order to be subjected to the Restrictions incident to a State of Blockade, which shall have cleared out with such Cargo from some Port or Place of the Country to which she belongs, either in Europe or America, or from some Free Port in His Majesty's

Colonies, under Circumstances in which such Trade from such Free Port is permitted, direct to some Port or Place in the Colonies of His Majesty's Enemies, or from those Colonies direct to the Country to which such Vessel belongs, or to some Free Port in His Majesty's Colonies, in such Cases, and with such Articles, as it may be lawful to import into such Free Port;—Nor to any Vessel, or the Cargo of any Vessel, belonging to any Country not at War with His Majesty, which shall have cleared out from some Port or Place in this Kingdom, or from Gibraltar or Malta, under such Regulations as His Majesty may think fit to prescribe, or from any Port belonging to His Majesty's Allies, and shall be proceeding direct to the Port specified in her Clearance;—Nor to any Vessel, or the Cargo of any Vessel, belonging to any Country not at War with His Majesty, which shall be coming from any Port or Place in Europe which is declared by this Order to be subject to the Restrictions incident to a State of Blockade, destined to some Port or Place in Europe belonging to His Majesty, and which shall be on her Voyage direct thereto; but these Exceptions are not to be understood as exempting from Capture or Confiscation any Vessel or Goods which shall be liable thereto in respect of having entered or departed from any Port or Place actually blockaded by His Majesty's Squadrons or Ships of War, or for being Enemies' Property, or for any other Cause than the Contravention of this present Order.

And the Commanders of His Majesty's Ships of War and Privateers, and other Vessels acting under His Majesty's Commission, shall be, and are hereby, instructed to warn every Vessel which shall have commenced her Voyage prior to any Notice of this Order, and shall be destined to any Port of France, or of her Allies, or of any other Country at War with His Majesty, or to any Port or Place from which the British Flag as aforesaid is excluded, or to any Colony belonging to His Majesty's Enemies, and which shall not have cleared out as is hereinbefore allowed, to discontinue her Voyage, and to proceed to some Port or Place in this Kingdom, or to Gibraltar or Malta; and any Vessel which, after having been so warned, or after a reasonable Time shall have been afforded for the Arrival of Information of this His Majesty's Order at any Port or Place from which she sailed, or which, after having Notice of this Order, shall be found in the Prosecution of any Voyage contrary to the Restrictions contained in this Order, shall be captured, and, together with her Cargo, condemned as lawful Prize to the Captors:

And whereas Countries, not engaged in the War, have acquiesced in the Orders of France, prohibiting all Trade in any Articles the Produce or Manufacture of His Majesty's Dominions; and the Merchants of those Countries have given countenance and effect to those Prohibitions, by accepting from Persons styling themselves Commercial Agents of the Enemy, resident at Neutral Ports, certain Documents, termed "Certificates of Origin," being Certificates obtained at the Ports of Shipment, declaring that the Articles of the Cargo are not of the Produce or Manufacture of His Majesty's Dominions, or to that Effect:

And whereas this Expedient has been directed by France, and submitted to by such Merchants, as

Part of the new System of Warfare directed against the Trade of this Kingdom, and as the most effectual Instrument of accomplishing the same, and it is therefore essentially necessary to resist it;

His Majesty is therefore pleased, by and with the Advice of His Privy Council, to order, and it is hereby ordered, that if any Vessel, after reasonable Time shall have been afforded for receiving Notice of this His Majesty's Order at the Port or Place from which such Vessel shall have cleared out, shall be found carrying any such Certificate or Document as aforesaid, or any Document referring to, or authenticating the same, such Vessel shall be adjudged lawful Prize to the Captor, together with the Goods laden therein, belonging to the Person or Persons by whom, or on whose Behalf, any such Document was put on board.

And the Right Honourable the Lords Commissioners of His Majesty's Treasury, His Majesty's Principal Secretaries of State, the Lords Commissioners of the Admiralty, and the Judges of the High Court of Admiralty and Courts of Vice-Admiralty, are to take the necessary Measures herein, as to them shall respectively appertain.

#### P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS Articles of the Growth and Manufacture of Foreign Countries cannot by Law be imported into this Country, except in British Ships, or in Ships belonging to the Countries of which such Articles are the Growth and Manufacture, without an Order in Council specially authorizing the same:

His Majesty, taking into Consideration the Order of this Day's Date, respecting the Trade to be carried on to and from the Ports of the Enemy, and deeming it expedient that any Vessel belonging to any Country in Alliance, or at Amity with His Majesty, may be permitted to import into this Country Articles of the Produce or Manufacture of Countries at War with His Majesty:

His Majesty, by and with the Advice of His Privy Council, is therefore pleased to order, and it is hereby ordered, that all Goods, Wares, or Merchandizes, specified and included in the Schedule of an Act, passed in the Forty-third Year of His present Majesty's Reign, intituled "An Act to repeal the Duties of Customs payable in Great Britain, and to grant other Duties in lieu thereof," may be imported from any Port or Place belonging to any State not at Amity with His Majesty, in Ships belonging to any State at Amity with His Majesty, subject to the Payment of such Duties, and liable to such Drawbacks as are now established by Law upon the Importation of the said Goods, Wares, or Merchandize, in Ships navigated according to Law; and with respect to such of the said Goods, Wares, or Merchandize, as are authorized to be warehoused under the Provisions of an Act, passed in the Forty-third Year of His present Majesty's Reign, intituled "An Act for permitting certain Goods imported into Great Britain, to be secured in Warehouses without Payment of

"Duty," subject to all the Regulations of the said last mentioned Act; and with respect to all Articles which are prohibited by Law from being imported into this Country, it is ordered, that the same shall be reported for Exportation to any Country in Amity or Alliance with His Majesty.

And His Majesty is further pleased, by and with the Advice of His Privy Council, to order, and it is hereby ordered, That all Vessels which shall arrive at any Port of the United Kingdom, or at the Port of Gibraltar or Malta, in consequence of having been warned pursuant to the aforesaid Order, or in consequence of receiving Information, in any other Manner, of the said Order subsequent to their having taken on board any Part of their Cargoes, whether previous or subsequent to their sailing, shall be permitted to report their Cargoes for Exportation, and shall be allowed to proceed upon their Voyages to their original Ports of Destination, (if not unlawful before the issuing of the said Order,) or to any Port at Amity with His Majesty, upon receiving a Certificate from the Collector or Comptroller of the Customs at the Port at which they shall so enter, (which Certificate the said Collectors and Comptrollers of the Customs are hereby authorized and required to give,) setting forth that such Vessels came into such Port in consequence of being so warned, or of receiving such Information as aforesaid; and that they were permitted to sail from such Port under the Regulations which His Majesty has been pleased to establish in respect to such Vessels. But in case any Vessel so arriving shall prefer to import her Cargo, then such Vessel shall be allowed to enter and import the same, upon such Terms and Conditions as the said Cargo might have been imported upon, according to Law, in case the said Vessel had sailed after having received Notice of the said Order, and in conformity thereto.

And it is further ordered, that all Vessels which shall arrive at any Port of the United Kingdom, or at Gibraltar or Malta, in Conformity and Obedience to the said Order, shall be allowed, in respect to all Articles which may be on board the same, except Sugar, Coffee, Wine, Brandy, Snuff, and Tobacco, to clear out to any Port whatever, to be specified in such Clearance; and, with respect to the last-mentioned Articles, to export the same to such Ports, and under such Conditions and Regulations only, as His Majesty, by any Licence to be granted for that Purpose, may direct.

And the Right Honourable the Lords Commissioners of His Majesty's Treasury, His Majesty's Principal Secretaries of State, the Lords Commissioners of the Admiralty, and the Judges of the High Court of Admiralty and Courts of Vice-Admiralty, are to take the necessary Measures herein as to them shall respectively appertain. *W. P R E S E N T,

The KING's Most Excellent Majesty in Council.

WHEREAS the Sale of Ships by a Belligerent to a Neutral is considered by France to be illegal:

And whereas a great Part of the Shipping of France and her Allies has been protected from Cap-

ture during the present Hostilities by Transfers, or pretended Transfers, to Neutrals:

And whereas it is fully justifiable to adopt the same Rule, in this Respect, towards the Enemy, which is applied by the Enemy to this Country:

His Majesty is pleased, by and with the Advice of His Privy Council, to order, and it is hereby ordered, That in future the Sale to a Neutral of any Vessel belonging to His Majesty's Enemies, shall not be deemed to be legal, nor in any Manner to transfer the Property, nor to alter the Character of such Vessel: And all Vessels now belonging, or which shall hereafter belong to any Enemy of His Majesty, notwithstanding any Sale, or pretended Sale to a Neutral, after a reasonable Time shall have elapsed for receiving Information of this His Majesty's Order at the Place where such Sale, or pretended Sale, was effected, shall be captured and brought in, and shall be adjudged as lawful Prize to the Captors.

And the Right Honourable the Lords Commissioners of His Majesty's Treasury, His Majesty's Principal Secretaries of State, the Lords Commissioners of the Admiralty, and the Judges of the High Court of Admiralty and Courts of Vice-Admiralty, are to take the necessary Measures herein as to them shall respectively appertain. *W. ## A P R O C L A M A T I O N,

*For granting the Distribution of Prizes during the present Hostilities.*

G E O R G E R.

WHEREAS by Our Order in Council, dated the Fourth of November instant, We have ordered that General Reprisals be granted against the Ships, Goods, and Subjects of the King of Denmark, (save and except any Vessels to which Our Licence has been granted, or which have been directed to be released from the Embargo, and have not since arrived at any Foreign Port:) And whereas by Our Order in Council, of the same Date, We have ordered that General Reprisals be granted against the Ships, Goods, and Inhabitants of the Territories and Ports of Tuscany; the Kingdom of Naples; the Port and Territory of Ragusa; and those of the Islands lately composing the Republic of the Seven Islands; and all other Ports and Places in the Mediterranean and Adriatic Seas which are occupied by the Arms of France or her Allies, so that as well Our Fleets and Ships, as also all other Ships and Vessels that shall be commissioned by Letters of Marque or General Reprisals, or otherwise, by Our Commissioners for executing Our Office of Lord High Admiral of Great Britain, shall and may lawfully seize all Ships, Vessels, and Goods belonging to the King of Denmark, or to any of the Territories, Ports, or Places aforesaid, or to any Persons being Subjects of the King of Denmark, or inhabiting within any of the Territories of Denmark, or within any of the Territories, Ports, or Places aforesaid, and bring the same to Judgment in any of Our Courts of Admiralty within Our Dominions, duly authorized and required to take Cognizance thereof; We, being desirous to give due Encouragement to Our faithful Subjects who shall lawfully seize the same; and having declared in Council, by Our Order of the Fourth of

November instant, Our Intentions concerning the Distribution of all Manner of Captures, Seizures, Prizes, and Reprizals of all Ships and Goods during the present Hostilities, do now make known to all Our loving Subjects, and all others whom it may concern, by this Our Proclamation, by and with the Advice and Consent of Our Privy Council, that Our Will and Pleasure is, That the Neat Produce of all Prizes taken, the Right whereof is inherent in Us and Our Crown, be given to the Takers, (save and except the Produce of such Prizes as are or shall be taken by Ships or Vessels belonging to, or hired by, or in the Service of, Our Commissioners of Customs or Excise, the Disposition of which We reserve to our further Pleasure, and also save and except as hereinafter-mentioned;) but subject to the Payment of all such or the like Customs and Duties as the same are now, or would have been, liable to, if the same were or might have been imported as Merchandize; and that the same may be so given in the Proportion and Manner hereinafter set forth; that is to say,

That all Prizes taken by Ships and Vessels having Commissions of Letters of Marque and Reprizals, (save and except such Prizes as are or shall be taken by the Ships or Vessels belonging to, or hired by, or in the Service of, Our Commissioners aforesaid,) may be sold and disposed of by the Merchants, Owners, Fitters, and others, to whom such Letters of Marque and Reprizals are granted, for their own Use and Benefit, after final Adjudication, and not before.

And We do hereby further order and direct, that the Neat Produce of all Prizes which are or shall be taken by any of Our Ships or Vessels of War, (save and except when they shall be acting on any conjunct Expedition with Our Army, in which Case We reserve to Ourselves the Division and Distribution of all Prize and Booty taken, and also save and except as hereinafter-mentioned;) shall be for the entire Benefit and Encouragement of Our Flag-Officers, Captains, Commanders, and other Commissioned Officers in Our Pay, and of the Seamen, Marines, and Soldiers on board Our said Ships and Vessels at the Time of the Capture; and that such Prizes may be lawfully sold and disposed of by them and their Agents, after the same shall have been to Us finally adjudged lawful Prize, and not otherwise.

The Distribution shall be made as follows:—The Whole of the Neat Produce being first divided into Eight equal Parts,

The Captain or Captains of any of Our said Ships or Vessels of War, who shall be actually on board at the Taking of any Prize, shall have Three Eighth Parts; but in case any such Prize shall be taken by any of Our Ships or Vessels of War, under the Command of a Flag or Flags, the Flag-Officer or Officers being actually on board, or directing and assisting in the Capture, shall have One of the Three Eighth Parts; the said One Eighth Part to be paid to such Flag or Flag-Officers in such Proportions, and subject to such Regulations, as are hereinafter-mentioned.

The Captains of Marines and Land Forces, Sea Lieutenants, and Master, on board, shall have One Eighth Part, to be equally divided amongst them: But that every Physician appointed, or hereafter to be appointed, to a Fleet or Squadron of Our Ships of War, shall, in the Distribution of Prizes

which shall hereafter be taken by the Ships in which he shall serve, or in which such Ship's Company shall be entitled to share, be classed with the Sea Lieutenants with respect to the said One Eighth Part, and be allowed to share equally with them; provided such Physician be actually on board at the Time of taking such Prizes.

The Lieutenants and Quarter-Masters of Marines, and Lieutenants, Ensigns, and Quarter-Masters of Land Forces, Secretaries of Admirals or of Commodores (with Captains under them), Second Masters of Line of Battle Ships, Boatswains'-Gunners, Purfers, Carpenters, Masters'-Mates, Chirurgeons, Pilots, and Chaplains, on board, shall have One Eighth Part, to be equally divided amongst them.

The Midshipmen, Captains'-Clerks, Master Sail-makers, Capenters'-Mates, Boatswains'-Mates, Gunners'-Mates, Masters at Arms, Corporals, Yeomen of the Sheets, Coxswains, Quarter-Masters, Quarter-Masters'-Mates, Chirurgeons'-Mates, Yeomen of the Powder-Room, Sergeants of Marines and Land Forces, on board, shall have One Eighth Part, to be equally divided amongst them.

The Trumpeters, Quarter-Gunners, Carpenters'-Crew, Stewards, Cook, Armourers, Stewards'-Mates, Cook's-Mates, Gunsmiths, Coopers, Swabbers, Ordinary Trumpeters, Barbers, Able Seamen, Ordinary Seamen, and Marines and other Soldiers, and all other Persons doing Duty and assisting on board, shall have Two Eighth Parts, to be equally divided amongst them.

And We do hereby further order, that in the Case of Cutters, Schooners, and other Armed Vessels, commanded by Lieutenants, the Share of such Lieutenants shall be Three Eighth Parts of the Prize, unless such Lieutenants shall be under the Command of a Flag-Officer or Officers; in which Case, the Flag-Officer or Officers shall have One of the said Three Eighths, to be divided among such Flag-Officer or Officers in the same Manner hereinbefore directed in the Case of Captains serving under Flag-Officers. Secondly, We direct that the Share of the Master, or other Person acting as Second in Command, and the Pilot, (if there happens to be one on board,) shall be One Eighth Part, to be divided into Three equal Parts, of which Two-Thirds shall go to the Master, or other Person acting as Second in Command, and the remaining One-Third to the Pilot; but if there is no Pilot, then such Eighth Part to go wholly to the Master, or Person acting as Second in Command.—That the Share of the Chirurgeon, or Chirurgeon's-Mate, (where there is no Chirurgeon,) Midshipmen, Clerk, and Steward, shall be One-Eighth.—That the Share of the Boatswains, Gunners, and Carpenters'-Mates, Yeomen of the Sheets, Sailmaker, Quarter-Master, and Quarter-Master's-Mate, shall be One-Eighth.—And the Share of the Seamen, Marines, and other Persons on board, assisting in the Capture, shall be Two Eighth Parts.

But it is Our Intention, nevertheless, that the above Distribution shall only extend to such Captures as shall be made by any Cutter, Schooner, or Armed Vessel, without any of Our Ships or Vessels of War being present, or within Sight of, and adding to the Encouragement of the Captors, and Terror of the

Enemy; but in case any of Our Ships or Vessels of War shall be present, or in Sight, that then the Officers, Pilots, Petty Officers, and Men on board such Cutters and Schooners, or Armed Vessels, shall share in the same Proportion as is allowed to Persons of the like Rank and Denomination on board of Our Ships and Vessels of War; and such Cutters, Schooners, or Armed Vessels shall not, in respect to such Captures, convey any Interest or Share in the Flag Eighth to the Flag-Officer or Officers under whose Orders such Cutters, Schooners, and Armed Vessels may happen to be; and whereas it is judged expedient, during the present Hostilities, to hire into Our Service Armed Vessels, to be employed as Cruizers against the Enemy, which Vessels are the Property of, and their Masters and Crews are paid by, the Merchants of whom they are hired, although several of them are commanded by Our Commissioned Officers in Our Pay, it is Our further Will and Pleasure that the Net Produce of all Prizes taken by such Hired Armed Vessels, (except as hereinafter-mentioned,) shall be for the Benefit of Our Commissioned Officers in Our Pay, and of the Masters and Crews on board the said Hired Armed Vessels at the Time of the Capture; and that such Prizes may be lawfully sold and disposed of by them and their Agents, after the same shall have been to Us finally adjudged lawful Prize, and not otherwise; the Distribution whereof shall be as follows:—The Whole of the Net Produce being divided into Eight equal Parts,

Our Officer commanding any Hired Armed Vessel, who shall be actually on board at the Taking of any Prize, shall have Three-Eighths; but in case such Hired Armed Vessel shall be under the Command of a Flag or Flags, the Flag-Officer or Officers being actually on board, or directing and assisting in the Capture, shall have One of the said Three Eighth Parts; the said One Eighth Part to be paid to such Flag or Flag-Officers in such Proportions, and subject to such Regulations, as are hereinafter-mentioned.—In case there be acting on board such Hired Armed Vessel, besides Our Officer commanding the same, One or more of Our Commissioned Sea Lieutenants in Our Pay, such Lieutenant or Lieutenants shall take One-Eighth.—One Eighth shall belong to the Master and Mate; of which the Master shall take Two-Thirds, and the Mate One-Third: But in case there shall be acting on board such Hired Armed Vessel One or more Midshipmen, or other Person in Our Pay, of those who are classed with Midshipmen in the former Part of this Our Proclamation, in that Case the Master shall take One-Half of the Eighth, and the other Half shall be equally divided between the Mate, Midshipmen, and such other Persons in Our Pay.—Three-Eighths shall belong to and be divided among the other Officers and the rest of the Crew.—And, in the Case of Prizes taken by any Hired Armed Vessel not commanded by any of Our Commissioned Officers, One-Eighth shall belong to the Flag-Officers, to be divided as aforesaid, in case such Hired Armed Vessel shall be under the Command of a Flag.—Two-Eighths shall belong to the Master and Mate; of which the Master shall take Two-Thirds, and the Mate One-Third.—Three-Eighths shall belong to and be divided among the other Officers and the rest of the

Crew, in Manner aforesaid.—The Surplus, the Distribution of which is not herein directed, shall remain at Our Disposal; and if not disposed of within a Year after final Adjudication, the same shall belong and be paid to Greenwich Hospital.—And in the Case of Prizes taken jointly, by any of Our Ships of War, and any Hired Armed Vessel, Our Commissioned Officer or Officers on board such Hired Armed Vessel shall share with Our Commissioned Officer or Officers of the same Rank on board Our Ship or Ships of War, being joint Captors; the Master of such Hired Armed Vessel shall share with the Warrant Officers; the Mate of such Hired Armed Vessel with the Petty Officers; and the Seamen of such Hired Armed Vessel with the Seamen on board Our said Ship or Ships of War; save and except, that, in case such Hired Armed Vessel shall be commanded by One of Our Commissioned Officers having the Rank of Master and Commander, and there shall be none of Our Lieutenants on board; or in case such Hired Armed Vessel shall be commanded by the Master, in both those Cases the Master of such Hired Armed Vessel shall share with the Lieutenants of Our Ships of War, and the Mate with the Warrant Officers.—And in case any Difficulty shall arise in Respect to the said Distribution, not herein sufficiently provided for, the same shall be referred to Our Lords Commissioners of the Admiralty, whose Direction thereupon shall be final, and have the same Force and Effect as if herein inserted: Provided that if any Officer, being on board any of Our Ships of War at the Time of taking any Prize, shall have more Commissions or Offices than one, such Officer shall be entitled only to the Share or Shares of the Prizes which, according to the abovementioned Distribution, shall belong to his superior Commission or Office.—Provided also, that in all Prizes taken by any of Our Squadrons, Ships, or Vessels, while acting in Conjunction with any Squadron, Ship, or Vessel of any other Power that may be in Alliance with Us, a Share of such Prizes shall be set apart, and be at Our further Disposal, equal to that Share which the Flag and other Officers and Crews of such Squadron, Ships, or Vessels would have been entitled to if they had belonged to Us.

And We do hereby strictly enjoin all Commanders of Our Ships and Vessels of War taking any Prize, to transmit, as soon as may be, or cause to be transmitted, to the Commissioners of Our Navy, a true List of the Names of all the Officers, Seamen, Marines, Soldiers, and others, who were actually on board Our Ships and Vessels of War under their Command at the Time of the Capture; which List shall contain the Quality of the Service of each Person on board, together with the Description of the Men, taken from the Description-Books of the capturing Ship or Ships, and their several Ratings, and be subscribed by the Captain or Commanding Officer, and Three or more of the Chief Officers on board. And We do hereby require and direct the Commissioners of Our Navy, or any Three or more of them, to examine, or cause to be examined, such Lists, by the Muster Books of such Ships and Vessels of War, and Lists annexed thereto, to see that such Lists do agree with the said Muster Books and annexed Lists, as to the Names, Qualities, or Ratings of the Officers, Seamen, Marines, Soldiers, and

others, belonging to such Ships and Vessels of War; and, upon Request, forthwith to grant a Certificate of the Truth of any List transmitted to them, to the Agents nominated and appointed by the Captors, to take care and dispose of such Prize; and also, upon Application to them (the said Commissioners), they shall give, or cause to be given, to the said Agents, all such Lists from the Muster-Books of any such Ships of War, and annexed Lists, as the said Agents shall find requisite for their Direction in paying the Produce of such Prizes; and otherwise shall be aiding and assisting to the said Agents in all such Matters as shall be necessary.—We do hereby further will and direct, that the following Regulations shall be observed concerning the One-Eighth Part hereinbefore mentioned, to be granted to the Flag or Flag-Officers who shall actually be on board at the taking of any Prize, or shall be directing or assisting therein:

First, That a Captain of a Ship shall be deemed to be under the Command of a Flag, when he shall actually have received some Order directly from, or be acting in execution of, some Order issued by a Flag-Officer; and shall be deemed to continue under the Command of such Flag, so long as the Flag-Officer by whom the Order was issued, or any other Flag-Officer acting upon the same Station, shall continue upon such Station; or until such Captain shall have received some Order directly from, or be acting in execution of, some Order issued by some other Flag-Officer, or the Lords Commissioners of the Admiralty.—Secondly, That a Flag-Officer, Commander in Chief, when there is but One Flag-Officer upon Service, shall have to his own Use the said One-Eighth Part of the Prizes taken by Ships and Vessels under his Command.—Thirdly, That a Flag-Officer sent to command on any Station shall have no Right to any Share of Prizes taken by Ships or Vessels employed there, before he arrives within the Limits of such Station, and actually takes upon him the Command, by communicating Orders to the Flag-Officer previously in Command; save only that he shall be entitled to a Share of Prizes taken by those particular Ships to which he shall actually have given some Order, and taken under his Command within the Limits of such Station.—Fourthly, That a Commander in Chief, or other Flag-Officer, appointed or belonging to any Station, and passing through or into any other Station, shall not be entitled to share in any Prize taken out of the Limits of the Station to which he is appointed or belongs, by any Ship or Vessel under the Command of a Flag-Officer of any other Station, or under Admiralty Orders; unless such Commander in Chief, or Flag-Officer, is expressly authorized by the Lords Commissioners of the Admiralty to take upon him the Command in that Station in which the Prize is taken, and shall actually have taken upon him such Command in Manner aforesaid.—Fifthly, That when an inferior Flag-Officer is sent to reinforce a superior Flag-Officer on any Station, the superior Flag-Officer shall have no Right to any Share of Prizes taken by the inferior Flag-Officer before the inferior Flag-Officer shall arrive within the Limits of the Station, and, moreover, shall actually receive some Order directly from him, or be acting in execution of some Order issued by him.—Sixthly, That a Chief Flag-Officer quitting a Station, either to return Home or to assume

another Command, or otherwise, except upon some particular urgent Service, with the Intention of returning to the Station as soon as such Service is performed, shall have no Share of Prizes taken by the Ships or Vessels left behind, after he shall have passed the Limits of the Station, or after he shall have surrendered the Command to another Flag-Officer, appointed by the Admiralty to be Commander in Chief upon such Station.—Seventhly, That an inferior Flag-Officer quitting a Station, except when detached by Orders from his Commander in Chief, out of the Limits thereof upon a special Service, with Orders to return to such Station as soon as such Service is performed, shall have no Share in Prizes taken by the Ships and Vessels remaining on the Station, after he shall have passed the Limits thereof; and, in like Manner, the Flag-Officers remaining on the Station shall have no Share of the Prizes taken by such inferior Flag-Officer, or by the Ships and Vessels under his immediate Command, after he shall have quitted the Limits of the Station, except when detached as aforesaid.—Eighthly, That when Vessels under the Command of a Flag, which belong to separate Stations, shall happen to be joint Captors, the Captain of each Ship shall pay One-Third of the Share to which he is entitled, to the Flag-Officers of the Station to which he belongs; but the Captains of Vessels under Admiralty Orders, being joint Captors with other Vessels under a Flag, shall retain the Whole of their Share.—Ninthly, That if a Flag-Officer is sent to command in the Out-Ports of this Kingdom, he shall have no Share of the Prizes taken by Ships or Vessels which have sailed, or shall sail, from that Port by Order from the Admiralty.—Tenthly, That when more Flag-Officers than One serve together, the Eighth Part of the Prizes taken by any Ships or Vessels of the Fleet or Squadron shall be divided in the following Proportions, viz. If there be but Two Flag-Officers, the Chief shall have Two-Third Parts of the said One-Eighth, and the other shall have the remaining Third Part; but if the Number of Flag-Officers be more than Two, the Chief shall have only One-Half, and the other Half shall be equally divided among the other Flag-Officers.—Eleventhly, That Commodores, with Captains under them, shall be esteemed as Flag-Officers with respect to the Eighth Part of Prizes taken, whether commanding in Chief, or serving under Command.—Twelfthly, That the First Captain to the Admiral, and Commander in Chief of Our Fleet, and also the First Captain to Our Flag-Officer, appointed, or hereafter to be appointed, to command a Fleet or Squadron of Ten Ships of the Line of Battle, or upwards, shall be deemed and taken to be a Flag-Officer, and shall be entitled to a Part or Share of Prizes as the Junior Flag-Officer of such Fleet or Squadron.

Given at Our Court at the Queen's Palace, the Eleventh Day of November, One thousand eight hundred and seven, and in the Forty-eighth Year of Our Reign.

GOD save the KING.

Admiralty-Office, November 17, 1807.

*Copy of a Letter from Vice-Admiral Russell, Commander in Chief of His Majesty's Ships and Vessels off the Texel, to the Honourable W. W. Pole, dated on board His Majesty's Ship Majestic, Tarmouth Roads, the 14th Instant.*

SIR,

I HEREWITH inclose a Letter from the Right Honourable Lord George Stuart, Captain of His Majesty's Ship L'Aimable, reporting to me that he has captured La Decidé, a French Privateer, which I beg you will be pleased to lay before my Lords Commissioners of the Admiralty.

I am, &c.

T. M. RUSSELL.

*His Majesty's Ship L'Aimable, in Tarmouth Roads, November 13, 1807.*

SIR,

I BEG Leave to inform you, that on the 11th Instant at Daylight, (the Vlie Island then bearing S. 22 Deg. E. Distance Seventy-two Miles,) we perceived a Lugger bearing South of us, Distance about Seven Miles, but it being nearly calm, we were unable to chase; however, were fortunate enough to get the Breeze about One o'Clock, and I have great Satisfaction in acquainting you, that after a Chase of Five Hours, we succeeded in capturing her. She proves to be La Decidé, a beautiful large French Lugger Privateer, mounting Sixteen Guns, with a Complement of Fifty-one Men, (out from Dunkirk Three Days,) but having only Thirty-seven on board, the Rest being away in the Mary Transport, marked J. Z. (her only Capture this Cruise,) which she succeeded in taking the Day before at Two o'Clock, having on board Nine Artillery Drivers and Six Horses, from Copenhagen.

Though we had not the good Fortune to fall in with the Transport, I have the Pleasure to state, that we have found the Troops and Seamen on board the Lugger, with the Master of the Vessel.

The taking of this Lugger will, I trust, be of considerable Import, as she is considered the fastest sailing Vessel out of Dunkirk, and has escaped the Vigilance of our Cruisers for the last Three Years past, and has done considerable Damage to the Trade during that Time.

I have the Honour to be, &c.

(Signed) G. STUART.

*Extract of a Letter from Vice-Admiral Douglas, Commander in Chief of His Majesty's Ships and Vessels at North Tarmouth, to the Honourable W. W. Pole, dated November 15, 1807.*

I HAVE the Honour to inclose a Letter from Captain Sutton, of His Majesty's Sloop Oberon, acquainting me with his having captured the Rataha French Lugger Privateer, mounting Fourteen Guns, which had been cruising Four Days without taking any Thing, and is now in these Roads.

*His Majesty's Sloop Oberon, Tarmouth Roads, November 14, 1807.*

SIR,

I BEG Leave to acquaint you, for the Information of my Lords Commissioners of the Admiralty, that Yesterday at Half-past Eight A. M. Lowe-Rosse bearing W. by N. Distance Ten Leagues, I

Fell in with, and after a Chace of Four Hours, captured the French Lugger Privateer *Rafasia*, of Dunkirk, carrying Fourteen Guns, (only Two of which were mounted, the Rest in the Hold,) and Thirty-eight Men, commanded by Gilbert Lafozette, a Lieutenant in the French Navy. She sailed from Delfzyb, in the River Emis, the 9th Instant, and, am happy to say, she has made no Captures. From the Number of Prisoners I thought it necessary to return to these Roads.

I am, Sir, &c.

(Signed) G. M. SUTTON, Captain.  
To Vice-Admiral Douglas, &c. &c. &c.  
Falmouth.
