London, Monarch, and Bedford, to attend the Portuguese Fleet to the Brazils. I have thought it my Duty in Addition to the usual Order, to take the above Ships under his Orders, to give Captain Moore One to hoist a broad Pendant after passing Madeira, in order to give him greater Weight and Consequence in the Performance of the important and unufually delicate Duties I have confided to him. I feel the most perfect Reliance in that Officer's Judgment, Ability, and Zeal.

The Portuguele Ships did not after their Repartition want more Provisions or Slops from us than the List inclosed, which I supplied from this Ship

and the Conqueror.

This Dispatch will be delivered by Captain Yeo, of His Majesty's Sloop Confiance, who has shewn great Address and Zeal in opening the Communications by Flag of Truce, which it was the Interest of those in Power, who were against the Measure of
