A PROCLAMATION,

Revoking the former Proclamations relating to the Distribution of Prizes, and appointing a new Distribution thereof.

GEORGE R.

WHEREAS it has been represented to Us by Our Commissioners for executing the Office of Lord High Admiral, that it will be productive of beneficial Effects to the Service, if, instead of the Three Eighth Parts of the neat Produce of Prizes, which have hitherto been granted to the Captains and Flag-Officers serving in Our Fleet, Two Eighth Parts only shall be allotted to them, and the remaining Eighth Part distributed amongst the Petty Officers, Scamen, and Marines, in addition to their present Shares; We do therefore, by and with the Advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby revoking our several Proclamations heretofore issued, and now in Force, concerning the Distribution of Prizes taken by Our Fleets and Ships, and by all other Ships and Vessels that are or shall be commissioned by Letters of Marque or General Reprizals, against the Ships, Goods, and Subjects of any of the Countries with which We are at War: Provided always, that the Distribution hereinafter made shall not be construed to affect any Prizes which have been captured before the Day of the Date of this Our Royal Proclamation, nor any Prizes which shall be captured after that Day, and which shall be condemned in any of Our Courts of Vice-Admiralty, before Notice of this Our Royal Proclamation shall have been received by the Court of Vice-Admiralty in which such Condemnation shall pass; and We do hereby declare, that the Produce of all such Prizes as shall have been captured before the Day of the Date of this Our Royal Proclamation, or shall be captured that Day, and shall be condemned in any of Our Courts of Vice-Admiralty antecedent to

the Notice of this Our Royal Proclamation having been received in such Court; shall continue to be distributed in the Proportions directed by Our said former Proclamations; and We do now make known to all Our loving Subjects, and all others whom it may concern, by this Our Royal Proclamation, by and with the Consent of Our Privy Council, that Our Will and Pleasure is, that the Neat Produce of all Prizes taken, the Right whereof is inherent in Us and Our Crown, be given to the Taker, (save and except the Produce of such Prizes as are or shall be taken by Ships or Vessels belonging to, or hired by, or in the Service of Our Commissioners of Customs or Excise, the Disposition of which We reserve to Our further Pleasure, and also save and except as hereinafter-mentioned;) but subject to the Payment of all such or the like Customs and Duties as the same are now or would have been liable to if the same were or might have been imported as Merchandise; and that the same may be so given in the Proportion and Manner hereinafter set forth, that is to say,

That all Prizes taken by Ships and Vessels having Commissions of Letters of Marque and Reprizals, (save and except such Prizes as are or shall be taken by the Ships or Vessels belonging to, or hired by, or in the Service of Our Commissioners aforesaid,) may be sold and disposed of by the Merchants, Owners, Fitters, and others, to whom such Letters of Marque and Reprizals are granted, for their own Use and Benefit after final Adjudication, and not before.

And we do hereby further order and direct, that the neat Produce of all Prizes which are or shall be taken by any of Our Ships or Vessels of War (save and except when they shall be acting on any conjunct Expedition with Our Army, in which Case We reserve to Ourselves the Division and Distribution of all Prize and Booty taken; and also save and except as herein-after mentioned) shall be for the entire Benefit and Encouragement of Our Flag Officers, Captains, Commanders, and other Commissioned Officers

in Our Pay, and of the Seamen, Marines, and Soldiers on board Our said Ships and Vessels at the Time of the Capture; and that such Prizes may be lawfully sold and disposed of by them and their Agents after the same shall have been to Us finally adjudged lawful Prize, and not otherwise.

The Distribution shall be made as follows:—The Whole of the Net Produce being first divided into Eight equal Parts.

The Captain or Captains of any of Our said Ships or Vessels of War, or Officer commanding such Ship or Vessel, who shall be actually on board at the taking of any Prize, shall have Two-Eighth Parts, but in case any such Prize shall be taken by any of our Ships or Vessels of War, under the Command of a Flag or Flags, the Flag Officer or Officers being actually on board and directing or assisting in the Capture shall have One-Third of the said Two Eighth Parts; the said One Third of such Two Eighth Parts to be paid to such Flag or Flag-Officers in such Proportions, and subject to such Regulations as are hereinafter-mentioned.

The Sea Lieutenants, Captains of Marines and Land Forces, and Master, on board, shall have One Eighth Part, to be equally divided amongst them: But every Physician appointed, or hereafter to be appointed, to a Fleet or Squadron of Our Ships of War, shall, in the Distribution of Prizes, which may hereafter be taken by the Ships in which he shall serve, or in which such Ship's Company shall be entitled to share, be classed with the beforementioned Officers with respect to One Eighth Part, and be allowed to share equally with them; provided such Physician be actually on board at the Time of taking such Prizes.

The Lieutenants and Quarter-Masters of Marines, and Lieutenants, Ensigns, and Quarter-Masters of Land Forces, Secretaries of Admirals or of Commodores (with Captains under them), Second Masters of Line of Battle Ships, Surgeons, Chaplains, Purfers, Gunners, Boatswains, Carpenters, Masters'-Mates, and Pilots, on board, shall have One Eighth Part, to be equally divided amongst them.

The other Four Eighth Parts of the Prize to be divided into Shares, and distributed to the Persons composing the remaining Part of the Crew in the following Proportions; viz. To the First Class of Petty Officers, namely, the Midshipmen, Surgeons, Assistants, Secretaries'-Clerks, Captains'-Clerks, Schoolmasters, Masters at Arms, Captains' Coxswains, Gunners'-Mates, Yeomen of the Powder-Room, Boatswains'-Mates, Yeomen of the Sheets, Carpenters'-Mates, Quarter-Masters, Quarter-Masters'-Mates, Ship's Corporals, Captains of the Forecastle, Master Sailmakers, Master Caulkers, Master Ropemakers, Armourers, Serjeants of Marines and of Land Forces, Four and a Half Shares each.

To the Second Class of Petty Officers; viz. Midshipmen, Ordinary, Captains of the Foretop, Captains of the Maintop, Captains of the After Guard, Captains of the Mast, Sailmakers'-Mates, Caulkers'-Mates, Armourers'-Mates, Ships' Cook, Corporals of Marines and of Land Forces, Three Shares each.

The Quarter Gunners, Carpenters'-Crew, Sailmakers'-Crew, Coxswains'-Mates, Yeomen of the Boatswain's Store-Room, Gunsmiths, Coopers, Trumpeters, Able Seamen, Ordinary Seamen, Drummers, Private Marines, and other Soldiers, if doing Duty on board in lieu of Marines, One and a Half Share each.

The Landsmen, Admirals' Domesticks, and all other Ratings not above enumerated, together with all Passengers and other Persons borne as Supernumeraries, and doing Duty and assisting on board, One Share each, excepting Officers acting by Order, who are to receive the Share of that Rank in which they shall be acting.

And young Gentlemen Volunteers by Order, and the Boys of every Description, Half a Share each.

And We do hereby further order, that in the Case of Cutters, Schooners, Brigs, and other Armed Vessels, commanded by Lieutenants, the Distribution shall be as follows: First, that the Share of such Lieutenants shall be Two Eighth Parts of the Prize, unless such Lieutenants shall be under the Command of a Flag-Officer or Officers, in which Case the Flag-Officer or Officers shall have One Third of the said Two Eighths to be divided among such Flag-Officer or Officers, in the same Manner as herein directed in the Case of Captains serving under Flag-Officers:—Secondly, We direct that the Share of the Sub-Lieutenant, Master, and Pilot, shall be One Eighth; the said Eighth, if there be all Three such Persons on board, to be divided into Four Parts, Two Parts to be taken by the Sub-Lieutenant, One Part by the Master, and One Part by the Pilot; if there be only Two such Persons on board, then the Eighth to be divided into Three Parts, of which Two Thirds shall go to the Person Second in Command, and One Third to the other Person; if there be only a Sub-Lieutenant or a Master and no Pilot, then the Sub-Lieutenant or Master to take the whole Eighth; if there be only a Pilot, then such Pilot to have One Half of the Eighth, and the other Half to go to Greenwich Hospital:—Thirdly, That the Share of the Surgeon or Surgeon's Assistant (where there is no Surgeon), Midshipmen, Clerk, and Steward shall be One Eighth.—Fourthly, That the remaining Four Eighths shall be divided into Shares, and distributed to the other Part of the Crew, in the following Proportions: viz. the Gunners, Boatswains, and Carpenters' Mates, Yeomen of the Sheets, Sailmaker, Quarter-Master, and Quarter-Masters' Mates, and Serjeant of Marines, to receive Four and a Half

Shares each. The Corporals of Marines Three Shares each. The Able Seamen, Ordinary Seamen, and Marines, One and a Half Share each. The Landmen, together with Passengers and other Persons borne as Supernumeraries, doing Duty and assisting on board, to receive One Share each. Boys of all Descriptions, Half a Share each.

But it is Our Intention, nevertheless, that the above Distribution shall only extend to such Captures as shall be made by any Cutter, Schooner, Brig, or Armed Vessel, without any of Our Ships or Vessels of War being present, or within Sight of, and adding to the Encouragement of the Captors, and Terror of the Enemy; but in case any of Our Ships or Vessels of War shall be present, or in Sight, that then the Officers, Pilots, Petty Officers, and Men on board such Cutters, Schooners, Brigs, or Armed Vessels, shall share in the same Proportion as is allowed to Persons of the like Rank and Denomination on board of Our Ships and Vessels of War; the Sub-Lieutenant and Master to be considered as Warrant Officers; and such Cutters, Schooners, Brigs, or Armed Vessels shall not, in respect to such Captures, convey any Interest or Share to the Flag-Officer or Officers under whose Orders such Cutters, Schooners, Brigs, and Armed Vessels may happen to be. And whereas it is judged expedient, during the present Hostilities, to hire into Our Service Armed Vessels, to be employed as Cruizers against the Enemy, which Vessels are the Property of, and their Masters and Crews are paid by the Owners of whom they are hired, although several of them are commanded by Our Commissioned Officers in Our Pay, it is Our further Will and Pleasure that the Net Produce of all Prizes taken by such Hired Armed Vessels, (except as hereinafter-mentioned,) shall be for the Benefit of Our Commissioned Officers in Our Pay, and of the Masters and Crews on board the said Hired Armed Vessels at the Time of the Capture; and that such Prizes may be lawfully sold and disposed of by them and their Agents, after the same shall have been to Us finally adjudged lawful Prize, and not otherwise; the Distribution whereof shall be as follows:—The Whole of the Net Produce being divided into Eight equal Parts,

Our Officer commanding any Hired Armed Vessel, who shall be actually on board at the taking of any Prize, shall have Two Eighths; but in case such Hired Armed Vessel shall be under the Command of a Flag or Flags, the Flag-Officer or Officers being actually on board, or directing or assisting in the Capture, shall have One Third of the said Two Eight Parts; the said One Third of the Two Eighth Parts to be paid to such Flag or Flag-Officers in such Proportions, and subject to such Regulations, as are hereinafter-mentioned.—In case there be acting on board such Hired Armed Vessel, besides Our Officer

commanding the same, One or more of Our Commissioned Sea Lieutenants in Our Pay, such Lieutenant or Lieutenants shall take One Eighth.—One Eighth shall belong to the Master and Mate; of which the Master shall take Two-Thirds, and the Mate One-Third: But in case there shall be acting on board such Hired Armed Vessel One or more Midshipmen, in that Case the Master shall take One-Half of the Eighth, and the other Half shall be divided equally between the Mate and Midshipmen.—The remaining Four-Eighth Parts shall belong to, and being divided into Shares, be distributed among the other Petty Officers, Men, and Boys, in the same Proportion as hereinbefore directed with respect to the Division of Prize-Money in Our Ships of War.—And, in the Case of Prizes taken by any Hired Armed Vessel not commanded by any of Our Commissioned Officers, One-Eighth shall belong to the Flag-Officers, to be divided as aforesaid, in case such Hired Armed Vessel shall be under the Command of a Flag.—One-Eighth shall belong to the Master and Mate; of which the Master shall take Two-Thirds, and the Mate One-Third.—Four-Eighths shall belong to and be divided among the Petty Officers and Crew in Manner aforesaid.—The Surplus, the Distribution of which is not herein directed, shall remain at Our Disposal; and, if not disposed of within a Year after final Adjudication, the same shall belong and be paid to Greenwich-Hospital.—And in the Case of Prizes taken jointly, by any of Our Ships of War and any Hired Armed Vessel, Our Commissioned Officer or Officers on board such Hired Armed Vessel shall share with Our Commissioned Officer or Officers of the same Rank on board Our Ship or Ships of War, being joint Captors; the Master of such Hired Armed Vessel shall share with the Warrant Officers; the Mate of such Hired Armed Vessel with the First Class of Petty Officers; and the Seamen, Landmen, and Boys of such Hired Armed Vessel with Persons of the same Description on board Our said Ship or Ships of War; save and except, that, in case such Hired Armed Vessel shall be commanded by One of Our Commissioned Officers having the Rank of Master and Commander, and there shall be none of Our Lieutenants on board; or in case such Hired Armed Vessel shall be commanded by the Master, in both those Cases the Master of such Hired Armed Vessel shall share with the Lieutenants of Our Ships of War, and the Mate with the Warrant Officers.—And in Case any Difficulty shall arise in respect to the said Distribution, not herein sufficiently provided for, the same shall be referred to Our Lords Commissioners of the Admiralty, whose Direction thereupon shall be final, and have the same Force

and Effect as if herein inserted: Provided that if any Officer, being on board any of Our Ships of War at the Time of taking any Prize, shall have more Commissions or Offices than one, such Officer shall be entitled only to the Share or Shares of the Prizes which, according to the abovementioned Distribution, shall belong to his superior Commission or Office.—Provided also, that in all Prizes taken by any of Our Squadrons, Ships, or Vessels, while acting in Conjunction with any Squadron, Ship, or Vessel of any other Power that may be in Alliance with Us, a Share of such Prizes shall be set apart, and be at Our further Disposal, equal to that Share which the Flag and other Officers and Crews of such Squadron, Ships, or Vessels would have been entitled to if they had belonged to Us.

And we do hereby strictly enjoin all Commanders of Our Ships and Vessels of War taking any Prize, to transmit as soon as may be, or cause to be transmitted to the Commissioners of Our Navy, a true List of the Names of all the Officers, Seamen, Marines, Soldiers, and others who were actually on board Our Ships and Vessels of War under their Command at the Time of the Capture; which List shall contain the Quality of the Service of each Person on board, together with the Description of the Men, taken from the Description Books of the capturing Ship or Ships, and their several Ratings; and be subscribed by the Captain or Commanding Officer, and Three or more of the Chief Officers on board. And we do hereby require and direct the Commissioners of Our Navy, or any Three or more of them, to examine or cause to be examined, such Lists by the Muster Books of such Ships and Vessels of War and Lists annexed thereto, to see that such Lists do agree with the Muster Books and annexed Lists, as to the Names, Qualities, or Ratings of the Officers, Seamen, Marines, Soldiers, and others belonging to such Ships and Vessels of War; and upon Request, forthwith to grant a Certificate of the Truth of any List transmitted to them, to the Agents nominated and appointed by the Captors to take Care and dispose of such Prize; and also upon Application to them (the said Commissioners) to give, or cause to be given, to the said Agents, all such Lists from the Muster Books of any such Ships of War and annexed Lists, as the said Agents shall find requisite for their Direction in paying the Produce of such Prizes; and otherwise to be aiding and assisting to the said Agents, in all such Matters as shall be necessary.

We do hereby further will and direct, that the following Regulations shall be observed concerning the One Third Part of the Two Eighths hereinbefore mentioned, to be granted to the Flag, or Flag-Officers, who shall actually be on board at the taking of any Prize, or shall be directing or assisting therein.—First, that a Captain of a Ship shall be

deemed to be under the Command of a Flag, when he shall actually have received some Order directly from, or be acting in Execution of some Order issued by a Flag-Officer; and in the Event of his being directed to join a Flag-Officer on any Station, he shall be deemed to be under the Command of such Flag-Officer from the Time that he arrives within the Limits of the Station, and shall be considered to continue under the Command of the Flag-Officer of such Station, until such Captain shall have received some Order directly from, or be acting in Execution of some Order issued by some other Flag-Officer, or the Lords Commissioners of the Admiralty.—Secondly, That a Flag-Officer Commander in Chief, when there is but One Flag-Officer upon Service, shall have to his own Use the One Third Part of the said Two Eighths of the Prizes taken by Ships and Vessels under his Command.—Thirdly, That a Flag-Officer sent to command on any Station, shall have a Right to share as Commander in Chief for all Prizes taken by Ships or Vessels employed there from the Time he arrives within the Limits of such Station; but if a Junior Flag-Officer be sent to relieve a Senior, he shall not be entitled to share as Commander in Chief in any Prizes taken by the Squadron, until the Command shall be resigned to him, but shall share only as a Junior Flag-Officer until he assumes the Command.—Fourthly, That a Commander in Chief or other Flag-Officer, appointed or belonging to any Station, and passing through or into any other Station, shall not be entitled to share in any Prize taken out of the Limits of the Station to which he is appointed or belongs, by any Ship or Vessel under the Command of a Flag-Officer of any other Station, or under Admiralty Orders.—Fifthly, that when an Inferior Flag-Officer is sent to reinforce a Superior Flag-Officer on any Station, the Superior Flag-Officer shall have no Right to any Share of Prizes taken by the Inferior Flag-Officer, before the Inferior Flag-Officer shall arrive within the Limits of the Station, or shall actually receive some Order directly from him, or be acting in Execution of some Order issued by him. And such Inferior Flag-Officer shall be entitled his Proportion of all the Captures made by the Squadron which he is sent to reinforce, from the Time he shall arrive within the Limits of the Command of such Superior Flag-Officer.—Sixthly, That a Chief Flag-Officer quitting a Station, either to return Home or to assume another Command, or otherwise, except upon some particular urgent Service, with the Intention of returning to the Station as soon as such Service is performed, shall have no Share of Prizes taken by the Ships or Vessels left behind, after he shall have surrendered the Command to another Flag-Officer, appointed by the Admiralty to be Commander in Chief upon such Station, or after he shall have passed the Limits of the Station, in the Event of his leaving the Com-

mand without being superseded.—Seventhly, That an inferior Flag-Officer quitting a Station, except when detached by Orders from his Commander in Chief out of the Limits thereof upon a special Service, with Orders to return to such Station as soon as such Service is performed, shall have no Share in Prizes taken by the Ships and Vessels remaining on the Station, after he shall have passed the Limits thereof; and, in like Manner, the Flag-Officers remaining on the Station shall have no Share of the Prizes taken by such inferior Flag-Officer, or by the Ships and Vessels under his immediate Command, after he shall have quitted the Limits of the Station, except when detached as aforesaid.—Eighthly, That when Vessels under the Command of a Flag, which belong to separate Stations, shall happen to be joint Captors, the Captain of each Ship shall pay One-Third of the Share to which he is entitled, to the Flag-Officers of the Station to which he belongs; but the Captains of Vessels under Admiralty Orders, being joint Captors with other Vessels under a Flag, shall retain the Whole of their Share.—Ninthly, That if a Flag-Officer is sent to command in the Out-Ports of this Kingdom, he shall have no Share of the Prizes taken by Ships or Vessels which have sailed, or shall sail, from that Port by Order from the Admiralty.—Tenthly, That when more Flag-Officers than One serve together, the One Third Part of the Two Eighth Parts of the Prizes taken by any Ships or Vessels of the Fleet or Squadron shall be divided in the following Proportions, viz. If there be but Two Flag-Officers, the Chief shall have Two-Third Parts of the said Third of Two-Eighths, and the other shall have the remaining Third Part; but if the Number of Flag-Officers be more than Two, the Chief shall only have One Half, and the other Half shall be equally divided among the junior Flag-Officers.—Eleventhly, That Commodores, with Captains under them, shall be esteemed as Flag-Officers with respect to the One Third of the Two Eighth Parts of Prizes taken, whether commanding in Chief, or serving under Command.—Twelfthly, That the First Captain to the Admiral, and Commander in Chief of Our Fleet, and also the First Captain to Our Flag-Officer, appointed, or hereafter to be appointed, to command a Fleet or Squadron of Ten Ships of the Line of Battle, or upwards, shall be deemed and taken to be a Flag-Officer, and shall be entitled to a Part or Share of Prizes as the Junior Flag-Officer of such Fleet or Squadron.

Given at Our Court at the Queen's Palace, the Fifteenth Day of June One thousand eight hundred and eight, in the Forty-eighth Year of Our Reign.

GOD save the KING.

St. James's, June 15, 1808.

THE following Address having been transmitted to the Right Honourable Lord Hawkebury, His Majesty's Principal Secretary of State for the Home Department, has been by his Lordship presented to the King; which Address His Majesty was pleased to receive very graciously:

To the KING's Most Excellent Majesty,

The humble Address of the Inhabitants of Newcastle-upon-Tyne.

Most Gracious Sovereign,

WE, your Majesty's dutiful Subjects, the Inhabitants of Newcastle-upon-Tyne, implore your Majesty's gracious Acceptance of our Assurances of unabated Loyalty, and of our Devotion to your Majesty's Person and Government, and to the Constitution of our Country.

Whilst we deeply regret the Calamities of a protracted War, and the Burthens which have long pressed upon your faithful Subjects, we are aware that we cannot hope for the Blessings of a secure and

permanent Peace, but from the persevering Exertions of an united, brave, and free People. And we trust that the Resources of the Country, the Energy of your Majesty's Councils, and the Bravery of your Fleets and Armies, will be found commensurate to the Dangers which surround us, and will ultimately prevail in restoring Tranquillity to suffering Nations.

[Transmitted by Sir Matthew White Ridley, Bart. one of the Representatives in Parliament for Newcastle-upon-Tyne.]

WE, the Lords Commissioners of His Majesty's Treasury in Great Britain, do hereby declare, in pursuance of an Act of the Forty-seventh Year of the Reign of His present Majesty King George the Third, intituled "An Act to allow for Two Years from and after the passing of this Act, an additional Bounty on Double Refined Sugar, and to extend former Bounties on other Refined Sugar to such as shall be pounded, crushed, or broken; and to allow for One Year certain Bounties on British Plantation Raw Sugar exported;" that the Regulations of the said Act contained, relating to the Allowance of the Bounties on Lump or Loaf Sugar pounded, crushed, or broken, or on Sugar Candy, in pursuance thereof, shall be extended to the Port of Newcastle — Whitehall, Treasury Chambers, the 14th Day of June 1808.

Admiralty-Office, June 7, 1808.

WHEREAS it appears that very gross Impostions are practised by certain Persons calling themselves "Admiralty Agents," who, under Pretence of the Trouble and Expences incurred by them in soliciting the Discharge of Men from His Majesty's Service, are in the Habit of extorting large Sums of Money from those who employ them; Notice is hereby given, by Order of the Lords Commissioners of the Admiralty, that no Applications from Persons of this Description will in future be regarded; and that Representations only, made personally at the Admiralty, by the Friends or others immediately interested in the Discharge of Men impressed in the Port of London, or by Letter to the Secretary in Behalf of those impressed at any of the Out Ports, will be attended to, when upon the Production or Transmission of the necessary Documents, as Apprentices' Indentures, Certificates of Baptism, Protections, &c. the respective Cases will be inquired into, and the Parties made acquainted with the Result of the Board's Determination thereon, free of all Expence whatsoever.

A proper Person will be ordered to attend in the Great Hall of the Admiralty, from Eleven o'Clock till Two, to receive Applications on the Subject above-mentioned.

W. W. POLE.

Whitehall, June 14, 1808.

Whereas it has been humbly represented to Us, that, on Monday the 30th Day of May last, an outrageous Mob, of several Thousands in Number, collected together in the Town and Parish of Rochdale, in the County of Lancaster, and broke open the private Houses

of Cotton and Woollen Weavers, carried off their Shuttles and other Implements of Weaving, and demolished the Glass Windows of the Office where the Magistrates were then met for transacting public Business and preserving the Peace of the Town and Neighbourhood, by throwing large Stones thereat, several of which Stones wounded the special Constables then in Attendance; and in the Evening of that Day broke open and entirely burnt down the Prison then and there being: And whereas, on Tuesday the 31st of the said Month of May, such Rioters continued their Depredations, and in the Evening thereof extorted Money from divers peaceable Inhabitants of the said Town and Parish of Rochdale, by gathering themselves together in large Bodies, and menacing to burn their Houses, Factories, Mills, &c. and proceeded to such Extremities that the Lives of Individuals were not only threatened, but in most imminent Danger;

His Majesty, for the better apprehending and bringing to Justice the Persons concerned in the Felony above-mentioned, is hereby pleased to promise His most gracious Pardon to any one of them (except the Person or Persons who actually set Fire to the said Prison) who shall discover his, her or their Accomplice or Accomplices therein, so that he, she, or they may be apprehended and convicted thereof.

HAWKESBURY.

And, as a further Encouragement, a Reward of FIFTY POUNDS is hereby offered to any Person or Persons making such Discovery as aforesaid. (except as is before excepted,) to be paid upon Conviction of one or more of the Offenders, on Application to Mr. James Proctor, of Rochdale aforesaid, one of the Constables thereof.
