A PROCLAMATION,

Revoking the former Proclamations relating to the Distribution of Prizes, and appointing a new Distribution thereof.

GEORGE R.

WHEREAS it has been represented to Us by Our Commissioners for executing the Office of Lord High Admiral, that it will be productive of beneficial Effects to the Service, if, instead of the Eighth Parts of the neat Produce of Prizes, which have hitherto been granted to the Captains and Flag Officers serving in Our Fleet, Two Eighth Parts only shall be allotted to them, and the remaining Eighth Part distributed amongst the Petty Officers, Seamen, and Marines, in addition to their present Shares; We do therefore, by and with the Advice of Our Privy Council, think fit to issue this Our Royal Proclamation, hereby revoking our several Proclamations heretofore issued, and now in Force, concerning the Distribution of Prizes taken by Our Fleets and Ships, and by all other Ships and Vessels that are or shall be commissioned by Letters of Marque or General Reprizals, against the Ships, Goods, and Subjects of any of the Countries with which We are at War: Provided always, that the Distribution hereinafter made shall not be construed to affect any Prizes which have been captured before the Day of the Date of this Our Royal Proclamation, nor any Prizes which shall be captured after that Day, and which shall be condemned in any of Our Courts of Vice-Admiralty, before Notice of this Our Royal Proclamation shall have been received by the Court of Vice-Admiralty in which such Condemnation shall pass; and We do hereby declare, that the Produce of all such Prizes as shall have been captured before the Day of the Date of this Our Royal Proclamation, or shall be captured that Day, and shall be condemned in any of Our Courts of Vice-Admiralty antecedent to the Notice of this Our Royal Proclamation having been received in such Court, shall continue to be distributed in the Proportions directed by Our said former Proclamations; and We do now make known to all Our loving Subjects, and all others whom it may concern, by this Our Royal Proclamation, by and with the Consent of Our Privy Council, that

Our Will and Pleasure is, that the Neat Produce of all Prizes taken, the Right whereof is inherent in Us and Our Crown, be given to the Taker, (save and except the Produce of such Prizes as are or shall be taken by Ships or Vessels belonging to, or hired by, or in the Service of Our Commissioners of Customs or Excise, the Disposition of which We reserve to Our further Pleasure, and also save and except as hereinafter-mentioned;) but subject to the Payment of all such or the like Customs and Duties as the same are now or would have been liable to if the same were or might have been imported as Merchandise; and that the same may be so given in the Proportion and Manner hereinafter set forth, that is to say,

That all Prizes taken by Ships and Vessels having Commissions of Letters of Marque and Reprizals, (save and except such Prizes as are or shall be taken by the Ships or Vessels belonging to, or hired by, or in the Service of Our Commissioners aforesaid,) may be sold and disposed of by the Merchants, Owners, Fitters, and others, to whom such Letters of Marque and Reprizals are granted, for their own Use and Benefit after final Adjudication, and not before.

And we do hereby further order and direct, that the neat Produce of all Prizes which are or shall be taken by any of Our Ships or Vessels of War (save and except when they shall be acting on any conjunct Expedition with Our Army, in which Case We reserve to Ourselves the Division and Distribution of all Prize and Booty taken; and also save and except as hereinafter-mentioned) shall be for the entire Benefit and Encouragement of Our Flag Officers, Captains, Commanders, and other Commissioned Officers in Our Pay, and of the Seamen, Marines, and Soldiers on board Our said Ships and Vessels at the Time of the Capture; and that such Prizes may be lawfully sold and disposed of by them and their Agents after the same shall have been to Us finally adjudged lawful Prize, and not otherwise.

The Distribution shall be made as follows:—The Whole of the Net Produce being first divided into Eight equal Parts,

The Captain or Captains of any of Our said Ships or Vessels of War, or Officer commanding such Ship or Vessel, who shall be actually on board at the taking of any Prize, shall have Two-Eighth Parts, but in case any such Prize shall be taken by

any of our Ships or Vessels of War, under the Command of a Flag or Flags, the Flag Officer or Officers being actually on board and directing or assisting in the Capture shall have One-Third of the said Two Eighth Parts; the said One Third of such Two Eighth Parts to be paid to such Flag or Flag-Officers in such Proportions, and subject to such Regulations as are hereinafter-mentioned.

The Sea Lieutenants, Captains of Marines and Land Forces, and Master, on board, shall have One Eighth Part, to be equally divided amongst them: But every Physician appointed, or hereafter to be appointed, to a Fleet or Squadron of Our Ships of War, shall, in the Distribution of Prizes, which may hereafter be taken by the Ships in which he shall serve, or in which such Ship's Company shall be entitled to share, be classed with the beforementioned Officers with respect to One Eighth Part, and be allowed to share equally with them; provided such Physician be actually on board at the Time of taking such Prizes.

The Lieutenants and Quarter-Masters of Marines, and Lieutenants, Ensigns, and Quarter-Masters of Land Forces, Secretaries of Admirals or of Commodores (with Captains under them), Second Masters of Line of Battle Ships, Surgeons, Chaplains, Purfers, Gunners, Boatswains, Carpenters, Masters'-Mates, and Pilots, on board, shall have One Eighth Part, to be equally divided amongst them.

The other Four Eighth Parts of the Prize to be divided into Shares, and distributed to the Persons composing the remaining Part of the Crew in the following Proportions; viz. To the First Class of Petty Officers, namely, the Midshipmen, Surgeons, Assistants, Secretaries'-Clerks, Captains'-Clerks, Schoolmasters, Masters at Arms, Captains' Coxswains, Gunners'-Mates, Yeomen of the Powder-Room, Boatswains'-Mates, Yeomen of the Sheets, Carpenters'-Mates, Quarter-Masters, Quarter-Masters'-Mates, Ship's Corporals, Captains of the Forecastle, Master Sailmakers, Master Caulkers, Master Ropemakers, Armourers, Serjeants of Marines and of Land Forces, Four and a Half Shares each.

To the Second Class of Petty Officers; viz. Midshipmen, Ordinary, Captains of the Foretop, Captains of the Maintop, Captains of the After Guard, Captains of the Mast, Sailmakers'-Mates, Caulkers'-Mates, Armourers'-Mates, Ships' Cook, Corporals of Marines and of Land Forces, Three Shares each.

The Quarter Gunners, Carpenters'-Crew, Sailmakers'-Crew, Coxswains'-Mates, Yeomen of the Boatwain's Store-Room, Gunsmiths, Coopers, Trumpeters, Able Seamen, Ordinary Seamen, Drummers, Private Marines, and other Soldiers, if doing Duty on board in lieu of Marines, One and a Half Share each.

The Landsmen, Admirals' Domesticks, and all other Ratings not above enumerated, together with all Passengers and other Persons borne as Supernumeraries, and doing Duty and assisting on board, One Share each, excepting Officers acting by Order, who are to receive the Share of that Rank in which they shall be acting.

And young Gentlemen Volunteers by Order, and the Boys of every Description, Half a Share each.

And We do hereby further order, that in the Case of Cutters, Schooners, Brigs, and other Armed Vessels, commanded by Lieutenants, the Distribution shall be as follows: First, that the Share of such Lieutenants shall be Two Eighth Parts of the Prize, unless such Lieutenants shall be under the Command of a Flag Officer or Officers, in which Case the Flag-Officer or Officers shall have One Third of the said Two Eighthths to be divided among such Flag-Officer or Officers, in the same Manner as herein directed in the Case of Captains serving under Flag-Officers:

Secondly, We direct that the Share of the Sub-Lieutenant, Master, and Pilot, shall be One Eighth; the said Eighth, if there be all Three such Persons on board, to be divided into Four Parts, Two Parts to be taken by the Sub-Lieutenant, One Part by the Master, and One Part by the Pilot; if there be only Two such Persons on board, then the Eighth to be divided into Three Parts, of which Two Thirds shall go to the Person Second in Command, and One Third to the other Person; if there be only a Sub-Lieutenant or a Master and no Pilot, then the Sub-Lieutenant or Master to take the whole Eighth; if there be only a Pilot, then such Pilot to have One Half of the Eighth, and the other Half to go to Greenwich Hospital:—Thirdly, That the Share of the Surgeon or Surgeon's Assistant (where there is no Surgeon), Midshipmen, Clerk, and Steward shall be One Eighth.—Fourthly, That the remaining Four Eighthths shall be divided into Shares, and distributed to the other Part of the Crew, in the following Proportions: viz. the Gunners, Boatswains, and Carpenters' Mates, Yeomen of the Sheets, Sailmaker, Quarter-Master, and Quarter-Masters' Mates, and Serjeant of Marines, to receive Four and a Half Shares each. The Corporals of Marines Three Shares each. The Able Seamen, Ordinary Seamen, and Marines, One and a Half Share each. The Landmen, together with Passengers and other Persons borne as Supernumeraries, doing Duty and assisting on board, to receive One Share each. Boys of all Descriptions, Half a Share each.

But it is Our Intention, nevertheless, that the above Distribution shall only extend to such Captures as shall be made by any Cutter, Schooner, Brig, or Armed Vessel, without any of Our Ships or Vessels of War being present, or within Sight of, and adding to the Encouragement of the Captors, and Terror of the Enemy; but in case any of Our Ships or Vessels of War shall be present, or in Sight, that then the Officers, Pilots, Petty Officers, and Men on board such Cutters, Schooners, Brigs, or Armed Vessels, shall share in the same Proportion as is allowed to Persons of the like Rank and Denomination on board of Our Ships and Vessels of War; the Sub-Lieutenant and Master to be considered as Warrant Officers; and such Cutters, Schooners, Brigs, or Armed Vessels shall not, in respect to such Captures, convey any Interest or Share to the Flag-Officer or Officers under whose Orders such Cutters, Schooners, Brigs, and Armed Vessels may happen to be: And whereas it is judged expedient, during the present Hostilities, to hire into Our Service Armed Vessels, to be employed as Cruizers against the Enemy, which Vessels are the Property of, and their Masters and Crews are paid by the Owners of whom they are hired, although several of them are commanded by Our Commissioned Officers in Our Pay, it is Our further Will and Plea-

sure that the Neat Produce of all Prizes taken by such Hired Armed Vessels, (except as hereinafter-mentioned,) shall be for the Benefit of Our Commissioned Officers in Our Pay, and of the Masters and Crews on board the said Hired Armed Vessels at the Time of the Capture; and that such Prizes may be lawfully sold and disposed of by them and their Agents, after the same shall have been to Us finally adjudged lawful Prize, and not otherwise; the Distribution whereof shall be as follows:—The Whole of the Neat Produce being divided into Eight equal Parts,

Our Officer commanding any Hired Armed Vessel, who shall be actually on board at the taking of any Prize, shall have Two Eighths; but in case such Hired Armed Vessel shall be under the Command of a Flag or Flags, the Flag-Officer or Officers being actually on board, or directing or assisting in the Capture, shall have One Third of the said Two Eight Parts; the said One Third of the Two Eighth Parts to be paid to such Flag or Flag Officers in such Proportions, and subject to such Regulations, as are hereinafter-mentioned.—In case there be acting on board such Hired Armed Vessel, besides Our Officer commanding the same, One or more of Our Commissioned Sea Lieutenants in Our Pay, such Lieutenant or Lieutenants shall take One Eighth.—One Eighth shall belong to the Master and Mate; of which the Master shall take Two-Thirds, and the Mate One-Third: But in case there shall be acting on board such Hired Armed Vessel One or more Midshipmen, in that Case the Master shall take One-Half of the Eighth, and the other Half shall be divided equally between the Mate and Midshipmen.—The remaining Four-Eighth Parts shall belong to, and being divided into Shares, be distributed among the other Petty Officers, Men, and Boys, in the same Proportion as hereinbefore directed with respect to the Division of Prize-Money in Our Ships of War.—And, in the Case of Prizes taken by any Hired Armed Vessel not commanded by any of Our Commissioned Officers, One-Eighth shall belong to the Flag-Officers, to be divided as aforesaid, in case such Hired Armed Vessel shall be under the Command of a Flag.—One-Eighth shall belong to the Master and Mate; of which the Master shall take Two-Thirds, and the Mate One-Third.—Four-Eighths shall belong to and be divided among the Petty Officers and Crew in Manner aforesaid.—The Surplus, the Distribution of which is not herein directed, shall remain at Our Disposal; and, if not disposed of within a Year after final Adjudication, the same shall belong and be paid to Greenwich-Hospital.—And in the Case of Prizes taken jointly, by any of Our Ships of War and any Hired Armed Vessel, Our Commissioned Officer or Officers on board such Hired Armed Vessel shall share with Our Commissioned Officer or Officers of the same Rank on board Our Ship or Ships of War, being joint Captors; the Master of such Hired Armed Vessel shall share with the Warrant Officers; the Mate of such Hired Armed Vessel with the First Class of Petty Officers; and the Seamen, Landmen, and Boys of such Hired Armed Vessel with

Persons of the same Description on board Our said Ship or Ships of War; save and except, that, in case such Hired Armed Vessel shall be commanded by One of Our Commissioned Officers having the Rank of Master and Commander, and there shall be none of Our Lieutenants on board; or in case such Hired Armed Vessel shall be commanded by the Master, in both those Cases the Master of such Hired Armed Vessel shall share with the Lieutenants of Our Ships of War, and the Mate with the Warrant Officers.—And in Case any Difficulty shall arise in respect to the said Distribution, not herein sufficiently provided for, the same shall be referred to Our Lords Commissioners of the Admiralty, whose Direction thereupon shall be final, and have the same Force and Effect as if herein inserted: Provided that if any Officer, being on board any of Our Ships of War at the Time of taking any Prize, shall have more Commissions or Offices than one, such Officer shall be entitled only to the Share or Shares of the Prizes which, according to the abovementioned Distribution, shall belong to his superior Commission or Office.—Provided also, that in all Prizes taken by any of Our Squadrons, Ships, or Vessels, while acting in Conjunction with any Squadron, Ship, or Vessel of any other Power that may be in Alliance with Us, a Share of such Prizes shall be set apart, and be at Our further Disposal, equal to that Share which the Flag and other Officers and Crews of such Squadron, Ships, or Vessels would have been entitled to if they had belonged to Us.

And we do hereby strictly enjoin all Commanders of Our Ships and Vessels of War taking any Prize, to transmit as soon as may be, or cause to be transmitted to the Commissioners of Our Navy, a true List of the Names of all the Officers, Seamen, Marines, Soldiers, and others who were actually on board Our Ships and Vessels of War under their Command at the Time of the Capture; which List shall contain the Quality of the Service of each Person on board, together with the Description of the Men, taken from the Description Books of the capturing Ship or Ships, and their several Ratings; and be subscribed by the Captain or Commanding Officer, and Three or more of the Chief Officers on board. And we do hereby require and direct the Commissioners of Our Navy, or any Three or more of them, to examine or cause to be examined, such Lists by the Muster Books of such Ships and Vessels of War and Lists annexed thereto, to see that such Lists do agree with the Muster Books and annexed Lists, as to the Names, Qualities, or Ratings of the Officers, Seamen, Marines, Soldiers, and others belonging to such Ships and Vessels of War; and upon Request, forthwith to grant a Certificate of the Truth of any List transmitted to them, to the Agents nominated and appointed by the Captors to take Care and dispose of such Prize; and also upon Application to them (the said Commissioners) to give, or cause to be given, to the said Agents, all such Lists from the Muster Books of any such Ships of War and annexed Lists, as the said Agents shall find requisite for their Direction in paying the Produce of such Prizes; and otherwise to be aiding and assisting to the said Agents, in all such Matters as shall be necessary.

We do hereby further will and direct, that the following Regulations shall be observed concerning the One Third Part of the Two Eighths hereinbefore mentioned, to be granted to the Flag, or Flag-Officers, who shall actually be on board at the taking of any Prize, or shall be directing or assisting therein.—First, that a Captain of a Ship shall be deemed to be under the Command of a Flag, when he shall actually have received some Order directly from, or be acting in Execution of some Order issued by a Flag-Officer; and in the Event of his being directed to join a Flag-Officer on any Station, he shall be deemed to be under the Command of such Flag-Officer from the Time that he arrives within the Limits of the Station, and shall be considered to continue under the Command of the Flag-Officer of such Station, until such Captain shall have received some Order directly from, or be acting in Execution of some Order issued by some other Flag-Officer, or the Lords Commissioners of the Admiralty.—Secondly, That a Flag-Officer Commander in Chief, when there is but One Flag-Officer upon Service, shall have to his own Use the One Third Part of the said Two Eighths of the Prizes taken by Ships and Vessels under his Command.—Thirdly, That a Flag-Officer sent to command on any Station, shall have a Right to share as Commander in Chief for all Prizes taken by Ships or Vessels employed there from the Time he arrives within the Limits of such Station; but if a Junior Flag-Officer be sent to relieve a Senior, he shall not be entitled to share as Commander in Chief in any Prizes taken by the Squadron, until the Command shall be resigned to him, but shall share only as a Junior Flag-Officer until he assumes the Command.—Fourthly, That a Commander in Chief or other Flag-Officer, appointed or belonging to any Station, and passing through or in o any other Station, shall not be entitled to share in any Prize taken out of the Limits of the Station to which he is appointed or belongs, by any Ship or Vessel under the Command of a Flag-Officer of any other Station, or under Admiralty Orders.—Fifthly, that when an Inferior Flag-Officer is sent to reinforce a Superior Flag-Officer on any Station, the Superior Flag-Officer shall have no Right to any Share of Prizes taken by the Inferior Flag-Officer, before the Inferior Flag-Officer shall arrive within the Limits of the Station, or shall actually receive some Order directly from him, or be acting in Execution of some Order issued by him. And such Inferior Flag-Officer shall be entitled to his Proportion of all the Captures made by the Squadron which he is sent to reinforce, from the Time he shall arrive within the Limits of the Command of such Superior Flag-Officer.—Sixthly, That a Chief Flag-Officer quitting a Station, either to return Home or to assume another Command, or otherwise, except upon some particular urgent Service, with the Intention of returning to the Station as soon as such Service is performed, shall have no Share of Prizes taken by the Ships or Vessels left behind, after he shall have surrendered the Command to another Flag-Officer, appointed by the Admiralty to be Commander in Chief upon such Station, or after he shall have passed the Limits of the Station, in the Event of his leaving the Command without being superseded.—Seventhly, That an inferior Flag-Officer quitting a Station, except when detached by Orders from his Commander in

Chief out of the Limits thereof upon a special Service, with Orders to return to such Station as soon as such Service is performed, shall have no Share in Prizes taken by the Ships and Vessels remaining on the Station, after he shall have passed the Limits thereof; and, in like Manner, the Flag-Officers remaining on the Station shall have no Share of the Prizes taken by such inferior Flag-Officer, or by the Ships and Vessels under his immediate Command, after he shall have quitted the Limits of the Station, except when detached as aforesaid.—Eighthly, That when Vessels under the Command of a Flag, which belong to separate Stations, shall happen to be joint Captors, the Captain of each Ship shall pay One-Third of the Share to which he is entitled, to the Flag-Officers of the Station to which he belongs; but the Captains of Vessels under Admiralty Orders, being joint Captors with other Vessels under a Flag, shall retain the Whole of their Share.—Ninthly, That if a Flag-Officer is sent to command in the Out Ports of this Kingdom, he shall have no Share of the Prizes taken by Ships or Vessels which have sailed, or shall sail, from that Port by Order from the Admiralty.—Tenthly, That when more Flag-Officers than One serve together, the One Third Part of the Two Eighth Parts of the Prizes taken by any Ships or Vessels of the Fleet or Squadron shall be divided in the following Proportions, viz. If there be but Two Flag-Officers, the Chief shall have Two-Third Parts of the said Third of Two-Eighths, and the other shall have the remaining Third Part; but if the Number of Flag-Officers be more than Two, the Chief shall only have One Half, and the other Half shall be equally divided among the junior Flag-Officers. Eleventhly, That Commodores, with Captains under them, shall be esteemed as Flag-Officers with respect to the One Third of the Two Eighth Parts of Prizes taken, whether commanding in Chief, or serving under Command.—Twelfthly, That the First Captain to the Admiral, and Commander in Chief of Our Fleet, and also the First Captain to Our Flag-Officer, appointed, or hereafter to be appointed, to command a Fleet or Squadron of Ten Ships of the Line of Battle, or upwards, shall be deemed and taken to be a Flag-Officer, and shall be entitled to a Part or Share of Prizes as the Junior Flag-Officer of such Fleet or Squadron.

Given at Our Court at the Queen's Palace, the Fifteenth Day of June One thousand eight hundred and eight, in the Forty-eighth Year of Our Reign.

GOD save the KING.

By the KING.

A. P R O C L A M A T I O N,

For pardoning such Seamen and Marines as have deserted, and shall return into His Majesty's Service on or before the Thirty-first Day of December next.

GEORGE R.

WHEREAS We are desirous to give all due Encouragement to such Seamen as may have deserted from any of Our Ships since the Tenth Day of October One thousand eight hundred and five; and shall be willing to return to Our Service; We have thought fit, by and with the Advice of Our

Privy Council, to publish this Our Royal Proclamation, and do hereby promise Our most gracious Pardon to all such Deserters as shall repair on board any of Our Ships or Vessels on or before the Thirty first Day of December next; and We do hereby further promise Our most gracious Pardon to all such Seamen as, having deserted, are now belonging to some one of Our Ships; and We do also hereby promise Our most gracious Pardon to all Marines who may have deserted from our Service since the said Tenth Day of October One thousand eight hundred and five, and shall on or before the said Thirty-first Day of December next, surrender themselves at the Headquarters of the Royal Marines established at Portsmouth, Plymouth, or Chatham, or to any Recruiting Party of Our said Forces; and We do hereby declare, that all Seamen and Royal Marines so surrendering themselves as aforesaid, shall be released and discharged from all Prosecutions, Imprisonments, and Penalties commenced or incurred by reason of any such Offence; but that such Pardon shall not entitle Deserters, whether Seamen or Marines, to any Arrears of Pay forfeited by such Desertion: And We do hereby further declare, that all such Deserters, whether Seamen or Marines, who shall not on or before the said Thirty-first Day of December next, surrender themselves on board One of Our Ships or Vessels of War, or at the Headquarters of the Royal Marines established at Portsmouth, Plymouth, or Chatham, or to some Recruiting Party of the said Forces, or who shall hereafter absent themselves from the Ships to which they belong, or from the Marine Quarters, without Leave from their Commanding Officers, shall be tried at a Court Martial, and being found guilty, shall be deemed unfit Objects of Our Royal Mercy, and shall suffer the Punishment of Death, or such other Punishment as they shall be condemned to suffer by Sentence of the said Court.

Given at Our Court at the Queen's Palace, the Fourth Day of May, One thousand eight hundred and eight, in the Forty-eighth Year of Our Reign.

GOD save the KING.

P R E S E N T,

The KING's Most Excellent Majesty in Council.

Admiralty-Office, June 28, 1808.

A Letter and its Inclosures, received from Vice-Admiral Sir Edward Pellew, Bart. Commander in Chief of His Majesty's Ships and Vessels in the East Indies, addressed to William Morfden, Esq; dated on board the Culloden, Grieffe Harbour, the 14th December 1807, conveys the following Intelligence:

It appears that the Vice-Admiral had sailed from Malacca on the 20th of November last, and had arrived with the Squadron of His Majesty's Ships named in the Margin*, off Point Panka, at the Eastern Extremity of Java, on the 5th of the following Month, with the Troops embarked on board them; that, in Conjunction with Lieutenant-Colonel Lockhart, commanding the Troops, he had sent a Commission under a Flag of Truce to treat with the Commandant of the Dutch Naval Force, for the Surrender of the Ships of War lying at Grieffe; and by Copies of the Correspondence which passed in consequence, it appears that the Admiral had caused the Ships named at the Foot hereof to be burnt (they having been previously scuttled by the Dutch); that all the Guns, Military Stores &c. in the Garrison of Grieffe, had, together with the Battery of Sambelangan, on the Island of Madura, been most effectually destroyed.

Sir Edward expresses his Approbation of the Zeal and Perseverance manifested by the respective Officers and Men employed upon the Service above mentioned.
