*St. James's, August 3, 1808.*

THE following Addresses having been transmitted to the Right Honourable Lord Hawkebury, His Majesty's Principal Secretary of State for the Home Department, have been by his Lordship presented to the King; which Addresses His Majesty was pleased to receive very graciously:

To the KING's Most Excellent Majesty,

The humble Address of the Mayor, Aldermen, Bailiffs, and Common Council of the Town of Liverpool, in Council assembled.

*May it please your Majesty,*

WE, your Majesty's dutiful and loyal Subjects, the Mayor, Aldermen, Bailiffs, and Common Council of the Town of Liverpool, in Council assembled, beg Leave to approach the Throne with the most heartfelt Congratulations on those late Events on the Continent of Europe, which seem to promise the Dawn of a brighter Day to the Liberties and the Independence of Nations.

Your Majesty's paternal Care, through a long and glorious Reign, has often called from us respectful Expressions of Gratitude and Attachment; and we cannot avoid on this Occasion entreating your Majesty to accept our most unfeigned Thanks for the recent Instance of your Solitude, not only for the Safety of your People, but for the Honour of the British Name, by evincing to Europe and to the World the Generosity of a great and powerful Nation in the Assistance she disinterestedly affords to those who struggle against Oppression, Perfidy, and Fraud for that Liberty, which, under Providence, she has herself so long enjoyed.

We beg Leave to assure your Majesty of our unalterable Attachment to your Majesty's sacred Person; of our Confidence in the Wisdom, Vigour, and patriotic Measures of your Majesty's Government; and of our firm Resolution to support your Majesty by every Exertion, and through every Sacrifice.

We devoutly pray, that your Majesty may long live to witness the Blessings bestowed by your beneficent Reign upon a free and happy People; and that the bright Example of your Majesty's public and private Life may long remain an emphatic Call on Britons to cultivate those Virtues, through which true Freedom, by continuing to be deserved, has its best Hope of Perpetuity.

Given under our Common Seal, at Liverpool, the 28th Day of July 1808.

*[Transmitted by the Mayor of Liverpool.]*

To the KING's Most Excellent Majesty.

*Most Gracious Sovereign,*

WE, your Majesty's most faithful and loyal Subjects, the Mayor, Bailiffs, Burgesses, and other Inhabitants of the Town of Northampton, beg Leave at this important Crisis to approach your Majesty's Throne with Expressions of Gratitude and Admiration for the generous and exalted Manner in which your Majesty has met the Exertions of a brave and noble People to break the Chains which have been forged for them by a malignant and treacherous Tyrant. We cannot but, in common with our Fellow-Subjects, hail the Dawning of a brighter Day upon an harassed and afflicted World.
