*St. James's, September 28, 1808.*

THE following Addresses having been transmitted to the Right Honourable Lord Hawkesbury, His Majesty's Principal Secretary of State for the Home Department, have been by his Lordship presented to the King; which Addresses His Majesty was pleased to receive very graciously:

To the KING's Most Excellent Majesty.

The humble Address of the Inhabitants of the Town of Dock, and Parish of Stoke-Damerel, in the County of Devon.

*May it please your Majesty,*

WE, your Majesty's loyal Subjects, the Inhabitants of the Town of Dock, and Parish of Stoke-Damerel, beg to approach your Throne to express our unfeigned Attachment and Allegiance to your sacred Person and Government, and to offer our most grateful Acknowledgments, at this important Crisis, for your Majesty's unremitting paternal Care and Attention to the welfare of your People.

We beg to congratulate your Majesty on the Cessation of Hostilities with Spain, and behold, with the most heartfelt Pleasure, the auspicious Commencement of Resistance to a System, pursued by the despotic Ruler of France, of the deepest Treachery and most unprovoked Oppression; and we cannot but witness, with the most lively Admiration, the gallant Efforts and most brilliant Achievements of two Nations, in Amity with your Majesty, for the Protection and Preservation of their dearest Rights; and the distinguished and powerful Assistance afforded by your Majesty to Patriots struggling in so glorious a Cause has, in the most essential Degree, promoted the Honour of the British Name, and excited as well their Gratitude as the Approbation of Mankind in general.

It is with the most ardent Interest and Satisfaction we have observed the Promptitude and Energy of the Measures adopted by your Majesty's Government on this great and magnanimous Occasion, as the Patriots of Spain and Portugal have thereby been inspired with increased Confidence and Valour; and from a Continuance of the same Policy the most beneficial Effects, in the Re-establishment of the Liberties of Europe, and Repose and Tranquility of the World, are anticipated by us.

We most earnestly implore a long Continuance of your Majesty's Reign over a loyal, peaceable, and happy People, whilst surrounding Nations, struggling against Tyranny and Oppression, may always recognize in your Majesty a natural Friend and Ally.

Town-Hall, Dock, Devon, Sept. 13, 1808.

[*Transmitted by Sir John St. Aubyn, Bart.*]

To the KING's Most Excellent Majesty.

The humble Address of the Mayor, Aldermen and Capital Burgesses of the Borough of Stamford, in the County of Lincoln, and also the Gentlemen, Clergy, and the Inhabitants thereof, with its Neighbourhood.

*Most Gracious Sovereign,*

WE, your Majesty's most dutiful and loyal Subjects, the Mayor, Aldermen, and Capital Burgesses and Inhabitants of the Borough aforesaid, and the Neighbourhood thereof, with the utmost Humility, beg Leave to express our Detestation and Abhorrence of the French invading the Kingdom of Spain and your Majesty's old Allies the Portuguese; and we, in Course with the rest of your Majesty's loyal and faithful Subjects, congratulate your Majesty upon your Majesty's laudable Exertions to assist the Spaniards, and the Honourable Success of your Arms in the glorious Defeat of the French, in their unjust Invasion of Portugal; and we humbly hope, that by a continued Exertion of your Majesty's Councils in the Prosecution of the present War, in which this Nation is unavoidably engaged, a permanent and honourable Peace may be hereafter obtained and enjoyed by your Majesty and your august Family, who, we heartily wish, may, to the End of Time, be the Support of our glorious Constitution, and reign over a loyal and faithful People.

Given, at the Town-Hall, under the Common Seal of the said Borough, the 10th Day of September in the Year of our Lord 1808.

*Char. Lowe, Mayor.*
