Admiralty-Office, October 25, 1808.

Copy of a Letter from Vice-Admiral Lord Collingwood, Commander in Chief of His Majesty's Ships and Vessels in the Mediterranean, to the Honourable W. W. Pole, dated on board the Ocean, off Cape Pallas, the 5th of September 1808.

SIR,

I INCLOSE, for the Information of the Lords Commissioners of the Admiralty, Two Letters which I have received from Captain Stewart, of His Majesty's Ship the Seahorse, dated the 6th and 8th of July, giving the Account of his having fallen in with a large Turkish Frigate and Corvette on the Evening of the 5th of that Month, off the Island of Scopolo, and, after a severe Action, taken the Badere Zaffer, a Turkish Frigate, of Fifty-two Guns and Five Hundred Men:—the Corvette was not seen in the Morning.

The Example which Captain Stewart has given in this Action of Gallantry and of Skill, by which his own Ship was so well preserved, while his Opponent was ruined, must be highly gratifying to their Lordships, and marks the highest State of Discipline of his Ship, and the Ability of the Officers who conducted it.

I inclose also a Letter from Captain Hepenstall, of His Majesty's Sloop Kingsfisher, of the 27th of June, informing me he had captured a French Letter of Marque, the Hercule, of Twelve Guns and Fifty-seven Men, off the Coast of Caramania.

I am, &c. COLLINGWOOD.

His Majesty's Ship Seahorse, off Skyro,  
July 6, 1808.

MY LORD,

I HAVE the Honour to inform your Lordship, that Yesterday Evening we observed Two Turkish Men of War and a Galley coming round the East End of the Island of Scopolo, towards which we immediately made sail. On coming near enough to make out that they were both single decked Ships, I determined to bring them to Action, having every Confidence in the Officers and Crew of this Ship. The Action began at Half past Nine, the Turks going a little off the Wind under easy Sail, and continually endeavouring to run us on board; indeed I early saw that their chief Attention was directed to this Object, and as the largest Ship appeared of great Force and full of Men, I kept this

Ship in a Position not to be boarded. At Ten o'Clock, observing a good Opportunity of more particularly attacking the small Ship to Advantage, we dropped alongside of her, and after a Quarter of an Hour's hot Fire, at Half Pistol-Shot Distance, her Fire having totally ceased, we left her in a State of the greatest Distress and Confusion, with her Sails mostly down, and just before we had left her she had partially blown up forward. By this Time the large Frigate, which, from having fallen a little to Leeward, had not been able to assist her Consort, had again got pretty close up, and the Action between us soon recommenced; still so obstinate was the Resistance of the Turks, that it was not till a Quarter past One we rendered her a motionless Wreck. As they now would neither answer nor fire, I conceived it most prudent, knowing the Character of the People, to wait for Daylight to send on board her. At Daylight, observing her Colours upon the Stump of the Mizzen-Mast, we poured a Broadside into her Stern, when she struck, and I had the Pleasure to take Possession of the Badere Zaffer, a very fine Frigate of the largest Dimensions, carrying Fifty-two long Brass Guns, Twenty-four Pounders, on the Main-Deck, except Two, which are Forty-two Pounders, and Twelve-Pounders on the Quarter-Deck and Forecastle. She had a Complement of Five Hundred Men, and was commanded by Captain Scanderli Kichuc Alli, who, I am informed, was only prevented by his own People from blowing her up. Her Loss in killed and wounded is prodigious, One Hundred and Sixty-five killed and One Hundred and Ninety-five wounded; ours comparatively small, Five killed and Ten wounded. Our Mizzen-Mast fell soon after the Action, which is the greatest Injury we have sustained. The other Ship was named the Ahs Fezan, carrying Twenty-four Thirteen Pounders and Two Mortars, commanded by Captain Daragardi Alli, with a Complement of Two Hundred and Thirty Men. I understand they took most of the Men out of the Galley before the Action, and sent her away.

Having now, my Lord, given you the Details of this Affair, there only remains the pleasant Office of recommending to you the Officers and Ship's Company, who, during a tedious Night Action, where much depended upon working the Sails as well as the Guns, behaved in a Manner to command my utmost

Gratitude. The Disparity of Force, with the Loss in the Enemy's Ships, will prove the Greatness of their Exertions, to which I shall add, that Thirty Men were absent from the Ship. Mr. Downie, the First Lieutenant, is an Officer of Merit, Ability, and Experience; and I beg strongly to recommend him to your Lordship's Protection for Promotion. Mr. Letter, Master's-Mate, who has passed, is also very deserving of Promotion. Thomas Hully, Gunner's-Mate, and an excellent Man, acted as Gunner; and, from his Conduct, is very deserving of such a Situation.

I am now proceeding with the Prize for any Port I can get first into amongst the Islands, as it is with Difficulty we can keep her above Water.

I have the Honour to be, &c.

(Signed) JOHN STEWART.

*My Lord, Ten Leagues, June 27, 1808.*

IT is with great Pleasure I have the Honour to inform you, that, at Daylight this Morning, I saw a large Sail in the S. W. which I immediately went in chase of, and, with the Assistance of the Sweeps, the Wind being very light, at Twelve o'Clock I had the Satisfaction of arriving up within Gun-shot of the Chace, who had hoisted French Colours, when I commenced firing on her, which she returned very warmly, and, after a running Fight of One Hour, she struck. She proves to be Le Hercule, a very fine new French Ship Letter of Marque, with a Cargo of Cotton on board, from Aleppo and Cyprus bound to Marseilles or Genoa, armed with Twelve Guns, Eighteens, Twelves, and Eights; manned with Fifty-seven Men; commanded by Monf. Gerome Cavassa, a Member of the Legion of Honour. I am happy in being able to say that I have every Reason to be pleased with the steady, excellent Conduct displayed by Mr. R. Standish, First Lieutenant, the other Officers, and Ship's Company on this Occasion. I had but One Man slightly wounded, but suffered very much in the Yards and running Rigging; the Enemy had One Man killed and Three wounded.

I have the Honour to be, &c.

W. HEPENSTALL.

*Copy of another Letter from Vice-Admiral Lord Collingwood, to the Honourable William Wellesley Pole, dated on board the Ocean, at Sea, the 1st of September 1808.*

SIR,

I HAVE the Pleasure to inclose, to be laid before my Lords' Commissioners of the Admiralty, the Copy of a Letter transmitted to me by Vice-Admiral Thornbrough from Captain Rosenhagen, of His Majesty's Ship the Volage, giving an Account of that Ship having captured, on the 28th of July last, the French Brig of War Requin, of Sixteen Guns, (pierced for Eighteen,) commanded by the Captain of Frigate Berar, with a Complement of One Hundred and Eight Men.

As this Vessel is represented to be nearly new, and fit for His Majesty's Service, I proposed causing her to be taken into it, if she is found so on Survey.

I also transmit a Letter, with its Inclosure, which I have received from the Honourable Captain Duncan, of His Majesty's Ship Porcupine, who on several former Occasions has praised, in the highest Terms, the Ability and Zeal evinced by Lieutenant Price, in conducting similar successful Enterprizes against the Enemy.

I am, &c.

COLLINGWOOD.

*His Majesty's Ship Volage, Agincourt-Sound, 8th August 1808.*

SIR,

I HAVE the Honour to inform you, that I arrived here Yesterday Morning with Le Requin French Brig, of Sixteen Guns, and One Hundred and Eight Men, which I had the good Fortune to fall in with in the Morning of the 28th Ultimo, a little to the Northward of Corsica, and captured her, after a hard Chace of Nine Hours, in which her Boats, Boom, and Anchors were thrown overboard.

She is commanded by Capitaine de Frégate Berar, Member of the Legion of Honour, and had left Ajaccio only the Morning before we fell in with her, having put in there on her Way from Algiers to Toulon, with Three Prizes taken on her Passage. She is a very fine Brig, pierced for Eighteen Guns, built at Rochfort only Fourteen Months since, and is the same which the Wizard engaged some Time ago.

The Number of Prisoners I have on board will make it necessary for me to go to Malta; but I shall return to my Station without Delay.

I have the Honour to be, &c.

(Signed) O. L. J. ROSENHAGEN.

*Vice-Admiral Thornbrough, &c. &c. &c.*

Two of the Brig's Prizes belonged to the Lavinia and Spartan, whose Crews were recaptured.

*His Majesty's Ship Porcupine, at Sea, July 14, 1808.*

MY LORD,

I HAVE the Honour to inform your Lordship, that on the Morning of the 9th Instant, being off Mount Circello, on the Coast of Romania, I observed Two French Gun-Boats, with a Merchant Vessel under Convoy, going alongshore to the Westward; as the Ship was becalmed, I sent Lieutenant Price with the Boats in Pursuit of them; after a Row of Eight Hours in a hot Sun, he drove the latter on Shore, and forced the Gun-Boats to take shelter under the Batteries of Port Dango. At this Time, seeing Three very suspicious Vessels coming down with a fresh Breeze from the Westward, I was obliged to recal him; but before we could cut them off, they also got into the same Harbour. Next Morning I observed that One of them, a large Polacre Ship, lay further out than the others, and having reconnoitred, thought it possible to take her; I was the more induced to try it, from a Wish to give a Check to the Trade along this Coast, which they think from their numerous Batteries they can carry on without Molestation. As soon as it was dark the Boats went in, under the Command of Lieutenant Price, and, from under the heaviest Fire I ever saw, brought her out. She carries Eight long Six-Pounder Guns, and had on board between Twenty and Thirty Men, from Hieres Bay, bound to Naples with Salt.

When I consider that this Vessel was moored to a Beach, lined with French Soldiers, within Pistol-Shot of Two Batteries and a Tower, and of Three Gun-Boats, carrying each a Twenty-four-Pounder and Thirty Men; that from the baffling Winds she was an Hour and Twenty Minutes before she got out of Range of Grape, and that the Enemy were at first perfectly prepared for the Attack, I cannot find Words to express my Admiration at the intrepid Conduct of all the Officers and Seamen and Marines employed in it.

I am sure that the Services of Lieutenant Price, he having been more than Thirty Times in Action with the Boats of this Ship since October last, and his Sufferings on this Occasion, being severely wounded on the Head and Right Leg, will be a sufficient Excuse for my requesting, in the strongest Terms, that your Lordship will recommend this gallant Officer to the Consideration of the Lords of the Admiralty.

Inclosed are the Names of the Officers employed in the Boats, and a List of the Wounded, all of whom, I am happy to say, are likely to do well; fortunately we had none killed.

I am, &c.

## BY THE LORDS COMMISSIONERS OF HIS MAJESTY'S TREASURY.

WHEREAS by an Act, passed in the Forty-third Year of His present Majesty's Reign, intituled "An Act for permitting certain Goods imported into Great Britain to be secured in Warehouse without Payment of Duty;" it is, amongst other Things, enacted as follows: "That it shall be lawful for the Importer or Importers, Proprietor or Proprietors, Consignee or Consignees, of any of the Goods, Wares, or Merchandize enumerated or described in the Table hereunto annexed marked (A), and which shall be legally imported and brought into the Port of London, to lodge and secure the same under the joint Locks of the Crown and the Merchant in any Warehouse or Warehouses situated

at the Isle of Dogs, and belonging to the West India Dock Company, without Payment at the Time of the first Entry of such Goods, Wares, and Merchandize, of the Duties of Customs or Excise due on the Importation thereof; subject, nevertheless, to the Rules, Regulations, and Restrictions directed by this Act: Provided always, that no such Goods, Wares, or Merchandize shall be so lodged or secured, unless and until such Warehouses and other Works belonging, or to belong thereto, shall be so far completed, that, in the Judgment of the Lord High Treasurer, or the Commissioners of His Majesty's Treasury for the Time being, or any Three or more of them, the same shall be fit and proper in every Respect for the Reception of such Goods, Wares, and Merchandize, and wherein the same may respectively be safely and securely deposited, and remain under the Regulations and Directions of this Act; and the Lord High Treasurer, or the Commissioners of His Majesty's Treasury for the Time being, or any Three or more of them, are hereby authorized and empowered, by Writing under his or their Hand or Hands, to certify and make known his or their Approbation of such Warehouses; which Certificate shall be published Three Times at the least in the London Gazette, and in Two or more public Morning Newspapers then usually circulated in London."

#### BY THE LORDS COMMISSIONERS OF HIS MAJESTY'S TREASURY.

WHEREAS by an Act, passed in the Forty-second Year of His present Majesty's Reign, intituled "An Act to alter and amend an Act passed in the Thirty-ninth Year of His present Majesty's Reign, intituled An Act for rendering more commodious, and for better regulating the Port of London, so far as the same relates to the Concerns of the West India Dock Company thereby established, and for extending to other Objects the Compensations directed to be made by the said Act;" it is, amongst other Things, enacted as follows:

And whereas by a Certificate under the Hands of Three of the Lords Commissioners of His Majesty's Treasury, granted on the 21st Day of August 1802, in pursuance of the said Act passed in the Forty-second Year of His present Majesty's Reign, the said Lords Commissioners did certify and make known, that the following Works, made and erected by the said West India Dock Company under the Authority of the said Acts of Parliament, were so

far completed, that, in their Judgment, the same were fit for the Reception of Ships and Goods respectively; viz. The Entrance Balon at the East End of the said Works; the Great Dock; Three Warehouses on the North Side of the said Dock, numbered 2, 4, and 8, and the Quays or Wharfs from the North Side of the Lock at the East Entrance of the said Dock, along the North Side of the same Dock, and terminating at the North Side of the Lock at the West Entrance of the said Dock:
