

When I consider that this Vessel was moored to a Beach, lined with French Soldiers, within Pistol-Shot of Two Batteries and a Tower, and of Three Gun-Boats, carrying each a Twenty-four-Pounder and Thirty Men; that from the baffling Winds she was an Hour and Twenty Minutes before she got out of Range of Grape, and that the Enemy were at first perfectly prepared for the Attack, I cannot find Words to express my Admiration at the intrepid Conduct of all the Officers and Seamen and Marines employed in it.

I am sure that the Services of Lieutenant Price, he having been more than Thirty Times in Action with the Boats of this Ship since October last, and his Sufferings on this Occasion, being severely wounded on the Head and Right Leg, will be a sufficient Excuse for my requesting, in the strongest Terms, that your Lordship will recommend this gallant Officer to the Consideration of the Lords of the Admiralty.

Inclosed are the Names of the Officers employed in the Boats, and a List of the Wounded, all of whom, I am happy to say, are likely to do well; fortunately we had none killed.

I am, &c.
