

of Your Majesties Royal Person; And we beseech Your Majesty to retain us in Your Grace and good Opinion; For we do Declare, and firmly Resolve to stand by Your Sacred Majesty, with our Lives and Fortunes, in the preservation of Your Royal Person, Your Heirs and lawful Successors, and the Government in Church and State, as by Law established.

*The Humble Address of Your Loyal and Dutiful Subjects, the Mayor, Aldermen, and Burgeses of Your Borough of Reading.*

May it please Your most Sacred Majesty,

**W**E Your Majesties truly Humble and Loyal Subjects, being thoroughly sensible of the great Happiness and Prosperity, which we and all Your Subjects have enjoyed, under the Influences of Your Majesties Government, ever since You came to sway the Scepter of these Kingdoms, whereby the Liberties and Properties of Your afflicted People (who long laboured under the grievous Oppression of tyrannous and cruel Usurpers) were miraculously restored; and having had (as we conceive) too just cause to suspect, that divers Factious and ill-disposed persons, enemies to the established Government both in Church and State, have been plotting and contriving under divers specious pretences, to involve us in the same Confusions, are extremely revived by Your Majesties late most Gracious Declaration, whereby You are pleased to give so ample an assurance to all Your loving Subjects, of protecting them and us from the Miserie and Calamities of an Arbitrary Power; And that the Laws which Your Majesty hath made Your Rule, shall oblige all others to an exact Obedience and Conformity thereunto. We therefore out of the Duty and Loyalty we owe unto Your Majesty, presume to render unto Your Majesty our most humble and hearty Thanks for Your Princely Favour, in the Publishing Your said Declaration; and do most Humbly beseech Your Majesty to accept our Loyal Resolutions to expose our Lives and Fortunes to the greatest extremity, in defence of Your Majesties Person, Royal Prerogative, Your lawful Heirs and Successors, and for the preservation of the Protestant Religion, as by Law established, against all Popish and Factious endeavours whatsoever. And that we may continue to enjoy the Benefit of Your prosperous Government, It is and shall be our daily Prayers, that Almighty God would be pleased to Grant Your most Sacred Majesty long to live and Reign over us. In Testimony whereof, we have hereunto affixed our Common Seal, Dated at Reading aforesaid, the seven and twentieth day of May, in the Three and thirtieth year of Your Majesties Reign.

*The Humble Address of Your Majesties most Dutiful and most Loyal Subjects, the Deputy Lieutenants, and Military Officers in Your Majesty's County of Surrey.*

May it please Your most Sacred Majesty.

**W**E being perfectly sensible of the Happiness which all Your Majesties Subjects have enjoyed under Your Majesties most easie and just Government, since Your most blessed Restauration, to the envy of all the World, cannot but with all Humility, throw our selves at Your Majesties Feet, to offer our most hearty Thanks for the new assurances Your Majesty is pleased to give us in Your late Declaration of Your most pious and just Resolution to continue to Govern Your People, according to the known Laws of the Land. And we do think it our Duty at this-time, most humbly to Profess and Declare to Your Majesty and the whole World, That we are resolved to Sacrifice our Lives and Fortunes (whenever we shall be called to it) in the defence of Your Majesties most Sacred Person, and in the maintenance of the Protestant Religion, the Monarchical Government, and of the Succession, as they are now established by Law, in opposition to all Seditious, Factious, Popish or Rebellious persons whatsoever, if any such shall again rise up amongst us.

*The Humble Address of the Gentlemen and Freeholders of the Western Division of the County of Suffex.*

Dread Sovereign,

**W**E Your Majesties most Loyal and ever faithful Subjects, in due abhorrence of those ill men, who either from Fanatical Common-wealth or Jesuitical Principles, would deprive us of those inestimable benefits we enjoy, under Your most regular Government in Church and State, by their restless endeavours to disturb it; as also out of a deep sense we have of Your indefatigable care for us, our Religion and Property, think our selves in all Duty obliged, Humbly to tender Your Majesty, our grateful acknowledgment of Your Wisdom and Goodness, in the timely preventing the pernicious designs of the one, and Your Gracious Condescension to give us daily assurance of the other; more particularly, Your Majesties Declaration of the 8th of Aprill last past, hath given us an undeniable Demonstration of Your Princely Courage, fix'd and unalterable Resolution, to Govern by the Laws; to continue the Succession of the Crown in the right Line; and it hath shewn us Your just Resentment of Arbitrary Illegal Votes and Orders, usurping over our Persons and Estates: Your Majesty hath also by Your Great Wisdom protected the Laws, which were Piously provided for the Support and Security of the Government, by not suffering them to be repealed; especially that of the 25th of Eliz. and others made against Conventicles and unlawful

Meetings, the Nurseries of Faction and Rebellion, and Popery may not be encouraged by tolerating Fanaticks. These and many other great Blessings we enjoy, cannot and our most unfeigned Thanks, which we humbly say at Your Majesties Feet.

And we do faithfully and sincerely assure Your sacred Majesty, that we are firmly and unanimously resolved to be always ready in all Dutiful and Loyal Service to stand by, assist, and defend Your most Sacred Person, the due and legitimate Succession of the Crown, in the right Course, and the established Government in Church and State, with what is most dear to us (yet due to Your Majesty) our Lives and Fortunes, and to Sacrifice all to Your Tranquility and Renown, being zealous to approve our selves, Your Majesties most Dutiful, Obedient, and most Loyal Subjects.

*To the Kings most Excellent Majesty.*

May it please Your Sacred Majesty,

**W**E Your Majesties most Dutiful and Loyal Subjects, Your Mayor and approved Men of Your Town of Guildford, in Your County of Surrey, being deeply sensible of the many groundless fears and jealousies, which have of late been industriously raised and fomented among Your People, whereby to rob Your Majesty of Your best Treasure, the Hearts of Your good Subjects: and seriously reflecting upon Your Majesties Pious and Princely Care and Zeal of, and for the Religion of our Holy Mother the Church of England, (the only Fence against Popery) and for the just and impartial Administration of Your Government, according to Your known and established Laws (the only Fence against Arbitrary Power) as also on Your Princely tenderness of the Rights and Liberties of Your Subjects; and on the many assurances Your sacred Majesty hath been Graciously pleased to give us of Your continuance thereof, by Your Majesties several Royal Proclamations and Declarations to such effect; Do in all Duty and Sincerity Present Your most Sacred Majesty, with our most Humble and most Unfeigned Thanks for Your said Pious and Princely Care of our Religious and Civil Concerns.

May it please Your Majesty, As the Conscience of our Duties from Obligations, Religious, Moral and Civil, binds us, we are ready to lay our Lives and Fortunes at Your Royal Feet, in defence of Your Sacred Person, Crown and Dignity.
