KENT MILITIA.

Maidstone, April 6, 1809.

A General Meeting of the Lieutenantcy of the County of Kent will be holden at the Bell Inn, at Maidstone, in the said County, on Saturday the 22d Instant, at Twelve o'Clock at Noon precisely, for the Purpose of carrying into Execution, in the said County, the Act lately passed, enabling His Majesty to establish a Local Militia Force, and for Purposes relating to the Militia of the said County.

By Order of the Lieutenantcy of the said County,

William Scudamore, Deputy Clerk of the General Meetings.

AT a Meeting of the Directors of the East India Company, held on Tuesday the 4th April 1809, Resolved unanimously,

That the Report of the Committee of the House of Commons, who have lately particularly enquired into the Disposal of East India Patronage, and have had a great Deal of Evidence before them on that Subject, is naturally entitled to the Respect and Confidence of the Members of the Court of Directors:

That with Regard to the Case of Mr. Thellusson, an Ex Director, on which the Committee of the House of Commons have decided, the Members adopt the Opinion which the Honourable Committee have expressed of the Directors generally, “ that there is nothing which traces any one of these corrupt or improper Bargains to any Director, or induces a reasonable Suspicion that it was done with the Privy or Connivance of any Member of that Court.” But the Members of the Court think there appears to have been a Degree of Negligence and Inattention on the Part of Mr. Thellusson, in the Manner of bestowing his Patronage; and as this is blameable in itself, and injurious to the Character of the Court, that it deserves to be more particularly examined as soon as it is in their Power; but that until the Court have been able to obtain the Detail of the Evidence on which the Committee of the House of Commons formed their Judgment, they are precluded from entering into this Examination, and from forming any Conclusion upon the Point in Question before the Annual Election, which is to take place on the 23th Instant, for which Mr. Thellusson is a Candidate:

That under these Circumstances, the Name of Mr. Thellusson is included in the Recommendation usually submitted to the Proprietors in Favour of the Re-election of the Ex-Directors, because it would be a manifest Injustice to him to omit it, as that would imply an Opinion to his Prejudice which the Court do not entertain, and would therefore be a Condemnation not only without Evidence, but against the Opinion of the Committee of the House of Commons.
