Copy of a Letter from Vice Admiral Sir James Saumarez, Bart. and K. B. Commander in Chief of His Majesty's Ships and Vessels in the Baltic, to the Hon. W. W. Pole, dated on board the Victory, off Hango Head, 29th June 1809.

SIR,

HEREWITH inclose the Copy of a Letter transmitted to me by Captain Barrett, of His Majesty's Ship Minotaur, which he had received

from Captain Samuel Warren, of the Bellerophon, acquainting him of an Attack made by the Boats of that Ship, under the Orders of Lieutenant Pilch, on a Battery upon one of the Islands near Hango Head which, after an obstinate Resistance, was carried in a very gallant Manner by the Party under Lieutenant Pilch's Orders, who spiked the Guns (Four Twenty-four Pounders) and destroyed the Magazine, which you will please to lay before the Lords Commissioners of the Admiralty.

I am, &c.
 (Signed) JAS. SAUMAREZ.

Bellerophon, off Dageroff,
 June 20, 1809.

SIR,

PURSUANT to your Signal to me of Yesterday, I proceeded in His Majesty's Ship under my Command off Hango; when at Sunset I discovered a Lugger (apparently armed) and Two other Vessels at Anchor within the Islands; deeming it of Importance to get hold of them, I anchored and detached the Boats under the Orders of Lieutenant Pilch; and have to acquaint you, that they had gained complete Possession of the Vessels, which being found were of no Consequence, and under Cover of Four strong Batteries, (not before observed,) supported by several Gun-Boats, were abandoned. It was then judged necessary, to prevent Loss in returning, to dash at the nearest Battery, mounting Four Twenty-four Pounders, (and by a Muster-Roll found, garrisoned with One Hundred and Three Men,) which, after an obstinate Resistance, was carried in the most gallant Manner, the Russians retreating to Boats on the other Side the Island. The Guns were spiked, and Magazine destroyed.

Lieutenant Pilch reports to me the very able Assistance he received from Lieutenants Sheridan and Bentham, Lieutenant Carrington, Royal Marines, and Mr. Mart, Carpenter (Volunteers); and that more cool Bravery could not have been displayed than by the Officers and Men employed on this Service; and, considering the Resistance met with, and heavy Fire of Grape-Shot from Batteries and Gun-Boats in the Retreat, the Loss is comparatively small, being Five wounded, whose Names are in the Margin*.

It is the Opinion of the Officers the Loss of the Enemy in killed and wounded was considerable.

I am, &c.

(Signed) SAM. WARREN, Captain.
 To John Barrett, Esq; Captain of His Majesty's Ship Minotaur, &c. &c. &c.

* Griffith Griffiths, Quarter-Master; badly wounded.
 Peter Jett, Royal Marine; ditto.
 Simon M'Leete, Seaman; slightly wounded.
 John Butterfield, Royal Marine; ditto.
 Thomas M'Carthy, Royal Marine; ditto.
