

ducted this great Nation through the Dangers of unexampled Warfare, to the Enjoyment of a secure and honourable Peace: and that when it shall please God, in a good but distant Time, to translate you to an heavenly Kingdom, your Posterity, emulous of your Example, may continue to wear the Crown with undiminished Lustre, for the Benefit and Glory of your People. *Thomas Wilson, Mayor.*

To the KING's Most Excellent Majesty,
The humble Address of the Corporation of Mayor, Bailiffs, and Burgeesses of the Borough of Hedon.

Most Gracious Sovereign,

WE, your Majesty's most dutiful and loyal Subjects, the Mayor, Bailiffs, and Burgeesses of the Borough of Hedon, in Council assembled, humbly intreat your Majesty to accept our sincerest Congratulations on this the Fiftieth Anniversary of your Majesty's auspicious Accession to the Throne of these Kingdoms.

Deeply sensible of, and grateful for the Blessings we have enjoyed under your Majesty's mild and virtuous Government, we fervently and constantly pray that the Almighty Power may yet long extend to us your paternal Care; and that the rest of your Majesty's propitious Reign may be rewarded with the greatest of all earthly Blessings, the Blessings of Peace.

Given under our Common Seal, this 25th Day of October, in the Year of our Lord 1809.

Nicholas Dring, Mayor; Thomas Jackson, Henry Haszley, Bailiffs.

[*Transmitted by the Mayor, and George Johnstone and Anthony Brozome, Esqrs. Representatives in Parliament for the said Borough.*]

To the KING's Most Excellent Majesty.

WE, your Majesty's most dutiful and loyal Subjects, the Mayor, Jurats, and Commonalty of the Town and Port of New Romney in Kent, (one of the Cinque Ports), humbly beg Leave to offer our heartfelt Congratulations on the Commencement of the Fiftieth Year of your Reign.

We should ill deserve the Blessings derived from your Majesty's paternal Care of your People; and from the bright Example of your public and private Virtues, during the Period of almost Half a Century, if we were not deeply impressed by the liveliest Sentiments of Attachment and Gratitude which so rare and joyful an Occasion must inspire.

It has pleased the All-wise Disposer of Events to cast our Lots in Times of uncommon Difficulty and Danger, but whilst other Monarchs have been deposed of the fairest Portions of their hereditary Dominions, and constrained to transfer the Allegiance of their Subjects to the Tyrant of the Continent, it is Matter of much Consolation to us to reflect that your Majesty still continues in the entire Possession of your United Kingdoms, and your faithful People in the full and free Exercise and Enjoyment of all their Rights and Liberties, both civil and religious.

We are indeed thankful to Almighty God for such transcendant Privileges, and, in humble Dependence upon his Will and Power, offer up our fervent Prayers; that the Remainder of your Majesty's Reign may

still secure to your united People a Continuance of the Blessings they enjoy, and preserve them from those Evils which have so deeply afflicted the rest of Europe.

Given under the Seal of the Mayor, Jurats, and Commonalty of this Town and Port, this 6th Day of November 1809.

To the KING's Most Excellent Majesty,
The humble Address of the Bailiffs, High Steward, Recorder, and Freemen of your Majesty's ancient Corporation of Kingston-upon-Thames, in the County of Surrey.

WE, your Majesty's most dutiful and faithful Subjects, the Bailiffs, High Steward, Recorder, and Freemen of the very ancient and loyal Corporation of Kingston-upon-Thames, beg Leave to lay at your Majesty's Feet our sincere and heartfelt Congratulations on your entering on the Fiftieth Year of your auspicious Reign; a Period that has only been attained by Two of your Royal Predecessors.

Whilst we contemplate with Respect and Gratitude the exemplary Display of every domestic, moral, and Christian Duty shewn by your Majesty, and your Royal Consort, during the Course of your long Reign, we cannot but see the Hand of Providence in the Success that has attended your patriotic Endeavours to secure the inestimable Blessings of internal Peace and Prosperity to this United Kingdom.

While the Continent of Europe is exposed to Calamities, which, if related by the Historian, would hardly be credited, though the Reality of the dreadful Picture is before our Eyes, your Majesty's Dominions enjoy the most perfect Tranquillity.

Notwithstanding the insidious Attempts of the Enemy to shut the Ports of Europe against our Commerce, that Commerce is now carried to an Extent hitherto unexampled in the Annals of the Country.

Notwithstanding the Numbers necessarily employed in your Majesty's Naval and Military Service during this trying and awful Crisis, our Manufactures are in the most flourishing Situation, and Agriculture has been in a rapid State of progressive Improvement from the Commencement of your Reign to the present Moment.

Long, very long, may your Majesty yet continue to reign over a free, happy, and grateful People; and may your Majesty's glorious Exertions to secure the Independence of Europe be crowned with the warmest Wish of your Majesty's Heart, the Restoration of its Tranquillity.

Given under our common Seal, in the Guildhall of the said Town, the 6th Day of November, 1809, in the 50th Year of your Majesty's Reign.
