

The London Gazette.

Published by Authority.

From Tuesday November 28, to Saturday December 2, 1809.

THE following Addresses have been transmitted to His Majesty's Principal Secretary of State for the Home Department, and have been presented by him to the King; His Majesty was pleased to receive them in the most gracious Manner.

To the KING's Most Excellent Majesty.

WE, your Majesty's most dutiful and loyal Subjects, the Noblemen, Gentry, Clergy, and Freeholders, of the County of Berks, humbly approach your Majesty, with Hearts firm in Loyalty and Attachment to your Majesty's Person, and august Family; gratefully thanking Almighty God for giving us this Occasion to congratulate your Majesty on having entered the Fiftieth Year of your Reign, over Subjects who are fully sensible of the great Blessing your bright Example of Piety and Virtue has been to your People, and for the Preservation of your Majesty's sacred Life, in the many Perils your Majesty's Person has been exposed to.

We beg Leave, in offering our sincere Congratulations on this happy Occasion, to assure your Majesty, we are convinced, the great Benefits we enjoy, are (under Divine Providence) owing to your Majesty's steady Support of our glorious Constitution, and your constantly guarding our Laws, and protecting our Rights and Liberties.

We exult, that your Majesty's Throne has for its Support, the Love and Loyalty of a brave and free People; a People who know the inestimable Value of the real Freedom they enjoy, not only from its beneficent Effect, that gives to all Ranks, Security; but more particularly when compared to the dreadful State of Misery and Wretchedness, which the Inhabitants of surrounding Nations have experienced from tyrannical Oppression and Anarchy.

We look with Confidence (through the Almighty Disposer of Events) to the complete Frustration of all the Machinations of our Enemies, and that they, being convinced a beloved patriotic Monarch, and a brave People, thus united, can never be overcome, will give an Opportunity (so desirable to your Majesty) of establishing an honourable and lasting Peace.

We fervently pray to the great Ruler of the World, that your Majesty's Life may be long preserved, with every Happiness to your Majesty, and Advantage to your Dominions; and that your Ma-

jesty's Posterity, may, by imitating your Virtues, hand down to future Ages, our glorious Constitution.

Thomas Theophilus Metcalfe, Sheriff, Berks.
