

The London Gazette.

Published by Authority.

From Tuesday February 26, to Saturday March 2, 1811.

AT the Court at *Carlton-House*, the 28th of February 1811,

P R E S E N T,

His Royal Highness the PRINCE REGENT in Council.

THIS Day His Royal Highness the Prince Regent, in Council, was pleased, in the Name and on the Behalf of His Majesty, to make the following Amendments upon the Roll of Sheriffs for the present Year :

Bucks. William Bernard, of Nether Winchendon, Esq; made William Bernard Morland, of Nether Winchendon, Esq.

Flinthshire. Sir George William Prescott, of Ewloe, Bart. made Sir George Beeston Prescott, of Ewloe, Bart.

Carlton-House, February 26, 1811.

THE following Addresses have been presented to His Royal Highness the Prince Regent, which Addresses His Royal Highness was pleased to receive very graciously :

To His Royal Highness the PRINCE REGENT. The humble Address of the Mayor, Aldermen, Sheriffs, and Common Council of the City of Gloucester, in Council assembled.

May it please Your Royal Highness,
WE, the Mayor, Aldermen, Sheriffs, and Common-Council of the City of Gloucester, humbly beg Leave to approach Your Royal Highness with Expressions of the deepest Concern for the Situation into which it has pleased the Almighty to place Your Royal Father, our beloved Sovereign; and to manifest our unfeigned Thanks for the dignified Manner in which Your Royal Highness has consented to accept the Regency of these Dominions; fully satisfied, that nothing but an imperative Sense of the Duties attached to your Situation, and an anxious Desire to discharge those Duties in a most exemplary Manner, could have induced Your Royal

Highness to undertake so weighty and important a Trust (restricted as it is) under Circumstances of such peculiar and unparalleled Difficulty.

Relying, as we do, on Your Royal Highness's well known Attachment to our inestimable Constitution, we feel a perfect Confidence that, in the Hands of Your Royal Highness, the Prerogative of the Crown will be preserved unimpaired, and the Rights of the People inviolably maintained.

Given under our Common Seal, at the Tolsey in the said City, this 15th Day of February, in the Year of our Lord 1811.

Berkeley William Guise, Mayor.

[Presented by His Grace the Duke of Norfolk, Recorder; Sir William Guise, Mayor of Gloucester; Colonel Howard, M. P., and Robert Morris, Esq. M. P.]

To His Royal Highness the PRINCE REGENT. The humble Address of the Mayor, Citizens, and Inhabitants of the City of Gloucester.

May it please Your Royal Highness,
WE, the Mayor, Citizens, and Inhabitants of the ancient and loyal City of Gloucester, beg Leave to approach Your Royal Highness with Feelings of the deepest Sorrow for the heavy Affliction with which it has pleased the Almighty to visit our beloved Sovereign, and which has rendered him incapable of personally discharging the Royal Functions.

The Regard which Your Royal Highness has evinced for the Interests of His Majesty's Crown, and for the Welfare of his People, in consenting to accept the weighty, and important Office of Regent of these Realms (restricted as it is), demands the Gratitude of all His Majesty's Subjects; and, while we avail ourselves of this Opportunity of conveying to Your Royal Highness our grateful Acknowledgements for your dignified Acquiescence in the Wishes of the Two Houses of Parliament, we cannot refrain from expressing our Regret, that, by the Adoption of the Restrictions under which the Regency has been accepted, Your Royal Highness is deprived of the Opportunity of manifesting to His Majesty's afflicted and loyal Subjects that reverential Delicacy towards their Sovereign, which, we well know, the Feelings of your Heart and
