P R E S E N T,

His Royal Highness the PRINCE REGENT in Council.

WHEREAS the Time limited by the Order of His Royal Highness the Prince Regent in Council of the Eighth Day of February last, prohibiting, in the Name and on the Behalf of His Majesty, the transporting into any Parts out of this Kingdom of any Pig-Iron, Bar-Iron, Hemp, Pitch, Tar, Rosin, Turpentine, Anchors, Cables, Cordage, Masts, Yards, Bowsprits, Oars, Oakum, Sheet-Copper, or other Naval Stores, will expire upon the Eighth Day of August next: And whereas it is judged expedient for His Majesty's Service, and the Safety of this Kingdom, that the said Prohibition should be continued for some Time longer, His Royal Highness in the Name and on the Behalf of His Majesty, and by and with the Advice of His Majesty's Privy Council, doth, therefore, hereby order, require, prohibit, and command, that no Person or Persons whosoever do at any Time, for the Space of Six Months from the said Eighth Day of August next, presume to transport into any Parts out of this Kingdom any Pig-Iron, Bar-Iron, Hemp, Pitch, Tar, Rosin, Turpentine, Anchors, Cables, Cordage, Masts, Yards, Bowsprits, Oars, Oakum, Sheet-Copper, Sail-Cloth or Canvas, or other Naval Stores, or do ship or lade any Pig-Iron, Bar-Iron, Hemp, Pitch, Tar, Rosin, Turpentine, Anchors, Cables, Cordage, Masts, Yards, Bowsprits, Oars, Oakum, Sheet-Copper, Sail-Cloth or Canvas, or other Naval Stores, on board any Ship or Vessel, in order to transporting the same into any Parts beyond the Seas, without Leave or Permission first being had and obtained from His Majesty or His Privy Council, upon Pain of incurring the Forfeitures inflicted by an Act passed in the Thirty-third-Year of His Majesty's Reign, intituled "An Act to enable His Majesty to restrain the Exportation of Naval Stores, and more effectually to prevent the Exportation of Salt-Petre, Arms, and Ammunition, when prohibited by Proclamation or Order in Council." But it is nevertheless His

Royal Highness's Pleasure, that nothing herein contained shall extend, or be construed to extend, to any of His Majesty's Ships of War, or any other Ships or Vessels or Boats in the Service of His Majesty, or employed or freighted by His Majesty's Board of Ordnance, or by the Commissioners of His Majesty's Navy; nor to prevent any Ship or Vessel from taking or having on board such Quantities of Naval Stores as may be necessary for the Use of such Ship or Vessel during the Course of her intended Voyage, or by Licence from the Lord High Admiral of Great Britain, or the Commissioners of the Admiralty for the Time being; nor to the Exportation of the said several Articles to Ireland, or to His Majesty's Yards or Garrisons, or to His Majesty's Colonies and Plantations in America or the West Indies, or to Newfoundland, or to His Majesty's Forts and Settlements on the Coast of Africa, or to the Island of St. Helena, or to the British Settlements or Factories in the East Indies. Provided that upon the Exportation of any of the said Articles for the Purposes of Trade to Ireland, or to His Majesty's Yards and Garrisons, or to His Majesty's Colonies and Plantations in America or the West Indies, or to the Island of Newfoundland, or to His Majesty's Forts and Settlements on the Coast of Africa, or to the Island of St. Helena, or to the British Settlements or Factories in the East Indies, the Exporters of such Articles do first make Oath of the true Destination of the same to the Places for which they shall be entered outwards, before the Entry of the same shall be made, and do give full and sufficient Security, by Bond, (except as hereinafter excepted,) to the Satisfaction of the Commissioners of His Majesty's Customs, to carry the said Articles to the Places for which they are so entered outwards, and for the Purposes specified, and none other; and such Bond shall not be cancelled or delivered up until Proof be made to the Satisfaction of the said Commissioners, by the Production, within a Time to be fixed by the said Commissioners, and specified in the Bond, of a Certificate or Certificates, in such Form and Manner as shall be directed by the said Commissioners, shewing that the said Articles have been duly landed at the Places for which they were entered outwards: But it is His Royal Highness's Pleasure, nevertheless, that the following Articles,

viz. Bar-Iron, White and Tarréd Rope, Tallow or Mill Grease, Tarpaulins for Waggon-Covers, Pitch, Tar, and Turpentine, shall be permitted to be exported, upon Payment of the proper Duties, without Bond being entered into by the Merchant Exporter, to any of the British Plantations in the West Indies, or to any of His Majesty's Settlements in South America; provided the Merchant Exporter shall first verify, upon Oath, that the Articles so exported are intended for the Use of a particular Plantation or Settlement, to be named in the Entry Outwards, and not for Sale; and that the said Plantation or Settlement has not before been furnished with any Supply of the said Articles during the same Season; and provided also that the Exportation of the said Articles shall, in no Case, exceed the Value of Fifty Pounds Sterling for any given Plantation or Settlement, whether by one or more Shipments within the same Season: And the Right Honourable the Lords Commissioners of His Majesty's Treasury, the Commissioners for executing the Office of Lord High Admiral of Great Britain, and the Lord Warden of the Cinque Ports, are to give the necessary Directions herein as to them may respectively appertain. *Chetwynd.*

A DISPATCH, of which the following is an Extract, has been this Day received at the Office of the Earl of Liverpool, addressed to His Lordship by Lieutenant-General Viscount Wellington, dated Quinta de Joao, 18th July 1811.

THE Army of Portugal broke up from their Position on the Guadiana on the 14th Instant, and have moved towards Truxillo. I have not yet heard that any Troops had passed that Town towards Almaraz; or that the Cavalry which had been about Talavera and Lobon, had retired further than Merida.

They are fortifying the Old Castle of Medellin, as well as that at Truxillo.

General Blake embarked his Corps in the Mouth of the Guadiana on the 6th. As soon as General Blake's Corps embarked, the Body of the Enemy's Troops, which had marched towards the Guadiana, and had turned towards Cartaja, retired from the Frontier towards St. Lucar.

I understand that the Troops belonging to the 4th Corps, which Marshal Soult had brought into Estramadura, have marched towards Grenada. There is nothing new on the Side of Valladolid, excepting that Joseph Bonaparte had returned to Spain, and, it is said, arrived at Burgos with an Escort of about Three Thousand Men on the 5th Instant.
