By His Royal Highness the PRINCE of WALES,
REGENT of the United Kingdom of Great
Britain and Ireland, in the Name and on Behalf
of His Majesty.

A PROCLAMATION,

*For granting the Distribution of Prizes during the
present Hostilities.*

GEORGE, P. R.

WHEREAS by Our Order in Council, dated the thirteenth day of October instant, We have ordered that general reprisals be granted against the ships, goods, and citizens of the United States of America (save and except any vessels to which His Majesty's licence has been granted, or which have been directed to be released from the embargo and have not terminated the original voyage in which they were detained and released), so that as well the fleets and ships of His Majesty, as also all other ships and vessels that shall be commissioned by letters of marque or general reprisals, or otherwise by the Commissioners for executing the Office of Lord High Admiral of Great Britain, shall and may lawfully seize all ships, vessels, and goods belonging to the Government of the United States of America, or to any persons being citizens of the United States of America, or inhabiting within any of the territories thereof, and bring the same to judgment in any of the Courts of Admiralty within His Majesty's dominions duly authorised and required to take cognizance thereof; We being desirous to give due encouragement to His Majesty's faithful subjects who shall lawfully seize the same, and having declared in Council, by Our Order of the thirteenth of October instant, Our intentions concerning the distributions of all manner of captures, seizures, prizes, and reprisals of all ships and goods during the present hostilities, do now make known to all His Majesty's loving subjects, and all others whom it may concern, by this Our Proclamation, by and with the advice and consent of His Majesty's Privy Council, that Our will and pleasure is, in the name and on behalf of His Majesty, that the net produce of all prizes taken (save

as hereinbefore excepted), the right whereof is inherent in His Majesty and His Crown, be given to the takers (save also the produce of such prizes as are or shall be taken by ships or vessels belonging to or hired by, or in the service of, the Commissioners of Customs or Excise, the disposition of which We reserve to Our farther pleasure, and also save and except as hereinafter mentioned); but subject to the payment of all such or like customs and duties as the same are now or would have been liable to, if the same were or might have been imported as merchandise; and that the same may be so given in the proportion and manner hereinafter set forth, that is to say,

That all prizes taken by ships and vessels having commissions of letters of marque and reprisals (save and except such prizes as are or shall be taken by the ships or vessels belonging to or hired by, or in the service of, the Commissioners aforesaid) may be sold and disposed of by the merchants, owners, fitters, and others to whom such letters of marque and reprisals are granted, for their own use and benefit, after final adjudication, and not before.

And We do hereby further order and direct, that the net produce of all prizes which are or shall be taken by any of His Majesty's ships or vessels of war (save and except when they shall be acting on any conjunct expedition with His Majesty's land forces, in which case We reserve to Ourselves the division and distribution of all prizes and booty taken, and also save and except as hereinafter mentioned) shall be for the entire benefit and encouragement of the flag-officers, captains, commanders, and other commissioned officers in His Majesty's navy, and of the seamen, marines, and soldiers on board His Majesty's said ships and vessels at the time of the capture; and that such prizes may be lawfully sold and disposed of by them and their agents, after the same shall have been finally adjudged lawful prize to His Majesty, and not otherwise.

The distribution shall be made as follows; the whole of the net produce being first divided into eight equal parts.

The captain or captains of any of His Majesty's said ships or vessels of war, or officer command-

ing such ship or vessel, who shall be actually on board at the taking of any prize, shall have two eighth parts; but in case any such prize shall be taken by any of His Majesty's said ships or vessels of war under the command of a flag or flags, the flag-officer or officers being actually on board, or directing and assisting in the capture, shall have one third of the said two eighth parts; the said one third of such two eighth parts to be paid to such flag or flag officers, in such proportions and subject to such regulations as are herein-after mentioned.

The sea lieutenants, captains of marines, and land forces, and master on board, shall have one eighth part, to be equally divided amongst them; but every physician appointed or hereafter to be appointed to a fleet or squadron of His Majesty's ships of war shall, in the distribution of prizes which may hereafter be taken by the ships in which he shall serve, or in which such ship's company shall be entitled to share, be classed with the before-mentioned officers with respect to one eighth part, and be allowed to share equally with them; provided such physician be actually on board at the time of taking such prizes.

The lieutenants and quarter-masters of marines, and lieutenants, ensigns, and quarter-masters of land forces, secretaries of admirals, or of commodores with captains under them, second masters of line of battle ships, surgeons, chaplains, pursers, gunners, boatswains, carpenters, master's-mates, and pilots on board, shall have one eighth part, to be equally divided amongst them.

The other four eighth parts of the prize to be divided into shares, and distributed to the persons composing the remaining part of the crew, in the following proportions; viz. to the first class of petty officers, namely, the midshipmen, surgeon's-assistants, secretaries' clerks, captain's clerks, schoolmasters, masters at arms, captain's-coxswains, gunner's-mates, yeomen of the powder room, boatswain's-mates, yeomen of the sheets, carpenter's-mates, quarter-masters, quarter-master's-mates, ship's corporals, captains of the fore-castle, master sail-makers, master-caulkers, master rope-makers, armourers, serjeants of marines and of land forces, four and a half shares each.

To the second class of petty officers; viz. midshipmen, ordinary, captains of the foretop, captains of the maintop, captains of the after-guard, captains of the mast, sail-maker's-mates, caulker's-mates, armourer's-mates, ship's-cook, corporals of marines and of land forces, three shares each.

The quarter-gunners, carpenter's crew, sail-maker's crew, coxswain's-mates, yeomen of the boatswain's store-room, gunsmiths, coopers, trumpeters, able seamen, ordinary seamen, drummers, private marines, and other soldiers, if doing duty on board in lieu of marines, one and a half share each.

The landsmen, admiral's domestics, and all other ratings not above enumerated; together with all passengers and other persons borne as supernumeraries, and doing duty and assisting on board,

one share each, excepting officers acting by order, who are to receive the share of that rank in which they shall be acting.

And young gentlemen, volunteers by order, and the boys of every description, half a share each.

And We do hereby further order, that in the case of cutters, schooners, brigs, and other armed vessels, commanded by lieutenants, the distribution shall be as follows:

First—That the share of such lieutenants shall be two eighth parts of the prize, unless such lieutenants shall be under the command of a flag-officer or officers, in which case the flag-officer or officers shall have one third of the said two eighths to be divided among such flag-officer or officers, in the same manner as herein directed in the case of captains serving under flag-officers.

Secondly—We direct that the share of the sub-lieutenant, master, and pilot, shall be one eighth; the said eighth, if there be all three such persons on board, to be divided into four parts; two parts to be taken by the sub-lieutenant, one part by the master, and one part by the pilot; if there be only two such persons on board, then the eighth to be divided into three parts, of which two thirds shall go to the person second in command, and one third to the other person; if there be only a sub-lieutenant or a master, and no pilot, then the sub-lieutenant or master to take the whole eighth; if there be only a pilot, then such pilot to have one half of the eighth, and the other half to go to Greenwich Hospital.

Thirdly—That the share of the surgeon or surgeon's-assistant (where there is no surgeon), midshipman, clerk, and steward, shall be one eighth.

Fourthly—That the remaining four eighths shall be divided into shares, and distributed to the other part of the crew in the following proportions; viz. the gunner's, boatswain's, and carpenter's-mates, yeomen of the sheets, sail-maker, quarter-master, and quarter-master's-mates, and serjeant of marines, to receive four and a half shares each.

The corporals of marines three shares each.

The able seamen, ordinary seamen, and marines, one share and a half each.

The landsmen, together with passengers and other persons borne as supernumeraries, doing duty and assisting on board, to receive one share each.

Boys of all descriptions half a share each.

But it is Our intention nevertheless, that the above distribution shall only extend to such captures as shall be made by any cutter, schooner, brig, or armed vessel, without any of His Majesty's ships or vessels of war being present, or within sight of, and adding to the encouragement of the captors, and terror of the enemy; but in case any such ships or vessels of war shall be present or in sight, that then the officers, pilots, petty officers, and men on board such cutters, schooners, brigs, or armed vessels, shall share in the same proportion as is allowed to persons of the like rank and denomination on board of His Majesty's ships and vessels of war, the sub-lieutenant and master to be

considered as warrant officers; and such cutters, schooners, brigs, or armed vessels, shall not in respect to such captures convey any interest or share to the flag-officer or officers under whose orders such cutters, schooners, brigs, and armed vessels may happen to be:

And whereas it is judged expedient, during the present hostilities, to hire into His Majesty's service armed vessels, to be employed as cruizers against the enemy, which vessels are the property of, and their masters and crews are paid by, the owners of whom they are hired; although several of them are commanded by commissioned officers in His Majesty's pay; it is Our further will and pleasure, that the net produce of all prizes taken by such hired armed vessels (except as hereinafter mentioned) shall be for the benefit of such commissioned officers in His Majesty's pay, and of the masters and crews on board the said hired armed vessels at the time of the capture; and that such prizes may be lawfully sold and disposed of by them and their agents, after the same shall have been to His Majesty finally adjudged lawful prize, and not otherwise; the distribution whereof shall be as follows:

The whole of the net produce being divided into eight equal parts, the officer commanding any hired armed vessel aforesaid, who shall be actually on board at the taking of any prize, shall have two eighths; but in case such hired armed vessel shall be under the command of a flag or flags, the flag-officer or officers being actually on board, or directing or assisting in the capture, shall have one third of the said two eighth parts; the said one third of the two eighth parts to be paid to such flag or flag officers in such proportions, and subject to such regulations, as are hereinafter mentioned. In case there be acting on board such hired armed vessel, besides the officer commanding the same, one or more commissioned sea lieutenants in His Majesty's pay, such lieutenant or lieutenants shall take one eighth. One eighth shall belong to the master and mate, of which the master shall take two thirds, and the mate one third; but in case there shall be acting on board such hired armed vessel one or more midshipmen, in that case the master shall take one half of the eighth, and the other shall be divided equally between the mate and midshipmen. The remaining four eighth parts shall belong to and, being divided into shares, be distributed among the other petty officers, men, and boys, in the same proportion as herein before directed with respect to the division of prize-money in His Majesty's ships of war. And in case of prizes taken by any hired armed vessel not commanded by any of His Majesty's commissioned officers, one eighth shall belong to the flag-officers, to be divided as aforesaid, in case such hired armed vessel shall be under the command of a flag; one eighth shall belong to the master and mate, of which the master shall take two thirds and the mate one third; four eighths shall belong to and be divided among the petty officers and crew, in manner aforesaid. The surplus, the distribution of which is not herein directed, shall remain at Our

disposal; and, if not disposed of within a year after final adjudication, the same shall belong and be paid to Greenwich Hospital:

And in the case of prizes taken jointly by any of His Majesty's ships of war, or any hired armed vessel; His Majesty's commissioned officer or officers on board such hired armed vessel shall share with the commissioned officer or officers of the same rank on board His Majesty's ship or ships of war, being joint captors; the master of such hired armed vessel shall share with the warrant officers; the mate of such hired armed vessel with the first class of petty officers; and the seamen, landmen, and boys of such hired armed vessel, with persons of the same description on board His Majesty's said ship or ships of war; save and except that, in case such hired armed vessel shall be commanded by one of His Majesty's commissioned officers having the rank of master and commander, and there shall be none of His Majesty's lieutenants on board, or in case such hired armed vessel shall be commanded by the master, in both those cases the master of such hired armed vessel shall share with the lieutenants of His Majesty's ships of war; and the mate with the warrant officers; and in case any difficulty shall arise in respect to the said distribution, not herein sufficiently provided for, the same shall be referred to the Lords Commissioners of the Admiralty, whose direction thereupon shall be final, and have the same force and effect as if herein inserted.

Provided, that if any officer, being on board any of His Majesty's ships of war at the time of taking any prize, shall have more commissions or offices than one, such officer shall be entitled only to the share or shares of the prizes which, according to the above-mentioned distribution, shall belong to his superior commission or office.

Provided also, that in all prizes taken by any of His Majesty's squadrons, ships, or vessels, while acting in conjunction with any squadron, ship, or vessel of any other power that may be in alliance with His Majesty, a share of such prizes shall be set apart and be at Our further disposal, equal to that share which the flag and other officers and crews of such squadron, ships, or vessels would have been entitled to if they had belonged to His Majesty.

And We do hereby strictly enjoin all commanders of His Majesty's ships and vessels of war, taking any prize, to transmit as soon as may be, or cause to be transmitted to the Commissioners of the Navy, a true list of the names of all the officers, seamen, marines, soldiers, and others who were actually on board His Majesty's ships and vessels of war under their command at the time of the capture; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ship or ships, and their several ratings, and be subscribed by the captain or commanding officer, and three or more of the chief officers on board.

And We do hereby require and direct the Commissioners of the Navy, or any three or more of them, to examine, or cause to be examined, such lists by the muster books of such ships and vessels of war; and lists annexed thereto, to see that such

lists do agree with such muster books and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others belonging to such ships and vessels of war; and upon request, forthwith to grant a certificate of the truth of any list transmitted to them, to the agents nominated and appointed by the captors to take care and dispose of such prize; and also upon application to them (the said Commissioners), to give or cause to be given, to the said agents, all such lists from the muster books of any such ships of war, and annexed lists, as the said agents shall find requisite for their direction in paying the produce of such prizes; and otherwise to be aiding and assisting to the said agents, in all such matters as shall be necessary.

We do hereby further will and direct, that the following regulations shall be observed concerning the one third part of the two eighths hereinbefore mentioned, to be granted to the flag or flag-officers, who shall actually be on board at the taking of any prize, or shall be directing or assisting therein:

First—That a captain of a ship shall be deemed to be under the command of a flag, when he shall actually have received some order directly from, or be acting in execution of some order issued by a flag-officer; and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time that he arrives within the limits of the station, and shall be considered to continue under the command of the flag-officer of such station, until such captain shall have received some order directly from, or be acting in execution of some order issued by some other flag-officer, or the Lords Commissioners of the Admiralty.

Secondly—That a flag-officer commander in chief, when there is but one flag-officer upon service, shall have to his own use the one third part of the said two eighths of the prizes taken by ships and vessels under his command.

Thirdly—That a flag-officer sent to command on any station, shall have a right to share as commander in chief for all prizes taken by ships or vessels employed there, from the time he arrives within the limits of such station; but if a junior flag-officer be sent to relieve a senior, he shall not be entitled to share as commander in chief in any prize taken by the squadron, until the command shall be resigned to him, but shall share only as a junior flag-officer until he assumes the command.

Fourthly—That a commander in chief, or other flag officer, appointed or belonging to any station, and passing through or into any other station, shall not be entitled to share in any prize taken out of the limits of the station to which he is appointed or belongs, by any ship or vessel under the command of a flag-officer of any other station, or under Admiralty orders.

Fifthly—That when an inferior flag-officer is sent to reinforce a superior flag-officer on any station, the superior flag-officer shall have no right to any share of prizes taken by the inferior flag-officer before the inferior flag-officer shall arrive within

the limits of the station, or shall actually receive some order directly from him, or be acting in execution of some order issued by him; and such inferior flag-officer shall be entitled to his proportion of all captures made by the squadron which he is sent to reinforce, from the time he shall arrive within the limits of the command of such superior flag-officer.

Sixthly—That a chief flag-officer quitting a station, either to return home, or to assume another command, or otherwise, except upon some particular urgent service, with the intention of returning to the station as soon as such service is performed, shall have no share of prizes taken by the ships or vessels left behind, after he shall have surrendered the command to another flag-officer appointed by the Admiralty to be commander in chief of such station, or after he shall have passed the limits of the station, in the event of his leaving the command without being superseded.

Seventhly—That an inferior flag-officer quitting a station, except when detached by orders from his commander in chief out of the limits thereof, upon a special service, with orders to return to such station as soon as such service is performed, shall have no share in prizes taken by the ships and vessels remaining on the station after he shall have passed the limits thereof; and in like manner the flag-officers remaining on the station shall have no share of the prizes taken by such inferior flag officer, or by the ships and vessels under his immediate command, after he shall have quitted the limits of the station, except when detached as aforesaid.

Eighthly—That when vessels under the command of a flag which belong to separate stations shall happen to be joint captors, the captain of each ship shall pay one third of the share to which he is entitled to the flag officers of the station to which he belongs; but the captains of vessels under Admiralty orders, being joint captors with other vessels under a flag, shall retain the whole of their share.

Ninthly—That if a flag officer is sent to command in the out-ports of this kingdom, he shall have no share of the prizes taken by ships or vessels which have sailed, or shall sail from that port, by order from the Admiralty.

Tenthly—That when more flag officers than one serve together, the one third part of the two eighth parts of the prizes taken by any ships or vessels of the fleet or squadron, shall be divided in the following proportions: viz. If there be but two flag-officers, the chief shall have two third parts of the said third of two eighths, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one half, and the other half shall be equally divided among the junior flag-officers.

Eleventhly—That commodores with captains under them shall be esteemed as flag-officers with respect to the one third of the two eighth parts of prizes taken, whether commanding in chief or serving under command.

Twelfthly.—That the first captain to the admiral and commander in chief of His Majesty's fleet, and also the first captain to a flag-officer, appointed, or hereafter to be appointed, to command a fleet or squadron of ten ships of the line of battle, or upwards, shall be deemed and taken to be a flag-officer, and shall be entitled to a part or share of prizes as the junior flag-officer of such fleet or squadron.

A PROCLAMATION.

GEORGE, P. R.

WHEREAS We are informed that great numbers of meriners and seafaring men, His Majesty's natural-born subjects, are in the service of divers foreign princes and states, to the prejudice of His Majesty's kingdom; and whereas attempts may be made to seduce some of His Majesty's subjects, contrary to their allegiance and duty to His Majesty, to enter on board ships or vessels of war, or other ships or vessels belonging to the United States of America, with intent to commit hostilities against His Majesty or His subjects, or otherwise to adhere or give aid or comfort to His Majesty's enemies upon the sea; now We, in order that none of His Majesty's subjects may ignorantly incur the guilt and penalties of such breaches of their allegiance and duty, have thought it necessary, in the name and on the behalf of His Majesty, and by and with the advice of His Majesty's Privy Council, to publish this Proclamation, hereby notifying and declaring that all persons, being His Majesty's subjects, who shall enter or serve or be found on board any ships or vessels of war, or other ships or vessels belonging to the United States of America, with intent to commit hostilities against His Majesty or His subjects, or who shall otherwise adhere or give aid or comfort to His Majesty's enemies upon the sea, will thereby become liable to suffer the pains of death, and all other pains and penalties of high treason and piracy; and We do hereby declare, in the name and on the behalf of His Majesty, Our intention and firm resolution to proceed against all such offenders according to law.

WHEREAS by an Act passed in the last session of Parliament, intituled "An Act to prohibit until the first day of November one thousand eight hundred and twelve, the making of starch, hair-powder, and blue, from wheat and other articles of food, and for suspending part of the duties now payable on the importation into Great Britain of starch;" it was enacted, that in case His Majesty should, in His royal discretion, judge it to be for the benefit and advantage of His kingdom further to continue the prohibition of the making of starch from wheat, barley, rice, grain, potatoes, flour, meal, or any other article or thing used for the food of man, from the first day of November next, until forty days after the next meeting of Parliament, then and in such case it should and might be lawful to and for His Majesty, by His royal proclamation or proclamations, to be issued by and with the advice of His Privy Council, or by His Order in Council to be published from time to time in the London Gazette, to continue throughout that part of the United Kingdom called Great Britain, from the said first of November until forty days after the next meeting of Parliament, the prohibition thereinbefore mentioned; that is to say, that throughout that part of the United Kingdom called Great Britain, during the continuance of such prohibition, no starch, hair-powder, or blue should be made from rice, potatoes, flour, meal, or any other article or thing used for the food of man: And whereas We, acting in the name and on the behalf of His Majesty, do judge it for the benefit and advantage of His Majesty's kingdom, that the said prohibition should be further continued, We are thereupon pleased, by this proclamation, in the name and on the behalf of His Majesty, and by and with the advice of His Majesty's Privy Council, to order and direct that the prohibition of the making of starch from wheat, barley, rice, grain, potatoes, flour, meal, or any other article or thing used for the food of man, be further continued from the first of November next, until forty days after the next meeting of Parliament; and that during that period no person, within that part of the United Kingdom called Great Britain, shall cause any starch, hair-powder or blue to be made from rice, potatoes, flour, meal, or any other article or thing used for the food of man, upon pain of incurring the forfeitures in the said Act mentioned.

AT the Court, at *Carlton-House*, the 29th of September 1812,

PRESENT,

His Royal Highness the PRINCE REGENT in Council.

WHEREAS His Royal Highness the Prince Regent, was pleased, by His Order in Council, in the name and on the behalf of His Majesty, bearing date the twenty-eighth of February one thousand eight hundred and eleven, to direct that certain questions, in addition to the preliminary questions directed by His Majesty's general Order in Council of the fifth of April one thousand eight hundred and five, touching the performance of quarantine, should be put to the commander, master, or other person having the charge of any ships or vessels coming from or having touched at any port or place on the continent of America, or the islands adjacent thereto, or coming from, or having touched at, any of the ports in the West Indies; and whereas it is deemed expedient that the following question should be placed at the head of the several questions so directed to be put by the Order in Council of the twenty-eighth of February one thousand eight hundred and eleven, viz.

"In the course of your voyage have any persons on board suffered from sickness of any kind; what was the nature of such sickness; and when did it prevail? How many persons were affected by it? And have any of them died in the course of the voyage?"

His Royal Highness the Prince Regent is thereupon pleased to order, in the name and on the behalf of His Majesty, and by and with the advice of His Majesty's Privy Council, that the question above set forth be placed at the head of the several questions directed to be put by the aforementioned Order in Council of the twenty-eighth of February one thousand eight hundred and eleven, to the commanders, masters, or other persons having charge of ships or vessels coming from, or having touched at any port or place on the Continent of America, or the islands adjacent thereto, or coming from, or having touched at, any of the ports in the West Indies; and His Royal Highness is further pleased to order, in the name and on the behalf of His Majesty, and by and with the advice aforesaid, that such commanders, masters, or other persons having charge of such ships or vessels, shall, upon such question being put by the Superintendent of Quarantine, or his assistant, or principal officer or other officer of the Customs, authorized by the Commissioners of His Majesty's Customs, or any four or more of them, to act in that behalf, give a true answer to the same in writing, or otherwise, and upon oath, or not upon oath, according as he shall be required by such superintendent or his assistant, or principal officer or other officer of the Customs, authorized

as aforesaid, under such pains and penalties as are inflicted by an Act passed in the forty-fifth year of His Majesty's reign, intitled "An Act for making further Provision for the effectual Performance of Quarantine;" and the Right Honourable the Lords Commissioners of His Majesty's Treasury, the Commissioners for executing the office of Lord High Admiral of Great Britain, the Lord Warden of the Cinque Ports, the Master General, and the rest of the principal officers of the Ordnance, His Majesty's Secretary at War, and the Governors and Commanders in Chief for the time being of the isles of Guernsey, Jersey, Alderney, Sark, and Mau, are to give the necessary directions herein as to them may respectively appertain.

PRESENT,

And whereas it is found that certain neutral ships or vessels, which had proceeded under the provisions of the before mentioned Acts, for the purpose of importing goods and commodities as permitted by the said Acts, into the ports of the United Kingdom, will not be able to arrive in the said ports, previous to the first day of November next:

His Royal Highness the Prince Regent, in the name and on the behalf of His Majesty, is pleased, by and with the advice of His Majesty's Privy Council, to order, and it is hereby ordered, that the goods and commodities aforesaid, permitted to be imported by the aforesaid Acts, shall be permitted, and are hereby permitted to be imported in neutral vessels, into any port or ports of the United Kingdom, until the first day of January next; subject to all duties of Customs and Excise, and to all rules and regulations and conditions, and to all penal-
