

Regiment, Troop, or Corps of the Army from which they were first discharged and recommended, and received at Chelsea Hospital.

The Pensioners are particularly to take notice, that the half-yearly payments after Christmas are to be regulated hereafter, as to the place of payment, by the musters at Chelsea, of such only as reside within the bills of mortality, or the affidavits sent as above, after the Midsummer preceding; and that the Midsummer payment will in like manner be regulated by the musters or affidavits after the Christmas preceding.

It is also ordered and directed, that no person who shall change the place of his abode given in at his muster, or specified in his affidavit as aforesaid, and who may apply for his pension (excepting to the Officers of Excise nearest such place of abode,) shall receive the same, unless it appears, by the certificate of respectable persons, that such removal was through unavoidable necessity, which he or they could not foresee or prevent; and that if any Pensioner shall fraudulently attempt to receive a double payment of the pension, either at Chelsea or at different places, he shall be struck off the lists; for the better prevention of which frauds, each Pensioner is required to produce his instruction papers at the time of payment.

Lastly, it is notified that none will be entered upon the pay-lists of the said Hospital, or be entitled to receive any benefit therefrom, who shall not act agreeably to these orders and directions; particularly in sending their half-yearly affidavits to the Paymaster-General, as above-directed, and to no other office, which several of the Pensioners have of late either neglected to do, or sent them irregularly to other Departments.

G. Aust, Secretary and Registrar.
