By His Royal Highness the PRINCE of WALES, REGENT of the United Kingdom of Great Britain and Ireland, in the Name and on the Behalf of His Majesty,

A PROCLAMATION,

For granting the Distribution of Prizes, during the present Hostilities.

GEORGE. P. R.

WHEREAS by Our Order in Council, dated the twenty-first day of June instant, We have ordered that general reprisals be granted against the ships, goods, and subjects of France, subject to such exceptions as His Majesty may at any time or times hereafter be pleased to declare, so that as well the fleets and ships of His Majesty as also all other ships and vessels that shall be commissioned by letters of marque or general reprisals, or otherwise by the Commissioners for executing the Office of Lord High Admiral of Great Britain, shall and may lawfully seize all ships, vessels, and goods belonging to the Government of France, or to any persons being subjects of France, or inhabit-

ing within any of the territories thereof (saving always such exceptions as His Majesty may at any time or times hereafter be pleased to declare), and bring the same to judgment in any of the Courts of Admiralty within His Majesty's dominions duly authorised and required to take cognizance thereof, We being desirous to give due encouragement to His Majesty's faithful subjects who shall lawfully seize the same, and having declared in Council by Our Order of the twenty-first of June instant Our intentions concerning the distributions of all manner of captures, seizures, prizes, and reprisals of all ships and goods during the present hostilities (subject to the exceptions herein-before reserved), do now make known to all His Majesty's loving subjects, and all others whom it may concern, by this Our Proclamation, by and with the advice and consent of His Majesty's Privy Council, that Our will and pleasure is, in the name and on the behalf of His Majesty, that the net produce of all prizes taken (subject to the exceptions herein-before reserved), the right whereof is inherent in His Majesty and His Crown, be given to the takers (save also the produce of such prizes as are or shall be taken by ships or vessels belonging to or hired by or in the service of the Commissioners of Customs or Excise, the disposition of which We reserve to Our further pleasure, and also save and except as herein-after mentioned), but subject to the payment of all such or like customs and duties as the same are now or would have been liable to if the same were or might have been imported as merchandise, and that the same may be so given in the proportion and manner herein-after set forth; that is to say,

That all prizes taken by ships and vessels having commissions of letters of marque and reprisals (save and except such prizes as are or shall be taken by the ships or vessels belonging to or hired by or in the service of the Commissioners aforesaid), may be sold and disposed of by the merchants, owners, fitters, and others, to whom such letters of marque and reprisals are granted, for their own use and benefit, after final adjudication, and not before.

And We do hereby further order and direct, that the net produce of all prizes which are or shall be taken by any of His Majesty's ships or vessels of war (save and except when they shall be acting on any conjunct expedition with His Majesty's land forces, in which case We reserve to Ourselves the division and distribution of all prizes and booty taken; and also save and except as herein-after mentioned) shall be for the entire benefit and encouragement of the flag officers, captains, commanders, and other commissioned officers in His Majesty's pay, and of the seamen, marines, and soldiers on board His Majesty's said ships and vessels at the time of the capture; and that such prizes may be lawfully sold and disposed of by them and their agents, after the same shall have been finally adjudged lawful prize to His Majesty, and not otherwise.

The distribution shall be made as follows:—the whole of the net produce being first divided into eight equal parts.

The captain or captains of any of His Majesty's said ships or vessels of war or officer commanding such ship or vessel, who shall be actually on

board at the taking of any prize, shall have two eighth parts; but in case any such prize shall be taken by any of His Majesty's said ships or vessels of war under the command of a flag or flags, the flag officer or officers being actually on board, or directing and assisting in the capture, shall have one third of the said two eighth parts; the said one third of such two eighth parts to be paid to such flag or flag officers in such proportions and subject to such regulations as are herein-after mentioned.

The sea lieutenants, captains of marines, and land forces, and master on board shall have one eighth part, to be equally divided amongst them: but every physician appointed, or hereafter to be appointed to a fleet or squadron of His Majesty's ships of war, shall, in the distribution of prizes which may hereafter be taken by the ships in which he shall serve, or in which such ship's company shall be entitled to share, be classed with the before-mentioned officers with respect to one eighth part, and be allowed to share equally with them, provided such physician be actually on board at the time of taking such prizes.

The lieutenants and quarter-masters of marines, and lieutenants, ensigns, and quarter-masters of land forces, secretaries of admirals, or of commodores with captains under them, second masters of line of battle ships, surgeons, chaplains, pursers, gunners, boatswains, carpenters, master's mates, and pilots on board, shall have one eighth part, to be equally divided amongst them.

The other four eighth parts of the prize to be divided into shares and distributed to the persons composing the remaining part of the crew, in the following proportions; *videlicet*, To the first class of petty officers, namely, the midshipmen, surgeons' assistants, secretaries' clerks, captains' clerks, schoolmasters, masters at arms, captains' coxswains, gunners' mates, yeomen of the powder-room, boatswains' mates, yeomen of the sheets, carpenters' mates, quarter-masters' mates, ships' corporals, captains of the fore-castle, master sail-makers, master caulkers, master rope-makers, armourers, serjeants of marines and land forces, four and a half shares each.

To the second class of petty officers; *videlicet*, midshipmen, ordinary captains of the foretop, captains of the maintop, captains of the after guard, captains of the mast, sail-makers' mates, caulkers' mates, armourers' mates, ship's cook, corporals of marines and of land forces, three shares each.

The quarter gunners, carpenter's crew, sail-maker's crew, coxswain's mates, yeomen of the boatswain's store-room, gun-smiths, coopers, trumpeters, able seamen, ordinary seamen, drummers, private marines, and other soldiers, if doing duty on board in lieu of marines, one and a half share each.

The landmen, admiral's domestics, and all other ratings not above enumerated, together with all passengers and other persons borne as supernumeraries, and doing duty and assisting on board, one share each, excepting officers acting

by order, who are to receive the share of that rank in which they shall be acting.

And young gentlemen, volunteers by order, and the boys of every description, half a share each.

And We do hereby further order, that in case of cutters, schooners, brigs, and other armed vessels commanded by lieutenants, the distribution shall be as follows: First, that the share of each lieutenant shall be two eighth parts of the prize, unless such lieutenants shall be under the command of a flag officer or officers, in which case the flag officer or officers shall have one third of the said two eighths to be divided amongst such flag officer or officers, in the same manner as herein directed in the case of captains serving under flag officers.

Secondly—We direct that the share of the sub-lieutenant, master, and pilot, shall be one eighth; if there be all three such persons on board, to be divided into four parts, two parts to be taken by the sub-lieutenant, one part by the master, and one part by the pilot; if there be only two such persons on board, then the eighth to be divided into three parts, of which two thirds shall go to the person second in command, and one third to the other person; if there be only a sub-lieutenant or a master, and no pilot, then the sub-lieutenant or master to take the whole eighth; if there be only a pilot, then such pilot to have one half of the eighth, and the other half to go to Greenwich-Hospital.

Thirdly—That the share of the surgeon, or surgeon's assistant (where there is no surgeon); midshipmen, clerk, and steward, shall be one eighth.

Fourthly—That the remaining four eighths shall be divided into shares, and distributed to the other part of the crew, in the following proportions, viz. the gunners, boatswains, and carpenter's mates, yeomen of the sheets, sail-maker, quarter-master, and quarter-masters' mates, and serjeants of marines, to receive four and a half shares each.

The corporals of marines, three shares each.

The able seamen, ordinary seamen, and marines, one and a half share each.

The landmen, together with passengers and other persons borne as supernumeraries, doing duty and assisting on board, to receive one share each.

Boys of all descriptions, half a share each.

But it is Our intention, nevertheless, that the above distribution shall only extend to such captures as shall be made by any cutter, schooner, brig, or armed vessel, without any of His Majesty's ships or vessels of war being present, or within sight of, and adding to the encouragement of the captors, and terror of the enemy; but in case any such ships or vessels of war shall be present or in sight, that then the officers, pilots, petty officers, and men on board such cutters, schooners, brigs, or armed vessels, shall share in the same proportion as is allowed to persons of the like rank and denomination on board of His Majesty's ships and vessels of war, the sub-lieutenant and master to be considered as warrant officers; and such cutters, schooners, brigs, or armed vessels shall

net, in respect to such captures, convey any interest or share to the flag officer or officers under whose orders such cutters, schooners, brigs, and armed vessels may happen to be.

And whereas it may be judged expedient, during the present hostilities, to hire into His Majesty's service armed vessels to be employed as cruisers against the enemy, which vessels are the property of, and the masters and crews are paid by the owners of whom they are hired; although several of them are commanded by commissioned officers in His Majesty's pay; it is Our further will and pleasure, that the neat produce of all prizes taken by such hired armed vessels (except as hereinafter mentioned) shall be for the benefit of such commissioned officers in His Majesty's pay, and of the masters and crews on board the said hired armed vessels at the time of the capture, and that such prizes may be lawfully sold and disposed of by them and their agents, after the same shall have been to His Majesty finally adjudged lawful prize, and not otherwise; the distribution whereof shall be as follows:

The whole of the neat produce being divided into eight equal parts, the officer commanding any hired armed vessel aforesaid, who shall be actually on board at the taking of any prize, shall have two eighths; but in case such hired armed vessel shall be under the command of a flag or flags, the flag officer or officers being actually on board, or directing or assisting in the capture, shall have one third of the said two eighth parts, the said one third of the two eighth parts to be paid to such flag or flag officers in such proportion, and subject to such regulations as are hereinafter mentioned. In case there be acting on board such hired armed vessel, besides the officer commanding the same, one or more commissioned sea lieutenants in His Majesty's pay, such lieutenant or lieutenants shall take one eighth; one eighth shall belong to the master and mate, of which the master shall take two thirds and the mate one third; but in case there shall be acting on board such hired armed vessel one or more midshipmen, in that case the master shall take one half of the eighth, and the other shall be divided equally between the mate and midshipmen; the remaining four eighth parts shall belong to, and, being divided into shares, be distributed among the other petty officers, men, and boys, in the same proportion as hereinbefore directed with respect to the division of prize money in His Majesty's ships of war. And in the case of prizes taken by any hired armed vessel, not commanded by any of His Majesty's commissioned officers, one eighth shall belong to the flag officers, to be divided as aforesaid, in case such hired armed vessel shall be under the command of a flag; one eighth shall belong to the master and mate, of which the master shall take two thirds and the mate one third—Four eighths shall belong to and be divided among the petty officers and crew in manner aforesaid. The surplus, the distribution of which is not herein directed, shall remain at Our disposal, and if not disposed of within a year after final adjudication, the same shall belong to and be paid to Green-

wich Hospital; and in the case of prizes taken jointly by any of His Majesty's ships of war or any hired armed vessel, His Majesty's commissioned officer or officers on board such hired armed vessel shall share with the commissioned officer or officers of the same rank on board His Majesty's ship or ships of war, being joint captors; the master of such hired armed vessel shall share with the warrant officers; the mate of such hired armed vessel with the first class of petty officers; and the seamen, landmen, and boys of such hired armed vessel with persons of the same description on board His Majesty's said ship or ships of war; save and except that in case such hired armed vessel shall be commanded by one of His Majesty's commissioned officers, having the rank of master and commander, and there shall be none of His Majesty's lieutenants on board, or in case such hired armed vessel shall be commanded by the master, in both those cases the master of such hired armed vessel shall share with the lieutenants of His Majesty's ships of war, and the mate with the warrant officers; and in case any difficulty shall arise in respect to the said distribution, not herein sufficiently provided for, the same shall be referred to the Lords Commissioners of the Admiralty, whose direction thereupon shall be final, and have the same force and effect as if herein inserted.

Provided, that if any officer being on board any of His Majesty's ships of war at the time of taking any prize, shall have more commissioned officers than one, such officer shall be entitled only to share or shares of the prizes which, according to the abovementioned distribution, shall belong to his superior commission or office.

Provided also, that in all prizes taken by any of His Majesty's squadrons, ships, or vessels, while acting in conjunction with any squadron, ship, or vessel, of any other powers that may be in alliance with His Majesty, a share of such prizes shall be set apart, and be at Our further disposal, equal to that share which the flag and other officers and crews of such squadron, ships, or vessels would have been entitled to if they had belonged to His Majesty.

And We do hereby strictly enjoin all commanders of His Majesty's ships and vessels of war taking any prize, to transmit as soon as may be, or cause to be transmitted, to the Commissioners of the Navy, a true list of the names of all the officers, seamen, marines, soldiers, and others who were actually on board His Majesty's ships and vessels of war under their command at the time of the capture; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ship or ships, and their several ratings; and be subscribed by the captain or commanding officer, and three or more of the chief officers on board. And We do hereby require and direct the Commissioners of the Navy, or any three or more of them, to examine, or cause to be examined, such lists by the muster books of such ships and vessels of war and lists annexed thereto, to see that such lists do agree with such muster books and annexed lists, as to the names,

qualities, or ratings of the officers, seamen, marines, soldiers, and others belonging to such ships and vessels of war; and upon request, forthwith to grant a certificate of the truth of any list transmitted to them, to the agents nominated and appointed by the captors to take care and dispose of such prize; and also upon application to them (the said Commissioners) to give, or cause to be given, to the said agents, all such lists from the muster books of any such ships of war and annexed lists, as the said agents shall find requisite for their direction in paying the produce of such prizes; and otherwise to be aiding and assisting to the said agents, in all such matters as shall be necessary.

We do hereby further will and direct, that the following regulations shall be observed concerning the one third part of the two eighths hereinbefore mentioned to be granted to the flag or flag officers who shall actually be on board at the taking of any prize, or shall be directing or assisting therein.

First—That a captain of a ship shall be deemed to be under the command of a flag, when he shall actually have received some order directly from, or be acting in execution of some order issued by a flag officer; and in the event of his being directed to join a flag officer on any station, he shall be deemed to be under the command of such flag officer from the time that he arrives within the limits of the station, and shall be considered to continue under the command of the flag officer of such station until such captain shall have received some order directly from, or be acting in execution of some order issued by some other flag officer, or the Lords Commissioners of the Admiralty.

Secondly—That a flag officer commander in chief, when there is but one flag officer upon service, shall have to his own use the one third part of the said two eighths of the prizes taken by ships and vessels under his command.

Thirdly—That a flag officer sent to command on any station, shall have a right to share as commander in chief for all prizes taken by ships or vessels employed there from the time he arrives within the limits of such station; but if a junior flag officer be sent to relieve a senior, he shall not be entitled to share as commander in chief in any prizes taken by the squadron, until the command shall be resigned to him, but shall share only as a junior flag officer until he assumes the command.

Fourthly—That a commander in chief or other flag officer, appointed or belonging to any station, and passing through or into any other station, shall not be entitled to share in any prize taken out of the limits of the station to which he is appointed or belongs, by any ship or vessel under the command of a flag officer of any other station, or under Admiralty orders.

Fifthly—That when an inferior flag officer is sent to reinforce a superior flag officer on any station, the superior flag officer shall have no right to any share of prizes taken by the inferior flag officer, before the inferior flag officer shall arrive within the limits of the station, or shall actually receive some order directly from him, or be acting in execution of some order issued by

him. And such inferior flag officer shall be entitled to his proportion of all captures made by the squadron, which he is sent to reinforce, from the time he shall arrive within the limits of the command of such superior flag officer.

Sixthly—That a chief flag officer quitting a station either to return home, or to assume another command, or otherwise, except upon some particular urgent service with the intention of returning to the station as soon as such service is performed, shall have no share of prizes taken by the ships or vessels left behind after he shall have surrendered the command to another flag officer appointed by the Admiralty to be commander in chief of such station; or after he shall have passed the limits of the station, in the event of his leaving the command without being superseded.

Seventhly—That an inferior flag officer quitting a station, when detached by orders of his commander in chief out of the limits thereof, upon a special service with orders to return to such station as soon as such service is performed, shall have no share in prizes taken by the ships and vessels remaining on the station, after he shall have passed the limits thereof; and in like manner the flag officers remaining on the station shall have no share of the prizes taken by such inferior flag officer, or by the ships and vessels under his immediate command, after he shall have quit the limits of the station, except when detached as aforesaid.

Eighthly—That when vessels under the command of a flag, which belong to separate stations, shall happen to be joint captors, the captain of each ship shall pay one third of the share, to which he is entitled, to the flag officers of the station to which he belongs; but the captains of vessels under Admiralty orders, being joint captors with other vessels under a flag, shall retain the whole of their share.

Ninthly—That if a flag officer is sent to command in any of the out ports of this kingdom, he shall have no share of the prizes taken by ships or vessels which have sailed, or shall sail from that port by order from the Admiralty.

Tenthly—That when more flag officers than one serve together, the one third part of the two eighth parts of the prizes taken by any ships or vessels of the fleet or squadron shall be divided in the following proportions; videlicet, if there be but two flag officers, the chief shall have two third parts of the said third of two eighths, and the other shall have the remaining third part: but if the number of flag officers be more than two, the chief shall have only one half, and the other half shall be equally divided among the junior flag officers.

Eleventhly—That commodores with captains under them shall be esteemed as flag officers with respect to the one third of the two eighth parts of prizes taken, whether commanding in chief or serving under command.

Twelfthly—That the first captain to the admiral and commander in chief of His Majesty's fleet, and also the first captain to a flag officer appointed or hereafter to be appointed to command

a fleet or squadron of ten or more ships of the line of battle, shall be deemed and taken to be a flag officer, and shall be entitled to a part or share of prizes as the junior flag officer of such fleet or squadron.

Given at the Court at Carlton-House, the twenty-ninth day of June one thousand eight hundred and fifteen, in the fifty-fifth year of His Majesty's reign.

GOD save the KING.

THE following Address has been presented to His Royal Highness the Prince Regent; which Address His Royal Highness was pleased to receive very graciously:

To His Royal Highness the Prince of Wales, REGENT of the United Kingdom of Great Britain and Ireland.

The humble Address of the Mayor, Recorder, Aldermen, Sheriff, and Common-Council of Newcastle-upon-Tyne.

May it please your Royal Highness,

WE, His Majesty's dutiful and loyal subjects, the Mayor, Recorder, Aldermen, Sheriff, and Common-Council of Newcastle-upon-Tyne, beg leave to congratulate your Royal Highness upon the glorious and extensive victory recently obtained by the allied armies under the command of Field-Marshal the Duke of Wellington and Prince Blücher.

At the same time we cannot but deeply lament, in common with the whole British nation, the loss of so many of His Majesty's brave subjects in this tremendous conflict; and we beg leave to assure your Royal Highness, that we participate in your Royal Highness's affliction for the death of your illustrious relative the Duke of Brunswick, who nobly fell at the head of his gallant countrymen. We trust, however, that these distinguished heroes have not bled in vain; and we confidently hope, that the French nation, bending under the severe chastisement which its own want of good faith had provoked, will now be convinced of the necessity of establishing a government willing to observe the usual relations between civilized states; and that Europe will thus speedily be restored to the invaluable blessings of a safe and permanent peace.

Given under the Seal of our Corporation, the 30th day of June 1815.

His Royal Highness is at the same time graciously pleased to declare, that the said private men who, upon examination, shall be found fit for service, shall receive the sum of one shilling and ten pence per diem each, from the time of their leaving their respective homes until their arrival at the examining station, calculating the same at the rate of ten miles for a day's march, and be afterwards subsisted until allotted to a veteran battalion, at the rate of one shilling per diem for pay, one penny per diem for beer money, and one penny per diem in lieu of the extra price of bread and meat.

His Royal Highness is also pleased to order, that every man found fit for duty shall, on his joining the veteran battalion to which he shall be appointed, receive a bounty of one pound five shillings, or so much thereof as shall remain after supplying him with proper necessaries; and it is His Royal Highness's gracious intention, that every such man whose pension is now less than ninepence per diem, shall be entitled, when discharged, to that increased rate of out-pension, provided he be recommended by his Colonel or Commanding Officer as an object deserving of His Majesty's royal bounty.

It is His Royal Highness's further pleasure, that the men who, upon examination, shall be found unfit for any duty, shall be dismissed, and be settled with at the rate of one shilling and ten-pence per diem each, from the time of their leaving their respective homes, until their arrival at the examining stations, calculating the same at the rate of ten miles for a day's march, receiving also the like allowance to carry them back to their homes; and that while detained for examination, they shall receive the same pay and allowances as the men found fit for duty.

And it is hereby notified, that all the out-pensioners hereby called upon to attend, who shall not appear at the times and places herein appointed, will be considered as otherwise provided for by Government, or as dead, and will accordingly be struck off the books of the out-pension of the said Hospital, without any prospect of being restored thereto.

By command of His Royal Highness the Prince Regent, in the name and on the behalf of His Majesty,

For further particulars inquire of Mr. James, Solicitor, Colford.

Both mills are upon the same stream, and have a constant and regular supply of water from a spring which rises near them, and from its purity is well adapted for a paper manufactory.

They are worked with considerable power, which is capable of being increased, are well calculated for flour mills, and from their situation in a populous neighbourhood, could be advantageously converted into any manufactory requiring hands.
