

Majesty, to grant unto Charles Silvertop, Esq. late Captain in the 14th Regiment of Light Dragoons, and now a Colonel in the Spanish service, His Majesty's royal licence and permission that he may accept and wear the supernumerary cross of the royal and distinguished Order of Charles the Third, which His Catholic Majesty Ferdinand the Seventh, King of Spain, hath been pleased to confer upon that Officer, as a signal testimony of His royal approbation of the distinguished services rendered by him in several actions with the enemy during the Peninsular war, particularly in the memorable battle of Barrosa, and at Usagre; provided nevertheless, that His Majesty's said licence and permission doth not authorise, and shall not be deemed or construed to authorise, the assumption of any style, appellation, rank, precedence, or privilege appertaining unto a Knight Bachelor of these realms:

And His Royal Highness hath been further pleased to command, that the said royal concession and declaration be registered in His Majesty's College of Arms.
