Westminster, August 2, 1816.

**T**HE Governors of the Bounty of Queen Anne for the Augmentation of the Maintenance of the Poor Clergy, having one hundred thousand pounds granted in the last session of Parliament, to dispose of for increasing that maintenance, do give this public notice, that they will apply it for the augmentation of livings which, by the rules of this Corporation, are fitly qualified to receive it; and that to encourage benefactions, they will give three hundred pounds to any particular cure, where any person, in order to obtain the bounty, will give two hundred pounds, or a greater sum in money, or the value thereof in lands or tithes, or a clear rent-charge or annuity of fifteen pounds; that the Governors will receive proposals for benefactions till Christmas next, and then proceed, in the first place, to augment such livings as shall have benefactions offered and accepted, and afterwards proceed to augment in due course, by lot, such livings as are fitly qualified, until the whole sum shall be exhausted; that if any living augmented under this regulation appears to have no incumbent resident or doing the duty in person, the interest of the augmentation money is to accumulate for the benefit of the living, until there is an incumbent resident or doing the duty in person.
