THE Lords Commissioners of His Majesty's Treasury having given directions for paying off the principal of the above-mentioned Exchequer Bills, with the interest due thereon, at the Exchequer Bill Office in the Receipt of Exchequer, New Palace-Yard, Westminster, on Tuesday the 10th day of September 1816, attendance will be given daily (Sundays and holidays excepted) until, and including, Thursday the 5th of September, from ten o'clock in the morning till one in the afternoon, for the purpose of receiving the same. And, for the greater dispatch, the bearers of the said bills are desired to place each description of bills in separate lists (which are to be obtained at this Office), classing them in the order of their respective dates, such as are for the same amount being numerically arranged, and specifying the principal sums and interest due thereon, computed from, but excluding the days on which they are respectively dated, to the said 10th day of September inclusive, when the interest will cease; and the said bearers (being holders or not) are indispensably required to indorse each bill with their usual signatures, and to write their names and residence at the bottom of each separate list; and they are moreover required to attend the Exchequer Bill Office for payment, and to receive the new bills, and give the receipts for the same.

If any of the holders of the aforesaid bills should be desirous of receiving payment of the principal and interest, previous to the said 10th day of September, they may be accommodated on computing the interest to the day on which they wish to be paid, and leaving the said bills for examination one day prior thereto.

Such persons as may be desirous of having new Exchequer Bills in whole or in part of payment of principal, upon marking new bills, and mentioning the amount at the bottom of their lists, delivered on or before Thursday the 5th of September, may be accommodated with new bills, payable to or order, carrying an interest of three pence farthing by the

day, on every one hundred pounds; which said new bills will bear date the said 10th day of September, and will be delivered, together with the interest due in respect of the bills so desired, to be exchanged, on Wednesday the 11th day of September, and the following days.

The Exchequer Bills to be issued in exchange and made payable to or order, as abovementioned, may be either transferred by endorsement or will be paid to the bearer if the blank shall not be filled up.
