

the Popish on the one hand, and miserabl, in the Kingdom by the Phanatick Dissenters on the other; humbly assuring your Majesty, that whensoever it shall please you, out of your sole Princely Wisdom, to Assemble a Parliament, we will make choice of such Persons to be Members thereof for this place, as we shall know to be of true and Loyal Principles, who shall Represent us in nothing more than in a ready Obedience to your Majesty, and an earnest desire to promote the good and happiness of the Established Government.

Given under our Hands, and the Common Seal of our said Burrough, at our Law-Court and Sessions of the Peace held at the Guildhall in our said Burrough, on Tuesday the 9th day of May, Anno Regni Domini nostri Caroli Secundi, Dei Gratia Angliae, Scotiae, Franciae, & Hiberniae, Regis Electi Defensoris, &c. Franciscus Quaer.

To the Kings most Excellent Majesty.

Dread Sovereign,

**WE** Your Majesties most Dutiful and Obedient Subjects, the Mayor, Burgeses, and other the Inhabitants of your Majesties most ancient Burrough of Downton, in your County of Wilts, (whose Names are hereunto subscribed) do humbly acknowledge the great Happiness we enjoy under Your Princely Government, notwithstanding the restless Attempts of ill Men, who daily endeavour to make Your Majesty obnoxious, and Kings useless in the Eyes of Your People, as the many Plots and Conspiracies against Your Life and Honour, the great scandal and apparent injuries cast on Your Royal Brother, do sufficiently manifest, (whose good success in Scotland, and safe arrival here we most heartily congratulate) and not being content with this, they have proceeded in a far more impudent and devilish manner, than the Rebels of Forty One did at first dare avow, (though we verily believe their Designs are Coy'd with one and the same Stamp) as we are deeply sensible by that Traiterous Scheme of an Association, lately found and produced at the proceedings against Anthony Earl of Shaftesbury; wherein we are bound to swear Obedience to the Arbitrary Laws of a pack of our fellow-Subjects, to prosecute and destroy, not only Papists, but even all those that withstand their Hellish Principles, by asserting their Zeal for the true Religion and Your Regal Dignity: And a sowe cannot but admire Your Majesties Goodness and Clemency, not only in Pardoning, but even in advancing some of them to the highest Employes of Trust and Honor; whose unparallel'd Ingratitude for Your Majesties Gracious Favours, we do from our Hearts and Souls (as we do both the Author and Abettors of that Impious and Seditious Model) utterly disown and detest; and shall be ready upon all occasions, with our Lives and Fortunes to Serve Your most Sacred Person, and to Maintain and Defend the Right of Your Majesties Prerogative, and of Your Royal Successors, and all the just Rights, both of the Church and State, as now by Law established, against all Secret and Rebellious Practices whatsoever.

**GOD** Almighty (Great SIR) increase the number of Your Loyal Cavalier Subjects; Clothe Your Whiggish Enemies with Shame and Dishonor, and upon Your Sacred Head and Royal Line, let the Crown for ever flourish.

At the General Sessions of the Peace held for the Burrough of Tonnes, in the County of Devon, the Ninth of May, in the Four and thirtieth year of the Reign of our most Gracious Sovereign Lord, King Charles the Second.

**WE** the Grand Inquest for your Majesties ancient Corporation and Burrough of Tonnes in the County of Devon, and your Majesties most Loyal and Dutiful Subjects, being now at your Majesties

publick Service, think it our Duty to offer unto your Majesty, our most humble acknowledgments for the great Benefits we daily enjoy under your most Gracious Government; And do solemnly Declare and Testifie to your Majesty, and to this Court, and to all the World, our utter Abhorrence and Detestation of all Seditious and Traiterous Conspiracies; and do protest against all new Models of Government in Church and State; and now more particularly, against that Association and treasonable Model, published at the Old Bailey, in the proceedings against the Earl of Shaftesbury, which seems to our-eye all Treasonable Inventions, even that barbarous Vote of non-Adresse to your Majesties Father of ever Blessed Memory We do humbly beg leave hereby also to Declare to your most Gracious Majesty, and to the World, our Detestation of all abominable Tenets, which induce Mens Consciences to dispence with Oaths; and that we will upon all occasions, with our Lives and Fortunes, be ready to manifest the same, which by our Religion and Allegiance is our Duty. That your Majesties Life and Reign may be long and prosperous, that your lawful Successors may never be wanting in this Realm, and that all Arbitrary Associations may ever be infatuated, is, and shall be the continual Prayers of,

Dread SIR,

Your Majesties most Loyal, and most Obedient Subjects,

We the Mayor, Justices of the Peace, Deputy-Recorder, Aldermen, and Town-Clerk, with the rest of the Inhabitants, whose Names are Subscribed, do heartily concur with the Grand-Jury in their Declaration.
