That in case of any difference on any question arising out of the above scale, or omitted in the said scale, the Lords Commissioners of the Admiralty shall have authority to decide what the freight shall be under the said scale, or adhering as nearly as possible in cases not specified, to the spirit and principles of the said scale.

That on the shipment of gold, silver, or jewels, or other articles received on board as treasure by special order, the rate of freight per centum according to the above scale shall be endorsed on the bill or bills of lading, or receipt or receipts of the Officer receiving the charge thereof, such endorsement or endorsements to be signed by the said Officer; but in case of any difference of opinion abroad, or when immediate reference cannot be

had to the Lords of the Admiralty, it may be expressed, "at such rate as the Lords Commissioners of the Admiralty shall decide."

When treasure belonging to the Crown shall be shipped in any of His Majesty's ships or vessels with a commissary or conductor specially charged with the care thereof, the Officer commanding such ship or vessel shall not be required to give any receipt, nor to sign any bill of lading, and such Officer shall not receive any freight on account thereof, nor be liable to make good any loss or damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have authority to direct at what time, and for what time, and within what limits the war freight shall be payable on private treasure received by special order.

And We do hereby further order and direct, that the whole amount of the said freight when received shall be divided into four parts and distributed as follows, subject to the proviso hereinafter mentioned, one-fourth to the Admiral or Admirals if more than one on the station, or in the squadron to which the ship receiving treasure on board may belong.

Two-fourths to the Captain or Officer commanding such ship or vessel, who shall give his receipt or sign the bill of lading for the treasure, and one-fourth to Greenwich-Hospital for the use of that institution.

That when there shall be more than one Flag-Officer on the station, the said one-fourth part shall be divided and distributed amongst the several Flag-Officers on the station in the following proportions, viz.

If there be but two Flag-Officers, the Chief shall have two-third parts of the said one-fourth, and the other shall have the remaining third part; but if the number of Flag-Officers be more than two, the Chief shall have only one-half, and the other half shall be equally divided amongst the junior Flag-Officers; but if there be no Flag-Officers on the station, or that the ship or vessel be not under the orders of a Flag-Officer, then that the Captain or Officer commanding the ship or vessel shall have three-fourths, and Greenwich-Hospital one-fourth, provided that such Admiral or Admirals shall not be entitled to claim his or their respective share or shares in such freight-money otherwise than on condition that he or they shall, before the gold, silver, jewels, treasure, or other articles as aforesaid shall be put on board such ship or vessel, have respectively given notice in writing to the Captain or Officer commanding such ship or vessel, or his agent, or have entered or caused to be entered in a public order book on board the ship of the Commander in Chief, or the senior Flag-Officer commanding on the station or in the squadron to which such vessel belongs; or in case of a junior Flag-Officer absent from the Commander in Chief, unless such junior Flag-Officer shall have notified under his hand to the Commander in Chief to be entered in the said Order Book an engagement, in writing, in form or to the effect following;

I, A. B. am desirous of partaking in the advantages with the risks attendant thereon, arising out of the conveyance of freight of trea-

sure in any of the ships or vessels of the squadron (or in the particular ship as the case may be). And I hereby engage to make good to the Captain or Captains, Officers or Officer, commanding such ships or vessels respectively (or ship or vessel as the case may be), such part of any loss or damage for which he or they may be liable in respect to the gold, silver, treasure, or other articles so carried on freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the share or interest in the said freight money to which I may be entitled. And that such share or shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the ship or vessel in which the gold, silver, treasure, or other articles shall be carried on freight as aforesaid.

That in the event of loss or damage happening to the gold, silver, jewels, or other articles so received on freight exceeding the total freight-money, Greenwich Hospital shall not be entitled to receive any sum on account of such freight; and in cases in which the loss may not amount to the whole of the freight money, Greenwich Hospital shall be entitled only to its proportion of the balance of freight-money over and above such loss or damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the rules of the service, as Flag-Officers, and Commodores, without Captains under them, shall with respect to freight be also considered as Flag-Officers, when in the command of a station.

That when the Captain or Commander, or his agent, shall have received the freight, he shall pay over to the senior Flag-Officer, and to the Treasurer of Greenwich Hospital, without delay, their respective shares, and the Captain shall be held responsible to both for any loss which may occur, through his neglect or delay, in receiving or paying the same; but if there be any question or difficulty as to the payment, he is to apprise the Senior Flag-Officer and the Treasurer of Greenwich Hospital respectively, of the causes of such delay.

That the Captain or Officer commanding, on receiving any treasure on board any of His Majesty's ships or vessels, shall transmit to the Senior Flag-Officer, when such Captain or Officer commanding shall be under a Flag-Officer, and in every case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a return of the amount of such treasure, and of the freight paid or to be paid thereon.

That when the treasure shall, during the voyage, be transhipped into one or more ships, the freight shall be divided, pro rata itineris, among the Admirals and Captains and who may be entitled to share therein according to the services performed by the different ships respectively; and if any difficulty or dispute shall arise respecting such division or distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or orders of the

Lords Commissioners of the Admiralty, or any three of them, as to such division or distribution shall be final and conclusive thereon.

That in order to prevent any doubt or misunderstanding as to the rate or distribution of freight on gold, silver, jewels, or other articles as aforesaid, received on board flag-ships, or any other of His Majesty's ships and vessels, and to prevent any private agreements inconsistent with these regulations all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's ships or vessels any gold, silver, jewels, or other articles as aforesaid, upon any agreement or condition different from these regulations, or to take, demand, or receive any sums, other than those established by these regulations.

That these rules and regulations shall be in force from the day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established rule and custom of His Majesty's naval service on the several particulars to which they refer till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at Carlton-House, this twelfth day of July one thousand eight hundred and nineteen, in the fifty-ninth year of His Majesty's reign.

GOD save the KING.

Chetwynd.

THE following Address, having been transmitted to Viscount Sidmouth, one of His Majesty's Principal Secretaries of State, by the Mayor of Newcastle-upon-Tyne, has been presented by His Lordship to His Royal Highness the Prince Regent, who was pleased to receive the same very graciously:

To His Royal Highness the Prince of Wales,
REGENT of the United Kingdom of Great Britain and Ireland.

May it please your Royal Highness,

AT a time when attempts are making with the utmost industry and perseverance by turbulent and factious men, to infuse into the minds of the great mass of our fellow subjects an erroneous and unfounded opinion that their rights are invaded and withheld from them, we His Majesty's faithful subjects, the Mayor, Recorder, Aldermen, Sheriff, and Common Council of Newcastle-upon-Tyne, feel it our bounden duty, humbly to offer to your Royal Highness the sincere declaration of our grateful sense of the inestimable blessings which this nation enjoys under its Constitutional Government. We do not wish to conceal our belief that some classes of the community do at present suffer a depression from local and temporary circumstances; but we reprobate with just indignation the false and dangerous doctrine, that this accidental distress is occasioned by abuses which it is necessary to remove by an effort of radical reform. We cannot consent to surrender our establishments in Church and State to the visionary projects of these self-created reformers, nor can we allow ourselves for a moment to think that inflammatory speeches and insidious publications, by which blasphemy and sedition are brought into concurrent operation, are the legitimate means of promoting the prosperity of a loyal and religious people.

We feel that in times like the present much must depend upon the vigilance and activity of the constituted authorities whose duty it is to watch over the movements of the disaffected, and by a timely and discreet exercise of those powers with which they are invested for the public weal, to arrest the progress of sedition before its baneful influence has irrecoverably corrupted the minds of the uninformed and unwary part of His Majesty's subjects, and we beg leave to assure your Royal Highness that we will always be ready to repel to the utmost of our power, the traitorous attempts of those who shall endeavour, either by open violence or under any delusive pretexs to erect the standard of

anarchy and atheism upon the ruins of the existing Government of our country.

Given under the seal of our Corporation, this
30th day of September 1819,
J. Forster, Mayor.

Whitehall, October 5, 1819.

And His Royal Highness hath been further pleased to command, that the said concession and especial mark of his royal favour, together with the aforesaid imperial letters patent or diploma, be registered in His Majesty's College of Arms.

Commission signed by the Lord Lieutenant of the County of Northumberland.
