TUESDAY, JULY 31, 1821.

THE following Addresses have been presented to the King; which Addresses His Majesty was pleased to receive very graciously:

To His Most Excellent Majesty George the Fourth, by the Grace of God of the United Kingdom of Great Britain and Ireland KING, Defender of the Faith, &c. &c.

May it please your Majesty,

WE, the Members of the Council and Assembly of your Majesty's Island of Dominica, humbly beg leave to approach your Majesty's Throne with assurances of our most unfeigned loyalty to your Majesty's Person, and of our ardent attachment to the Constitution of Great Britain, our beloved and venerated mother country.

At any other moment we should perhaps have been contented to suffer our opinions to be judged by our actions, satisfied of its being apparent to every impartial observer, that amidst all the vicissitudes of prosperous and adverse fortune, which no portion of your Majesty's widely extended dominions has more experienced than this unfortunate Colony, our warmest sentiments of loyalty and fidelity to our King, and of affection to our parent State, have ever remained inviolate and inflexible; but when we perceive attempts to create disaffection to your Majesty's wise and equitable Government, and to overturn that inimitable fabric, which has long been the just pride and boast of our own country, and the admiration and envy of surrounding nations, we should deem ourselves unworthy of the name of Britons, if we did not unequivocally declare our utter abhorrence of such proceedings, and proclaim to the world our firm determination to support and defend to our latest breath our King and Constitution.

That it may please the Almighty Disposer of all events to bless your Majesty with a long and prosperous reign, and to shower down on your Majesty every good which can render your life happy, is the sincere prayer of your Majesty's loyal, faithful and dutiful subjects, the Council and Assembly of the Island of Dominica.

A. Gloster, President of the Council.
Dominica, 12th May 1821

To the KING's Most Excellent Majesty.

May it please your Majesty,

WE, your Majesty's most dutiful, affectionate, and loyal subjects, the Magistrates, Council, Associated Trades, and other Inhabitants of the Burgh of Maybole assembled, humbly approach your Majesty's Throne with our sincere congratulations on the august Ceremonial which confirms the bond of union between your Majesty and a free and loyal people.

On an occasion so joyful to the subjects of your empire, we beg leave to express the sentiments of unfeigned attachment which we feel to your Majesty, whose energy and firmness in maintaining the sound principles of our invaluable Constitution throughout an eventful period, and whose paternal solicitude uniformly displayed for the rights, interests, and happiness of your people, call forth our highest gratitude and admiration.

Deeply convinced that our prosperity and happiness depend upon the preservation of that Constitution, and the continuance of those rights and privileges which we enjoy under the mild administration of your Majesty's Government, we beg leave to tender to your Majesty the most heartfelt assurance of our readiness, at all times, to support and defend that Constitution, and your Majesty's sacred Person and Government.

That your Majesty's reign may be prolonged throughout a long series of years, and may continue to be attended by peace, happiness and glory, is the sincere wish of your Majesty's loyal subjects, the Magistrates, Council, Associated Trades, and other Inhabitants of this Burgh.

Signed in our name and by our appointment, at Maybole, this 19th day of July 1821 years.

William Hannay, Senior Magistrate.

To the KING's Most Excellent Majesty.

May it please your Majesty,

WE, your Majesty's dutiful subjects, the Mayor, Recorder, Aldermen, Sheriff and Common Council of Newcastle-upon-Tyne, humbly presume to con-
