The Commissioners notify, that, between May 1819, the date of the Act of 59 Geo. III, cap. 31, and the 2d day of May 1822, they had liquidated claims under Convention No. 7, to the amount of 2,370,811 francs annual rente, and had delivered their certificates for 65 per Cent. thereon, making a rente of 1,541,184 francs, besides a farther rente for the accumulated interest since the 22d March

1816, according to the respective dates of the liquidation of the said claims. They farther notify, that there were then remaining unadjudicated about 235 claims, amounting to about 29,500,000 francs capital, which said claims, if they should eventually have been substantiated by the proper evidence, and have been found entitled to a payment in full of the amount claimed, would have required a rente of 1,922,069 francs, whereof 65 per Cent. would have been 1,249,344 francs.

The Commissioners farther notify, that there then remained in their hands, a rente of 1,532,544 francs, applicable to the payment of adjudicated claims, up to the 22d March 1816, together with another rente arising from the accumulated interest since the said 22d March 1816; accordingly, after payment of 65 per Cent. on the liquidated claims, and a reservation of 65 per Cent. on the unliquidated claims, there remained a surplus of 283,200 francs of annual rente applicable to the payment of a farther dividend as appears by the following table :

Annual Rente in hand	—	—	—	—	Francs Rente.	1,532,544
Annual Rente required to pay 65 per Cent on unadjudicated Claims as above	—	—	—	—		1,249,344
				Surplus		283,200

Such surplus sum of 283,200 francs rente would, on distribution, have amounted only to the sum of about 6½ per Cent. on the whole of the adjudicated and unadjudicated claims.

But whereas the Commissioners, after repeated examination of the whole of the said unadjudicated claims (as far as such examination could then be made), were convinced that, for various causes, awards of rejection, in whole or in part, must ultimately have been made for such portion of the said unadjudicated claims, as would authorise the Board to divide among the persons, in whose favour awards of liquidation had already been made, a further dividend of 562,302 francs rente per annum, being 25 per Cent. in addition to the 65 per Cent. already paid, together with a farther proportionate dividend of the fund for the payment of the accumulated interest as aforesaid; the Board resolved that, in anticipation of such rejection of many of the said unadjudicated claims, in whole or in part as aforesaid, they would proceed to deliver to the respective claimants under Convention No. 7, in whose favour awards had already been made, certificates for the farther sum of 25 per Cent. being a payment, at present, of 90 per Cent. on the amount awarded to them respectively.

The said dividend of 25 per Cent. amounting to	—	—	—	—	Francs Annual Rente.	562,302
In addition to the amount of the dividends of 65 per Cent. previously paid on the same Claims, as advertised in the present and former Gazettes, viz.	—	—	—	—		1,460,793
Making a total Rente paid on the the Claims under Convention No. 7 (exclusive of the interest since 22d March 1816), of	—	—	—	—		2,023,095

The Commissioners accordingly notified in the Gazette of the 4th May 1822, that such certificates for 25 per Cent. were then ready for delivery on all the claims adjudicated under Convention No. 7, since the passing of the Act 59 Geo. III, cap. 31.

The Commissioners farther notify, that since the said 2d May last, and the date hereof, they have liquidated the following Claims, and have issued their Certificates for the payment of 90 per Cent. thereon :

The Commissioners farther notify, that since the 19th of May 1819, the date of the aforesaid Act of Parliament, they have liquidated claims, under Convention No. 13, to the amount of 258,116 francs annual rente, and they have delivered their certificates for 18.6363 per cent. thereon, making a rente of 48,085 francs, besides the interest accumulated thereon since the 22d March 1816, according to the respective dates of the liquidation of the said claims. They farther notify, that there remain unadjudicated 138 claims, amounting to about 9,000,000 francs, which said claims, if they should eventually be substantiated by the proper evidence, and be entitled to a payment in full of the amount claimed, would require a rente of 472,016 francs, whereof 18.6363 per cent. would be 87,966 francs.

The Commissioners farther notify, that there remains in their hands, applicable to the payment of such claims, which include arrears up to the 22d March 1818, a rente of 101,915 francs, together with the interest accumulated thereon since the said 22d March 1818.

The claims now notified as adjudicated since the 22d of January last, together with those before liquidated and rejected, as notified in preceding Gazettes, make a total of 1364 claims, under the two Conventions, liquidated and rejected since the 19th of May 1819, when the Act was passed, empowering the Commissioners to liquidate in England, up to this 19th day of July 1822, being a period of 1156 days.

The above-mentioned 1364 claims, together with 450 claims settled in Paris previously to the passing of the said Act of Parliament, make the total number of claims settled since the establishment of the Commission, to amount to 1814 out of 2137, which were originally presented. The remainder have been all examined, and the adjudication of them is only retarded by the deficiency of the vouchers which the parties interested have been respectively required to produce.
