East India-House, September 25, 1822.

THE Court of Directors of the United Company of Merchants of England trading to the East Indies, do hereby give notice,

That their Bengal Government have published the following advertisement in the Calcutta Gazette of the 7th March last, viz.

Government Advertisements.

Fort William, Territorial Department,
February 26, 1822.

It appearing that several proprietors of the notes advertised for payment on the 30th April next, now resident in Europe, have omitted to leave instructions with their respective agents in India, whether to receive absolute payment of such notes, or to transfer them into any new loan, and applications having been made to Government for permission to make provisional transfers; the Governor-General in Council has been pleased to resolve, for the accommodation of the said proprietors, that their agents shall be allowed to transfer the notes in question into the loan now open, with a reservation, that should the proprietors object to the transfer and wish to withdraw their property from the Company's funds, they shall be at liberty to demand absolute payment in cash, or bills bearing date the 30th of April 1822, in like manner as they would have been entitled to payment on that day had no transfer been made, the said agents entering into an engagement to produce authority, in writing, from the parties respectively, confirming the transfer, on or before the 31st July 1823, or on or before that date, to restore the new loan obligations, and the interest bills which will be issued on the 30th June next, in consequence of the transfer, and to repay to the Honourable Company any other sums which may have been paid, in cash or in bills, for interest on the said loan obligations.

Published by order of the Governor-General in Council,

Holt Mackenzie, Secretary to the Government.
