SATURDAY, OCTOBER 15, 1825.

India-Board, October 15, 1825.

DISPATCHES have been received at the East India-House from the Governor in Council at Bombay, dated the 16th and 30th April 1825; of which dispatches, and of their inclosures, the following are extracts and copies:

Extract of a Letter from the Governor in Council at Bombay to the Court of Directors of the East India Company, dated 16th April 1825.

WE take this opportunity to transmit the copy of a letter from the Superintendent of Marine, dated the 4th of this month, with inclosures from Captain Hardy, of the Honourable Company's Marine, employed in the operations against Tavoy and Mergui*, and also in an enterprising but unsuccessful attack on Ramree. The whole of these reports appear very creditable to the Officers of the Marine employed on the occasions to which they relate.

Copy of a Letter from Henry Meriton, Esq. Superintendent of Marine, to the Governor in Council at Bombay, dated 4th April 1825.

HONOURABLE SIR,

HAVING received a communication from Captain Henry Hardy, commanding the Honourable Company's frigate *Hastings*, giving cover to copies of correspondence between that Officer and Commodore Hayes and Lieutenant-Colonel Hampton, strongly expressive of the satisfaction of the latter Officer on the subject therein contained, as also detailing to the Commodore the service of the *Hastings* in a manner highly creditable to her Commander, Officers, crew, and detachment, I deem it my duty to transmit extract of Captain Hardy's letter and copies of the above papers, for the in-

formation of the Honourable the Governor in Council.

In forwarding these documents, I beg to state the sincere gratification I feel in bringing to the notice of your Honourable Board the services of Captain Hardy and those under his command, which have been executed in a manner so highly creditable to themselves and all concerned.

I have, &c.

HENRY MERITON, Superintendent.

Extract of a Letter from Captain Henry Hardy, commanding the East India Company's Frigate Hastings, dated Cheduba-Roads, 22d February 1825.

I INCLOSE a copy of my report to Commodore Hayes, which will fully inform you of our proceedings lately; I also forward copies of Lieutenant-Colonel Hampton's letter of thanks and detachment orders, together with a copy of the return of our killed and wounded in the late attack on Ramree.

Copy of a Report from Captain Hardy to Commodore Hayes, dated from on board the Frigate Hastings, Ramree-Harbour, 5th February 1825.

SIR,

THE Henry Meriton has been detained to convey to you and General Morrison the result of the operations against Ramree, which, I regret to state, have failed, from causes which Lieutenant-Colonel Hampton* will more properly explain. I am happy to say the Lieutenant-Colonel speaks in high terms of the good conduct and bravery of our seamen and marines; and I beg to recommend all the Officers under my command to the notice of

Government, as deserving every praise for their exertions and valour on every occasion.

Previous to this attack with the military, we had with a party of seamen and marines, under Lieutenant Wyndham, several skirmishes with the enemy, and had succeeded in defeating them, in two successive attacks, and in taking and burning two of their villages, strongly defended by five hundred men, sent from Ramree for the purpose; two prisoners were taken, one of them a Chieftain that commanded the party. I am sorry to add, that Thomas Power, a marine, was seriously wounded on one of these occasions, but is getting better, I reconnoitred the creek under a smart fire, and gave the Lieutenant-Colonel the result of all my observations, and also every professional information connected with the service. Inclosed is a return of our killed and wounded: our boats suffered from the enemy's shot.

I further beg to acquaint you that the ships and vessels under my orders, at Cheduba, have been actively employed on the enemy's coasts and possessions since I took command.

The serjeant and six privates of His Majesty's 54th regiment, on board the Honourable Company's armed cutter Matchless for their health, volunteered to serve on this occasion with our marines, under Lieutenant Bell, and they are of course included in the Lieutenant-Colonel's detachment orders and letters of thanks, copies of which I forward for your information, and beg to add my testimony to that of the Lieutenant-Colonel in favour of Lieutenant Bell: I regret to say one of them fell, and one was slightly wounded; the others I would forward in the Meriton; but they have expressed a wish to remain until their comrades are well. I have consented to their application, as we are all under orders for Arracan.

The cutter Matchless is now going into Cheduba creek to undergo repairs and caulking, after which I intend examining Chandowah and some of the creeks on the eastern side of Ramree Channel, that are said to lead into the Irrawaddy, unless called up to Arracan.

By this opportunity I have the pleasure to forward to you a plan of Ramree channel, creek, and harbour, as surveyed, by my orders, by Lieutenants Wyndham and Harrison, assisted by Mr. Carless, Master's Mate, of this ship, and beg to recommend those Officers to your consideration as deserving notice.

I have the honour to be, &c.

H. HARDY, Captain, commanding the Marine Force, Cheduba.

H. HARDY, Captain.

Extract of a Letter from the Governor in Council at Bombay to the Court of Directors of the East India Company, dated April 16, 1825.

WE have the honour to transmit to your Honourable Court a series of dispatches from Lieutenant Walter, the Assistant in charge of the Residency at Bhoój, and from Captain Noble, acting for the former during his temporary absence in the districts, conveying to us the unpleasant intelligence of the irruption into Cutch of considerable bodies of armed men, who have plundered and laid waste several villages, and taken up a strong position within a few miles of the capital, parties of their horse patrolling nightly within a hundred yards of the town walls.

The plunderers are said to be under the command of Tar Looni, the outlaw, who surrendered himself to Mr. Williams when in Cutch, and was released on the security of some of the principal Jharija Chieftains.

Extract of a Letter from the Governor in Council at Bombay to the Court of Directors of the East India Company, dated April 30, 1825.

IN continuation of the correspondence transmitted with the second paragraph of our letter of the 16th instant, regarding the irruption into Cutch, we have much satisfaction in transmitting to your Honourable Court copies of two further letters from Lieutenant Walter, of the 7th and 10th April, conveying intelligence of the total defeat and dispersion of this formidable band of plunderers.

Your Honourable Court will not fail to notice, with great satisfaction, the judgment and energy evinced by Lieutenant Walter throughout the whole of these proceedings, which have received our fullest approbation.

Extract from a Letter from Lieutenant Walter, Assistant-Resident in Cutch, to the Chief Secretary to the Government of Bombay, dated Bhoój, 7th April 1825.

I HAVE the honour to report the return of the small force detached against the Hill Fort of Bullaree, situated in the Hubbai Hills. The result of this expedition has been productive of more advantage than could have been anticipated. The gun taken from the Rajah's troops, on the 1st instant, was recaptured, and the prisoners which fell into the enemy's hands on that occasion were rescued. In the fort were found near one thousand head of cattle, a great quantity of grain and implements of husbandry, the plunder of the villages of the surrounding country. The smallness of our force and the weakness of the brigade, rendered it necessary, after the property had been removed, to abandon the fort and return to Bhoój. It appears that previous to our attack of the enemy's fort at Bullaree, eight hundred men had been detached by them for the attack of Anjar. On the first intimation of the impending danger, I had taken measures for the protection of the bunders (harbours); and, fortunately, the day previous to the attack, three hundred Arabs and Sebundy had ar-

rived from Noanuggbur, and a similar number from Mandavie—to this circumstance alone can be attributed the safety of Anjar. Twice the enemy, under their desperate leader Omuryah, advanced as far as the town Cutcherry, plundering the Bazar on both occasions to a very large amount. The information of the successful attack on their post at Bullaree, arrived at the moment of their second attack, and appears to have impressed them with a sense of their danger. Their leader, Omuryah, fell at the Cutcherry, and the success of the garrison from that moment appears to have been decisive.

Extract from a Letter from Lieutenant Walter, Assistant-Resident in Cutch, to the Chief Secretary to the Government of Bombay, dated Bhooj, 10th April 1825.

I HAVE the satisfaction to report, for the information of Government, the total defeat and dispersion of the formidable enemy which has lately invaded this province.

Colonel Campbell, with a detachment from the brigade, attacked a large body of the Miannahs on the morning of the 9th instant, who had taken refuge, after their repulse at Anjar, in a range of hills called the Rymal Roah. The success has been complete. The enemy finding no place of safety in Cutch to which they could retire, fled in a body during last night across the Puchum; and at the present moment not twenty of these plunderers remain in Cutch; their chastisement has been most severe; their loss in the two affairs with our troops, and the defeat at Anjar, being computed at about two hundred and fifty.

Jamaica, June 4, 1825.

SIR,

HAVING received from the Collector and Comptroller of His Majesty's Customs at Annotto-Bay, the following copies of the examination of Patrick Smith, late Master of the sloop Tom Paine, relating to the capture of that vessel, and her subsequent arrival at Buff-Bay; and of an inventory of the goods saved from the wreck; you are requested to give publicity to such communication for the space of two months successively, for the information of all persons who may be concerned or interested therein, in compliance with the directions contained in 53d Geo. 3d, chap. 25, sec. 4, of the laws of this island.

Your obedient servant,

WM. JAS. STEVENSON, Rec. Genl.

To the Editor of the London Gazette.

Examination of Patrick Smith, late Master of the Sloop Tom Paine, before Robert G. Kirkland and William Robertson, Esqrs. Justices of the Peace in and for the Parish of St. George.

Jamaica Ss.

Patrick Smith, late Master of the sloop Tom Paine, having been duly sworn, made oath and said; that the sloop Tom Paine was owned by John Campbell, of Montego-Bay, and that he sailed in the said sloop from Kingston, on the 31st day of March 1825, bound to Maracaibo, in the island of Cuba, consigned to a Mr. Hall, Merchant, there; and that off that place they were captured by a Colombian privateer, called the Isabella, of Maracaibo, commanded by John Bedwell, sailing with a Colombian commission; the Prizemaster and three seamen were put on board, with orders to take her to Maracaibo, and that himself and a boy only of the former crew were left on board; that the plea for capture was, that the cargo was Spanish property. And this deponent further said, that from the ignorance of the Prizemaster in navigating the said sloop to her destined port, long detention at sea, and being short of water, the said Prizemaster, after passing the several harbours of Montego-Bay, St. Ann's, Port Maria, and Annotto-Bay, finally brought the vessel into Buff's-Bay to get a supply thereof; and the reason for passing the aforesaid harbours, was his fear of detention by our vessels or the authorities ashore. The deponent further said, that he had no command over the vessel after the capture, either before or after her anchorage at Buff-Bay on 23d April; the Quartermaster and one seaman having come on shore for water, deponent jumped overboard and swam on shore; that soon after Robert G. Kirkland and William Robertson, Esqrs. Justices of the Peace, having heard of there being something suspicious in the said sloop's arrival, interrogated the deponent and the said two men; and failing in an attempt to procure the sloop's papers, from the high sea then running, they ordered the said two men into custody for that night. The deponent further said, that information was given to the Collector and Comptroller of His Majesty's Customs at Annotto-Bay, by one of the aforesaid Magis-

trates, of the circumstances of their arrival; who, without loss of time, repaired to the spot and obtained from the Prizemaster the register of the sloop and other papers for investigation, during which period the vessel drifted and got ashore by the breaking of the cable, which, in consequence of the high sea, soon bilged; that immediate steps were taken by the above Officers, in discharging the cargo and securing the same.
