IN pursuance of an Act, passed in the sixth year of the reign of His present Majesty King George the Fourth, intituled "An Act for the amendment of the laws respecting pilots and pilotage, and also for the better preservation of floating lights, buoys, and beacons," the Commissioners of His Majesty's Customs hereby give notice, that copies of the proposed bye-laws, rules, orders, regulations, and ordinances made and framed by the Corporation of Trinity-House of Deptford Strond, as well for insuring the good conduct and constant attendance of pilots licenced by the said Corporation upon their duty, as for enforcing the general purposes of the said Act, have been hung up in the several Custom-Houses of the principal ports in Great Britain, there to be open to the inspection of all persons interested therein at all seasonable times. lands within the manor and parish of Beighton, in the county of Derby," do intend to make application at the next General Quarter Sessions of the Peace to be holden in and for the county of Derby, in the week after the Feast of Easter now next ensuing, to have two persons named and appointed by the Justices then and there assembled, to be, together with a third person to be named and chosen by such two persons, arbitrators or referees for enquiring into and ascertaining, by or from or by means of the London Gazette, the average price of a Winchester bushel of good marketable wheat within the said county of Derby for the fourteen years then last past, in order and to the intent that such arbitrators or referees, or the major part of them, may and shall by their report to be made and delivered to the Court of Quarter Sessions to be held in and for the said county of Derby in the first week after the Feast of the Translation of Saint Thomas the Martyr then next ensuing, set forth such average price; and that in case it shall by such report appear, that such average price of a bushel of such wheat is more or less than the average price thereof set forth in the award of the Commissioners appointed for carrying into execution the powers of the said Act of Parliament, by the value of three pence or upwards, then that the several and respective annual rents or yearly sums of money charged upon and payable, by virtue of the said Act of Parliament and award, out of the lands, tenements, and hereditaments in the said parish of Beighton, in lieu of all great and small tithes (except mortuaries, Easter offerings, and surplice fees), may and shall be increased or diminished in such manner as shall be declared by order of the said Court; and in order and to the intent that the same yearly rents or sums of money, so increased or diminished, may and shall, from the quarterly day of payment preceding such order, remain and continue issuing and payable, in manner by the said Act directed, out of the several lands and estates charged by the said award, with such respective yearly rents or sums of money until the same shall, at or after the end of fourteen years then next ensuing, be again varied, pursuant to the powers for that purpose contained in the said Act.
