TUESDAY, JULY 18, 1826.

AT the Court at Windsor, the 12th of July 1826,

PRESENT,

The KING's Most Excellent Majesty in Council.

IT is this day ordered, by His Majesty in Council, that the Right Honourable the Lord High Chancellor of that part of the United Kingdom, called Great Britain, do issue writs for proroguing the Parliament, which was appointed to meet on Tuesday the twenty-fifth day of this instant July, to Thursday the twenty-fourth day of August next:

And also for proroguing the Convocations of Canterbury and York, which were appointed to meet on Wednesday the twenty-sixth day of this instant July, to Friday the twenty-fifth day of August next.

By the KING.

A PROCLAMATION.

GEORGE, R.

WHEREAS We have heretofore been pleased to direct that copper money should be coined of the currency of Ireland, to be circulated only in that part of Our United Kingdom, and to pass current as one penny, one halfpenny, and one farthing respectively, of such Irish currency; and whereas an Act, passed in the sixth year of Our reign, for the assimilation of the currency and monies of account throughout the United Kingdom of Great Britain and Ireland, under the provisions of which We directed a new copper coinage to be prepared for circulation in the United Kingdom of Great Britain and Ireland, and which by a Proclamation issued by Our Lord Lieutenant of Ireland, dated Dublin the twenty-sixth December one thousand eight hundred and twenty-five, was directed to be current at the following rates, viz.: one penny as the twelfth part of one British silver shilling, one halfpenny as the twenty-fourth part of one British silver shilling, and one farthing as the forty-eighth part of one British silver shilling: and it was by the said Proclamation provided, that the several pieces of copper money of the

then currency of Ireland should, until otherwise declared, pass current according to the then standard value, viz.: the penny piece as of the value of one thirteenth part of one British silver shilling, one halfpenny as of the value of one twenty-sixth part of one British silver shilling, and one farthing as of the value of one fifty-second part of a British silver shilling; and whereas it has been represented to Us, that great inconveniencies arise from the copper coin heretofore coined for Ireland being current at a different and lower rate than that coined for the general circulation of the United Kingdom, and that it will be a considerable time before the same can be recoined; we have, therefore, with the advice of Our Privy Council, thought fit to issue this Our Proclamation; and We do hereby declare and command, that all such pieces of copper money of the said currency of Ireland, as have heretofore been coined for circulation in that part of the United Kingdom, shall, from and after the date hereof, cease to be current in Ireland at the rates aforesaid; and that from and after the date hereof all such pieces of copper money shall be the current and lawful money of the United Kingdom of Great Britain and Ireland, and until the same shall be called in and recoined shall pass and be received as current and lawful money of the said United Kingdom, at the rates following; that is to say, every such penny piece of the said currency as the twelfth part of one shilling British silver money; every such halfpenny piece as the twenty-fourth part of one shilling British silver money; and every such farthing piece as the forty-eighth part of one shilling British silver money: Provided that no person shall be obliged to take more of such penny pieces, in one payment, than shall be of the value of one shilling, after the rate aforesaid, or to take more of such halfpenny, or farthing pieces, in any one payment, than shall be of the value of six pence, after the rate aforesaid.

Given at Our Court, at Windsor, this twelfth day of July one thousand eight hundred and twenty-six, and in the seventh year of Our reign.

GOD save the KING.

AT the Court at *Windsor*, the 12th of  
July 1826,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the fifty-sixth year of His late Majesty's reign, cap. 38, intituled "An Act to empower His Majesty to suspend the ballot or enrolment for the local militia," it is enacted, that it shall be lawful for His Majesty, by any Order in Council, to direct that no ballot or enrolment for the local militia shall take place; but that such ballot and enrolment shall remain and continue suspended for the period specified in any such Order of Council, and from time to time, by any like Order or Orders in Council, to continue such suspension so long as His Majesty shall deem the same expedient, any thing in any Act or Acts of Parliament to the contrary notwithstanding: and whereas by an Order in Council, made the nineteenth day of July last, it was ordered by His Majesty in Council, that no ballot or enrolment for the local militia should take place for the space of one year from the sixteenth day of July last, but that the ballot and enrolment for the local militia should remain and continue suspended for the space of one year from the said sixteenth day of July last: and whereas it is deemed expedient to continue such suspension of the ballot and enrolment for the local militia for the space of one year from and after the sixteenth day of this instant July; it is, therefore, ordered by His Majesty, by and with the advice of His Privy Council, that no ballot or enrolment for the local militia do take place for the space of one year from and after the sixteenth day of this instant July, but that the ballot and enrolment for the local militia do remain and continue suspended for the space of one year from and after the sixteenth day of this instant July.

WHEREAS by an Order of His Majesty in Council, dated nineteenth July one thousand eight hundred and twenty-five, sec. 38, it is directed with respect to vessels having on board any of the articles enumerated in the said Order, and intending to import the same into any port or place in the United Kingdom, or the islands of Guernsey, Jersey, Alderney, Sark, or Man, from any port or place in Europe without the Streights, or on the Continent of America, at which there is not a regular establishment for the performance of quarantine, declared sufficient by His Majesty in Council for the due performance of quarantine, that the master, or other person having charge of every such vessel, shall produce certain declarations described in the said Order: and whereas it is

further directed, that if it shall appear from the said declarations that any of the said enumerated articles, so imported as aforesaid, are of the growth, produce, or manufacture of Turkey, or of any place in Africa within the Streights of Gibraltar, or in the West Barbary, or the Atlantic Ocean, such goods, with the vessels, crews, &c. importing the same, shall perform quarantine in the manner set forth in the said Order: and whereas there is at present in the port of Bordeaux a regular establishment for the performance of quarantine, and all necessary precautions are there taken for preventing the introduction of the plague, or any other infectious disorder, by the importation of articles from Turkey, or elsewhere, and such establishment is by His Majesty, by and with the advice of His Privy Council, hereby declared sufficient for the due performance of quarantine; His Majesty is, therefore, pleased, by and with the advice aforesaid, to order, and it is hereby ordered, that from and after the date of this Order, the Masters or other persons having the charge or command of vessels arriving in any of the ports of the United Kingdom, or of the Islands of Guernsey, Jersey, Alderney, Sark, or Man, from the said port of Bordeaux, having taken on board any of the said enumerated articles at the port of Bordeaux, shall not be required to produce the declarations described in the thirty-eighth section of the said Order in Council of nineteenth July one thousand eight hundred and twenty-five:

And the Right Honourable the Lords Commissioners of His Majesty's Treasury, the Commissioners for executing the Office of Lord High Admiral of Great Britain, the Lord Warden of the Cinque Ports, the Master General and the rest of the Principal Officers of the Ordnance, His Majesty's Secretary at War, and the Governors and Commanders in Chief for the time being of the isles of Guernsey, Jersey, Alderney, Sark, and Man, are to give the necessary directions herein as to them may respectively appertain.

AT the Court at *Windsor*, the 30th of January 1826,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by a certain Act of Parliament, made and passed in the fifth year of the reign of His present Majesty, intituled "An Act to indemnify all persons concerned in advising, issuing, or acting under a certain Order in Council, for regulating the tonnage duties on certain foreign vessels, and to amend an Act of the last session of Parliament, for authorising His Majesty, under certain circumstances, to regulate the duties and drawbacks on goods imported or exported in any foreign vessels," it is, amongst other things, enacted, "that from and after the passing of the said Act, it shall and may be lawful to and for His Majesty, by and with the advice of His Privy Council, or by His Majesty's Order or Orders in Council, to be published from time to time in the London Gazette (whenever it shall be deemed expedient) to levy and charge any additional or countervailing duty or duties of tonnage upon or in respect of any vessels which shall enter any of the ports in the United Kingdom of Great Britain and Ireland, or in any of His Majesty's dominions, and which shall belong to any foreign country in which any duties of tonnage shall have been or shall be levied upon or in respect of British vessels entering the ports of such country, higher or greater than are levied or granted upon or in respect of the vessels of such country: And it is thereby provided, that such additional or countervailing tonnage duties, so be levied and charged as aforesaid, shall not be of greater amount than may be deemed fairly to countervail the difference of duty paid in such foreign country upon or in respect of the tonnage of British vessels more than the duty there charged or granted upon or in respect of the vessels of such country."

And whereas duties of tonnage are levied upon, or in respect of, British vessels entering the ports of the United Netherlands laden with salt, higher or greater than are levied and granted upon, or in respect of, the vessels of the United Netherlands aforesaid, entering the ports aforesaid, laden with salt:

And such higher tonnage duties are, in the ports aforesaid, levied upon, and in respect of, so much only of the tonnage of such British vessels as is actually employed in the carriage and importation of such salt, and are equivalent to one pound thirteen shillings and four pence for every ton of such vessels so employed:

His Majesty doth, therefore, under the authority of the above recited Act, by and with the advice of His Privy Council, order, that from and after the date of this Order, there shall be levied and charged upon, or in respect of all vessels belonging to the United Netherlands aforesaid, which shall enter any of the ports of the United Kingdom of Great Britain and Ireland, such additional or countervailing duty of tonnage as aftermentioned, that is to say, there shall be levied upon every such Netherland vessel which shall so enter the said ports, a duty of one pound thirteen shillings and four pence upon each and every ton burthen of the said vessel, which upon her clearing out from any such port, for any port in the Kingdom of the United Netherlands, shall be actually occupied and employed in the carriage and exportation of salt, the tonnage or burthen so made subject to such additional or countervailing duty being deemed to be equivalent to the number of tons of the weight of such salt ascertained prior to the shipment thereof:

And the Right Honourable the Lords Commissioners of His Majesty's Treasury are to give the necessary directions herein accordingly.
