FRIDAY, JULY 21, 1826.

AT the Court at Windsor, the 12th of July 1826,

PRESENT,

The KING's Most Excellent Majesty in Council.

IT is this day ordered, by His Majesty in Council, that the Right Honourable the Lord High Chancellor of that part of the United Kingdom, called Great Britain, do issue writs for proroguing the Parliament, which was appointed to meet on Tuesday the twenty-fifth day of this instant July, to Thursday the twenty-fourth day of August next:

And also for proroguing the Convocations of Canterbury and York, which were appointed to meet on Wednesday the twenty-sixth day of this instant July, to Friday the twenty-fifth day of August next.

By the KING.

A PROCLAMATION.

GEORGE, R.

WHEREAS We have heretofore been pleased to direct that copper money should be coined of the currency of Ireland, to be circulated only in that part of Our United Kingdom, and to pass current as one penny, one halfpenny, and one farthing respectively, of such Irish currency; and whereas an Act, passed in the sixth year of Our reign, for the assimilation of the currency and monies of account throughout the United Kingdom of Great Britain and Ireland, under the provisions of which We directed a new copper coinage to be prepared for circulation in the United Kingdom of Great Britain and Ireland, and which by a Proclamation issued by Our Lord Lieutenant of Ireland, dated Dublin the twenty-sixth December one thousand eight hundred and twenty-five, was directed to be current at the following rates, viz.: one penny as the twelfth part of one British silver shilling, one halfpenny as the twenty-fourth part of one British silver shilling, and one farthing as the forty-eighth part of one British silver shilling: and it was by the said Proclamation provided, that the several pieces of copper money of the

then currency of Ireland should, until otherwise declared, pass current according to the then standard value, viz.: the penny piece as of the value of one thirteenth part of one British silver shilling, one halfpenny as of the value of one twenty-sixth part of one British silver shilling, and one farthing as of the value of one fifty-second part of a British silver shilling; and whereas it has been represented to Us, that great inconveniencies arise from the copper coin heretofore coined for Ireland being current at a different and lower rate than that coined for the general circulation of the United Kingdom, and that it will be a considerable time before the same can be recoined; we have, therefore, with the advice of Our Privy Council, thought fit to issue this Our Proclamation; and We do hereby declare and command, that all such pieces of copper money of the said currency of Ireland, as have heretofore been coined for circulation in that part of the United Kingdom, shall, from and after the date hereof, cease to be current in Ireland at the rates aforesaid; and that from and after the date hereof all such pieces of copper money shall be the current and lawful money of the United Kingdom of Great Britain and Ireland, and until the same shall be called in and recoined shall pass and be received as current and lawful money of the said United Kingdom, at the rates following; that is to say, every such penny piece of the said currency as the twelfth part of one shilling British silver money; every such halfpenny piece as the twenty-fourth part of one shilling British silver money; and every such farthing piece as the forty-eighth part of one shilling British silver money: Provided that no person shall be obliged to take more of such penny pieces, in one payment, than shall be of the value of one shilling, after the rate aforesaid, or to take more of such halfpenny, or farthing pieces, in any one payment, than shall be of the value of six pence, after the rate aforesaid.

Given at Our Court, at Windsor, this twelfth day of July one thousand eight hundred and twenty-six, and in the seventh year of Our reign.

GOD save the KING.

AT the Court at Windsor, the 12th of July 1826,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the fifty-sixth year of His late Majesty's reign, cap. 38, intituled "An Act to empower His Majesty to suspend the ballot or enrolment for the local militia," it is enacted, that it shall be lawful for His Majesty, by any Order in Council, to direct that no ballot or enrolment for the local militia shall take place; but that such ballot and enrolment shall remain and continue suspended for the period specified in any such Order of Council, and from time to time, by any like Order or Orders in Council, to continue such suspension so long as His Majesty shall deem the same expedient, any thing in any Act or Acts of Parliament to the contrary notwithstanding: and whereas by an Order in Council, made the nineteenth day of July last, it was ordered by His Majesty in Council, that no ballot or enrolment for the local militia should take place for the space of one year from the sixteenth day of July last, but that the ballot and enrolment for the local militia should remain and continue suspended for the space of one year from the said sixteenth day of July last: and whereas it is deemed expedient to continue such suspension of the ballot and enrolment for the local militia for the space of one year from and after the sixteenth day of this instant July; it is, therefore, ordered by His Majesty, by and with the advice of His Privy Council, that no ballot or enrolment for the local militia do take place for the space of one year from and after the sixteenth day of this instant July, but that the ballot and enrolment for the local militia do remain and continue suspended for the space of one year from and after the sixteenth day of this instant July.

The KING's Most Excellent Majesty in Council.

WHEREAS by an Order of His Majesty in Council, dated nineteenth July one thousand eight hundred and twenty-five, sec. 38, it is directed with respect to vessels having on board any of the articles enumerated in the said Order, and intending to import the same into any port or place in the United Kingdom, or the islands of Guernsey, Jersey, Alderney, Sark, or Man, from any port or place in Europe without the Streights, or on the Continent of America, at which there is not a regular establishment for the performance of quarantine, declared sufficient by His Majesty in Council for the due performance of quarantine, that the master, or other person having charge of every such vessel, shall produce certain declarations described in the said Order: and whereas it is

further directed, that if it shall appear from the said declarations that any of the said enumerated articles, so imported as aforesaid, are of the growth, produce, or manufacture of Turkey, or of any place in Africa within the Streights of Gibraltar, or in the West Barbary, or the Atlantic Ocean, such goods, with the vessels, crews, &c. importing the same, shall perform quarantine in the manner set forth in the said Order: and whereas there is at present in the port of Bordeaux a regular establishment for the performance of quarantine, and all necessary precautions are there taken for preventing the introduction of the plague, or any other infectious disorder, by the importation of articles from Turkey, or elsewhere, and such establishment is by His Majesty, by and with the advice of His Privy Council, hereby declared sufficient for the due performance of quarantine; His Majesty is, therefore, pleased, by and with the advice aforesaid, to order, and it is hereby ordered, that from and after the date of this Order, the Masters or other persons having the charge or command of vessels arriving in any of the ports of the United Kingdom, or of the Islands of Guernsey, Jersey, Alderney, Sark, or Man, from the said port of Bordeaux, having taken on board any of the said enumerated articles at the port of Bordeaux, shall not be required to produce the declarations described in the thirty-eighth section of the said Order in Council of nineteenth July one thousand eight hundred and twenty-five:

And the Right Honourable the Lords Commissioners of His Majesty's Treasury, the Commissioners for executing the Office of Lord High Admiral of Great Britain, the Lord Warden of the Cinque Ports, the Master General and the rest of the Principal Officers of the Ordnance, His Majesty's Secretary at War, and the Governors and Commanders in Chief for the time being of the isles of Guernsey, Jersey, Alderney, Sark, and Man, are to give the necessary directions herein as to them may respectively appertain.

"To Joseph Dart, Esq. Secretary to the Honourable the Court of Directors of the East India Company.

"SIR,

"We, the undersigned Proprietors of India Stock, request that you will lay before the Honourable the Court of Directors of the East India Company, this requisition to call a general meeting of the Honourable the Court of Proprietors, that the following motions may be submitted to their immediate consideration:

"1st. That adverting to the Act of Parliament recently passed, which contains the following clauses, 'That at any time within three years from the passing of this Act, it shall and may be lawful for the Court of Directors of the said United Company to nominate and appoint, and to send to the Presidencies of Fort William, Fort St. George, or Bombay, in the capacity of a Writer, any person

who shall produce such testimonials of his character and conduct, and pass such an examination as by rules and regulations to be framed and established shall be required; that the said Court of Directors shall, and they are hereby required, with all convenient speed, to frame and establish proper rules and regulations respecting the due and necessary qualifications of Writers; and that it shall and may be lawful to alter and vary such rules and regulations from time to time as circumstances may appear to require;' this Court, therefore, requests the Court of Directors now to submit their intended rules and regulations, that the same may be deliberately discussed by the General Court of Proprietors, also in order to obviate every attempt to establish any unfair monopoly in Oriental education while the College suspension Act is in force, like the one lately made by a regulation of the Court of Directors, which, though published in their Court Calendar or Red Book, has since, on mature reflection, been rescinded.

"2d. That considering the manifold advantages of reconciling the feelings and interests of the various public departments and official communities at the different Presidencies in British India with each other, in every branch of the service, this Court recommends, that the Executive Governments there be instructed to abolish immediately the odious practice of paying the civil servants in sicca rupees, and the army in a less valuable currency, called souat rupees, to prevent all discontent from the continuance of this unreasonable distinction among the King's or Company's civil, military, and naval functionaries in future, by the whole receiving their respective allowances in the same species or equitable rates of the local coins where such payments are made."

"We have the honour to be, Sir,

your most obedient servants,

W. Mason. John Borthwick Gilchrist.  
Wm. Thornton. James Mouat.  
R. Slade. Leicester Stanhope.

Valuable Freehold and Leasehold Estates, in Cornwood, near Irybridge and Compton Gifford, near Plymouth, late the property of Thomas Clinton Shiells, Esq., deceased,

**T**O be sold, by public auction, before the major part of the Commissioners in a Commission of Bankrupt against Henry Incedon Johns, (surviving Partner of the said Thomas Clinton Shiells, deceased), at the Royal Hotel, Plymouth, on Friday the 18th day of August next, at Twelve o'Clock at Noon, by Mr. Edward Lyne, subject to such conditions as shall then be produced, the following valuable freehold and leasehold estates;

Lot 1. The fee simple and inheritance in possession of and in all that messuage and tenement, with about 53 acres (more or less) of arable, meadow and pasture land, orchards and gardens, formerly called Notts, otherwise Rook, but now known by the name of Woodburn, situate in the Parish of Cornwood, in the County of Devon, late the property of the said Thomas Clinton Shiells, deceased.

The estate enjoys a right of common on Hanger Down, and a seat in Cornwood Church.

The residence is extremely neat and respectable, and the estate, from having been for nearly 20 years in the possession of Mr. Shiells, (who spared no pains or expence about it), is in so high a state of cultivation as to be scarcely susceptible of further improvement.

The situation of the estate also is very desirable, it is only nine miles from Plymouth, eleven from Devonport, and three from Irybridge, in the neighbourhood of many gentlemen's seats, almost encompassed by the river and within ten minutes ride of the best pack of fox hounds in the County, and of harriers of equal celebrity.

The land tax has been redeemed. Immediate possession can be given, if required.

Lot 2. All that messuage or tenement, called Corntown, in the Parish and Parcel of the Manor of Cornwood, Devon, consisting of a newly built cottage and stable, and about 13 acres (more or less) of garden, orchard, meadow, pasture and arable land.

This lot is held on leases for the residue of two several terms of 99 years determinable on two lives.—Conventional rent 1l. 1s.; heriot 2l. These premises have also been many years in the possession of Mr. Shiells, and are in excellent order and condition in all respects. Immediate possession can be given, if required.

Lot 3.
