TUESDAY, JULY 25, 1826.

AT the Court at Windsor, the 12th of July 1826,

PRESENT,

The KING's Most Excellent Majesty in Council.

IT is this day ordered, by His Majesty in Council, that the Right Honourable the Lord High Chancellor of that part of the United Kingdom, called Great Britain, do issue writs for proroguing the Parliament, which was appointed to meet on Tuesday the twenty-fifth day of this instant July, to Thursday the twenty-fourth day of August next:

And also for proroguing the Convocations of Canterbury and York, which were appointed to meet on Wednesday the twenty-sixth day of this instant July, to Friday the twenty-fifth day of August next.

By the KING.

A PROCLAMATION.

GEORGE, R.

WHEREAS We have heretofore been pleased to direct that copper money should be coined of the currency of Ireland, to be circulated only in that part of Our United Kingdom, and to pass current as one penny, one halfpenny, and one farthing respectively, of such Irish currency; and whereas an Act, passed in the sixth year of Our reign, for the assimilation of the currency and monies of account throughout the United Kingdom of Great Britain and Ireland, under the provisions of which We directed a new copper coinage to be prepared for circulation in the United Kingdom of Great Britain and Ireland, and which by a Proclamation issued by Our Lord Lieutenant of Ireland, dated Dublin the twenty-sixth December one thousand eight hundred and twenty-five, was directed to be current at the following rates, viz.: one penny as the twelfth part of one British silver shilling, one halfpenny as the twenty-fourth part of one British silver shilling, and one farthing as the forty-eighth part of one British silver shilling: and it was by the said Proclamation provided, that the several pieces of copper money of the

then currency of Ireland should, until otherwise declared, pass current according to the then standard value, viz.: the penny piece as of the value of one thirteenth part of one British silver shilling, one halfpenny as of the value of one twenty-sixth part of one British silver shilling, and one farthing as of the value of one fifty-second part of a British silver shilling; and whereas it has been represented to Us, that great inconveniencies arise from the copper coin heretofore coined for Ireland being current at a different and lower rate than that coined for the general circulation of the United Kingdom, and that it will be a considerable time before the same can be recoined; we have, therefore, with the advice of Our Privy Council, thought fit to issue this Our Proclamation; and We do hereby declare and command, that all such pieces of copper money of the said currency of Ireland, as have heretofore been coined for circulation in that part of the United Kingdom, shall, from and after the date hereof, cease to be current in Ireland at the rates aforesaid; and that from and after the date hereof all such pieces of copper money shall be the current and lawful money of the United Kingdom of Great Britain and Ireland, and until the same shall be called in and recoined shall pass and be received as current and lawful money of the said United Kingdom, at the rates following; that is to say, every such penny piece of the said currency as the twelfth part of one shilling British silver money; every such halfpenny piece as the twenty-fourth part of one shilling British silver money; and every such farthing piece as the forty-eighth part of one shilling British silver money: Provided that no person shall be obliged to take more of such penny pieces, in one payment, than shall be of the value of one shilling, after the rate aforesaid, or to take more of such halfpenny, or farthing pieces, in any one payment, than shall be of the value of six pence, after the rate aforesaid.

Given at Our Court, at Windsor, this twelfth day of July one thousand eight hundred and twenty-six, and in the seventh year of Our reign.

GOD save the KING.

AT the Court at *Windsor*, the 12th of
July 1826,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS by an Act, passed in the fifty-sixth year of His late Majesty's reign, cap. 38, intituled "An Act to empower His Majesty to suspend the ballot or enrolment for the local militia," it is enacted, that it shall be lawful for His Majesty, by any Order in Council, to direct that no ballot or enrolment for the local militia shall take place; but that such ballot and enrolment shall remain and continue suspended for the period specified in any such Order of Council, and from time to time, by any like Order or Orders in Council, to continue such suspension so long as His Majesty shall deem the same expedient, any thing in any Act or Acts of Parliament to the contrary notwithstanding: and whereas by an Order in Council, made the nineteenth day of July last, it was ordered by His Majesty in Council, that no ballot or enrolment for the local militia should take place for the space of one year from the sixteenth day of July last, but that the ballot and enrolment for the local militia should remain and continue suspended for the space of one year from the said sixteenth day of July last; and whereas it is deemed expedient to continue such suspension of the ballot and enrolment for the local militia for the space of one year from and after the sixteenth day of this instant July; it is, therefore, ordered by His Majesty, by and with the advice of His Privy Council, that no ballot or enrolment for the local militia do take place for the space of one year from and after the sixteenth day of this instant July, but that the ballot and enrolment for the local militia do remain and continue suspended for the space of one year from and after the sixteenth day of this instant July.

East India-House, July 19, 1826.

" To Joseph Dart, Esq. Secretary to the Honourable the Court of Directors of the East India Company.

" SIR,

" We, the undersigned Proprietors of India Stock, request that you will lay before the Honourable the Court of Directors of the East India Company, this requisition to call a general meeting of the Honourable the Court of Proprietors, that the following motions may be submitted to their immediate consideration :

" 1st. That adverting to the Act of Parliament recently passed, which contains the following clauses, ' That at any time within three years from the passing of this Act, it shall and may be lawful for the Court of Directors of the said United Company to nominate and appoint, and to send to the Presidencies of Fort William, Fort St. George, or Bombay, in the capacity of a Writer, any person who shall produce such testimonials of his character and conduct, and pass such an examination as by rules and regulations to be framed and established shall be required; that the said Court of Directors shall, and they are hereby required, with all convenient speed, to frame and establish proper rules and regulations respecting the due and necessary qualifications of Writers; and that it shall and may be lawful to alter and vary such rules and regulations from time to time as circumstances may appear to require; ' this Court, therefore, requests the Court of Directors now to submit their intended rules and regulations, that the same may be deliberately discussed by the General Court of Proprietors, also in order to obviate every attempt to establish any unfair monopoly in Oriental education while the College suspension Act is in force, like the one lately made by a regulation of the Court of Directors, which, though published in their Court Calendar or Red Book, has since, on mature reflection, been rescinded.

" 2d. That considering the manifold advantages of reconciling the feelings and interests of the various public departments and official communities at the different Presidencies in British India with each other, in every branch of the service, this Court recommends, that the Executive Governments there be instructed to abolish immediately the odious practice of paying the civil servants in

sicca rupees, and the army in a less valuable currency, called sonat rupees, to prevent all discontent from the continuance of this unreasonable distinction among the King's or Company's civil, military, and naval functionaries in future, by the whole receiving their respective allowances in the same species or equitable rates of the local coins where such payments are made."

"We have the honour to be, Sir,
your most obedient servants,

W. Mason. John Borthwick Gilchrist.
Wm. Thornton, James Monat.
R. Slade. Leicester Stanhope.
John Wilks. J. Addinell.
