PRESENT,

The KING's Most Excellent Majesty in Council.

IT is this day ordered by His Majesty in Council, that the Parliament be prorogued, from Thursday the twenty-fifth day of this instant *October*, to Thursday the twentieth day of *December* next.

AT the Court at *St. James's*, the 30th day of *June* 1827,

PRESENT,

The KING's Most Excellent Majesty in Council.

WHEREAS there was this day read at the Board, a Memorial from His Royal Highness the Lord High Admiral, dated the fourth of June instant, in the words following, viz.

WHEREAS by various Orders in Council, dated the seventeenth September one thousand eight hundred and nineteen, thirty-first January one thousand eight hundred and twenty-three, nineteenth January one thousand eight hundred and twenty-four, twenty-third June one thousand eight hundred and twenty-four, and second February one thousand eight hundred and twenty-five, your Majesty was graciously pleased to declare and direct in what manner and proportions the rewards which, under the several Acts of Parliament at those respective periods in force, were payable to the officers, petty officers, and seamen of your Majesty's Navy, and to the officers, non-commissioned officers, and privates of the Royal Marines, for the apprehension of persons offending against the laws for the prevention of smuggling,

and also the rewards of seizures made under the same laws, should be divided and distributed; and whereas the said Acts of Parliament having since been repealed, the Orders in Council before mentioned have become inoperative: and whereas by an Act, passed in the sixth year of your Majesty's reign, cap. 108, intituled "An Act for the prevention of smuggling," certain other rewards are established and directed to be paid and allowed to any officer or other person detaining any person liable to detention, under that or any other Act relating to your Majesty's Revenue of Customs, and in respect of the produce of seizures made under such Acts, which rewards respectively are thereby directed to be paid, divided, and distributed (so far as respects your Majesty's Navy and Royal Marines) to and amongst the officers, petty officers, and seamen of your Majesty's Navy, and the officers, non-commissioned officers, and privates of Royal Marines acting under the orders of the Lord High Admiral, or any Commissioners for executing the office of Lord High Admiral, in such proportions, and according to such rules, regulations, and orders as your Majesty shall, by your Order or Orders in Council, or by your Royal Proclamation in that behalf, be pleased to direct and appoint; I beg leave, therefore, most humbly to submit whether your Majesty will not be graciously pleased to revoke the several Orders above mentioned, and, by your Order in Council, to establish, declare, and direct, that from henceforth the several rewards which, under the laws now or hereafter to be in force for the prevention of smuggling, are or shall be payable to the officers, petty officers, and seamen of your Majesty's Fleet, and to the officers, non-commissioned officers, and privates of Royal Marines acting under my orders, or under the orders of the Lord High Admiral, or of any Commissioners for executing the office of Lord High Admiral of your Majesty's United Kingdom for the time being, as well for the detention of offenders against those laws, as for seizures made under the

same (except in the several cases hereinafter mentioned, as to those persons stationed and employed on shore in the prevention of smuggling, and acting under my orders, or those of the Lord High Admiral, or Commissioners as aforesaid, and for which especial provision is hereinafter proposed to be made) shall be divided and distributed in the proportions, and according to the regulations set forth and expressed in the following scheme, viz.

The amount of such rewards and produce of seizures so respectively payable as aforesaid to be divided into eight equal parts :

The captain or captains of any of your Majesty's ships, and the commander or commanders of any of your Majesty's ships or sloops of war, or the officer or officers respectively commanding such ships or sloops of war, who shall have been actually on board at the time of any such detention or seizure, shall have three of the said eighth parts. But in cases where captains and commanders shall be present together at any such detention or seizure, the said three eighth parts shall be so divided as that the captain or captains shall receive double the amount of the share or shares of the commander or commanders. And if such ships or sloops shall be under the command of a flag or flags, the flag-officer or flag-officers so commanding shall have one of the said three eighths, and the remaining two eighths shall be divided in such proportion as that the captain or captains shall, in like manner, have double the amount of the share or shares of the commander or commanders.

The sea lieutenants, captains of marines, and land forces serving as marines, and the master on board, shall have one eighth part to be equally divided amongst them.

The lieutenants and quartermasters of marines, and lieutenants and ensigns and quartermasters of land forces serving as marines, secretaries of admirals or of commodores of the first class (such secretaries being present at the seizure), second masters, chaplains, pursers, surgeons, surgeons' assistants, gunners, boatswains, and carpenters, who shall be on board shall have one eighth part to be equally divided amongst them.

The other two eighth parts of the seizure to be divided into shares and distributed to the persons composing the remaining part of the crew or crews in the following proportions, viz.

The second class of petty officers, namely ; coopers, armourers' mates, caulkers' mates, sail-makers' mates, captains of the foretop, captains of the maintop, captains of the afterguard, captains of the mast, yeoman of the signals, coxswains of pinnaces, volun-

teers of the first and second classes, corporals of marines and of land forces, if serving as marines, four shares each.

To the gunners' crew, carpenters' crew, sail-makers' crew, coopers' crew, able seamen, yeomen of the store-rooms, ordinary seamen, drummers, private marines, and other soldiers, if serving as marines, three shares each.

To the cooks' mates, barbers, landsmen, admirals' domestics, captains' stewarts, pursers' stewarts, and all other ratings not above enumerated, except boys, together with all passengers and other persons borne as supernumeraries and doing duty and assisting on board (excepting officers acting by order, who are to receive the share of that rank in which they shall be acting), two shares each.

And the boys of every description one share each.

Secondly.—In the cases of seizures made by the officers and men of cutters, schooners, brigs, and other armed vessels of war commanded by lieutenants, when not in company with other ships or vessels, the produce being divided as before into eighth parts.

The lieutenant or lieutenants to have three eighth parts, unless under the command of a flag-officer or officers, in which case such flag officer or officers to have one eighth part, and the lieutenant or lieutenants the other two.

The share of the master to be one eighth part.

The following petty officers, namely ; sail-makers, gunners' mates, boatswains' mates, carpenters' mates, quartermasters, captains of the fore-castle, pilots, and serjeants of marines, or land forces serving as marines, shall have one eighth part to be equally divided amongst them. The remaining two eighth parts to be divided into shares and distributed to the other part of the crew in the following proportions, namely ;

To the remaining petty officers, viz.

Captains of the foretop, captains of the mast, corporals of marines, and volunteers of the first and second classes, four shares each.

To the able seamen, ordinary seamen, and marines and soldiers serving as marines, three shares each.

To the landsmen and all other ratings not before enumerated, together with passengers, and other persons borne as supernumeraries doing duty and assisting on board, two shares each.

Boys one share each.

When cutters, schooners, brigs, and other armed vessels are in company with other ships, their officers and crews are to share with their respective classes on board the fleet.

Thirdly.—All rewards for arrests and seizures made by tenders employed by my order, or by the order of the Lord High Admiral, or any Commissioners for executing the office of Lord High Ad-

miral for the time being, or by boats or officers belonging to and detached from your Majesty's ships and vessels, are to be shared by the officers and men of the ship or vessel to which such boat or officers belong, in the same manner as if the seizure was made by the said ship or vessel.

Fourthly.—In all cases in which supernumeraries, whether officers or men, shall be borne by any such order as aforesaid, they shall share with the respective ranks in which they may be acting.

Fifthly.—The following regulations to be established with respect to the share before mentioned, to be given to the flag-officer, or officers under whose command the capturing ship may be.

That a captain, commander, or commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall have actually received some order directly from, or be acting in execution of some order issued by, a flag-officer, and in the event of his being directed to join a flag-officer on any station, he shall be deemed to be under the command of such flag-officer from the time when he arrives within the limits of the station, and shall be considered to continue under the command of the flag-officer of such station until he shall have received some order directly from, or be acting in execution of some order issued by, some other flag-officer, or by my order, or that of the Lord High Admiral, or any Commissioners for executing the office of Lord High Admiral for the time being.

That a flag-officer, commander in chief, where there is but one flag-officer upon service, shall have to his own use the one third part of the said three eighths of the seizures made by ships and vessels under his command.

That when ships or vessels under the command of several flags, which belong to separate stations, shall happen to be joint captors, the captain or commanding officer of each ship and vessel, and the commander in ships which shall have a commander on board with the captain, shall pay one third of the share or shares to which he or they may be respectively entitled to the flag-officer or officers of the station to which such ship or vessel shall belong; but the captains or commanders, or commanding officers of such ships or vessels, as shall be under orders from me, or the Lord High Admiral, or any Commissioners for executing the office of Lord High Admiral, being joint captors with other ships or vessels under a flag or flags, shall retain the whole of their share.

That if a flag-officer is sent to command in the ports of this kingdom, he shall have no share in the seizures made by ships or vessels that have sailed or shall sail from that port by my order, or that of the Lord High Admiral, or any Commissioners for executing the office of Lord High Admiral.

That when more than one flag-officer shall be serving together, the one third part of the three eighths of the seizures made by any ships or vessels of the fleet or squadron shall be divided in the following proportions, viz.

If there be but two flag-officers, the chief shall have two third parts of the said third of three

eighths, and the other shall have the remaining third part; but if the number of flag-officers be more than two, the chief shall have only one half, and the other half shall be equally divided amongst the junior flag-officers.

That commodores of the first class shall be esteemed as flag-officers with respect to the one third of the three eighth parts of the seizures made, whether commanding in chief or serving under command.

That a captain of the fleet shall be deemed and taken to be a flag-officer, and shall be entitled to a part or share of seizures as the junior flag-officer of such fleet or squadron.

Sixthly.—And with respect to the cases hereinbefore proposed to be excepted, as to the officers, petty officers, and seamen belonging to your Majesty's Fleet, and officers and non-commissioned officers and privates of Royal Marines, who shall be stationed and employed on shore in the prevention of smuggling, commonly called the Coast Blockade Service, and acting under my orders, or those of the Lord High Admiral, or of any Commissioners for executing the office of Lord High Admiral for the time being, I beg leave most humbly to submit that your Majesty may be graciously pleased to establish the following regulations, viz.

That the whole amount of the reward payable for the arrest of smugglers, which shall be made by the officers and men stationed and employed on shore, whether such arrest be made on the water or on the land, shall, if the same be made by only one person, be paid to the person actually making the arrest.

But where there shall be more than one person actually making the arrest, or acting in especial concert or co-operation for that purpose, whether the same be made on the water or on the land, such reward to be divided into equal shares, and to be distributed amongst the several persons actually making the arrest, or acting together in especial concert or co-operation for that purpose, in the following proportions, viz.

To the captain twelve shares.

To the commander eleven shares.

To the sea lieutenants, captains of marines, and masters, ten shares each.

To lieutenants and quartermasters of marines, second masters, pursers, surgeons, boatswains, gunners, carpenters, mates, and pilots, nine shares each.

To assistant-surgeons, and all persons comprehended in the general scheme before set forth, under the denomination of the first class of petty officers (except mates and second pilots), eight shares each.

To all persons comprehended in the said general scheme, under the denomination of the second class of petty officers, seven shares each.

And to all able seamen, ordinary seamen, landmen, and all other persons, six shares each.

Seventhly.—And with respect to seizures to be made by the officers, seamen, and marines employed on shore for the prevention of smuggling, under such orders as aforesaid, it is further humbly submitted

that, in order to encourage the exertions of individuals in the vigilant performance of their duty, one tenth part of the whole reward, payable in respect of such seizures, shall be set apart for, and paid to, the individual making the seizure, over and above his share of the general distribution. And if there shall be more than one person, such tenth part shall be divided and distributed amongst the persons actually making the seizure, or present thereat, and co-operating therein, over and above their respective shares of the general distribution, in the following proportions, viz.

To the sea lieutenants, captains of marines, and masters, ten shares each.

To lieutenants and quartermasters of marines, second masters, pursers, surgeons, boatswains, gunners, carpenters, mates, and pilots, nine shares each.

To assistant-surgeons, and all other persons (except mates and pilots) comprehended in the said general scheme, under the denomination of the first class of petty officers, eight shares each.

To all persons comprehended in the same scheme, under the denomination of the second class of petty officers, seven shares each.

To all able seamen, ordinary seamen, landmen, marines, and all other persons, six shares each.

Eighthly.—And it having been found expedient, for the more effectually carrying on the said service on shore, to increase the number of sea lieutenants, and to diminish the number of mates and midshipmen employed therein; and it being therefore expedient, in order to give an adequate proportion of seizures to the lieutenants, that an apportionment should be made of the shares of seizures amongst the commissioned and warrant officers, and first class of petty officers, employed on shore as aforesaid, different to what is proposed in the general scheme before set forth, it is further humbly submitted to your Majesty's consideration,

That the three-eighth equal parts appointed by the said scheme to be distributed amongst the said three classes (after the deduction of one-tenth part, as above proposed), shall be united, and, being subdivided into equal parts or shares, shall be distributed in the following proportions, viz.

To each individual in the class of sea lieutenants five shares.

To each individual (except assistant-surgeons) in the class of warrant-officers, including mates and pilots, three shares.

And to the assistant-surgeons, and each individual in the class denominated the first class of petty-officers (except mates and pilots), two shares.

And that in all other respects, save as herein excepted, the distribution of rewards for the detention of smugglers, and for seizures under the laws relating to the Revenue of Customs, shall be made according to the general scheme before set forth.

And to prevent any misunderstanding of these regulations, it is further most humbly proposed, that all the officers and crews belonging to any of your Majesty's ships or vessels employed in the service usually denominated the Coast Blockade Service,

and on the muster-books of which ships or vessels the persons stationed and employed on shore shall be borne, shall, whether actually on shore or afloat, be considered as part of the force employed on shore within the meaning of these regulations.

Ninthly.—In case any difficulty shall arise in respect to any of the regulations hereby proposed, and not herein sufficiently provided for, the same shall be referred to me, or to the Lord High Admiral, or to the Commissioners for executing the office of Lord High Admiral, and my directions, or those of the Lord High Admiral, or of such Commissioners as aforesaid for the time being, thereupon shall be final, and have the same force and effect as if herein stated.

Lastly.—With regard to the preparations of the lists for the distribution of seizures,

I beg most humbly to propose, that the captains and commanders of your Majesty's ships and vessels of war shall, on making any seizure, transmit as soon as may be, or cause to be transmitted, to the Commissioners of the Navy a true and perfect list of the names of all the officers, seamen, marines, soldiers, and others, who were actually on board of His Majesty's ships or vessels of war under their command at the time of the seizure, and also those who were absent on duty at such time; which list shall contain the quality of the service of each person on board, together with the description of the men, taken from the description books of the capturing ships or vessels, and their several ratings, and be subscribed by the captain or commanding officer, and three or more of the chief officers on board.

And the Commissioners of the Navy, or any three or more of them, shall examine, or cause to be examined, such lists by the muster books of such ships and vessels and lists annexed thereto, to see that such lists do agree with such muster books and annexed lists, as to the names, qualities, or ratings of the officers, seamen, marines, soldiers, and others belonging to such ships and vessels; and upon request shall forthwith grant a certificate, signed by any three or more of them, of the truth of any list transmitted to them, to the agents nominated and appointed by the seizers; and also upon application to them the said Commissioners shall give, or cause to be given, to the said agents, all such lists from the muster books of any such ships and vessels and annexed lists, as the agents shall find requisite for their direction in making distribution to the parties entitled to share in the produce of such rewards and seizures, and shall otherwise be aiding and assisting to the said agents all such matters as shall be necessary.

And whereas by an Order in Council, dated the thirtieth of September one thousand eight hundred and twenty-five, your Majesty was graciously pleased to declare and direct that the bounty in respect of the crews of piratical ships and vessels given by an Act of Parliament, made and passed in the sixth year of your Majesty's reign, ch. 49, intitled "An Act for encouraging the capture or destruction of piratical ships and vessels," and the produce of all ships, vessels, boats, goods, and other property of and taken from pirates, and also the

bounty in lieu of salvage given by the said last mentioned Act, should be paid, divided, and distributed in the manner, form, and proportion expressed in the said Order in Council of the twenty-third day of June one thousand eight hundred and twenty-four, hereby proposed to be revoked.

I do, therefore, further most humbly submit, whether your Majesty will not be graciously pleased also to revoke the said Order of the thirtieth of September one thousand eight hundred and twenty-five, and further to declare and direct that the produce of all such ships, vessels, boats, goods and other property of and taken from pirates, and likewise the several bounties payable under the said last mentioned Act, in respect of the crews of such piratical ships, vessels, and boats, and also in lieu of salvage, or in any other respect, shall be paid to and divided and distributed amongst the officers, seamen, marines, soldiers, and others, who shall have been actually on board any of your Majesty's ships or vessels of war, or hired armed ships, at the actual taking, sinking, burning, or otherwise destroying of any ship, vessel, or boat, manned by pirates or persons engaged in acts of piracy, in the same manner, form and proportion as is expressed in the general scheme hereinbefore proposed for the distribution of rewards payable under the laws for the prevention of smuggling; save and except that no flag officer, or other person not actually present at the capture or destruction of the pirate vessel, shall be entitled to share in any distribution of the bounty in respect of the crews of such piratical ships, vessels, and boats.

And whereas by another Order in Council, dated the fourteenth day of March one thousand eight hundred and twenty-seven, your Majesty was graciously pleased to order and direct, that the proceeds, bounties, and other sums of money, payable under an Act of Parliament, made and passed in the fifth year of your Majesty's reign, cap. 113, intituled "An Act to amend and consolidate the laws relating to the abolition of the slave trade," to the commanders, officers, and crews of your Majesty's ships and vessels should be distributed and divided according to the rules and regulations directed and provided by the said Order in Council of the twenty-third day of June one thousand eight hundred and twenty-four, which is hereinbefore proposed to be revoked; I do, therefore, further most humbly propose, that your Majesty will be graciously pleased also to revoke the said Order in Council of the fourteenth day of March one thousand eight hundred and twenty-seven; and further to declare and direct, that all and every the proceeds, bounties, and other sums of money, which shall become payable to the officers, seamen, marines, and soldiers, on board your Majesty's ships and vessels of war, or hired armed ships, under and by virtue of the said Act, to amend and consolidate the laws relating to the abolition of the slave trade, in respect of captures and seizures made under the said Act, shall be divided and distributed amongst such officers, seamen, marines, and soldiers, in the same manner, form, and proportion, as is expressed in the general scheme hereinbefore set forth.

His Majesty, having taken the said report into consideration, was pleased, by and with the advice of

His Privy Council, to approve thereof, and also of the scheme therein submitted for the future distribution of seizures amongst the officers, seamen, and marines of His Majesty's Fleet.

And the Right Honourable the Lords Commissioners of His Majesty's Treasury, and His Royal Highness the Lord High Admiral, are to give the necessary directions herein, as to them may respectively appertain. *Jas. Buller.*
